Mr. Roy T. Walters has been elected to the Vestry, taking the place of Mr. James C. Larkin who has found it necessary to curtail his activities and, therefore, did not wish his name presented for re-election. We announce Mr. Larkin's withdrawal with sincere regret.

We welcome Mr. Walters as a member of the Vestry and hope that he may serve our Parish long in this association. During the short time that he and Mrs. Walters have been members of St. Paul's, they have been of great help to us in supervising the activities of the young people.

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

Thank you all for making the Easter Season at St. Paul's a happy one.

We frequently hear the expression "time marches on" and realize that time does indeed march on.

Spring, summer, autumn, winter. Infancy, youth, middle age, old age. Christmas, crucifixion, resurrection, ascension. Life and the seasons pass in rapid succession.

One wonders sometimes how this Spring differs from the Spring of a year ago, or whether later years find us more serious Christians than we were at the time of confirmation, or whether the joy of Christmas has carried us through the crucifixion with unwavering faith in Christ's resurrection.

The Seasons progress according to God's plan for them. Are we advancing in our spiritual life according to His plan for us? Are our faith and hope in Christ's promises growing stronger with the passing of the years? Are we accepting the love He so freely offers to those who believe in Him? Are we being made strong by Him to meet the problems of our day which at times seem well-nigh incapable of solution?

If we, as individuals, are not seeking through prayer and unfailing effort to help to right conditions, then we, as a church, are failing, for we are the Church. Isn't this just what many are now saying,—that the churches have failed to meet their responsibilities, otherwise the world would not be in the state that it is in today?

An individual or a small church may seem a puny force to combat the evils of the world, and would be ineffectual indeed if they depended on their own strength, but many individuals and many churches, relying upon God for wisdom and guidance, "could remove mountains."

Faithfully yours,
THOMAS PARKER,

Rector.

TESTIMONIAL DINNER

St. Paul's has been extremely fortunate in having had the Rev. Thomas Parker as its Rector for the past ten years.

It was felt that we should have a Testimonial Dinner to honor Mr. and Mrs. Parker on this happy occasion and we are very happy that the Bishop, the Rt. Rev. Oliver J. Hart, has accepted our invitation to be present.

So that everyone might enjoy the dinner and its attendant festivities to the fullest extent, it was decided to have the Dinner catered by McCallister's. Everyone knows that this will insure it's fine quality.

So that each one may have an opportunity to help in making the event a fine success all members of the Parish are invited to become Patrons or Patronesses of the Dinner.

Any member of the Dinner Committee or of the Organizations of the Parish will tell you how you may participate.

The Dinner will be held on Saturday evening May 15, 1948 at 6:30 P. M. in the Parish House and the cost is Three (\$3.00) Dollars, each. All reservations must be in the hands of Mr. William McGill or Dr. J. Randall Skillen on or

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

We thank God for the spiritual-minded lay people who throughout the ages have given their time and effort for the spreading of Christ's Kingdom. Without their help, the Church could not have grown.

The gifts of these devoted Christians have enabled the Church to establish schools, churches and hospitals. In this way the Church has ministered to untold multitudes of people.

The Church must grow steadily, if it is to carry out the command of Jesus to his disciples—"Go ye, therefore, and make disciples of all nations, baptizing them into the name of the Father and of the Son and of the Holy Spirit."

How can people go? We cannot all go personally, but we can all give of our means to send missionaries into all parts of the world. But we must not stop at giving alone. We must pray always that God's spirit will enable those sent to add souls to the Kingdom of God, and to keep us at home alive to our responsibilities. The failure of missions is not a reflection on missionaries; rather, it is chargeable to the indifference of the self-centered and self-satisfied Christians at home.

We have been too long willing to let others do our work for us. It is time that we stir up ourselves and do something real for Christ and his Church. A missionary-minded church is one that is alive to the opportunities to serve God.

May we, as members of St. Paul's Church, emulate the example of our patron saint and pray for his zeal and spirit to bring Christ to those who are seeking light.

Faithfully yours,

THOMAS PARKER,
Rector.

OUR WORLD NEEDS PEACE-MAKERS

"Our world needs peace-makers as never before; but no man can make peace if his heart is the victim of fear and of evil. For victory over fear he must know hope; for the conquest of evil the power of righteousness.

"The risen Christ brings us undying hope and a new power for nobler living as we face a fearful and disordered world in the confidence that death shall die, and in the firm conviction that God's will for a righteous and enduring peace is mightier than the forces which oppose His will.

"Let us who are risen with Christ seek those things which are above, and let God's peace rule in our hearts and in the world."

—BISHOP NASH.

WHITSUNDAY PRAYERS FOR FIRST ASSEMBLY OF THE WORLD COUNCIL OF CHURCHES

The five Presidents of the World Council of Churches, the Archbishops of Canterbury, Upsala, and Thyateira, Pastor Marc Boegner of France, and Dr. John R. Mott of the United States, have requested prayers for the first Assembly of the World Council of Churches meeting in Amsterdam, August 22 to September 4.

Whitsunday, with its associations for the unity and revitalization of the Church is suggested for special prayers in the 136 member churches of the World Council.

The following prayers are suggested:

O God, who wast pleased to send on Thy disciples the Holy Spirit in the burning fire of Thy love, grant to all Christian people everywhere, especially to those who are united in the Assembly of the World Council of Churches, to be fervent in the unity of faith, that abiding in Thee evermore they may be found both steadfast in faith and active in work; through Jesus Christ our Lord. Amen

O God, who as at this time didst send down Thy Holy Spirit from above upon Thine Apostles, send the gift of Thy Same Spirit upon the Assembly of the World Council of Churches, about to come together in Thy Name, that in all things it may glorify Thee, through the merits and mediation of Thy Son our Savior Jesus Christ, who liveth and reigneth with Thee in the unity of Thy Holy Spirit, One God, world without end. Amen

"QUOTES"

There is nothing more delightful than men who are learned gentlemen and also humble Christians, but the Church has suffered from those who have felt that it was enough to be the one without concerning themselves much as to whether they were attempting to be the other. One can never quite get away from those verses in the song of the Blessed Virgin, when she exultingly sings of the time when God shall exalt the humble and meek and send the haughty empty away. The words to me have a very real meaning and I rather fancy Europe would be a joyous place today if prelates and princes had spent more time on the significance of these words and less on the pomps and vanities of their respective official positions.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

Mrs. Parker and I wish to thank the members of The Committee, who planned the very successful Testimonial Dinner in honor of my Tenth Anniversary as Rector of the Memorial Church of St. Paul. The tables were attractively decorated and the dinner, served by McCallister's, was delicious. The occasion was a delightful one in every way and one that will long be remembered by both of us.

The preliminary work—the hours that members of the committee and others spent in getting ready for the affair, the washing of walls and scrubbing of floors, the gilding of radiators and varnishing of woodwork—especially impressed and pleased us. The Parish House was spotlessly clean. Truly this was a labor of love for your Church. Words cannot express our gratitude to those who worked night after night, and sometimes until early morning to accomplish this tremendous task: And it has increased our pleasure to learn that the young men and young women really enjoyed doing it.

We were especially appreciative of Bishop Hart's coming to us and giving an inspiring talk. We believe that it has encouraged all of us to seek to do greater things for Christ in our community. Bishop and Mrs. Hart are very busy persons and we value their part in making our anniversary such a happy one.

We also want to thank the Committee for our fine gifts, which we look upon as tokens of love from our parishoners and friends. We hope that we may prove ourselves deserving of the very nice things that you have said of and done for us.

Again, our sincere thanks and affectionate good wishes to you all.

Faithfully yours,

THOMAS PARKER,
Rector.

MEMORIAL GIFT

BRIEF HISTORY OF THE MEMORIAL CHURCH OF ST. PAUL

After the dissolution of the corporation of Old St. Paul's Church, on Third street below Walnut, and before the amalgamation of the Southeastern and Southwestern Convocations, the Southwestern Convocation had taken steps for the purchase of a plot of ground for the establishment of a new mission in the extreme southern portion of the city. Largely through the efforts of Rev. G. Woolsey Hodge, D. D., the Dean of the Convocation, and Mr. Lewis Redner, a

lot was secured at the corner of Fifteenth and Porter streets, but the building thereon was in such a deplorable condition that Convocation could only afford to put it in partial repair.

The Bishop had already appointed as Minister-in-Charge the Rev. Edwin S. Carson, a young deacon, then a student at the Philadelphia Divinity School.

Dean Hodge suggested that the new work be named St. Paul's to perpetuate the name and work in the southern part of the city of Old St. Paul's.

Mr. George C. Thomas immediately provided means for the reconstruction of the old mansion so that it could be used for a Parish House.

The first service was held on the nineteenth Sunday after Trinity, October 9, 1904.

A celebration of Holy Communion was held at 7:45 A. M. The Rev. W. Henry Graff was the first celebrant.

Seventeen persons were present at the 10:30 A. M. service and the offering amounted to \$1.65. Sunday School began at 2:30. Twenty-eight were present. At the evening service sixty-one persons were present.

In the meantime Southwestern and Southeastern Convocations had been united, and the Rev. Herman L. Duh-ring, D. D., had been appointed Dean. To him Mr. George C. Thomas made the proposition that if Convocation would extinguish the mortgage of \$7500 on the lot, he would erect a Church thereon in memory of his parents.

On December 28, 1905, the mortgage was extinguished, largely through contributions of former members and friends of Old St. Paul's.

Ground was broken for the Church on Saturday afternoon, May 19, 1906. Clergymen present were the Rev. Herman L. Duh-ring, D. D., Rev. William H. Graff, Rev. Mr. Bowie, Rev. Charles Hill, and Rev. Edwin S. Carson. Dr. Duh-ring and Mr. Lewis Redner, both at one time members of Old St. Paul's, broke the first ground.

The cornerstone was laid by Dr. Duh-ring on Saturday afternoon, July 28, 1906. Photographs of John William Thomas and Keziah Sophia, his wife, the parents of George C. Thomas, were placed in this stone. The original papers showing the date of purchase and dimensions of the lot occupied by Old St. Paul's Church and graveyard were also placed in the stone.

The Church was consecrated by Rt. Rev. Alexander Mackay-Smith, D. D., on Friday morning, May 31, 1907, at 11 A. M. The Rev. Nathaniel S. Thomas, then Rector of the Church of the Holy Apostles, preached the sermon.

After a visit to St. Paul's shortly before his death, Mr. Thomas spoke to his wife of the need of an adequate Parish House to carry on the work. He expressed a wish at that time to provide such a building. Shortly after his death Mrs. Thomas and her children built the George C. Thomas Memorial Parish House. The cornerstone was laid on Saturday afternoon, October 7, 1911, at 3 o'clock. The Rev. Wilson R. Stearly, Rector of the Church of the Holy Apostles, officiated.

The following men have served the New St. Paul's since its inception in 1904: Rev. Edwin S. Carson, Rector, 1904-1913; Rev. J. A. Peckham, Minister-in-Charge 1913-1914; Rev. Joseph H. Earp, Rector, 1914-1918; Rev. Granville Taylor, Rector, 1919-1922; Rev. George S. Gassner, D. D., Minister-in-Charge 1922; Rev. Stanley V. Wilcox, Rector, 1922-1930; Rev. Herbert L. Johnson, Rector, 1932-1935; Rev. Josiah Perry Cox, Rector, 1936-1938; Rev. Thomas Parker, Rector, 1938.

STANDING NOTICES

Every one is welcome at all the services in the Memorial Church of St. Paul. If you are not a regular attendant elsewhere, make your Church Home with us.

Communicants coming into the Parish or leaving it, should comply with the following Canon:

"A communicant removing from one parish to another shall procure from the Rector, if any, of the parish of his last residence, or if there be no Rector, from one of the Wardens, a certificate stating that he or she is a communicant in good standing."

Attention is called to Rubric before the Office for the Visitation of the sick, which reads:—"When any person is sick, notice shall be given thereof to the minister of the parish."

On due notice being given, the Rector is always ready and desirous to visit those who are in trouble, sorrow, need, sickness or any other adversity, and to administer the Holy Communion to such as, by reason of sickness or other infirmity, are prevented from coming to Church.

The Rector should always be consulted before arrangements are made for baptisms, marriages or funerals at which he is expected to officiate.

Parishioners are asked to send prompt notice of change of residence.

Aiken, Mrs. Annetté Lewis, Mr. and Mrs. Wm. McGill, Mrs. Young, Mrs. Griffith, Mrs. Mendoza, James Falconer, Rose Jankowski, Mrs. M. Property, Mrs. Anna Baumann, Mrs. Joseph Farley, Mrs. Joseph Conner, Mrs. M. Sheller, Miss Mary Wilson, Mrs. M. Alice Gibson, Miss Laura Henzler, Mrs. L. M. Harper, Miss R. L. Preston, Mrs. Edna K. Hughes, Mrs. Georgiana Kampen, Mr. and Mrs. Thomas Watson, Miss Mary W. Mac Pherson, Gordon Harper, Mrs. Robert J. Skillen and there was one envelope without a name.

THE EPISCOPAL RADIO PROGRAM

The value of the Church's new radio program for your parish depends largely on your co-operation.

A Tale of Two Cities is the next drama in the Episcopal Radio Series.

Great scenes from great plays, sponsored by the Episcopal families in this community, over Station WIP, will have the famous star of stage, screen and radio, Mr. Brian Aherne, playing the difficult role of Sidney Carton in Charles Dickens' immortal, A Tale of Two Cities, Friday evening, November 12, from 8:00 to 8:30 o'clock. This story of self-sacrifice, although laid in the time of the French Revolution, had many equally thrilling counterparts of heroism in World War II.

Gene Tierney in Pinero Comedy.

A thoroughly charming and delightful fantasy is the eighth radio presentation in Great Scenes from Great Plays, sponsored by the Episcopal families in this Community over Station WIP, Friday evening, November 19th, from 8:00 to 8:30 o'clock, E. S. T. It is Arthur Wing Pinero's Enchanted Cottage. Miss Gene Tierney, one of Hollywood's great stars who will be long remembered for her work in such plays as A Bell for Adano, The Razor's Edge, The Iron Curtain, and many others, will portray the part of Laura, while Richard Waring, long a favorite of stage and screen plays her husband, Oliver. Walter Hampden, beloved veteran of the stage and host of this Episcopal series of radio presentations, will be heard as an old family friend, Major Hillgrove.

Marriage is Topic of Radio Program, November 26th.

When the great Sir James Barrie wrote the outstanding theatrical success, What Every Woman Knows, nearly half a century ago, he little knew that his trenchant barbs directed against divorce would be just as applicable today as when they were written. This intensely human and delightful comedy of Scottish life at the turn of the cen-

tury is a masterpiece of satire and succinct humor. It will be broadcast Friday evening, November 26th, over Station WIP, and is the ninth in the series of Great Scenes From Great Plays, sponsored by the Episcopal families in this community. Miss Gertrude Lawrence, long a favorite star of stage and screen, plays the part of the gay and contriving Scotch lass, Maggie Wylie, while Dennis King depicts the role of John Shand, the egotistical politician who wins an election for Parliament.

RESPONSIBILITY

By George I. Hiller

Rector of Trinity, Miami

Though you teem with ability and lack a sense of responsibility, it profiteth you nothing. From the largest to the smallest organization there is an incessant demand for responsibility.

A man well endowed with this world's goods, and who fails to see that his brother has need, or who has no feeling of social responsibility, is blind or behaving like an ostrich. By his actions he deliberately courts the downfall of the social order, which has given him his place, and permits him to enjoy the luxuries of life. While the group of men who think they can wrest power, privilege, and luxury from society by destroying the existing social order, are equally blind, because in such a struggle they destroy the very thing they covet.

As citizens, Christians, either rich or poor, privileged, or underprivileged, the saving grace is a sense of responsibility.

All this is true in a big way in our world today. It is also true in every organization. We have a responsibility not only for their financial support, but a responsibility to render personal service and individual leadership. Many often speak carelessly of "our city" or "my country" or "my parish" or "our Church." Possession of anything entails responsibility. "Rights" belong only to the man who is right.

One is amazed at the great number of people who will accept positions of leadership, titles, or honors, and who seemingly never see that these things are fraught with responsibility. There is a growing tendency to take it for granted that any organization which has its purpose clearly stated in its charter or by-laws will automatically attain that purpose. This is ridiculous. There must be a real corporate and individual sense of responsibility.

It is the old parable of the talents. Whether we have much or little is the measure of our responsibility. Faithfulness to that responsibility is the gauge of our commendation, or of our failure.

SUNDAY SERVICES

HOLY COMMUNION.....	8:00 A. M.
CHURCH SCHOOL.....	9:30 A. M.
MORNING PRAYER AND SERMON.....	11:00 A. M.

Dear Friends:

We were pleased with the response to the suggestion of having "A Book of Remembrance" at St. Paul's, from which the names of loved ones whom we desire to memorialize will be read at the services on All Saints' Day and the Sunday in the Octave of All Saints'. It is our hope that many more will be interested in this plan and will want to have a part in carrying it out. You may wish to do so now. We shall be glad to add names to the list at any time. We hope that the number will keep right on growing. If you think that former members of the parish might be desirous of remembering loved ones in this way, and at the same time increasing St. Paul's Endowment Fund, will you speak to them about it and give their names to me?

This is the time of year that we plan for the coming year. We are now preparing our budget for 1949. You realize that, in common with most expenses, the cost of operating the Church has increased greatly. For example, our fire insurance, to replace our buildings in case of total destruction by fire, formerly cost \$150.00 per year now costs \$300.00. Other things connected with the maintaining of our Church have increased in the same ratio. Our giving has not been increased in proportion to the rise of operating expenses. It is our idea to acquaint you with these facts so that you may give as generously as you are able to and systematically through the budget envelopes. Your Church needs **you** and **you** need your Church. Full co-operation is necessary to carry on.

We have fine groups of willing workers in the Dorcas Society, the Church School teachers, the Altar Guild, the Men's Group and the Women's Group. We need a working group of Teen Ageds. Opportunity is offered for parishioners of all ages to join one of these groups.

The Annual Christmas Dinner and Bazaar will be held on Saturday, December 4th. Further mention of this event is made in the November Chronicle.

With every good wish, I remain

Faithfully yours,

THOMAS PARKER,

Rector.

CHRISTMAS BAZAAR

The Annual Christmas Bazaar and Dinner will be held on Saturday, December 4th, in the Parish House, from 3:00 to 10:00 P. M.

There will be an opportunity for all to purchase Christmas gifts at the Apron and Fancy Goods Table, under

the direction of Mrs. Oscar Gamper. There will be aprons of various styles and sizes and many other useful articles for sale and, of course, an opportunity to acquire a very beautiful baby doll. The Bakery Department, under the supervision of Mrs. Anna Moore, will sell pies, cakes and cookies. Those of you who attended the June Fete will remember the delectable wares displayed at this table. The Fruit Stand will be open for business under the management of Mr. and Mrs. George Kramer. Buy your supply of fruits and vegetables here and save money. There will also be home-made candies, other candies, including candy bars, candy canes and other candy novelties for sale at a counter presided over by the Misses Ella and Margaret Aikens.

Christmas Cards and Fancy Wrappings will be sold by the Church School teachers. Miss Scouler and Mrs. Roy will have a Christmas tree laden with gifts to be sold to the children.

The heads of tables mentioned above will be ably assisted by their committees.

Remember Santa Claus? He's going to be here again.

The Turkey Dinner will be prepared by the Dorcas Society, under the direction of Mrs. George Garrison. The young women, directed by Mrs. Roy T. Walters, will serve. The cost of the dinner will be \$1.50 for adults and \$.75 for children under twelve.

The Decorating Committee will have the rooms attractively decorated for Christmas. This annual event is a big undertaking and we are asking for your co-operation to make it a great success. As always, we must depend upon parishioners and friends for donations to the booths in order to make success possible.

CONFIRMATION

The Rt. Rev. Oliver J. Hart, D. D., will visit us on January 16, 1949, at 4:00 P. M., to administer the Rite of Confirmation. We are asking those who are desirous of being confirmed to meet with the Rector on Friday evening, November 12th, at 7:30 o'clock, in his office. If you know of anyone who would like to talk with the Rector about Confirmation, please give his or her name to the Rector.

WOMEN'S GROUP

Some of the women are meeting every Friday evening in the Parish House to sew for the Christmas Bazaar. Their spirit is wonderful. They come to work

and have an evening of fellowship. They are demonstrating practical Christianity.

THANKSGIVING DAY

Thursday, November 25th, being Thanksgiving Day, there will be a service of Holy Communion in the Church at 10:00 A. M. This is a day set apart by the President of the United States for the people of this country to give thanks to God for His many blessings to them as a nation and as individuals. You are cordially invited to give thanks at St. Paul's Church.

ADVENT CORPORATE COMMUNION

"As we begin the Church year on Advent Sunday, November 28, laymen of the Episcopal Church gather at the altar in a service of fellowship with Christ and with one another. As we participate in the nationwide Advent Corporate Communion, will you not join us in this service of dedication and fellowship? The hour is 8:00 A. M."

This service will be in place of our monthly Corporate Communion on the third Sunday of this month.

Immediately following the service, breakfast will be served in the Parish House, followed by a talk by a well-known speaker.

COMMUNITY CHEST

The 28th Annual Red Feather Campaign, plus U. S. O., is in progress. You will be solicited for your 1949 pledge. It is hoped that you will be generous and thus help others who cannot help themselves.

"To the members of our Churches, the Directors of the Council of Churches commend the Community Chest. We believe that relief of suffering, protection and guidance of children, care for the aged, and assistance for the handicapped are motivated by the Holy Spirit working in the hearts of men. We ask that the forthcoming campaign be supported by our members through prayer and by donation of gifts, time and talents to this noble cause."

VESTRY MEETINGS

The Vestry will meet on the third Wednesday each month, unless the Vestrymen are notified otherwise. The meeting for November will be on Wednesday, the 17th, at 8:00 P. M.

CARD PARTIES

The fourth Tuesday of each month there will be a card party under the auspices of the General Committee. Kindly mark that date and come for an

evening of pleasure.

Dear Friends:

The contract has been let for the pointing of the Church and the work is now under way. This has been one of our musts for some time. We are hoping to have the large window in the rear of the Church repaired, also, and a screen built to protect it. With the completion of this work, our Church will be more comfortable and attractive and we know that you will want to have a part in these improvements.

Letters have been sent out, telling you of our needs for 1949. We trust that you will think about them, pray about them and do the best you can about them. If we all co-operate in these efforts, we can attain our goal.

The Advent folders have been mailed out and again we ask that you will fill them and bring them in on or before Christmas Day.

The Christmas services will be: Carols and Holy Communion. 6:00 A. M. Holy Communion and Christmas Music 10:00 A. M.

May this Christmas Season be a Blessed one and the New Year a Happy one for all!

Faithfully yours,

THOMAS PARKER,

Rector.

THE EVERY MEMBER CANVAS

TO WHOM SHALL WE TURN

WHEN the baby comes and we wish to have him baptized.

WHEN boys and girls are old enough to go to Sunday School.

WHEN the baby takes sick suddenly and we are terribly anxious to have her baptized.

WHEN a son has done some wrong action and we need someone to intercede for him.

WHEN we need a Letter of Introduction or a "Character Reference" to help secure a position.

WHEN the boys and girls are old enough to join a church and we are anxious that the influence of some christian church should enter into their lives.

WHEN we plan to be married and wish a clergyman to associate with our marriage all the sacramental graces of the christian religion.

WHEN we are ill and yearn for the comfort of Holy Communion.

WHEN death visits our home and we desire the immortal words of Jesus to be said over our Loved One.

WHEN misfortune comes to us and we feel that we are losing our grip and we need someone who will speak words of hope and faith to our discouraged souls.

CONFIRMATION

The Confirmation Class is meeting every Friday evening in the Rector's office, at 8:00 o'clock. If you are thinking of confirmation, it is not too late to join this class.

The Bishop of the Diocese will visit St. Paul's on January 16th, 1949, at 4:00 P. M., to administer the Rite of Confirmation.

EPISCOPAL RADIO PROGRAM

The Old Lady Shows Her Medals, by Sir James Barrie, will be the eleventh radio play to be heard over Station WIP, December 10th, 8:00 to 8:30 P. M., in the Episcopal series, Great Scenes From Great Plays. Miss Fay Bainter, who has had many stellar roles on stage and screen and may currently be seen in Deep Valley, will portray the role of Mrs. Dowey, the London scrub-woman who finds happiness in the Church.

On Friday, December 17th, Mr. Henry Fonda, will portray the part of Young Mr. Lincoln over Station WIP, 8:00 to 8:30 P. M. In this dramatic story of the youthful Illinois lawyer's defense of two brothers accused of murder may be found the seeds of resourcefulness that enabled him to rise to great heights later as the emancipator of millions of his fellowmen.

**The Answer is
that we shall turn to
The Memorial Church of St. Paul

It happens
that on Sunday
December fifth
This same church
turns to us
asking that we help it to make possible
these same forms of ministry
to many people.

Since
we would naturally turn to
The Church
when we have need
and
rightly expect to be served

SO
This Same Church
prays that we will answer
its appeal for help on
Sunday, December Fifth.

tells of a young New England man, Ben Jordan, who almost destroys his own real happiness and the happiness of those around him by letting old grudges and old grievances remain frozen, ice-bound, inside his heart. The message of our Church to people everywhere without Church affiliation is that through Church membership and the blessed spirit of Christian love and charity millions have been able to clear their hearts of past grievances. . . and have found their way to a full and happy life.

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

Many changes have taken place in our immediate neighborhood with the passing of the years. Our parishioners used to live within walking distance of our church; now many come from a distance. The Church remains, serving those who are in need of its ministrations, offering the Gospel to young and old, ill and well, to the spiritually or mentally depressed, and to all who desire its services.

It is our hope to make our Church a spiritual well to which people can come to be refreshed and from which they may go out feeling that "surely God was in this place."

The new year affords us the opportunity to do much more for Christ than we have done in the past. Church-training should be the basis for family-living. Each one of us can make Christ a reality in our lives, if we will put Him first in our thoughts and acts. What a power for good we would be, if we would let God rule our hearts, and what joy and happiness would come to those whose lives we touch!

May this New Year bring us the joy of knowing Christ.

Faithfully yours,
THOMAS PARKER,
Rector.

CONFIRMATION

The Rt. Rev. Oliver J. Hart, D. D., Bishop of the Diocese, will visit St. Paul's on Sunday, January 16th, at 4:00 P. M., to administer the Rite of Confirmation. We extend a very hearty welcome to Bishop Hart.

Immediately after the service, the Bishop will greet the members of the confirmation class and the congregation in the Parish House. Refreshments will be served. Come and welcome the Bishop and the newly confirmed members of our Church.

LOUIS R. BECK

The Memorial Church of St. Paul suffered a great loss in the sudden death of Mr. Louis R. Beck, who had been Choirmaster and Organist from 1924 until his passing on December 14th, 1948. Mr. Beck was truly a fine musician and he loved his work at St. Paul's. He was greatly loved by the members of the choir and it was a real tribute to him to have many of his former choir members in the choir at the service held in the church on Friday, December 18th.

HOW WELL DO YOU KNOW THE PRAYER BOOK? •

What is The Book of Common Prayer?

A book of worship and prayer and instruction, containing authorized corporate acts and services of the Church.

How is it made up?

It is three books bound together: first, the usual Church services; then the Psalter; then the Ordinal, containing three services of ordination and two other services. Also there are some interesting preliminary pages and some additional matter at the end.

What are the usual services?

The Holy Communion with its Collects, Epistles, and Gospels fills the largest space. Before it are the daily services of Morning and Evening Prayer with special prayers and the Litany; following the Holy Communion are services which show the care of the Church for every person from birth to death, and beyond death.

Where did the Collects come from?

Some sixty Collects go back to the fifth and sixth centuries. Seventeen were composed for publication in 1549. A few are relatively recent.

Where did all the services come from?

The answer fills volumes and leads through a labyrinth of historical detail. In general the process has included: New Testament beginnings; primitive usage; spreading of the Church into all the countries known in the first thousand years; medieval elaboration of services; and, in England, sixteenth century reform of ceremonial, and translation into English, without any break in continuity from the beginning.

What book was used in England?

By the eleventh century the service books of several Church of England centers had become famous; those of Salisbury were most influential and were used over a large part of England and in Scotland and Ireland.

The confusing number and variety of service books supplied one of the chief reasons for compiling one English book which all could unite in using, which would eliminate abuses that had crept into older books, and would set forth the worship of the Church in richness but in simplicity.

When was such a book published?

The first English Book of Common Prayer was first used on Whitsun Day, June 9, 1549.

And the Americal Book?

A revision of the 1549 book appeared in England in 1662; from this, and with the Communion Service from the Scottish book of 1764, came the American Book, adopted October 16, 1789, and revised in 1892 and 1928.

How is the Prayer Book revised?

Only by a long and careful process in General Convention.

Why was English Church using prayers in Latin?

Latin had been the language of educated people. But there was a growing belief that English should be used, and many Church prayers were in English before 1549.

Who was responsible for the English Prayer Book?

Many English Churchmen, but especially Thomas Cranmer, sixty-ninth Archbishop of Canterbury.

What is meant by the Christian Year?

A calendar based on the life of Christ and the teachings of His Church. Observance of this Church Calendar, comprehensive and well balanced, helps the Churchman to remember all aspects of the Christian religion and not to go astray by over-emphasis or neglect of any.

How is all this used in the Prayer Book?

In several ways but chiefly by appropriate weekly readings and prayers in the Holy Communion.

Why is it so hard to find the right pages?

The difficulty vanishes after a little study and practice. It is due to the fact that part of the service is always the same, or nearly so, and part of it changes from week to week. One soon learns which are the changing parts and how to find them. A service always exactly the same might become dead routine; a service always different would be chaotic. The Prayer Book strikes the balance.

HOLY COMMUNION..... 8:00 A. M.

MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

At our annual parish meeting, held on St. Paul's Day, January 25th, a fine spirit prevailed. The attendance, however, was small and if it betokened a lack of interest on the part of parishioners this was rather discouraging.

The written and verbal reports indicated that there are small groups working zealously for the parish. The question is, how can we get the seemingly indifferent or lukewarm members to enter into the spirit of work? The responsibility for the success of a church lies not only with the rector, wardens and vestrymen, but with all members of the parish. Its success or failure rests with us individually. The Church's work would go forward, if each of us would do his share. If we will pull together, the load will not be heavy for anyone.

There are many things to do and we can do them, if we have a mind to work. We can build up church attendance by attending regularly ourselves and by bringing others with us. If we sing, we can join the choir and bring others to share in the ministry of music. We can be on the alert for new families, asking the children to attend Church School and suggesting to those of proper age that they come to confirmation instruction, and by inviting adult members of families to attend church services and organization meetings. Let us attend regularly, give systematically, and sing the praises of our Church; let us make it known by our deeds, and do all to the Glory of God.

Christian church work is God's work. We pray that we may have strength and courage to do it according to His will.

Faithfully yours,

THOMAS PARKER,

Rector.

WELCOME

On January 16th, Bishop Hart visited St. Paul's and confirmed five persons and received one into our Church. After the service, the Bishop met the class, vestrymen and congregation in the Parish House. Refreshments were served by the young women of St. Paul's Guild. We were happy to have our Bishop with us.

We welcome Mr. and Mrs. Andrew F. Caldwell, Charles S. Creighton, Jr., Mrs. Emily Ireland, Mr. James Henry Harrison Marvel, Sr., and Mr. William M. Mitchell as members of St. Paul's and we pray that they may continue steadfast in prayer and fellowship with the large body of disciples of our Lord Jesus Christ.

WINDOWS

It is with deep gratification that we announce that all of our windows have been repaired. It is the first time in ten years that the Rector can stand on the chancel steps and see whole windows throughout the church. It was impossible for anyone but an experienced man to repair the large window on the west side. The cost of repairing and replacing panes was \$475.00. We are going to have screens made to protect the windows and our men will put them in place.

DORCAS SOCIETY'S ANNUAL REPORT

The Dorcas Society has had a busy year, under the efficient leadership of its president, Mrs. George Garrison. During 1948 we were able to turn over to the Accounting Warden for church expenses the sum of \$750.00, and \$150.00 for fire insurance. We made donations to worthy causes, including the Convocation of South Philadelphia and Educational Week for the Blind. We also made contributions to the Testimonial Dinner, Episcopal Hospital and the Memory Book.

Members, who have been ill, have been cheered by flowers, cards and gifts and have been visited, when possible. We have tried to be helpful to the bereaved.

To raise money for our work, we have engaged in a number of activities, including suppers and card parties. A blanket club and a candy club have added substantially to our funds. Social activities included trips to places of interest. We have held demonstrations and have sold useful articles.

From all sources we have raised the sum of \$1,009.71 and have expended \$999.45, leaving a balance in treasury of \$10.26 to begin our new year's work.

HARRIET J. SKILLEN,

Secretary.

Helen Hricinak and Richard Farley were awarded Prayer Books for selling the largest number of boxes of Christmas cards for the Church School.

ORGANIZATION MEETINGS FOR DIOCESAN CHOIR

Meetings for the choirmasters of the diocese will be held this month in three strategically located churches to plan the organization of the permanent Diocesan Choir. Mr. Edward S. Siddall, director general of the choir, has announced the times and places as follows:

Monday, February 7th—St. Luke's,
Germantown. (5421 Gtn. Ave.)

Monday, February 14th—St. John's,
Lansdowne. (Balto. and Lans. Ave.)

Monday, February 21st—St. Mark's,
17th and Locusts Sts.

These organization meetings will be held at 8 P. M. in each church and Mr. Siddall is most anxious to have the choir directors of the various parishes attend so that the work, rehearsal routines and methods, etc. can be discussed and plotted out. Bishop Hart has given the Diocesan Choir his enthusiastic endorsement and assigned three great services to be held this spring as this season's work for the group. The first will be the Opening Service of the Diocesan Convention at Holy Trinity on May 2nd. The second is to be a Church Music Festival Service on Ascension Day night, May 26th, at St. Luke's, Germantown. The third will be the Diocesan "400th Anniversary of the Prayer Book" Service—Festival Evensong—at Holy Trinity on Whitsunday night, June 5th. It is anticipated that the Diocesan Choir will consist of one hundred and fifty voices and be outstanding among the cities choral groups.

DORCAS SOCIETY

At a recent meeting the annual election of officers of the Dorcas Society resulted as follows: Mrs. Herbert S. Edkins, President; Mrs. George Garrison, Vice President; Mrs. Robert J. Skillen, Secretary; Mrs. William McGill, Treasurer.

As one of its activities this faithful group conducts the Tuesday evening card parties and would be glad to have members of the parish and their friends patronize them.

CHRISTMAS AND ADVENT OFFERINGS continued:

The following have contributed through the Christmas and Advent Offering envelopes since our last report: Mrs. Sarah E. Anderson, Mrs. Elizabeth Hetto, Mrs. James Phillips, Mrs. William Utermohlen, Miss Annie R. Brown and Mr. and Mrs. James Aikens.

MORNING PRAYER AND SERMON..... 11:00 A. M.

stream of influence which it pours upon us.

A beautiful flower may be crushed by a thoughtless child or by a brutal person who cares nothing for its beauty or for its wonderful life. The lover of flowers sees in it a revelation of beauty and treats it with reverence.

Unsurpassed beauty and grace lurk where the indifferent eye refuses to see them. And as the beauty of a flower exists independently of those who ignore it or despise it, so it is with the spiritual world. Its existence, its beauty, its attraction, its infinite and eternal value, have been felt and appreciated by millions. These appeal to the soul, even if the soul does not always understand how near they are to it or how strong is that appeal.

In our religious life we know how God helps us. The upward look, the heart open to God, the hand outstretched, have never failed to receive strength and consolation when these were needed. And who has not known in the silence of the soul, solemn monitions, sad-voiced reproaches, sudden upliftings of the spirit? What are those but direct influences from the spiritual world—the unspoken voice of God's spirit: the promptings of what ministering spirits of His, who shall say?

Spiritual messengers ever doing God's will, what Christian thought and Holy Scripture call the Angels of God. Who could dare to say that there are no such intelligences in the unseen. On occasion God may use these as ministers of His Grace to mortals. What did our Lord say of guardian spirits of children—the angels of the children always behold the face of My Father in Heaven. Therefore, he said, take heed that ye despise not one of these little ones. In face of these solemn words and of many other references to angels by our Lord, we dare not set aside the testimony to the existence of such spiritual beings.

A Divine thought or a revealing message impinging upon a human soul may at times, in the agitation of consciousness, have seemed as the visible presence of such a spiritual messenger. Or some may see angelic hosts where others see only the beauty and glory of earthly things.

Some have been conscious of interpositions in life from the unseen—premonitions, warnings, deliverances from peril, and have seen then an angelic presence. Who shall say they were wrong? We lose much if we say that such intervention does not happen, or that it is never seen and known.

Does it not widen our thought of the reality of the spiritual world, to believe in God's ceaseless care and that His invisible messengers are carrying out His work? They serve Him—in adoration; in ministry to souls in the unseen; in service to men on earth, bringing them succor, or the echo of that wonderful music which resounds in the unseen. We may know this for ourselves.

Or we may see it with the imagination of some great mind. He, as Ruskin says, sees the angel hosts "with the flames on their white foreheads waving brighter as they move, and the sparkles streaming from their purple wings like the glitter of many gems upon a sounding sea, listening, in the pauses of alternate song, for the prolonging of the trumpet blast, and the answering of psaltery and cymbal, throughout the endless deep, and from all the starry shores of heaven."

They always do God service in heaven. Shall we not accept the inspired word that by His appointment they succor and defend us on earth?

RED CROSS

The 1949 Red Cross Fund Campaign opens on March 1st and continues throughout the month. The quota for this area is \$2,005,000. The national goal \$60,000,000.

In addition to its 17 traditional services to the public, its work among servicemen and their families, the Red Cross is starting a Regional Blood Service, one of the most vital medical projects ever undertaken in this country. The service will collect blood from the public and will make it available—free—to all in need of it.

Without your support, this help will have to stop.

FRIENDSHIP

It is a blessed thing to have a companion we can trust and love and serve. Philips Brooks suggested that in life there should be three kinds of human association:

1. With those weaker than ourselves, that we may give.
2. With those stronger than ourselves that we may receive.
3. With those who are about like ourselves, that we may have close and natural fellowship.

No man is big enough to live alone. No man can find himself save in fellowship. And these human companionships bring us to the perfect fellowship with Christ, our "Best Friend."

—Floyd W. Tomkins.

Dear Friends:

We are now in the season of Lent. It is a time of prayer and fasting. Doubtless the question has arisen in the mind of each of us as to how we shall keep this Lent. We might recall how well we observed the season last year and profit by our shortcomings.

The editor of The Living Church reminds us that "Human nature is weak and often wicked. It is because we are so likely to defer known duties and neglect precious privileges that the Church has from earliest days appointed special times for self-examination, fasting and prayer." The observance of such times is primarily not a duty but an opportunity."

It is an opportunity for us to widen our knowledge of Christ and His Church; an opportunity for us to deepen our spiritual lives. We freely admit that we have neglected our Church and promise ourselves that we are going to be more faithful in attendance at its services in the future. Now is the time to make a fresh start, but let us not do, as so many do, go to Church just during Lent, expecting to receive sufficient spiritual power to last until next Lent. It isn't at all a question of how many services we attend, but of how much we grow spiritually during this season. Are we doing more for others? Are we helping others to know Jesus? By helping others to a deeper understanding of His love, we learn to know Him better ourselves.

Lent is a testing time for us. May we prove true witnesses for Him who came that we might have eternal life.

Faithfully yours,
THOMAS PARKER,
Rector.

ONE GREAT HOUR—

ONE GREAT GOAL—

ONE GREAT EFFORT.

On Saturday, March 26th, between 10:00 P. M. and 11:00 P. M., Eastern Standard Time, there will broadcast one of the greatest single programs in the history of radio. Called One Great Hour, it will be heard over every one of the 1092 stations of the four major networks, CBS, NBC, ABC, Mutual, plus hundreds of non-network stations. One Great Hour will be sponsored by our Church and more than twenty Anglican, Protestant and Eastern Orthodox Churches. It will be designed specifically to raise many millions of dollars for World Relief in our Church and thousands of other Churches throughout America on Sunday, March 27th, the Sunday immediately following the Program.

Basic structure of this great program will be dramatized true-life examples of the many vitally important types of

work now being done through churches and church organizations in Europe and Asia. The program will feature great names, great living drama, and great music. It will give to an audience of some fifty million listeners a clear idea of just why contributions are so necessary right now for the overseas work of the Presiding Bishop's Fund for World Relief and those united with us in this great effort. It will prove to America, and to all the world, just how great is the power generated when our Church and all the participating Anglican, Protestant, and Eastern Orthodox Churches work together for a great common cause.

Here is an unparalleled opportunity for Episcopalians to do an even better job than we have done up to now in the work of overseas relief, rehabilitation, and reconstruction, and, equally important, One Great Hour can bring new hope to Christians throughout the world and new faith in the power of God.

Use the Blue Offering Envelopes and help make The One Great Hour a success.

MINISTERING SPIRITS

Editorial, The Scottish Churchman

We have no means of knowing fully the nature of the spiritual world or of the beings who compose it in the way in which we know ourselves or the world around us.

GOOD FRIDAY

Do the crowds deliberately misunderstand Him when They cry out, This Man calls upon Elijah; let us wait and see whether Elijah will come and take Him. But Jesus, wearied by their cynicism, and His throat parched, says: "I thirst," and one of the soldiers touched by His suffering fills the sponge with vinegar and, fastening it on a reed, gives it to Him to drink. In the prelude to His ministry, after the long Fast He had been hungry, and His hunger had included the needs of all the hungry poor; . . . Now when He thirsted He would remember the parched and swollen throats of the prisoners, and of all the tired and downtrodden people of the world. Not only of bodily hunger and thirst would He be thinking, but of those who hunger and thirst after justice.

—Conrad Noel

THE POWER TO FOLLOW HIM

Many centuries ago a small, pathetic group of disciples watched their Master die on the Cross at Calvary. Discouraged, disillusioned, fearful, they were about to return to their homes when something happened which changed

them completely and sent them out as Apostles of overwhelming Good News. Their testimony as to this transforming event was that the Living Christ appeared to them. This witness of theirs was given not only in words but in the kind of people they were, in the heroic way they lived and died. Certainly a great event took place. Why should we doubt the sincerity and the conviction of their experience?

He is Risen. That is the clarion call which has brought courage and inspiration to many millions in succeeding centuries. Today in our disillusioned and fearful generation, we need to realize that our faith is not alone in a crucified Christ of long ago but in a victorious living Christ Who gives men power and strength to follow Him. Here once again in our time as it was of old is the faith which overcomes the world. God grant that Eastertide may make us in our turn courageous witnesses to the Living Christ.

HENRY K. SHERRILL,
Presiding Bishop.

STANDING NOTICES

Every one is welcome at all the services in the Memorial Church of St. Paul. If you are not a regular attendant elsewhere, make your Church Home with us.

Communicants coming into the Parish or leaving it, should comply with the following Canon:

"A communicant removing from one parish to another shall procure from the Rector, if any, of the parish of his last residence, or if there be no Rector, from one of the Wardens, a certificate stating that he or she is a communicant in good standing."

Attention is called to Rubric before the Office for the Visitation of the sick, which reads:—"When any person is sick, notice shall be given thereof to the minister of the parish."

On due notice being given, the Rector is always ready and desirous to visit those who are in trouble, sorrow, need, sickness or any other adversity, and to administer the Holy Communion to such as, by reason of sickness or other infirmity, are prevented from coming to Church.

The Rector should always be consulted before arrangements are made for baptisms, marriages or funerals at which he is expected to officiate.

Parishioners are asked to send prompt notice of change of residence.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

We had a fine Easter at St. Paul's. The spirit was good. Attendance at all services was large. The music, under the able direction of Mr. Sweeney, was excellent. The altar was beautifully decorated by members of the Altar Guild. The atmosphere was conducive to worship.

All services should be attended like those of special days. The Church is the House of Prayer for all men at all times. How can we neglect God by our indifference when He is so faithful to us?

If we are out late Saturday evenings, we are too tired to go to church Sunday mornings; or perhaps we have something to do around the house, or we must study for "exams." Such poor excuses! We would not expect our employers or teachers to accept them on Monday mornings, yet we think that they should be good enough to satisfy God.

Let us not let down our interest in things spiritual now that Lent is over.

Are those who have children being fair to their children, who love God in sweet simplicity and must wonder why it is that father and mother do not join them in Church or Church School attendance? We are all members of God's family and should worship Him as families. Will you not make an effort to attend that your children may know that the same Jesus whom they love is your God too? Let us make our Church known as a friendly family Church.

Cordially yours,

THOMAS PARKER,

Rector.

It was with sincere regret that the Rector accepted the resignation of Mrs. Frank C. McCook as Directress of the Altar Guild, a position she has filled very acceptably for a number of years. Mrs. McCook has been faithful in the performance of her duties at all times. We are happy to say that she will remain a member of the Guild and will continue to do all that she can to help with the work of the Altar. Mrs. Herbert S. Edkins is Secretary and Miss Mary Gazzara is the Treasurer. Other members are Mrs. Edgar B. Coleman, Mrs. William McGill, Mrs. Russel G. Reiner and Mrs. Edward Harrison

NEW ORGANIST

At a meeting of the Vestry, held on April 20th, Mr. Louis Sweeney was elected Organist and Choirmaster. We welcome Mr. Sweeney to St. Paul's and hope that members of our congregation will co-operate with him in augmenting our choir and bringing it to a high degree of proficiency. Music plays a very important part in a service of worship.

THE WAY OF UNITED THANK OFFERING

A penny seems so small a way
To say
Thank Thee, dear Lord,
Because my child came home to me
today!
And yet,
It thanks Thee better than an empty
word—
It proves to Thee I truly don't forget.
All things are Thine through all of time
Sublime!
Yet I, tonight,
Dare place within this box a tiny dime,
For Thee!
In thanks because this day I won a fight,
Against the subtle sin that tempted me.
Even a dollar seems so small
For all
Thy grace to me,
Thy constant kindness to me, Lord most
high,
But here—
Take it, 'tis freely given, even I
Know parents count the grateful gift most
dear.
Our pennies, dimes, and dollars given
To Heaven,
Dear God unite,
And raise them with our blessed Saviour's
leaven,
That they,
May gladly swell to ever greater height,
And help all men to find His wondrous
Way!
—Jean Ellis in Parish Messenger.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

Summer vacation days are over and those of us who were away have returned to our homes, our work and our church.

Mrs. Parker and I had a very delightful trip to the Pacific Northwest, where we visited relatives and friends. Much of the scenery along our routes out and returning was very beautiful; truly the handiwork of God is inspiring.

Perhaps the nicest thing about a vacation is that we have a complete change and we return to our homes relaxed and ready for work.

From reports we learn that, in spite of the extreme heat of the summer and the lure of country and seashore, congregations were large. We sincerely thank the Rev. John McGarvey and the Rev. Fred B. Hornby for taking the Sunday services during our absence.

We are very happy to welcome many former members of All Saints into the congregation and fellowship of St. Paul's. We trust that you will find your new church home a friendly one and a goodly one in which to worship God, and that we may be one fellowship working together to spread Christ's Kingdom in our community.

We have had our Church pointed and painted recently and we think that it looks beautiful. There are other things to be done, which we shall try to have attended to as soon as possible.

The fall work is starting and we hope that all will take an active part in it. We need all the help that we can get. The Choirmaster, Mr. Sweeney, would be glad to talk with you about singing in the choir. With the increased enrollment in the Church School, we shall need more teachers. Your services can be put to good use all along the line.

May God's blessing be upon all as we enter upon the work of a new church year.

Faithfully yours,
THOMAS PARKER,
Rector

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

We have read in our church papers what the Church in general is planning to do. We have heard that there is a great opportunity for the Church to go forward in the years ahead. We have been told that our deputies were greatly encouraged by the reports that were read at General Convention about the work of the Church everywhere.

We are zealous for all to hear the Gospel, the good news, but how can they hear it except from those who are sent? We are the people who do the sending. The Church is counting on us. Wherever it fails, it is because of some lukewarm communicants. Where the Church goes forward, it is because the entire Church has caught the vision of Christ and is aflame with His spirit.

It will cost the Church \$5,600,000 to put its program into operation. Every communicant is expected to do his share. The Bishops, in their pastoral letter, recommend the Biblical teaching of tithing—and that half of the tithe be given to carry on the work of the Church.

It is essential that all of us be missionary-minded. We have been woefully lax in our missionary-giving. We hope that each member of our Church will increase, and double if possible, the amount given in the red side of his envelope. It is most important for us to support the Church as generously as we can. Those who are self-sacrificing in experience real joy in sharing with others. Let us think and pray and do something about it. If we do this, then the years ahead will be good years for the Church and a healthy, happy Church has a tremendous effect on the welfare of the nation and of the world.

With all good wishes, I am

Faithfully yours,
THOMAS PARKER,

Rector

HOLY COMMUNION	8:00 A. M.
CHURCH SCHOOL	9:30 A. M.
MORNING PRAYER AND SERMON	11:00 A. M.

Dear Friends:

This is the season of the year when nearly everyone is busy, trying to get things done before Christmas, in order that they may have time to celebrate the birthday of the Christ Child with joyful hearts.

Christmas should be a time of peace and happiness for all and there should be an eagerness to greet one another with joyous Christmas wishes. We should be glad because we can celebrate the birth of our Lord and sing the traditional Christmas carols. Young and old alike feel the spirit of gladness because they are thinking of others and seeking to give happiness to them by gifts and by thoughtful words and deeds.

We trust that all of our St. Paul's family will have a happy Christmas and that everyone will make a special effort to receive the Sacrament of Holy Communion either at the midnight service, starting with carol singing at 11:30 P. M., Saturday, December 24th, or on Christmas Day at 10:00 A. M.

Faithfully yours,
THOMAS PARKER, Rector.

CHRISTMAS DECORATIONS

The Altar Guild is planning to have the Church beautifully decorated for the Christmas services. You may want to share in this effort. If so, will you kindly place a contribution on the plate on the table at the rear of the Church? If you prefer to send a plant, please see that it reaches the Parish House on or before noon, December 24th.

THE WOMAN'S AUXILIARY

The meetings of our recently reorganized Woman's Auxiliary have been well attended. At the December 5th meeting, Mrs. U. Grant Beath, Diocesan President of the Woman's Auxiliary, will be the special speaker. Every woman, by virtue of her membership in the Church, is a member of the Auxiliary. It is hoped that there will be a large attendance to hear Mrs. Beath's important message. The meeting will be held in the Church School room.

ENVELOPES

The 1950 church budget envelopes will be ready for distribution at the Christmas services. They will be on the table at the rear of the church.

ONE WORLD IN CHRIST

"The Church, through General Convention, has adopted a budget of \$5,634,617, the largest in its history. The Church now faces the task of raising that budget, and with God's help, it can be done.

One World In Christ means extra work for you and many in your congregation, but the need is very great and very urgent. The budget itself reflects only the bare minimum. If, however, we are willing to set our goal on our real ability to share, there is no limit to the power which lies within the Church.

When the people know, they will respond. Every parish and mission is asked to devote the period from January 1, 1950, to March 1, 1950, to an educational program on the different parts of the Church's work. By doing the same thing, in the same way, at the same time, we shall discover the great power which lies in a Church united in a common cause."

Here is the schedule suggested:
January: The Church's Work Overseas
February: The Church's Work at Home
March: The Church's Work in Christian Education

Dear friends of St. Paul's:

The services on Christmas Eve and Christmas Day were a joy to me. The beautiful candlelight communion service, the singing of traditional carols and the large congregation must have been an inspiration to all present. It was the best-attended Christmas service since I have been your rector and it pleased and encouraged me greatly. I trust that it was just a beginning and that you are planning to be present every Sunday during the year. If we worship together and serve together in the name of our Master, we are bound to exert a good influence in our community.

The Christmas offering to date amounts to \$1,643.52. This is a splendid offering and we thank you sincerely for your generosity.

The year 1950 lies ahead. It can be a great year for all of us. It will be what we make it. It can be a year of self-seeking or it can be a year of sharing. We pray that it may be a year in which we shall grow in fellowship with Christ and with one another.

A Happy New Year to All!

Faithfully yours,

THOMAS PARKER,
Rector.

ONE WORLD IN CHRIST

"A nation-wide campaign of education is being inaugurated throughout the Episcopal Church, to inform all its members about its new Program of greatly enlarged activity in Christian Education, in missions at home and overseas, in Social Relations, and in all the other phases of the Church's national and world program.

Laymen are to have prominent roles in the campaign, and already more than 1,600 men have volunteered to take special training in preparation for telling the story of the church's plans to vestries and other groups of laymen in all parts of the country. This is believed to be the first time any comparable number of laymen have engaged in such an enterprise for the Church.

Also it is believed to be the first time that any Church has organized an intensive campaign of education that can touch every man, woman, and child in its membership. The Episcopal plans call for a study through January of the Church's missionary work overseas, in-

cluding the work of relief of Christian war-sufferers in Europe and Asia, and the resettlement of Displaced Persons in this country.

During February a similar study will be made of missions in this country, and in March the study topic will be "Know Your Church," supplying information about the Church itself.

On March 12, the Rt. Rev. Henry Knox Slerrill, Presiding Bishop of the Episcopal Church, will address all Episcopal congregations, which will hear him by means of radio receiving sets placed in the Churches, so that at a certain moment during the regular Sunday morning service, the Presiding Bishop's voice will tell of the needs and opportunities offered to the Church at this critical period in the world's history. The address will be broadcast on one of the largest radio networks ever arranged for a religious program.

The enlargement of plans in all departments of the Episcopal Church's work is to be provided for by a greatly increased financial budget. The General Convention which met in San Francisco last autumn, adopted a budget of \$5,634,617 for the year 1950, and the same amount for 1951 and 1952. The budget for 1949 was \$3,650,000, so that the increase is nearly two million dollars. In its budget statement the General Convention said officially that "it is no mere platitude to declare that we are living in an age of crisis. The Christian faith is being besieged from without by a militant, assured, relentless, and aggressive secularism. It is betrayed from within by inertia, indifference, neglect, frustration, and self-complacency." The great campaign of education now being started is to assure that Episcopal Church members everywhere will support the whole plan, and the budget to make it possible, so that the Church may face the situation stated by the Convention, and do its utmost something about it."

ONE WORLD IN CHRIST KNOW YOUR CHURCH'S WORK AT HOME

All through the Episcopal Church, led by trained-and-experienced clergy and laymen, Church members are learning to know and understand the work of their Church in missions overseas, missions here in this country, in Christian education and other Church activities. It is believed that such a universal educational plan has never been put in operation on such a large scale in Church history. The idea back of the Episcopal plan is to assure that members know, and are interested in a program of expansion in practically every phase of the Church's work so that they will want to have a share in it, and will support an increased budget making it possible.

Through January the study in parishes in all parts of the country concentrated on Episcopal missions overseas. In February the study topic is "Know Your Church's Work at Home." It will consider the little urban and the little countryside church; work with special groups such as American Indians and parts of the 12,000,000 Negro population; the great task of Christianizing rural America; keeping in the Christian way the thousands of young men and women who are finding a new world away from home attending colleges and universities; caring for the spiritual needs of the men and women in the nation's armed forces on land and sea and air; ministering to the suffering in mind and body in veteran's hospitals; and resettlement of displaced persons from European areas suffering from the results of war.

The educational campaign will continue to March 12, on which date the head of the Church, Presiding Bishop Henry Knox Sherrill, will bring a climaxing message to the whole Church by means of a radio broadcast. The message will be sent out over one of the largest networks ever arranged, and it will be heard in homes in which people have for any reason not gone to church, but more especially, it will be heard by Episcopal congregations seated in their pews in parish churches from coast to coast, Canadian border to Mexican bor-

der, by means of radio sets and loud speakers set up in the churches. It will reach an extremely high percentage of the Church's total membership of more than a million and a half. Even tiny isolated places where a radio station is so distant that reception is difficult will be provided with electrical transcriptions or phonograph records, so that their people, too, may hear the Presiding Bishop tell of the plans for meeting the needs and opportunities which clamor for Christian action, and with which Episcopal leaders believe the whole Church will be increasingly concerned.

FEBRUARY 1950

No. 2

Dear Friends:

Lent will start on Ash Wednesday, February 22nd. The Lenten season always occurs in the Spring when the days begin to lengthen. It is the annual season of fasting observed by many churches as the preparation for Easter and as a time of special penitence. In the Western Church, since the early Middle Ages, it is fixed in duration at forty days, which have been established as the forty week days preceding Easter, the first being Ash Wednesday. The six Sundays occurring during this period are excluded from Lent, for the reason that Sunday is always a feast, and hence are called Sundays in (not of) Lent.

This is a time when we think anew of Christ and His teachings. We are reminded of Jesus' sufferings in the wilderness, in preparation for His earthly ministry. We fortify ourselves for the battle against the forces of evil. We strengthen our faith by learning more about God and His Son Jesus Christ. It is a time to make a special effort to put away those things that are hurtful to our souls and turn our thoughts to God.

May we think of others, too, this Lent and invite them to join us in seeking spiritual growth.

Faithfully yours,
THOMAS PARKER,

Rector.

MINUTES OF THE ANNUAL PARISH MEETING JANUARY 25, 1950

The Annual Parish Meeting of the Memorial Church of St. Paul was held in the Parish House at 7:20 P. M. Twenty-three members were present. The meeting was opened with prayer, the Rector, the Rev. Thomas Parker, presiding. The Minutes of the meeting held on January 25, 1949, were read and approved.

Miss Henrietta C. Hunter and Mrs. Harvey Hesington were appointed tellers and the ballot box opened for the election of vestrymen.

The Rector noted a willing spirit working within the people of the Parish in the planning of service which required their joint effort: and parallel with this he thought he could see more emphasis placed on spiritual values. The aid of the Choir in improving the service of praise and worship was commended.

Mr. Frank C. McCook presented the Accounting Warden's report for 1949, in the absence of Mr. Edgar B. Coleman. A summarized report follows:

ANNUAL REPORT DORCAS SOCIETY

The Dorcas Society has had a very busy year under the leadership of Mrs. Herbert Edkins. Although our group is small, we have endeavored to carry on as usual. During 1949 we turned over to the Accounting Warden for meeting Church expenses the sum of \$700.00; also \$150.00 for fire insurance. We have made donations to worthy causes, including the Elizabeth Price Martin League and Educational Week for the Blind. Our members who may become ill are cheered by flowers and cards and we visit them when possible. We try to be helpful to the bereaved. To raise money for this work, we have engaged in a number of activities, including card parties, sale of useful articles, and trips to places of interest. A Blanket Club and Candy Club have

proved successful in adding to our funds. We have had a number of product demonstrations. From all sources we have raised the sum of \$1080.51 during the year, and have expended \$1007.22 leaving a balance of \$73.29 in the Treasury to start the New Year.

Harriet J. Skillen,
Secretary.

REPORT OF WOMAN'S AUXILIARY

On Monday evening, October 10th, the women of St. Paul's Church reorganized their branch of the Woman's Auxiliary. Temporary Officers were appointed as follows: Mrs. Eleanor Irwin, President; Miss Grace I. Ridings, Vice President; Mrs. Martha Zimmerman, Secretary; Miss Kathryn Mellwig, Treasurer.

It was decided to hold one meeting a month and that to be a business meeting on the first Monday.

Representatives were appointed to serve on the Diocesan Committees, which hold their meetings at the Church House on Wednesdays at 10:30 A. M., as follows: Domestic, Mrs. Nellie Fullerton; Overseas, Mrs. Louise Parker, alternate Mrs. J. McKissick; Indian Hope, Mrs. Ruth McGill and Mrs. Helen Jillard; Negro, Mrs. Peggy Walters. Mrs. Grace Mellwig is Treasurer for the United Thank Offering and Mrs. Beatrice Kelly is Representative to the Church Periodical Club.

In December, the Auxiliary had the honor of being addressed by Mrs. Beath, President of the Woman's Auxiliary of the Diocese of Pennsylvania, who gave an inspiring talk on the opportunity for service through the Woman's Auxiliary.

In January an election of officers was held and those in office were unanimously elected for a three year term.

A financial obligation to the Diocese has been assumed, to send \$5 a month toward the support of the five Committees, payable twice yearly. We will also pay Church Periodical Club dues of \$2 a year and \$3 toward the Library Fund.

We have two representatives to the evening group of the Diocesan Woman's Auxiliary, which meets the second Wednesday: Mrs. Sue Clark and Miss Grace Ridings.

In order to raise funds for the Auxiliary, we have adopted a "Talent Money" plan which is an individual project, and are planning other profitable activities.

Respectfully submitted,
Martha B. Zimmerman,
Secretary.

ANNUAL REPORT OF ALTAR GUILD

The Altar Guild is a small group of women who work under the direction

of our Rector, to keep the altar spotless and have things ready for him at all times.

The flowers placed there each Sunday are in memory of loved ones. When a vacant Sunday occurs, the Guild takes care of it.

We are grateful to the congregation for the donations given at Easter and Christmas. Our altar and chancel were very beautiful on both occasions. We also thank Mrs. George Kramer for the beautiful linen given in memory of her mother.

If anyone cares to have flowers on the altar on any special date, or Sunday nearest to it, please speak to Mr. Parker or any member of the Guild and we will be glad to take care of it.

L. May Edkins, Secretary.

REPORT OF ORGANIST

First of all I want to say that I am enjoying my work as organist of St. Paul's and to convey to the members of the choir, and to each of you, my sincere appreciation of the fine co-operation I have received.

We, to whom is entrusted the music for the services, have been trying to make this a valuable part in the worship. Our shortcomings are evident to us and we shall strive in the future to work harder and to do better.

Our Lenten and Easter music is our immediate concern. We hope to sing Stainer's Crucifixion this year. We would be glad to welcome new voices, male and female, to help us in this work.

May the end of this year find St. Paul's Choir steadily improving.

Louis Sweeney.

CALENDAR P. RITTER

Mr. Calendar P. Ritter, a member of the Vestry for many years, died suddenly on January 14th.

Mr. Ritter represented our Parish in the Diocesan Convention for a number of years. He was faithful in the per-

Saturday, March 25th marks a day for the women of the Diocese of Pennsylvania when extraordinary acts and exercises of devotion are called for.

Very early on that day women will rise, some of them before dawn, not to anoint the Body of our Lord at a sepulchre, but to present themselves, at His Holy Altar, to receive His Body and His Blood, the strengthening and refreshing of their souls, which is their reasonable service, that they may be quickened together into Newness of Life, in His Holy Fellowship. Joyfully they will be remembering a woman, the mother of our Lord, whose Annunciation "Behold the hand maid of the Lord, be it unto me according to thy word" must have made the universe itself tremble in awe. Henceforth all generations have called her blessed, all womanhood held in reverence to her honour.

The prayer intention of this Corporate Communion is for the active participation of all the women of the Diocese, in the life of the Church. The service will be at eight o'clock in Christ Church, 2nd street above Market, Philadelphia. Bishop Hart will be the Celebrant. Following the Holy Eucharist, Bishop Armstrong, the new Bishop Suffragan, will give a message at Breakfast. (We beseech thee, O Lord, pour thy grace into our hearts; that as we have known the incarnation of thy Son Jesus Christ, by the message of an angel, so by His cross and passion we may be brought unto the glory of His resurrection; through the same Jesus Christ our Lord. Amen.) The archangel Gabriel said unto Mary; "With God nothing shall be impossible."

A SPECIAL PRAYER

By the Presiding Bishop

O God, who hast called us out of darkness into thy marvellous light and hast set before us an open door; give us the will to bear our part in preaching among the nations the unsearchable riches of Christ. Grant that all men everywhere may see in his face the light of the knowledge of thy glory, and being drawn unto thee, may become one world through the power of him who is the Way, the Truth, and the Life, now and forever.

—Amen.

WOMEN'S CORPORATE COMMUNION

Annual Corporate Communion and Breakfast for all the women of the Diocese, on the Feast of the Annunciation of the Blessed Virgin Mary.

WOMAN'S AUXILIARY

We had a short business meeting in February, in order to join in a spirit of fun at our Hat Party. We will have an especially interesting meeting March 6th, when the February monthly reports will be read.

MARTHA ZIMMERMAN,

Secretary.

DR. AND MRS. STANLEY V. WILCOX

Members of the Memorial Church of St. Paul were saddened by the sudden tragic deaths of Dr. and Mrs. Stanley V. Wilcox on February 16th, in an automobile accident at Elkins, Maryland. Dr. Wilcox was Rector of this Parish from 1922 to 1930 and he and his wife were greatly beloved by the Parishioners. Funeral services were held in St. George's Church, Ardmore, on February 20th, Bishops Remington and Armstrong officiating.

"QUOTES"

Lent is a season in which we break up the hard soil by penitence, and so let the word of God be sown in our hearts that our lives may be fruitful. And the fruits of the Spirit are love, joy, peace. Just now the world is reaping its harvest of selfishness, hate and recklessness, and if experience is worth anything, men should have learned that we cannot have love, joy and peace unless we are willing to undergo the discipline of the Christian life. For there is no harder or more stubborn soil than these hearts of ours, and they will never bring forth good fruit unless we are willing to till the soil.

SUNDAY SERVICES

HOLY COMMUNION.....	8:00 A. M.
CHURCH SCHOOL.....	9:30 A. M.
MORNING PRAYER AND SERMON.....	11:00 A. M.

To all the Faithful in the Diocese of Philadelphia:

Responding to the great need of the world today, the General Convention adopted a budget of \$5,634,617.00 for our work at home and abroad. In addition to increases in missionaries' salaries, sending new volunteers to various fields and opening new work in Okinawa and other places, the enlarged budget makes a more adequate provision for our work in Christian Education, enabling the National Division of Christian Education to set forth new materials and develop better methods both for our Church Schools and for our adults. The new budget also includes the special offering which has been taken during the past three years for the Presiding Bishop's Fund for World Relief.

Due to your generosity, the Diocese has been able to meet its missionary apportionment in full for the past several years. We will need \$110,000.00 for the special offering on March 12th to enable us to meet our full share of the enlarged budget for the work of the General Church. The Presiding Bishop will speak over the radio to all of our churches throughout America between 11:30 and 11:45 A. M. on March 12th. The local station is WIP.

Should the offering on that day amount to more than \$110,000.00, the remainder will be used for Diocesan work. I am confident that the people in the Diocese will again respond generously as they have done in the past.

Sincerely yours,

OLIVER J. HART,
Bishop of Pennsylvania

Dear Friends:

The Rt. Rev. Henry Knox Sherrill, D. D., Presiding Bishop of the Episcopal Church, will address the members of the Episcopal Church over a national hookup on Sunday, March 12th, between 11:30 and 11:45 A. M. We shall have a radio in our church, tuned to Station WIP, so that all of us may hear his important message. An offering will be taken in order that we may share in raising the \$110,000.00 needed for Pennsylvania's part in the Church's program.

Let us all give generously to help "To Build One World in Christ".

Faithfully yours,

THOMAS PARKER,
Rector.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

We had a very happy Easter at St. Paul's. The spirit was good, the congregations were large, the music excellent, and the giving generous. The Church offering amounted to \$1534.06 and the Church School offering, \$335.16.

Whether a church is large or small, adequately endowed or otherwise, it seems necessary always to be concerned about finances. Essential as money is in the work of a church, concern about souls is infinitely more important. We trust that you will continue faithful in your worship of Almighty God and that you will be in your regular places each Sunday morning whenever possible.

Our organizations worked hard during the fall and winter and we appreciate the help that we have received from them. To the leaders and the groups under them, we say "thank you" for tasks well done. May we continue to co-operate in all of the activities of our parish life. Success depends on each individual doing his part to the best of his ability. We are all interested in the welfare of our Church and in its effectiveness in spreading the Gospel among men. Let each of us, asking God's help, do whatever he can to dispel the darkness of our confused world.

Faithfully yours,

THOMAS PARKER,
Rector.

CHAPTERS IN CHURCH HISTORY

Kenneth C. McSills, Ph. D., President, Bowdoin College, says about Chapters in Church History, (which will be ready, May 15th) by the Rev. P. M. Dawley of General Theological Seminary, "is an interesting and exciting book, readable from start to finish. It is a scholarly, reasonable presentation of the important facts in the history of the Church; and if rather meat for strong minds than milk for babes, it will stimulate as well as instruct many a teacher in our Church Schools who long has been looking for such a work. To the Episcopal Church awaking to the importance of being a well-informed communion, aware of its own heritage, this book will be a must."

KNOW YOUR CHURCH: WORSHIP

Worship, as conducted within the Episcopal Church, is a corporate act—the act of the whole group of worshipping individuals. Anything which acts to break this corporate pattern, making worship primarily a thing between myself and God, is quite wrong in a service of Common Worship. For worship is between **ourselves** and God rather than between **myself** and God. Read through the services sometime just to see where you can discover the word "I" . . . always,

almost, it is "We." And "We," as a corporate group, attempt to offer the world to God; even our gifts of money are symbolic gifts—an offering of part of the world to God that all the world may eventually, by the free will and the loving heart of man, be given to God to whom it really belongs, anyway.

It is interesting that the Protestant Reformation came about, largely, because of the growing lack of corporate worship in the pre-reformation church. Priests who were to lead in corporate worship became more and more "mass priests," often serving in private chapels with no congregation. And those who attended the services were more and more thinking of their own individual piety and spiritual growth, than they were of the corporate act of offering the whole world to God. One of the strange facts of history is that Protestantism, which grew out of this fact, came more and more to be "individualistic." The emphasis came more and more to rest on individual salvation with little sense of the church as a corporate body.

All of this, of course, has significance for all of our worship. This is why the congregation should join audibly, even loudly, in the responses. This is why the congregation should, without urging, join in the singing. This is why it is wrong to leave the service, and especially the Communion Service, until the service is finished and the whole group is ready to leave. This worship of the church is CORPORATE worship.

"QUOTES"

It is no wonder that the behavior of men who are nominally Christians—Christians in profession if not in practice—has checked and still checks the progress of Christianity. The missionary comes preaching the gospel of peace and love, but when the natives see the rapacity and injustice of men professing the religion which the missionary preaches, the preachings lose their power.

SUNDAY SERVICES

HOLY COMMUNION.....	8:00 A. M.
CHURCH SCHOOL.....	9:30 A. M.
MORNING PRAYER AND SERMON.....	11:00 A. M.

Dear Friends:

It seems quite a while ago that I last addressed you through the medium of The Chronicle. It was in May, when we were thinking of summer and vacationtime, of the seashore, mountains and travel. I am sure that those of us who were able to get away feel that the change has done us good. It has given us rest and relaxation and has better fitted us for the duties of the months ahead.

We should make increased effort to broaden our work this year. It should be a year of great opportunity to win souls for Christ. The leaders of our Church are giving us instruction in how to serve more effectively than ever before. We must take advantage of this training. All of us should put our shoulders to the wheel and push, push forward in the name of Jesus Christ. We should be doers of the Word and not hearers only. We should place the Church first on our list of activities. If we do this, it is bound to be a greater year for Christ at St. Paul's.

Once again our men and boys are being called into the service of our Country. At the present time, we have knowledge of four: J. Randall Skillen, Walter C. Tesche, Kenneth Tucker and Charles Fullerton, Jr. If there are others, we would be glad to have their names and addresses. We ask the prayers of the congregation for them and for all who are in our armed forces.

The various organizations of the Church are resuming their meetings this month. It is our hope that as many as can will give thought to being members of one or more of these groups. It is through them that we serve the Church: the Church School, the Dorcas Society, the Woman's Auxiliary, the Altar Guild, the Choir, the Men's Club, the Boys' Group, St. Paul's Guild, the Friday Evening Group and the Girls' Club.

The Bishop of the Diocese will visit us on the Sunday next before Advent for Confirmation, November 26th, at 4:00 o'clock. An opportunity is given to all of us to bring someone to Christ. It will strengthen us spiritually to tell others what confirmation has meant to us and to interest members of our families, friends or neighbors in the great privilege that is theirs, the rite of the laying on of hands and receiving the Holy Spirit.

May this year be one in which we may grow strong in the knowledge and love of God!

Faithfully yours

SUNDAY SERVICES

HOLY COMMUNION.....	8:00 A. M.
CHURCH SCHOOL.....	9:30 A. M.
MORNING PRAYER AND SERMON.....	11:00 A. M.

Dear Friends:

The General Church has been conscious of the fact that many of its members are not informed about the work of the Church. Under the joint sponsorship of the Presiding Bishop's Committee on Laymen's Work and the Department of Promotion of the National Council, thirty hand-picked laymen, representing all sections of the country, have been given an intensive training course at Seabury House, Greenwich, Conn.

These trained men were sent to each diocese and missionary district that had chosen this program, to inform the local laymen about the work of the Church.

In our diocese, this training was conducted at Spring Mountain House, Schwenksville, September 23rd and 24th. We were very fortunate to have Mrs. John E. Hill and Mr. William F. Irwin, from our parish, take this training. They are now going before parish gatherings to explain the work and plans of the Church.

On Sunday, November 19th, at 11:00 A. M., Mr. Irwin will present these facts to our congregation. This is very important and we trust that every member of the parish, who possibly can, will be present. The men and women who attended the conference considered it a great privilege to do so. It has meant much to them. They received such inspiration that they feel that every member should know what his Church is doing in all parts of the world. What these laymen and laywomen received at the meeting at Schwenksville, we can receive on Sunday, November 19th—the enthusiasm and inspiration of knowing more about our Church and its work and an eagerness to tell others about it.

At the close of this service, Every Member Canvass cards will be distributed. We hope that everyone will make his pledge at this time and give it to an usher, thus rededicating his life and his giving to the work of the Lord.

Let us earnestly pray that this service may be one of great spiritual value to us all.

Faithfully yours,

THOMAS PARKER.

Rector.

CONFIRMATION

The Rt. Rev. Oliver J. Hart, D. D., LL. D., Bishop of the Diocese, will visit St. Paul's on Sunday next before Advent, November 26th, at 4:00 P. M., to administer the rite of confirmation.

Immediately after the service, the congregation will welcome Bishop Hart and the confirmation class in the Parish House. Refreshments will be served.

Confirmation lectures for children are being conducted on Friday afternoons at 4:00 o'clock, and for adults on Friday evenings at 8:00 o'clock. If you are thinking of being confirmed, come to one of these classes.

ADVENT MISSION

The churches of the Convocation of South Philadelphia will hold a Teaching-Preaching Mission from Sunday, December 3rd, through Sunday, December 10th, except Saturday. Time, 8:00 P. M. The Rt. Rev. J. Gillespie Armstrong, D. D., S. T. D., and the Rev. Thorne Sparkman, D. D., Rector of the Church of the Redeemer, Bryn Mawr, will conduct the Mission jointly. The theme will be "The Faith of the Church in Our Age." The Mission will be held in the Church of the Holy Trinity, 19th and Walnut Streets. Our members are invited to attend. Will you not be present at as many of these meetings as you can, to receive the blessings that come from such gatherings?

UNITED THANK OFFERING

The Diocesan Fall Ingathering of the United Thank Offering will take place at a service of Holy Communion on Thursday morning, November 9th, at 10:30 o'clock, in St. Augustine's Church, 2026 Co'umbia Avenue. Bishop Hart will be the celebrant, assisted by Bishop Armstrong, the Rev. William R. Turner and the Rev. Arthur Murray. The Rev. Seth C. Edwards, Principal of Cuttington College, Suakoko, Liberia, West Africa, will preach.

Mrs. Grace Mellwig, Treasurer of the U. T. O. of St. Paul's Woman's Auxiliary, would like all of the blue boxes or envelopes returned in time for the meeting on November 9th. All the women of the parish are earnestly requested to share in this offering.

THANKSGIVING DAY

Thursday, November 23rd, being Thanksgiving Day, there will be a celebration of Holy Communion at 10:00 A. M. The offering at this service will be for the Episcopal Hospital.

The Thanksgiving Day Offering is used to pay for Chaplain service to cover the discount formerly given to the clergy and their families, and to care for patients sent from institutions and parishes.

A contribution at this time would be a practical demonstration that we are interested in the Church's influence through the Episcopal Hospital.

MEN'S CORPORATE COMMUNION

The Men's Corporate Communion and breakfast will be held on Sunday, November 12th, at 8:00 A. M., instead of Sunday, November 19th. Men please note change of date.

MEMORIAL

On Sunday, October 15th, the Rector dedicated a Book of Common Prayer and a Hymnal to the Glory of God and in loving memory of William Hays Ridings and Anna M. Long Ridings, the gift of Miss Grace I. Ridings.

AN ACKNOWLEDGEMENT

I wish to thank all who so kindly donated garments or money to St. Paul's branch of the Needle Work Guild of America. We had 44 items of clothing and \$26.00.

Olive P. Doughty.

DORCAS SOCIETY

Where do you go Monday evenings? A group of us can say that we attend the Dorcas meetings. Wouldn't you like to come too? We have some new members this fall and we would be glad to have you come too.

Nothing boring. Short meetings, a social time, and refreshments once a month. We have activities to help the Church, especially the Tuesday evening card parties. They have been fairly well attended, but we would be pleased to welcome more. Every Tuesday this month, except the 28th, when our men will be busy getting the Parish House in readiness for the Bazaar.

Do drop in to see us.

L. M. Edkins,

President.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

Christmas is one of the most joyful seasons of the year. It is a time that children especially look forward to for months with happy anticipation. Their interest, of course, is largely in material things. We, of more mature years, have been looking forward to celebrating the Birthday of the Christ Child.

We regret very much that some of our parishioners will be unable to be with us at our services. They are in the armed forces of our country. We are sure that they will be with us in spirit, however, and we will remember them in our prayers, praying earnestly that peace may soon reign in the hearts of men and that nations everywhere may come to acknowledge Jesus as the Prince of Peace.

We trust that you all will make a special effort to receive the Sacrament of the Lord's Supper, either at the midnight service, starting with carol-singing at 11:30 o'clock, Sunday, December 24th, or on Christmas Day at 10:00 A. M.

Faithfully yours,

THOMAS PARKER, Rector

CHURCH SCHOOL CHRISTMAS PARTY

The Church School Christmas Party will be held on Friday evening, December 29th, from 7:30 to 9:30 o'clock.

The Rev. William Parker, Pastor of Mizpath Presbyterian Church, will entertain us with Moving Pictures.

1951 ENVELOPES

The 1951 church budget envelopes will be ready for distribution at the Christmas services. They will be on the table at the rear of the Church.

AN APPRECIATION

We are very grateful to Mr. William McGill for his untiring devotion to the church. After his regular day's work, he has faithfully taken care of the church during Mr. Voss's illness. We really

do not know what we would have done without his help. We thank him for rendering this splendid service.

MR. GEORGE H. VOSS

We are very happy to announce that Mr. Voss, who underwent an operation in the Episcopal Hospital, is improving day by day and expects to be with us in the near future. He wishes, through the medium of the Chronicle, to thank his many friends for their prayers for his recovery and for the many cards that came to bring him cheer and good wishes during his illness.

CHRISTMAS BAZAAR

The Christmas Bazaar was a decided success and we want to thank all who worked hard and donated generously to make it so. The Church School room was beautifully decorated with laurel and the booths attractively trimmed with crepe paper in Christmas colors. The turkey dinner was generously praised. We had a large crowd and all seemed to enjoy the evening greatly. The workers went home very tired, but happy to have had a part in raising the present total of \$734.00. Please consider yourselves personally thanked for this service for your Church.

YOU CAN SLIP

By William P. Barnds

Rector of St. Matthew's, Lincoln

It is not unusual to meet an inactive church person who will tell you that he used to be active in church. Perhaps

he sang in a boy's choir or was an acolyte. Sometimes it is a woman who was active in some parish, even to the extent of teaching a Church school class or working on the altar guild. Yet now these people hardly ever attend church and seem to have slight concern with the Christian religion.

One wonders how this can be. It is hard to see how a person who has ever really once known and felt the grace of God, and the wonder of the Christian faith, and the power of Christ can ever completely lose his interest in religion. Sometimes we are tempted to question how real the conviction was in the first place. And yet it is possible, apparently, for a really faithful church person to lose interest. It may be because of some unhappy experience, or maybe because of some disillusionment, or some strong temptation unresisted, or because of weariness, or maybe because of breaking the habit of church attendance. There are many possible reasons.

In any case it should make us stop and think. We may say that it can't happen to us—that we know we will always be faithful, come what may. Such over-confidence is dangerous. We need continually to depend on God's help, and to keep close to the church by regular attendance. Of great importance is a truly religious attitude in which we seek first the welfare of the church, and the glory of God, instead of our own selfish notions. We, too, can slip. The scriptural warning is always timely: Let him that thinketh he standeth take heed lest he fall.

THE ENDOWMENT FUND

For all the Saints, who from their labours rest,
Who Thee by faith before the world confessed,
Thy Name, O Jesus, be forever blessed.

Alleluia!

Dear Friends:

We are looking toward Easter when we will commemorate the glorious resurrection of our Lord. It is hoped we have prepared ourselves during the Lenten season for this great event. If we have neglected to do so, it is not too late to start now. We cannot, as individuals, hope to influence others for good unless we are true followers of the resurrected Christ. Some of us have put off accepting Him as our Saviour and guide. It may well be this continued neglect of God that is responsible for the condition of our world today. From earliest times people neglected God and found themselves in the state that we are in today. We are told now that more people are seeking to know more about God and are asking how they may serve Him. This is a good sign. What an appropriate time this is, when we commemorate the resurrection of Jesus, to renew our vows to be His faithful soldiers, to carry His banner into the highways to lead men to the Cross.

May this Easter be a happy one for all of us because of our belief in the Resurrected Christ!

Faithfully yours,

Thomas Parker,
Rector.

LAITY OF THE DIOCESE TO ENTERTAIN BISHOP REMINGTON

On Monday, April 2, at 6:30 P. M., in the Lincoln Room of the Union League, the Church Club and the Woman's Auxiliary of the Diocese will tender a dinner to Bishop and Mrs. Remington. All lay and clerical members of the diocese are cordially invited. For reservations consult Mr. Henry Lear at the Church Club office, 1731 Fidelity Philadelphia Building (Ki 5-0666 or the Office of the Woman's Auxiliary Church House (Phone Sp 4-6650)

WOMAN'S AUXILIARY CORPORATE COMMUNION

The Feast of the Annunciation has great significance for the women of the Diocese of Pennsylvania. This year the date is transferred from March 25th, which is Easter in 1951, to Monday, April 2.

"The active participation of all the women in the Diocese in the life of the Church" is the special intention as we make this central act of worship together—the Holy Communion.

The celebrant will be Bishop Hart assisted by Bishop Remington and the Rev. Ernest A. de Bordenave, rector of Christ Church. The hour will be 8 a. m.; the place, Christ Church, Second above Market Street; the day, Monday April 2. Reservations must be received at the Church House (Spruce 4-6650) not later than Thursday, March 29th.

Breakfast, 90 cents, will be served in the Neighborhood House, across the court yard, following the Holy Eucharist.

The Breakfast speaker will be Bishop Remington. We are fortunate to have a message from our beloved Suffragan this year, as we realize Bishop Remington soon retires. A lifetime of experience lies in his heart and mind and soul, with the continual dew of God's blessing upon it, which he shares in generous love.

DORCAS SOCIETY

The Dorcas Society meets every Monday evening at 8:00 o'clock. The Society is working hard to raise money to purchase a set of red altar hangings for the Church.

The Dorcas Society, some time ago, presented the Church with a green set, Mrs. Olive P. Doughty with a white set and Mrs. Robert J. Skillen with a violet set.

THE WOMAN'S AUXILIARY

The Woman's Auxiliary will meet on Monday, April 9th, at 8:15 P. M. Mrs. Edwin Clark, Miss Grace I. Ridings and Mrs. Harry Zimmerman will speak on Islam. Reports of various Diocesan committees will be given at this meeting.

CHURCH SCHOOL

The Church School will hold its Easter Anniversary Service in the Church on Easter morning at 9:30 o'clock. The children will sing Easter carols and the Primary Department, as is its custom, will sing a special children's Easter carol. At this time the children will present their Lenten Mite Box Offering for Missions. We invite the members of the congregation to this service to see what our Church School is doing.

YOUNG PEOPLE

The young people will resume their dancing in the Parish House on Friday evening, March 29th.

MEN'S CLUB

The Men's Club meets every Monday evening at 8:00 o'clock. The business meeting of the club is held on the third Monday of the month. Our Secretary, Mr. Robert Fiscella, has been called back into the service.

LENTEN FOLDERS

The Lenten folders are due on Easter Sunday. We trust that you will bring these folders and your Easter Offering to either the 6:00 or 11:00 o'clock service.

JUNE FETE

This is to remind you that our June Fete will be held on Saturday, June 2nd. Let us prepare now for it by making useful articles to sell. Invite your friends to have dinner with us and spend a social evening.

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

There are several matters this fall about which it is important for us to be informed.

The first and most important to us, to the City of Philadelphia and to the Diocese of Pennsylvania is the Bryan Green Mission, which is to be held in Convention Hall from December 2nd through December 11th.

"The Bryan Green Mission aims to bring new strength, new courage, and new faith to everyone, especially to those in doubt or difficulty. This is brought about by Bryan Green's forceful and clear presentation of the truth of God which sets men free from the shackles of fear, doubt, frustration and denial."

All of us who heard Canon Green on Thursday, September 20th, were greatly impressed by his talks about the forthcoming mission. We want all of our people of St. Paul's to attend this mission. We are planning to go by bus directly from St. Paul's Church to Convention Hall. After the service, the bus will return us to the Church. Miss Grace I. Ridings and Mr. D. C. Montgomery will be happy to take your reservation for a seat in the bus. Those going by bus will have seats reserved for them in Convention Hall.

We want all of you to pray for Bryan Green and his mission. If you do not have a copy of the printed prayers, you may secure one from one of the ushers or from the Rector on Sunday after church. Talk about this mission and pray for its success. We are looking forward to a great spiritual awakening during the mission—December 2nd through 11th. Plan now to keep these dates free to attend regularly.

Mr. William F. Irwin and I attended the Field Department Conference at Schwenksville the weekend of September 22nd. It was an inspiring experience. Twenty-four laymen had been trained to inform us about the work of the Church. Mr. Irwin will bring the congregation of St. Paul's a report of the conference on Sunday, November 11th, at 11:00 A. M. This will be a splendid opportunity for all of us to learn more about our Church.

I am very happy to report to you on the "Oil Burner Fund." Cash on hand at the present time totals \$2,021.00. This is a very good sum thus far and we thank all of you sincerely who have responded so generously to our appeal. Our goal is \$3,500.00. We still need and are accepting contributions to this fund, so if you have not sent yours in, please do so. We are grateful for all

contributions, whether large or small. We hope that we may reach our goal.

With all good wishes, I am

Faithfully yours,

THOMAS PARKER.

Rector.

The Church School opened on September 16th with a very good attendance. We were glad to have our boys and girls back and to welcome new

Dear Friends:

It is gratifying to have so many of you respond generously to appeals for the Church. Sometimes we wish that it was not necessary to ask for funds so often. On the other hand it is probable that because you have given at a sacrifice, you have a more personal interest in your Church. Your gifts help to make God known in our community. None of us wants to live where God is not known, where children grow up without the opportunity of hearing about Him who said, "Suffer the little children to come unto me and forbid them not, for of such is the Kingdom of Heaven."

The world needs Christ and we should make every effort to make Him known. The power that changes men comes from spiritual contact with Him. Have we lost the art of listening for the "still small voice"? Can we no longer contact Him? Let us be still and know that He is our God. Let us take time from worldly interests to hear, to meditate and to let God direct us in our living and giving. Jesus said, "Follow me". He is still calling men to come after Him.

We are praying that the Bryan Green Mission will help you and all of us to walk closer to God and to do what He wants us to do and to be what He wants us to be.

Faithfully yours,

Thomas Parker,
Rector.

It is hoped that the bus fare per person, for the round trip, will not be much, if any, more than going by trolley.

Dear Friends:

If you attended the Christmas Bazaar and Turkey Dinner on Saturday, December 1st, you saw and took part in what I am going to try to describe for those who were not able to be present. The booths were beautifully decorated in red and green crepe paper. The lights had shades to match the Christmas color scheme. Ropes of laurel, draped from the center light to the corner lights, added an attractive note, and the colorfully decorated Christmas tree gave a final touch to the Christmas scene. Santa Claus again favored us with a visit. The tables, with such articles as beautifully dressed dolls of all sizes; the fancy goods booth, with dainty aprons, embroidered, crocheted and knitted articles suitable for Christmas-giving; the fruit, candy and cake tables, with their luscious and toothsome wares, made it difficult to make selections because everything looked either delicious or attractive and some things appeared both.

Had you ever before tasted such a good turkey dinner, as was cooked by the members of the Dorcas Society and served by our young ladies? All sang the praises of the "cooks", who again lived up to the tradition that "at St. Paul's we always get a good dinner".

Why have I described the Bazaar and Dinner at length? I have done so in order to express my appreciation and yours to all who worked hard on Saturday and to those who planned, sewed, knitted and crocheted weeks in advance to make the Bazaar the splendid success that it was. Because of it, we had one of the most outstanding affairs of the kind that we have had since I have been your Rector. It was a success socially as well as financially and I do want to thank you all. The Bazaar and Dinner netted \$793.39.

We hope to add other faithful workers to our numbers when we start early in Spring to plan for our June Fete.

Cordially yours,

Thomas Parker,
Rector.

Dear Friends:

We are going to study "The Faith of the Church", by James A. Pike and W. Norman Pittenger, during Lent. Every Wednesday evening, at 8:00 o'clock, in the Parish House, the Rector will talk on the faith of the Church. This will be followed by an informal discussion of the subject. Mrs. Edward Clark and Miss Grace I. Ridings will assist in presenting this course. This is one way to learn "what the Church has come to understand as the meaning of God's revelation and its own history. This is the subject of The Faith of the Church."

Every Wednesday evening at 8:00 o'clock, in the Parish House. A coffee hour will follow.

Faithfully yours,
Thomas Parker
Rector.

In the absence of the Accounting Warden, Mr. Edgar B. Coleman's report was presented by Mr. Frank C. McCook. The report showed receipts (including the balance from 1950) of \$26,238.87 and disbursements of \$25,136.14; the balance on hand on December 31, 1951 being \$1,102.73. The report was accepted.

The Rector appointed the following members as tellers of the election for Vestrymen:

Organizations reported as follows:

Dorcas Society by Mrs. Robert W. Skillen.

Woman's Auxiliary by Mrs. Harry Zimmerman.

Church School by Mr. William F. Irwin.

Choir by Mr. Louis Sweeney.

Mr. Parker spoke of his intentions to conduct a survey of all the phases of parish life projected into the future. Lenten meetings this year are to follow the form of discussions. It was recommended and approved by the meeting that the Parish Meeting to be held on Monday, January 26, 1953, be a dinner meeting.

DORCAS SOCIETY ANNUAL REPORT FOR 1951

The Dorcas Society has had a very busy year under the leadership of Mrs. Herbert Edkins. Although the group is small, we have actively contributed to the finances of the Church. During 1951 we have turned over to the Accounting Warden for help in meeting general expenses the sum of \$400.00 and also \$150.00 for fire insurance and the heater fund. We have made donations to the Elizabeth Price Martin League and Educational Week for the Blind.

Our members who may become ill are cheered by flowers and cards. We try to be helpful to the bereaved.

The money for this work was raised by engaging in a number of activities including card parties, product demonstrations, a blanket club, and the sale of candy and Christmas cards. Our receipts from all sources, including dues and donations, were \$743.70 which includes a balance from 1950. We have expended \$699.67, leaving a balance in the treasury of \$44.03.

HARRIET J. SKILLEN,
Secretary.

ANNUAL REPORT OF THE WOMAN'S AUXILIARY FOR 1951

The WOMAN'S AUXILIARY, which is an auxiliary to the National Council of the Protestant Episcopal Church, has had at St. Paul's Church, a very successful year. Attendance has been good and interest high in all of our activities. We feel that we have, to the best of our ability, fulfilled the aims of the Woman's Auxiliary—to help in the home, community, parish, diocese, nation and world.

Our meetings are opened with devotions, at which we have followed the course of mission study suggested by the Church and in April had a very interesting meeting devoted to a study of the Near East. The topic was presented by Miss Grace Ridings, Mrs. Sue Clark, Mrs. Eleanor Irwin, and Mrs. Martha Zimmerman. In the choice of this subject the Church again proved an awareness of its need and we were happy to have learned some of the problems and conditions in the Near East in view of recent developments which have made it a real concern.

We were pleased to be able to respond to various pleas for help and were happy to contribute to such worthy causes as the Community Chest, Red Cross, Philadelphia Council of Churches, Penna. Week for the Blind, St. Anna's House, Church World Service, as well as many projects throughout the Diocese, our hospitals, and our own parish. Our total receipts for 1951 were \$242.10 and disbursements \$219.65. The women of the Parish also contributed \$77.00 to the United Thank Offering which is not included in our Auxiliary books.

Our only speaker in 1951 was the charming Sister Lois of St. Anna's House.

Some of our women are keeping themselves informed not only of the work being done in our own parish but throughout the Church by subscribing to several periodicals such as the Woman's Auxiliary Calendar, The Living Church, Forth or Church News.

Our plans for the future will include an evening when we will present a film on "Brazilian Destiny", one of our Mission Study topics for 1952. The other topic which we are asked to consider is "Mission to America." The women have decided to have an extra meeting during the month in order to do some hand work. We will start by making scrap books for the Episcopal Hospital Children's Ward, sprinkling cans to be sold in order to increase our Treasury, and we will also investigate what work can

be obtained through the Supply Bureau at the Church House. We also hope to have slides on Alaska to show at one of our Meetings.

We would like to increase our membership so that nearly every woman in the Parish is represented at our meetings. As every woman is considered a member of the Woman's Auxiliary upon her Confirmation, we should easily increase our active membership and shall look forward to seeing more of the women of St. Paul's Church at our business meetings on the first Monday of each month.

Respectfully submitted,
MARTHA ZIMMERMAN,
Secretary.

REPORT OF THE CHURCH SCHOOL FOR 1951

One of the most important activities of the parish is the Church School. The spiritual training of our young people, especially under present world conditions, is both important and difficult. However, if Christianity is to be retained in the American home and community we must teach the youth of today to follow the teachings of Jesus Christ. A great responsibility, therefore, rests on those persons interested in religious education.

We have 107 pupils and teachers on our rolls. The school is divided into the following departments: Beginners, Primary, Junior, Intermediate and Senior.

We have a fine group of sincere and hardworking teachers and the co-operation of the pupils is excellent. At the beginning of the present school year the average attendance was about 90. However, in recent weeks, due to widespread illness, the average has dropped to about 80. We are optimistic, however, that this average attendance will increase in the near future.

The following teaching material is being used by the various departments.

Beginners—"Learning to know God as revealed in Jesus Christ"

Primary—"A Christian Child and His Brothers in God's Family"

Junior—"The Church and Her Teaching"

Intermediate—"Pioneers for God"

Senior—"Pioneers for God"

We are always anxious to add new pupils to our rolls and would appreciate having the names of any young people who should be attending Church School.

WILLIAM F. IRWIN,
Superintendent.

SUNDAY SERVICES

HOLY COMMUNION.....	8:00 A. M.
CHURCH SCHOOL.....	9:30 A. M.
MORNING PRAYER AND SERMON.....	11:00 A. M.

Dear Friends:

We are in the season of Lent. It is well for us to think of things spiritual, to ponder how we might become more effective Christians. Perhaps the simplest and most direct way would be to learn more about Him from the Gospels and to use His life on earth as our pattern. Jesus brought hope to the depressed and put joy into their lives. He was able to see good in everyone, to bring out the best in people.

What are we doing to spread His Gospel? Are we suggesting to those of our acquaintance to come with us to worship on Sundays or to attend Wednesday evening services to learn more about "The Faith of the Church"? Perhaps some of our neighbors or acquaintances are waiting to be invited to become a part of the fellowship of our Church. And about our children? Do we want them to be brought up without an opportunity to learn about Christ? Why not bring them to Church School to be taught about Jesus Christ?

These are some ways in which this Lent might prove helpful to our spiritual lives. Let us love our neighbor enough to want to share Christ with him in our services. Thinking of others, sharing with others, will strengthen our own Christian characters.

May we continue to grow in the Grace of God and the Knowledge of our Lord Jesus Christ!

Faithfully yours,

Thomas Parker,

Rector.

LET US PRAY

Prayers for Lent

O Lord Jesus, who dost stand at the door and knock, grant that we may hear thy voice and open the door and know the joy of fellowship with thee.

O Lord Christ, whose words are eternal life; grant that we may stray no more from thee. Heal our broken purposes and restore our wasted lives, that we may live in thy life and in thy strength may find ourselves victors.

O God, whose grace is sufficient for us, grant that in our weakness thy strength may be made perfect; through Jesus Christ our Lord. Amen.

For the Church in the Hawaiian Islands

O Heavenly Father, we beseech thee to bless the work of thy Church among the children of many races in the Hawaiian Islands. Give to the Bishop and his helpers wisdom, zeal, and patience. Awaken the hearts of all its members to a living and steadfast cooperation in the work. Pour out upon them thy Spirit, and strengthen their efforts to bring the peoples within their reach to the knowledge and acceptance of thy Son Jesus Christ our Lord. Amen.

EASTER PRIVATE COMMUNION

The Rector will give Easter Communion to the sick and shut in of the parish, if you will kindly get in touch with him.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

It has been gratifying to have quite a number of our members in attendance at the Wednesday evening services during Lent. The lectures on "The Faith of the Church" have stimulated interest in what our Church believes and searching questions have been asked and answered to the best of our ability. We believe that those who have been in attendance have been further enlightened about our Christian religion. The social hour afterward has brought us together for further discussion of the subject of the evening. We are pleased with the attendance and wish that others would take advantage of this opportunity to learn more about our Church and its teachings. This method of instruction is helpful to those who are searching for God.

We are looking forward to Easter, when we shall again rejoice with Christians throughout the world that, because Christ died and arose again from the dead, we have a God who liveth and who has prepared a place for us to dwell with Him in eternal life.

Easter Services:

6:00 A. M.—Carol Service and Holy Communion.

9:30 A. M.—Church School. Presentation of Lenten and Easter Mite Box Offerings.

11:00 A. M.—Holy Communion and Sermon.

Best wishes for a Happy and Blessed Easter to all!

Faithfully yours,

Thomas Parker,
Rector.

AN EASTER MESSAGE FROM THE PRESIDING BISHOP

The Christian Gospel is relevant to life. In the events of Holy Week and Easter are intertwined pain and joy, sin and holiness, defeat and victory. Life for us all is made up of this strange intermixture. Particularly today amid the perplexities and the sessions which are so evident we see these contrasts, man's inhumanity to man and at the same time evidence of man's ability to rise to the high calling of God in Christ Jesus. It is literally true that "the first man is of the earth, earthy; the second man is the Lord from Heaven." Most of us are an extraordinary combination of both.

The fact of Easter does not lessen the intensity of the moral and spiritual struggle. But the Risen Christ does give us assurance that the battle is infinitely worthwhile and that in Christ there is

given the power to attain the victory of faith. Easter lifts our sights beyond and above the transitory and the immediate to the eternal God.

So the great company of faithful people with full hearts will meet the Risen and the Living Christ at Easter-tide, and, thanking God, will take new courage.

HENRY K. SHERRILL

SUNDAY SERVICES

HOLY COMMUNION.....	8:00 A. M.
CHURCH SCHOOL.....	9:30 A. M.
MORNING PRAYER AND SERMON.....	11:00 A. M.

Dear Friends:

It was very encouraging to have so many of you interested in the study of "The Faith of the Church". I am sure that we learned more about our Church during the season of Lent. I am grateful to those who prepared for these discussions and to all who took part in them to make them interesting and instructive.

Easter was a day of joy to all of us. The services were very well attended and the Easter hymns and special music by our choir made it indeed a day of gladness. Surely Christ's resurrection was very real to every one of us.

The splendid Easter and Lenten Offerings amounted to \$1,413.74.

The Church School had a fine presentation of its Mite Boxes. The offering was the largest that has been given during the years that I have been Rector of St. Paul's, amounting to \$516.00. We congratulate all who helped to make this possible. The teachers and pupils worked hard and we thank them for a task well done. The gathering of the money was one of the impressive features of this service. The singing of the Easter carols and the reciting of the 23rd Psalm by the members of the Primary Department made the service a truly inspiring one. There is great hope for the future of a Church that has such a fine Church School.

With the gladness and inspiration of Easter lingering in our thoughts, let us go on to make our Church a refuge and a tower of strength in our section of the city. It can be done, if we are willing to work to bring it about by attending church services regularly and taking an active interest in the Church's organizations and by interesting others to do so.

With all good wishes, I am

Faithfully yours,

Thomas Parker,
Rector.

MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

Now that our societies and organizations have resumed their work for the fall, I hope that you are attending one or more of these groups to serve the Church. It would be a wonderful thing for all of us, if we would work together and become known as a "working church", where willing hands made tasks pleasant and much good was accomplished. There is a great deal of work to do in a parish of our size and we need helpers—many of them—so that the weight does not fall on a faithful few. May we count on **you** to do your share?

On Wednesday evening, October 15th, there will be held a service commemorating the 10th Anniversary of Bishop Hart's consecration, at the Academy of Music. You are invited to be present. This will be a night to remember. There will be a procession from the Church House to the Academy of Music, led by the Police and Firemen and the Valley Forge Military bands. Let us make this a great occasion and show our Bishop that we stand back of him and want to help him in his great work.

Many things have been planned for the Church in our Diocese. One is a Christian Living Conference. For the Central City area, the meetings will be held in The Church of the Holy Apostles and Mediator. The dates, February 12th, 13th, 14th and 15th. We trust that many from our parish will attend these meetings to hear special speakers from New York. More will be said about these meetings from time to time.

Bishop Roberts will visit our parish on St. Paul's Day, January 25, 1953, to administer the rite of confirmation. We would like **you** to interest someone to become a member of this confirmation class. Bring him or her to the first meeting, which will be held Friday, December 12th, 8 P. M. in the Parish House.

In the very near future a census will be taken of Episcopalians residing South of Pine Street and West of Broad. Six other parishes and missions of the South Philadelphia Convocation will participate in this survey. We ask you to cooperate with those who take the census.

The information will be of great value to those interested in the work of the Church.

May God give us a vision to see what can be done for the Glory of God and the extension of His Kingdom.

Faithfully yours,
Thomas Parker,
Rector.

We have a very good staff of teachers and we hope that the parents will cooperate with us by sending their children regularly and on time. The Church School starts at 9:30 A. M. The officers and teachers have decided to give to each pupil a gift for perfect attendance at the sessions of the Church School.

Those who would like to attend the Bible Class held in the Vestry room on Sunday mornings at 9:30 A. M., will receive a hearty welcome.

HOLY COMMUNION..... 8:00 A. M.

MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

On the threshold of the New Year, 1953, we should be looking forward to doing a larger work in the name of our Lord. To help us do it, the Church has planned "The Christian Living Conferences", which have been announced from time to time and mentioned in our letters and leaflets. These Conferences are designed to help us to seek and to receive power from God, and to make us living examples of what Christians ought to be and do. We cannot accomplish this, unless we are willing to submit our wills to His and serve Him gladly. Would it not be a wonderful thing for us to feel the power of the Holy Spirit working in and through us and, as we worship together, work together and live together, to experience a fellowship with Him and with one another that has never existed among us before? What a great spiritual power our Church would then be in our community!

We pray that a number of the leaders of our church, Vestrymen, Church School Teachers, Officers of Organizations and others, will attend these conferences from February 12th through the 15th, which will be held in The Church of the Holy Apostles and the Mediator 51st and Spruce Streets, beginning at 8:00 P. M.

Again wishing you a happy and blessed year, I am

Faithfully yours,

Thomas Parker,
Rector.

CHRISTIAN LIVING CONFERENCES

Christian Living Conferences are being held in the Diocese of Pennsylvania.

1.—They are planned to make our parish a stronger and better parish.

2.—They are planned to show us the "power" of a really Christian congregation.

3.—They hope to accomplish this by—
a. Clearing up many questions people have been asking as to **why** the Church has not been able to speak more strongly to a bewildered world.

b. Showing us **how** the Church can speak more meaningfully to a perplexed world.

4.—These conferences will not revolutionize our parish overnight—but they will show us how to plan seriously for a stronger Christian Church in the future and what part each one of us can play in accomplishing this.

Members representing St. Paul's will attend the conferences to be held in The Church of The Holy Apostles and The Mediator, 51st and Spruce Streets, February 12th, 13th, 14th and 15th, at 8:00 P. M.

DORCAS SOCIETY

The Dorcas Society has resumed its meetings after the holiday recess. The first meeting of the season was held on Monday, January 6th. After the trans-

action of business, the members went into the Woman's Auxiliary meeting, at which pictures were shown of the General Convention, held in Boston in September.

The Dorcas will resume its weekly card parties on Tuesday, January 13th, and hope for a good attendance.

The society is now working towards the Easter offering.

WOMAN'S AUXILIARY

At the January meeting of the Woman's Auxiliary, the following officers were elected for the year 1953: Miss Grace I. Ridings, President; Mrs. Harold K. Vang, Vice President; Mrs. Susan B. Clark, Secretary, Mrs. Arthur Jones, Treasurer and Mrs. Grace Mellwig, Parish U. T. O. Treasurer.

At the meeting to be held on Monday, February 2nd, the moving picture "Challenge in the Sun" will be shown. This will offer an opportunity for the women of our parish to learn more about what our Church is doing.

THEOLOGICAL SUNDAY

On Sunday, January 25th, the offering will be for the Philadelphia Divinity School, to assist young men training for the ministry of the Church. We hope that you will be generous in your support of our Divinity School.

SQUARE DANCE

On Friday evening, January 16th, the Primary Department will sponsor a Square Dance in the Parish House. Buck Weaver will be the caller and dancing will be from 8:00 to 11:30 P. M. Donation 50 cents. The square dance on December 12th was enjoyed by quite a large number of young people who will welcome this opportunity for another enjoyable evening.

ANNUAL PARISH MEETING

The Annual Parish Meeting will be held, according to the By-Laws, on Monday, January 26th, 1953. This meeting will be preceded by a parish dinner, at which the parishioners will be the guests of the Rector, Wardens and Vestrymen. Kindly let us know immediately of your intention, by returning the addressed postcard. We must know the number that will attend, in order to provide the right quantity of food.

At this meeting, reports of all organizations will be read and an election of vestrymen will be held between the hours of seven and nine o'clock.

A moving picture, "The Strength of the Hills" will be shown.

NOTICE OF ELECTION

Sections of the By-Laws state—

Article 1, Section 1.

The annual election of Vestrymen shall be held on the Twenty-fifth of January, called St. Paul's Day, between the hours of seven and nine o'clock, P. M. provided that the Church Wardens may, at their discretion, keep the polls open for a longer period. Notice of the election shall be given to the congregation the preceding Sunday. Should St. Paul's Day fall on a Sunday the election shall be held on the day following.

Article 1, Section 2.

No person except a member of the Vestry whose term will then expire, shall be elected a Vestryman at any regular election, unless he shall have been nominated in writing by at least three electors, and the said nomination delivered to one of the Wardens or the Secretary of the Vestry at least fifteen (15) days before the election. The list of nominees shall be published at the services of the Sunday following the close of the nomination.

Article 1, Section 3.

Four Vestrymen shall be elected at the annual election in each year to serve for three years, and until others be chosen. In case of failure to elect Vestrymen at the annual election, the Vestry shall elect to the vacancies, thus created. The Vestrymen so elected, whether by the Vestry or by the Electors, together with the eight Vestrymen whose term will not have expired, shall constitute the Vestry for the ensuing year.

The members of the Vestry named below are, by provision of the By-Laws, candidates for re-election:

John Hare, Sr.
James D. Hill
D. C. Montgomery
J. Randall Skillen

The election will be held on the evening of Monday January 26th, 1953.

D. Cortlandt Montgomery,
Secretary.

MEN'S CORPORATE COMMUNION

The monthly Men's Corporate Communion will be held on January 18th, at 8:00 A. M. followed by breakfast in the Parish House. All the men of the parish are cordially invited to attend.

The Rev. Mr. Parker, Gentlemen of the Vestry, Ladies and Gentlemen:

This is not a formal report, such as we have been listening to this evening, but a general summary of the state of affairs existing in the choir. You all know the difficulties under which we have labored pending the repair of the organ, making it impossible for me to produce the kind of music we like and want in the service. I sincerely urge the members of the choir to be more faithful in their attendance at rehearsals and urge each of you who likes to sing, to take a place in the choir pews and really help. You will find it a very rewarding and joyous act of service, and when the organ is fully repaired, I am confident the music will improve with your help and prayers.

Sincerely,

Louis Sweeney,

Organist and Choirmaster.

REPORT OF THE CHURCH SCHOOL

One of the most important activities of any Church is its Church School, which provides Christian training and insight for the young people who will carry on the traditions of the Church in the future.

The future of any Church depends greatly on the conscientious efforts of those dedicating themselves to the training of the young people as well as to the enthusiasm of those being taught the principles of Christian living and a desire to put them into actual practice at all times.

We are fortunate at St. Paul's in having a sincerely devoted staff of teachers and an interested group of scholars.

We have 101 pupils enrolled, with an average attendance of about 80. Part of each Sunday's program is devoted to a worship service, following which the various classes go to their individual classrooms for group discussion.

The lesson material consists of the following subjects:

Beginners—The Little Child and His Heavenly Family.

Primary Dep't.—The Christian Child and His Life in His Father's Family.

Junior Dep't.—The People of God Through the Ages.

Intermediate Dep't.—The Acts of the Holy Spirit.

Senior Dep't.—The Acts of the Holy Spirit. The Worship of the Church.

As a Church School, we are glad of the opportunity of assisting in the missionary work of the Church through funds derived from the mite boxes as

well as special activities. This spirit of giving helps us to realize the vast amount of work which the missionary program entails, as well as the efforts of those working in the missionary fields, to carry the message of the Gospel to others.

We are appreciative of Mr. Parker's leadership, which has helped us to realize the important part that we play in the life of the parish.

We are mindful that many young people live in the area of the parish who should be coming to the Church School and we ask the co-operation of everyone connected with the parish to see that those young people, not attending any Church School at present, are encouraged to come to St. Paul's and share in our work.

Awards are given out at the end of each Church School year to those who have been faithful in their attendance and we are glad to report that each year an increasing number of pupils share in these awards.

We hope that our Church School may continue to increase in numbers and that our contributions to the spiritual life of the parish and the Church-in-general will become more effective.

Margaret Walters,
Secretary-Treasurer

The Rector's talk will be followed by an informal discussion on the subject. Mrs. Edward Clark and Miss Grace I. Ridings will assist in presenting this course. In these chapters is "the story of Anglicanism and our own tradition set over against the broad sweep of Christian history." It will help us to see the Body of Christ more clearly.

A coffee hour will follow each discussion.

ANNUAL REPORTS OF PARISH ORGANIZATIONS—1952: DORCAS SOCIETY

The Dorcas Society has had a very busy year under the leadership of Mrs. Herbert Edkins. We have enrolled two new members. Although the group is small, we have contributed to the finances of the Church. During 1952 we have turned over to the Accounting Warden, for help in meeting general expenses, the sum of \$450.00 and \$150.00 for fire insurance. We have made donations to the Elizabeth Price Martin League and the Educational Week for the Blind. Our members who may become ill are cheered by flowers and cards. We try to be helpful to the bereaved. The money for this work was raised by engaging in a number of activities, including card parties, demonstrations, a Blanket Club and the sale of candy and Christmas cards. We also had a luncheon at the Homemakers' Center.

Our receipts from all sources, including dues and donations, were \$818.85, which includes a balance from 1951. We have expended for our work \$795.41, leaving a balance in the treasury of \$23.45.

Harriet J. Skillen,
Secretary.

WOMAN'S AUXILIARY YEARLY SUMMARY—1952

The Woman's Auxiliary had a very active and enjoyable year with Mrs. Irwin as president and Miss Ridings as vice president, Mrs. Zimmerman as secretary, Miss Kathryn Mellwig as treasurer, and Mrs. Grace Mellwig as U. T. O. treasurer.

Our meetings were opened with prayers and the singing of a hymn. After reading the minutes of the previous meeting, the reports of the five committees were given, namely — Christian Church Relations, Indian's Hope, Overseas, Church Periodical Club and the Evening Auxiliary.

Our activities included:

1. Scrap books made for the children of the Episcopal Hospital and the Philadelphia General.
2. A contribution to the oil burner fund.
3. \$15.00 to the Easter offering.
4. A check for the maintenance fund.
5. A study of the Lenten topic—Brazil, with reports given by Mrs. Zimmerman, supplemented by colored slides of Brazil.
6. \$5.00 to the Education of the Blind on Episcopal Day.
7. Showing slides on Alaska by Miss King.
8. \$46.97 from eighteen contributions for the U.T.O.
9. A donation to the Elizabeth Price Martin League.
10. Sixty wrapped packages for Christmas giving, sent to the Philadelphia General Hospital to Father Ward.

In December, new officers were elected who served beginning with the January meeting: Miss Grace Ridings as president, Mrs. Anna Vang as vice president, Mrs. Lillian Jones as treasurer, Mrs. Grace Mellwig as U.T.O. treasurer, and Mrs. Susan Clark as secretary.

We gained a greater knowledge of the work of our church-at-large and a closer spiritual relationship with these problems, for our committees gave us reports on the talks they heard by Bishop Robinson about China, The Rev. Robert Frazier about Fort Defiance and the Indians near the Grand Canyon of Arizona, a talk by Mrs. Irwin on Lent with this theme: "Be still and know God." The Rev. Michael Yashio, Bishop of Japan, Bishop Gordon from Alaska and a report on the Bryan Green reunion meeting.

Mr. Parker has spoken to us several times to give us a clearer picture of the Church's activities, such as the Bryan Green Mission, the Survey of the Episcopal families in So. Phila. and the Christian Living Conferences.

We look forward to another year with renewed vigor, remembering these words spoken by Mr. Parker in our January

meeting, "Our being a member of a Christian family should be felt in the community."

Respectfully submitted,

Susan B. Clark,
Secretary.

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

The weeks of Lent are passing quickly and I trust that we all are observing this season by prayer and fasting and church attendance in order that we may become better and more useful Christians. The Church is the stronghold of faith. It is in its services that our faith is fortified and we are enabled to withstand the temptations of the world. The Church is continually offering opportunities to us to render services in Christ's name, but many of us fail to take advantage of these chances to do good. There are many ways in which we can practice the teachings of Christ. We can do unto others as we would like them to do unto us; we can be considerate of one another's feelings; we can be friendly one to another and show that the fellowship of the Church is for all people; we can do friendly things for those who are alone and, perhaps, friendless and in need. We can go about doing good in Christ's name. If our love for God prompts us to serve Him in these ways, then surely we shall come to Easter and the Resurrection with joyful hearts.

May this Easter bring us again the true joy of knowing that Christ is risen, indeed!

Faithfully yours,

Thomas Parker,
Rector

ALTAR GUILD

The Altar Guild is appealing for Easter plants or flowers or cash donations in order that our altar may be attractive for our Easter services. The flowers and plants are to be sent to the Parish House on Saturday, April 4th, before 12:00 o'clock noon.

The Rector has appointed the following additional members of the Altar Guild: the Misses Delores Ditty, Mary A. Ditty, Alberta Brown, Lavinia Beck, Margaret Mohn, Catherine Herrmann and Mrs. Robert Ferguson. We are happy to have these new members of our Guild to help in this important service of the Church.

CHURCH SCHOOL EASTER OFFERING

The Church School is working hard to raise funds for its Lenten Offering. This offering is for the missionary work of the Church. You can help our Church School to raise a large sum this year by ordering your Easter Eggs from any Church School teacher. ($\frac{1}{2}$ pound egg, \$.60; 1 pound egg, \$.85; 2 pound egg, \$1.65). In addition, we have boxes of 2, 5 and 10 cent eggs for sale. Order yours today.

Let us remember regularly in our prayers the following who are serving in the Armed Forces of our country:

REDUCING THE LOAD

By William P. Barnds

A Layman in my parish, by request, built a moveable platform which we planned to use in a religious play at the church. He made it in his basement, and when we undertook to carry it up the stairs we discovered we would have difficulty carrying it around the turn of the stairs, both because of its size and also its weight. This problem was solved by sawing the platform into two parts. Thus it could be carried up the stairs.

It occurred to me how this procedure applies to certain other problems in life. Many a difficulty may seem well-nigh impossible for us to handle, but if we can reduce it to halves, it becomes manageable. The reduction, of course, can be carried still further, and the problem may be separated into four, or ten, or even more parts, and when it is done, it loses some of its forbidding and discouraging aspects.

Life is given to us, as it were, in small units. We sometimes try to crowd a

week's obligations into a few days, or we try to deal with the responsibilities of several days in just one day. It is easy to borrow tomorrow's problems, and add them to those of today, or to drag yesterday's mistakes into the present. We need to give earnest attention to our Lord's words, and put them into practice, "Let the day's own trouble be sufficient for the day."

LIBERIAN PROGRESS

Recently Liberia has been raising its standard of living, improving its teacher-training courses, farming methods, livestock breeding, and public health programs. The Church in Liberia has been emphasizing these same areas, along with its own dynamic religious objectives.

Cuttington College not only offers seminary and liberal arts training, and courses in the physical, social and secretarial sciences, but it also offers an advanced, and extremely intensive, course in agriculture. Large-scale raising of tree crops, citrus fruits, coffee, cocoa, and oil palms; and improving the breeds of poultry, cattle, pigs, and goats are some of the experiments now in progress. Many of the students will return to Cuttington to teach where they were taught.

The Episcopal High School, Cape Mount, was rated by the UNESCO committee as the best school in Liberia. Its boys learn carpentry, printing, masonry, and farming. Its girls are taught nutrition and sewing in a new domestic science building given by the 1949 United Thank Offering.

The Church's St. Timothy's Hospital, Cape Mount, is following a program that coincides with the government's. It treats 6,500 patients a year, trains nurses and technicians, and cares for those at the Massateen Leper Colony.

THE CHRISTIAN LIVING CONFERENCE

We were glad to have a good representative group from our Church in attendance at the Christian Living Conference. All of us felt that we learned much from the leaders. We are planning to have a meeting of this group to share the experiences gained from these meetings. We hope plans may develop that will benefit our Parish.

Dear Friends:

We thank all of you for our splendid Easter offering, which amounts to date to \$1470.41. It is very gratifying to the Rector and Vestry to have such a generous response to their appeal. WOMAN'S AUXILIARY

The Woman's Auxiliary will hold its monthly meeting on Thursday evening, May 7th. Please note the change of day and date.

Mrs. John E. Hill, sometime member of the National Council and former President of the Diocesan Branch of the Woman's Auxiliary, will address the meeting on "Women's Work in the Church." All the women of our parish are invited to be present at this meeting.

CONGRATULATIONS

We congratulate the Church School on its splendid Mite Box Offering of about \$600.00. This was earned by hard work. The officers and teachers thank all who assisted them in the sale of Christmas cards and Easter eggs and in other activities that made it possible to reach this high goal.

THE MEN

Some of the men of the Parish had a wonderful time on Saturday, April 11th, when they prepared and served a delicious Oyster Supper to quite a large number of our parishioners and friends.

In preparation for the supper, the men did a thorough house-cleaning job on the kitchen. They washed the walls, cleaned the closets and washed all the china, glassware, silver and kitchen utensils. They cleaned the stoves and washed the floors. And have you noticed the colorful shelf paper in the china closets?

The men had so much fun clearing \$115 on this first effort that they want to do it again sometime.

They thank you all for your splendid co-operation.

THE CHANCEL WINDOW

Many persons have admired the beautiful stained glass window above our Altar which was erected by the members and friends of the parish in memory of Mr. and Mrs. Georgs C. Thomas and dedicated in October, 1924. The D'Ascenzo Studios designers and builders of the window have given us the following description of it.

In the centre panel of the design is a figure of Our Lord in the act of blessing His followers and disciples and on the ribbon underneath these words "All Nations shall serve Him." Immediately under the ribbon is placed the emblem of the Paschal Lamb, our sacrifice.

The standing figures on the lower level of the design are those of St. Paul and St. Peter, with the following inscriptions. Under St. Paul are noted the words uttered by him at Athens: "Him declare I unto you." Under St. Peter are the words: "Upon this rock I build my Church."

In order to further illustrate our suggestion of the establishment of the Church we have designed two predellas or small panel pictures. The one under St. Paul depicts him addressing the Athenians; the one under St. Peter illustrates the Baptism of Cornelius the Centurian by St. Peter.

In the upper level of the design are shown on the right and left of Our Lord, the figures of Timothy and Barnabas. Timothy is shown in the vestments of a priest holding a chalice and scroll in order to designate his high rank and position of authority. On the ribbon below are the words of St. Paul, "Timothy my work-fellow." Barnabas is shown on the other side of Our Lord with pilgrim staff and water bottle, emblems that suggest his companionship with Paul on their several missionary journeys.

Beside the symbols of the four Evangelists in the right and left centre of the design you will also find other emblems of special significance in the background gresaille pattern. All of which should be carefully studied in order to produce the very best results.

Every one is welcome at all the services in the Memorial Church of St. Paul. If you are not a regular attendant elsewhere, make your Church Home with us.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

We are truly grateful to all of you who have responded to our appeal for the "Organ Fund". We feel sure, however, that there are a number of our parishioners who, for one reason or another, have not as yet contributed to this fund, but intend to do so. Will you kindly place your contributions, marked "Organ Fund", on the alms basin? The total amount to date is \$1,924.38. Our goal, as you know, is \$2,000.00.

Now that vacations are over, we hope that you will be in your places in Church regularly on Sundays. If we are to help to make our community a good place in which to live, then we should help our Church by regular attendance and enter into its activities that we may know one another better. The organizations are planning their work for the year. You will want to have a part in their work and recreation.

The Church School is in need of teachers. How can the children learn about the Christian religion unless they are taught? This is an opportunity to be of real service. The Church needs you.

There are many things we can do for Christ, if we dedicate ourselves to His service. One of them is to make ourselves committees of one to invite others to join us in our worship. It will make our Church a more friendly church, if we are interested in one another.

Let us plan for a year of service and start by bringing others of our families and friends to St. Paul's.

With all good wishes, I am

Faithfully yours,

Thomas Parker,
Rector.

THE CHURCH'S JOB AND YOUR PARISH

By the Rt. Rev. Oliver J. Hart, D.D.
Bishop of Pennsylvania

The Church's job is to bind its people together in a vital, friendly and growing relationship with God and with their fellowmen. Its job is to take men where they live and help them to become the persons God intended them to be.

And men and women live in parishes. They need God's grace and power to live a Christian life and that help comes to them through the worship, the sacraments and the fellowship of their parish.

I believe in the Church because I know that God through His Church releases the power to change human nature.

Whenever the Church has been loyal and faithful to her trust, she has been a transforming power.

Think of your own parish in the light of the early Church as described in the second chapter of the Acts of the Apostles. Verse 1—"When the day of Pentecost came round, while they were gathered together in unity of purpose"—a marked characteristic of the Christian fellowship was unity of purpose. Again verse 42—"They occupied themselves continually with the apostles' teaching, their fellowship in the breaking of bread, and the fixed times of prayer." There was unity of spirit. Again verse 32—"God has raised up this man, Jesus, from the dead; we are all witnesses of it."

There was unity of witness. Unity of purpose, unity of spirit, and unity of witness—wherever you find a parish with those three characteristics, you find a vital Christian parish, a fellowship of the Holy Spirit.

We are told, (Acts 4:33) "Great was the power with which the apostles testified to the resurrection of our Lord Jesus Christ, and great was the grace that rested on them all." The most effective way to carry out the Great Commandment to bear witness is to demonstrate a true fellowship.

WHAT LAYMEN CAN DO!

By Morton O. Nace

General Secretary, Department of Youth and Laymen's Work, Diocese of Conn.

First and foremost, laymen can become a real spiritual force in their respective Parishes and communities. They can exercise their privileges in The Priesthood of the Laity by becoming "lay curates" to their Rector.

Laymen can face the fact that it is as much their responsibility to "win men to Christ" as it is the Rector's—no more, no less.

In the conduct of Parish affairs laymen can see to it that finances and administration should be secondary responsibilities and religious and spiritual matters first rather than last or none at all.

Surely our laymen should put worthwhile business practices in our church and in particular see to it that our Clergy are given adequate stipends and our rectories are as comfortable and livable as our own homes.

An educated laity is an essential, not in Theology but in the fundamental facts of our Faith, our Church and Religion. Laymen must want to know as much about the Church as they do their politics, fraternities and civic groups.

Experience has proven that in order for any cause or group to be a success they must be organized with a purpose. Our laymen must "belong" to a Church group whose program is "God and Altar centered."

Example of laymen is a must for the non-Christian as well as Christian. Example in Christian living in business, society and daily life.

THE DORCAS SOCIETY

The Dorcas Society resumed its meetings on Monday evening, September 21st. There was a good attendance.

The card parties will be resumed in October.

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

This is the time to plan our 1954 budget, to decide what we can give as God's share of our income for the extension of His Kingdom. We should pray earnestly about this matter and then give as we are able to give. We feel sure that some can and ought to give more for the support of the Church than they are now giving. Our offering to God ought not to be merely a token offering, but should be a sacrificial giving, a thanksgiving for the many blessings He has bestowed upon us. When we are asked to give for the support of the Church of God, let us give gladly what is truly God's share.

A number of repairs should be made on the Church and Parish House, but we are handicapped because we lack the necessary funds to attend to them. If each of us will do his or her share, this handicap will be overcome. There are some of us who are aware of our responsibility to the Church, but there are others who are indifferent to the calls that are made upon them from time to time. If we all prayed and worked together, we could accomplish a great deal more for the Church of God.

It is not only the giving of our money that is necessary, it is the giving of ourselves in loving service to bring the message of the Gospel to men. Each one of us can do something, no matter how little. The result, I am sure, would amaze us when we saw what could be done, if we were willing to give more of our time and efforts and money to the biggest and most rewarding work in the world, the bringing of Christ to men.

May we count on you?

Faithfully yours,

Thomas Parker,
Rector.

"CALLED TO BE SAINTS"

By the Rt. Rev. Harold L. Bowen, D.D.
Bishop of Colorado

We are now in the month of All Saints. St Paul tells the Roman Christians that they are "called to be saints." So are you and I.

Surely it is plain to see what our task is! How can we fulfill that task? How shall we answer this "call to be saints"?

Well, one way is for us to think and act upon these three great truths which

the Church puts before us at All Saints' times.

First: The saints triumphant share God's more intimate presence. So must we adhere to the very best of our powers.

This world is the place in which to get acquainted with God. The Bible says that Judas "went to his own place." So does everybody else. So will you and I. Men who walk with God here and now will do so there.

Second: They glorified God in their lives here, so they continue to do so there. One desire was theirs—to live so as to please God. For them that desire has been fulfilled, and that in heaven.

That one and supermost desire must be ours. Some men try to get into heaven. Some try to escape hell. Neither is the right method. Those who please God in the Here will go on pleasing Him, only more and more so, in the Hereafter.

Third: They trusted in God's grace. It was neither advantage nor environment that made them saints. Their lives were as monotonous and difficult as ours. They had no better opportunity to live and die heroically than we have. God's grace made them what they were and are. That same grace God is waiting to give to you and me.

"Called to be saints." These are secrets of sanctity: to live in God's presence; to glorify Him by doing His will, to trust not in ourselves but in Him.

THE WOMAN'S AUXILIARY

There will be a Corporate Communion, under the auspices of the Woman's Auxiliary, on Sunday, November 15th, at 8:00 A. M. The United Thank Offering of the Parish will be presented at this service. Breakfast will be served to the women immediately after the service, in the Parish House.

The Fall In-Gathering of the United Thank Offering will take place at St. Stephen's Church, 10th Street above Chestnut, on Thursday evening November 19th, at 8:00 o'clock. The speaker will be the Rt. Rev. Charles Alfred Voegli, Missionary Bishop of Haiti.

An Area Conference entitled "The Church and the United Nations" will be held on Wednesday, November 18th, from 6.30 to 10.00 P. M., at the Church of the Saviour 3723 Chestnut Street. The speaker will be Mr. Harrison

Hoffman, a member of the Diocesan Department of Christian Social Relations and Executive Secretary of the United World Federalists for the State of Penna. This meeting is planned for all members of the Evening Branch of the Woman's Auxiliary; the Churches in the Convocations of South and West Philadelphia.

The cost of the dinner is \$1.35. Reservations must be made by November 13th. Contact Mrs. Frank Corriston, 934 S. Cecil Street, Phila. 43.

CHRISTMAS 1953

By the Rt. Rev. Henry Knox Sherrill, D.D.
Presiding Bishop

The events of today have to do with discord, confusion, cruelty, suffering, and the threat of mass destruction.

It is no wonder if in the light of all this, there is the spectre of despair haunting the minds and hearts of millions of men and women of every nation and race.

There is the temptation for us of the Church to light an ecclesiastical candle, draw the curtains to shut out the enveloping darkness, and to live and worship in a dream world of our own.

Such is, of course, an impossibility, nor is this the way of the Gospel of Christ. This is God's world which He so loved that He gave His only begotten Son.

Christ came to draw all men. He is not the Messenger of despair and of defeat, but of hope and of victory. He brings the gift of power.

So at Christmastide we find anew the sources of courage and of strength. We realistically face the facts but also the greater Fact of Christ with the prayer that He will guide our feet into the way of peace.

Dear Friends:

Our Christmas Bazaar was one of the most successful bazaars that we have had. The fine spirit of the workers was contagious and those in attendance, in turn, caught the spirit of friendliness and good fellowship. The faithful workers went to their homes very tired, but with a feeling of satisfaction that they had succeeded in what they had worked so hard to accomplish.

A number of persons said to me "That was a delicious dinner that your women served and we liked it especially because the food was hot". That is the sort of comment that we like to hear, because a "satisfied customer" will surely come again. If you were not present, you missed a delightful evening. We hope that you will plan to attend our next dinner and bazaar, which will be in May.

On behalf of the Vestry and myself, I want to express deep gratitude to all who took any part in making our Christmas Bazaar the great success that it was.

The net proceeds came to \$900.12. Without your full cooperation in this and all events in our parish life, we would fail. May God give you health and strength and a willingness to continue your good work in the parish.

Cordially yours,

Thomas Parker,
Rector.

Dear Friends:

The Memorial Church of St. Paul will celebrate its "Golden Anniversary" during the year 1954. I think it is timely for us to reprint a brief history of our church.

"After the dissolution of the corporation of Old St. Paul's Church, on Third Street below Walnut, and before the amalgamation of the Southeastern and Southwestern Convocations, the Southwestern Convocation had taken steps for the purchase of a plot of ground for the establishment of a new mission in the extreme southern portion of the city. Largely through the efforts of Rev. G. Woolsey Hodge, D.D., the Dean of the Convocation, and Mr. Lewis Redner, a lot was secured at the corner of Fifteenth and Porter Streets, but the building thereon was in such a deplorable condition that Convocation could only afford to put it in partial repair.

The Bishop had already appointed as Minister-in-Charge, the Rev. Edwin S. Carson, a young deacon, then a student at the Philadelphia Divinity School.

Dean Hodge suggested that the new work be named St. Paul's, to perpetuate the name and work in the southern part of the city of Old St. Paul's.

Mr. George C. Thomas immediately provided means for the reconstruction of the old mansion so that it could be used for a Parish House.

The first service was held on the nineteenth Sunday after Trinity, October 9, 1904.

A celebration of Holy Communion was held at 7.45 A. M. The Rev. W. Henry Graff was the first celebrant.

Seventeen persons were present at the 10.30 A. M. service and the offering amounted to \$1.65. Sunday School began at 2.30. Twenty-eight were present. At the evening service sixty-one persons were present.

In the meantime Southwestern and Southeastern Convocations had been united, and the Rev. Herman L. Duhring, D.D., had been appointed Dean. To him Mr. George C. Thomas made the proposition that if Convocation would extinguish the mortgage of \$7,500 on the lot, he would erect a Church thereon in memory of his parents.

On December 28, 1905, the mortgage was extinguished, largely through contributions of former members and friends of Old St. Paul's.

Ground was broken for the Church on Saturday afternoon, May 19, 1906. Clergymen present were the Rev. Herman L. Duhring, D.D., Rev. William H. Graff, Rev. Mr. Bowie, Rev. Charles Hill, and Rev. Edwin S. Carson. Dr. Duhring and Mr. Lewis Redner, both at one time members of Old St. Paul's, broke the first ground.

The cornerstone was laid by Dr. Duhring on Saturday afternoon, July 28, 1906. Photographs of John William Thomas and Keziah Sophia, his wife, the parents of George C. Thomas, were placed in this stone. The original papers showing the date of purchase and dimensions of the lot occupied by Old St. Paul's Church and graveyard were also placed in the stone.

The Church was consecrated by the Rt. Rev. Alexander Mackay-Smith, D.D., on Friday morning, May 31, 1907, at 11 A. M. The Rev. Nathaniel S. Thomas, then Rector of the Church of the Holy Apostles, preached the sermon.

After a visit to St. Paul's, shortly before his death, Mr. Thomas spoke to his wife of the need of an adequate Parish House to carry on the work. He expressed a wish at that time to provide such a building. Shortly after his death Mrs. Thomas and her children built the George C. Thomas Memorial Parish House. The cornerstone was laid on Saturday afternoon, October 7, 1911, at 3 o'clock. The Rev. Wilson R. Stearly, Rector of the Church of the Holy Apostles officiated."

The above is copied from the "Twentieth Anniversary" number of the Parish Chronicle of October, 1924.

Faithfully yours,

Thomas Parker,
Rector.

THE WOMAN'S AUXILIARY

On Monday evening, February 1st, the Woman's Auxiliary will hold its regular monthly meeting at 8:15 o'clock. Mrs. Patterson, of the Christian Social Relations Department, will be the special speaker. She will give a talk on world famous characters who have spent their lives in the service of mankind. Her talk will be illustrated with character dolls that make her message both unique and inspiring. We hope all the women of the parish will be out to this meeting.

MRS. JOHN E. HILL

The Church was saddened by the death of Mrs. John E. Hill, the widow of the Rev. John E. Hill, rector of All Saints Church, on December 28, 1953. When All Saints moved from South Philadelphia to the Northeast, Mrs. Hill and a goodly number of the members of All Saints Church made St. Paul's their Church home. Mrs. Hill, by her devotion to and her interest in the Church, was an inspiration to us all. The Church will miss her counsel very much. Our deepest sympathy is extended to her family. "May light perpetual shine upon her."

THEOLOGICAL SUNDAY

Theological Sunday is observed on January 31st. An offering will be taken for the Philadelphia Divinity School at the 11:00 A. M. service. We hope that it will be a generous one. The men devoting their lives to the ministry should have the best training obtainable. Our Divinity School is affording this opportunity to the young men of the Church. The School needs your support. Will you give it?

THANK YOU!

We wish to thank Mr. Edward Mellwig for the beautiful sink he donated to the Church. We appreciate his generosity and thoughtfulness.

CHURCH CHOIR

Mr. Parker, Gentlemen of the Vestry and Friends:

There is very little to report regarding the choir. Bad weather has affected the attendance at rehearsals, but it is my fervent hope to begin soon rehearsing Easter music. If any one present would like to become a member of the choir, the welcome mat is always out.

It is a pleasure to play the organ since it has been rebuilt. Last year, during lent, we were waiting for the repair work to be completed; now that the instrument is in good condition, I appeal for your help and cooperation in making St. Paul's Choir grow!

Respectfully submitted,

Louis Sweeney

REPORT OF CHURCH SCHOOL

We are glad of the opportunity of submitting a report of the Church School at the annual Parish meeting of the Memorial Church of St. Paul.

At the present time we have 113 pupils on the roll with an average attendance of 80.

The lessons being taught are based on the life of Christ taken from the four Gospels.

The Church School raised a Lenten Offering in 1953 aggregating \$663.64, to be applied to the missionary quota of the Parish.

We are fortunate in having a loyal group of teachers interested in the Christian thoughts and life of the young people of the Parish. To attain our objectives, it is important that we have not only the co-operation of the young people but of their parents as well.

We are indebted to Mr. Parker for his continued guidance and counsel.

The Church School is divided into the beginners, primary and senior depart-

ments. A short devotional service precedes the period given over each Sunday to the teaching of the lesson material.

We hope we may have greater opportunity to strengthen the spiritual life of the Parish through our weekly contacts with the young people. Our responsibilities are many and we pray to God for his guidance in carrying out our obligations effectively.

DORCAS SOCIETY

ANNUAL REPORT FOR 1953

The Dorcas Society has had a very busy and successful year under the efficient leadership of Mrs. Herbert Edkins. Although the group is small its members are faithful workers and have contributed to the finances of the Church. During 1953, we have given to the Accounting Warden for help in meeting general expenses, the sum of \$450.00 and from a Special Fund \$100.00 to the Organ Fund. We have made donations to the Elizabeth Price Martin League and the Educational Week for the Blind. Our members, who may become ill, are cheered by flowers and cards. We try to be helpful to the

bereaved. The money for this work was raised by engaging in a number of activities including card parties, lingerie demonstration and sale of candy and Christmas cards. We have also had a Miscellaneous Club. Our receipts from all sources, including dues and donations, were \$801.67, which includes a balance from 1952. We have expended \$727.34, leaving a balance in the treasury of \$74.33 to begin our next year's work.

Harriet J. Skillen,
Secretary.

ANNUAL REPORT OF THE WOMAN'S AUXILIARY OF THE MEMORIAL CHURCH OF ST. PAUL FOR 1953

In 1953 the Woman's Auxiliary had a very stimulating and interesting year under the leadership of our president, Miss Grace Ridings, Mrs. Anna Vang, our vice president, Mrs. Lillian Jones, our Treasurer, Mrs. Grace Melwig our United Thank Offering Treasurer, and Mrs. Clark as secretary.

Each project in our varied activities has gone forward successfully and left us with a feeling of a job well done with the aid of our many willing helpers.

We have tried to live up to the motto of the Woman's Auxiliary "To know Christ and to make Him known." To do this, we are asked to sound the trumpet calling men and women to greater service in Christ.

Among our activities were:

1. Contributions to the Church Periodical Club for magazine subscriptions, books for libraries and comic books for children.
2. A contribution to the Church.
3. Special donations to Father Ward for Valentine's Day, Easter and Christmas.
4. Individual contributions to Father Ward at Easter and Christmas by Mrs. Jones and Mrs. McCann.
5. A collection of used jewelry for the Overseas Committee.
6. Five dollar contributions to each of the five committees of the Woman's Auxiliary plus the same amount to The Blind on Episcopal Day, Chinese Christian Social Center, St. John's Settlement House, Community Chest, Elizabeth Price Martin League, and two dollars to the Philadelphia Council of Churches, making nearly ninety dollars in all.
7. Profit from flowers sold by Mrs. McGill.
8. \$153.00 in contributions to the United Thank Offering.
9. A study of the Lenten topic—Liberia.
10. A very successful card party.
11. Candle Demonstration.
12. Profit from pictures on Europe.

In May we had the privilege of hearing Mrs. Hill talk on the work of the Woman's Auxiliary. She told us we must begin with ourselves, then know our parish and its needs. She gave us the call to service with this timely question:—

"What must I do about it?"

Mr. Parker showed motion pictures on Liberia our mission study topic during Lent. At another meeting, he gave us a talk on the needs of our neighborhood in a predominantly Catholic section. It is our job to find these problems that face us and help to bring people into our Church.

A very delightful evening was given to us by the Woman's Auxiliary of Gloria Dei, with a Smorgasbord Supper and a talk by Mrs. Patterson on famous characters who have spent their lives to better the lot of mankind.

We were happy to have such a success with our Corporate Communion for the women of the parish. More than fifty participated in receiving "The Lord's Supper" thus uniting us in spirit and giving us the feeling of "setting our feet on a new path." And for our delicious breakfast, we are indeed grateful to the men of the parish who performed this service for us.

With Mr. Parker's message in mind, we hope to go forward saying, "We appreciate your help in the past year and ask for your continued interest and generosity in the year ahead."

Respectfully submitted,

Susan B. Clark,
Secretary.

OVERCOMING THE WORLD

By the Rt. Rev. Wallace J. Gardner, D.D.
Bishop of New Jersey

Surely no one of us needs any urging to resolve highly to keep the Lent this year as they have never kept it before. The stress and strains of the day, the tears of the people everywhere, the bewilderment in so many minds as to what to do next, and over against all this the calm voice of the Christ, "hear not, I have overcome the world." We know this statement so well. We have heard it so many times for so many years, and now during this Lent we must ask of ourselves, do we believe this . . . can we believe it?

Sunday after Sunday I face children and adults and ask them the question, "Do you promise to follow Jesus Christ as your Lord and Saviour? Do you promise to follow One who said, 'I have overcome the world?'"

The Christian Church, with all its divisions and varieties of expression, is today, as it always has been, the hope for humanity. We have tried everything and found everything wanting. We are turning in all directions for help and encouragement, and we cannot find them. All the while in our midst is this calm Figure of the Christ, then at the moment of the great crisis in His life and in the life of the world, saying to the disciples, "Not that I will take away these things from you . . . not that you will be oblivious to them all . . . not that you won't have to face them, but simply, 'be of good cheer, for I have overcome the world.'"

We think of ourselves as members, not first of our Parish or of the Diocese, but members one of another in the Body of Christ. We promise at our Confirmation to follow Him, and this is precisely what it means to live as in the belief that the statement is true, to prove it true in our own lives and the lives of our fellow believers, to demonstrate to all that in the Christ they will find peace and harmony and strength.

I pray that this may be the dominant thought in all minds during this coming Season of Lent.

WHAT CAN A RECTOR EXPECT OF HIS PEOPLE?

By the Rt. Rev. Austin Pardue, D. D.
Bishop of Pittsburgh

Have you ever heard of the clergyman who wanted to serve in a congregation made up of rich, retired saints, so that they could contribute abundantly in money, time, and prayer to the upbuilding of the Church? He was as unrealistic as the vestrymen who want an archangel for a rector.

Actually, what a rector can expect of his parishioners is this:

—That they are faithful in attendance at public worship.

—That they give generously of their substance to the support of the Church.

—That their work in the Church is in Christ's name, and not for pats on the back from the clergy nor for social distinction in the eyes of the congregation.

—That their adverse comments, if any, will be phrased in terms of kindly, constructive criticism, not disseminated as destructive gossip.

—That however often they follow "afar off," they nevertheless are sincerely trying to follow Christ in home, business and recreation.

STANDING NOTICES

Those who wish to become members of St. Paul's are asked to send their names and addresses to the Rector.

Communicants coming into the Parish or leaving it, should comply with the following Canon:

"A communicant removing from one parish to another shall procure from the Rector, if any, of the parish of his last residence, or if there be no Rector, from one of the Wardens, a certificate stating that he or she is a communicant in good standing."

Parishioners are asked to send prompt notice of change of residence.

The Rector should always be consulted before arrangements are made for baptisms, marriages or funerals at which he is expected to officiate.

Attention is called to Rubric before the Office for the Visitation of the sick, which reads:—"When any person is sick, notice shall be given thereof to the minister of the parish."

On due notice being given, the Rector is always ready and desirous to visit those who are in trouble, sorrow, need, sickness or any other adversity, and to administer the Holy Communion to such as, by reason of sickness or other infirmity, are prevented from coming to Church.

Dear Friends:

During the season of Lent, we are going to study together "The Worship of The Church", by the Rev. Massey H. Shepherd, Jr., Ph. D.

"The Worship of the Church, fourth volume in the Church's Teaching Series, is concerned primarily with interpretation of the public, corporate worship of the Church, and particularly with that branch of Christ's Church whose worship heritage is enshrined in the American Book of Common Prayer."

Every Wednesday evening, beginning on March 10th, at 8:00 o'clock, in the Parish House, we shall have Evening Prayer and a discussion on "The Worship of The Church." Mrs. Susan B. Clark and Miss Grace I. Ridings have again graciously agreed to assist in presenting these lectures. We trust that you will give this plan your fullest co-operation. A coffee hour will follow each meeting.

Let us make this Lent a period of preparation for a fuller knowledge of the worship of our Church.

Faithfully yours,

Thomas Parker,
Rector.

THE CHURCH SCHOOL

The Church School is working hard to raise funds for its Lenten Offering. This offering is for the Missionary Work of the Church. You can help our School to raise a large sum this year by ordering your Easter eggs from any Church School teacher: One-half pound eggs, \$.50 each; one pound eggs, \$.85; two pound eggs, \$1.60. In addition, we have boxes of two-cent eggs for sale. Last year our offering was over \$600.00. YOU can help to make it more this year.

BUILDERS FOR CHRIST

The Church asks all Episcopalians to be Builders for Christ. This is our opportunity to be builders in the real sense of the word. We have left the building to others. Now we are asked to furnish the materials for the foundations, the tools for your missionaries to work with, and to help the Seminaries to train men to go forth, in your name, to build for Christ. The Presiding Bishop is to speak to us at a luncheon on April 2nd. It is hoped that St. Paul's will be well represented at this meeting, to hear Bishop Sherrill on the great need for Builders for Christ in our Church.

"The Church has urgent construction needs in its seminaries in Japan, in the Philippines and other areas overseas, in its Negro schools at home and in areas of great population growth. \$4,150,000 is needed now. You will have an opportunity to study the needs and to make your personal gift. Your rector will tell you how you can share."

"Almighty Father, who dost put into the hearts of thy servants in every age the will to work for the extension of thy kingdom throughout the world, pour down, we beseech thee, the abundance of thy blessing upon our new venture as Builders for Christ. Grant unto us all such a lively faith and such a generous spirit that we may worthily rise to these fresh opportunities for service to thee in thy Holy Church. All of

which we ask in the Name of thy Son, our Saviour Jesus Christ. Amen."

This movement is directed by General Convention, endorsed by the House of Bishops and planned by the National Council.

FIFTIETH ANNIVERSARY

We are looking forward to our Fiftieth Anniversary. We will celebrate it with appropriate services on the 17th Sunday after Trinity, October 10th.

The Committee will meet in the near future to begin planning for this day and for other events pertaining to our celebration:

Two ideas have been presented so far: One is, that we might have a confirmation class, called our Fiftieth Anniversary Class, to be presented to the Bishop at a time convenient to him. It would help, in making arrangements for the special confirmation, if you would try to interest someone and bring him or her to the class. The second idea is that we have a special anniversary offering, which would be added to our growing endowment fund. One of our Vestrymen and his wife have pledged \$50.00 toward such a fund. It has been suggested that this plan be in conjunction with our "All Saints Day Memorial Gifts" effort, so that we shall not lose sight of our yearly memorial giving. We think that these ideas are good and we hope that they will meet with your hearty approval. Let us hear from you, if you have a suggestion as to how we may fittingly celebrate our 50th Anniversary. We pray that we may witness for Christ for many years to come.

OYSTER SUPPER

You remember the delicious Oyster Supper the men prepared and served last year. Well, they are going to do it again. The date is Saturday, March 27th. The price will be \$1.25. All the men need, to repeat their success, is your support. The more you can bring to this supper, the happier they will be. They will do their best to make it an enjoyable occasion. The Committee is at work, asking for donations, and when one of the men approaches you, we hope you will give him all the co-operation that you can. Remember to put this down on your calendar: Oyster Supper, March 27th, 5:00 to 7:30 P. M.

Ann. Year

Dear Friends:

We shall soon be celebrating the glorious resurrection of our Lord, which followed His agony and crucifixion and the three dark days, when the disciples and women went to the tomb and found it empty. "He is risen; He is not here", they were told. We sing the Easter hymns, knowing that we have a risen Lord in Heaven with His Father, where He has gone to prepare a place for us, that where He is we may be also. What a joy to know, as Christians, that death is not the end, but a continuance of life in the eternal and everlasting kingdom of God. May we ever rejoice and be glad that the Son of God came to earth and underwent hardship and suffering in order that we might know the power of His resurrection. Let us come to the Easter services rejoicing that we, as Christians, shall have life eternal through Jesus Christ.

BUILDERS FOR CHRIST

Builders for Christ, the Church's campaign for capital funds, is now in its overseas phase, for throughout the country Episcopalians are studying the needs of the Church outside the United States, particularly in Japan, the Philippines, and Puerto Rico. In the Philippines \$100,000 is needed to complete the fund for rebuilding the Cathedral of St. Mary and St. John in Manila, replacing the one destroyed in World War II. Almost every one of our churches in the Philippines was destroyed during the last war and we have had to rebuild from scratch. The Builders for Christ Campaign will give the Philippine Church the last boost it needs to complete its building program. Your prayers are asked for this drive, as well as your generous support when you are asked to make your pledge.

FIFTIETH ANNIVERSARY

The week of October 10th will mark the fiftieth year of the founding of the Memorial Church of St. Paul. The Committee appointed to make arrangements for a fitting celebration is now at work.

THANK YOU

The men who sponsored the Oyster Supper wish to thank all who had a part in making it such an outstanding success. Especially are they grateful to the Melrose Diner for the delicious apple pies donated for the dessert. They are deeply grateful for this generosity. The profit from the supper came to \$130.00.

The Church School, too, expresses its thanks to all who donated cakes, pies, cookies and money for its sale. This, too, was a very successful effort. The proceeds, amounting to \$51.00, are for the Lenten Offering.

THE CRUCIFIXION

The choir, under the direction of Mr. Louis Sweeny, will render Stainer's Crucifixion on Good Friday, April 16th, at 8:00 P. M. We hope that you will invite your friends to attend this musical service with you.

FLOWERS FOR THE ALTAR

An alms basin is on the table at the rear of the church, for your contributions toward the flowers for Easter decorations for the altar. Those of you who are sending plants will kindly have them in the Parish House by noon on Saturday, April 17th.

PRIVATE COMMUNION

The Rector will be happy to take Easter Communion to the shut-in and to those who are ill. Please make arrangements with him for your Easter communion.

JUNE FETE

The June Fete will be held on Saturday, June 5th.

The Dorcas Society will prepare a Baked Ham dinner and the girls of the church will serve it. Those of you who have attended any of our parish dinners, know that you have a treat in store for you.

The tables will need the usual donations of bakery, candy, novelties, aprons and fancy goods, etc. Since it is house-

cleaning time, we suggest that you send to the Parish House articles for the White Elephant table.

All gifts will be sincerely appreciated by the Committee.

CHURCH SCHOOL

The Church School will hold a card party in the Parish House, on Friday, April 30th, at 8:15 P. M. Admission 50 cents, including refreshments. The proceeds will go for the Lenten Offering.

THE DIOCESAN CONVENTION

The opening service of the 170th Annual Meeting of the Convention of the Diocese will be held at 5 P. M. (by the order of the Convention of 1953) on May 3, 1954 in the Church of the Holy Trinity, West Rittenhouse Square, Philadelphia. It is expected that the first ballot will be taken at 7 P. M. in the Church House. A Diocesan Mass Meeting will be held in the Church of the Holy Trinity, May 3, 1954 at 8 P. M. when the Bishop will address the Convention. The Standing Committee and the Clergy (vested) will be in procession. All church people are cordially invited to attend this evening meeting.

STANDING NOTICES

Those who wish to become members of St. Paul's are asked to send their names and addresses to the Rector.

Communicants coming into the Parish or leaving it, should comply with the following Canon:

"A communicant removing from one parish to another shall procure from the Rector, if any, of the parish of his last residence, or if there be no Rector, from one of the Wardens, a certificate stating that he or she is a communicant in good standing."

Parishioners are asked to send prompt notice of change of residence.

The Rector should always be consulted before arrangements are made for baptisms, marriages or funerals at which he is expected to officiate.

Attention is called to Rubric before the Office for the Visitation of the sick, which reads:—"When any person is sick, notice shall be given thereof to the minister of the parish."

On due notice being given, the Rector is always ready and desirous to visit those who are in trouble, sorrow, need, sickness or any other adversity, and to administer the Holy Communion to such as, by reason of sickness or other infirmity, are prevented from coming to Church.

CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

We were very much pleased with the interest manifested in the Lenten discussions on "The Work of the Church" and thank Mrs. Susan B. Clark and Miss Grace I. Ridings for their participation as leaders. We feel sure that all who attended now have a better knowledge of the services of the Episcopal Church.

Thank you all for your Easter and Lenten offerings, which amount to \$1,503.50 at this time.

The 50th Anniversary Committee has reported progress. The Committee has the acceptance of the Rev. Edwin S. Carson, first Rector of our Parish, to be the anniversary preacher on Sunday, October 10th. We shall be very happy to have Mr. Carson with us on this important occasion in the history of the Memorial Church of St. Paul. We are planning to invite all former members of our church to this service. If you know the names and addresses of former parishioners, will you kindly send them to me? This reunion will offer a good opportunity to renew old friendships and to begin new ones.

We are starting a confirmation class, to be presented during our celebration as our 50th Anniversary Confirmation Class. Those of you who would like to become members of this class, or know of others who might be interested, kindly speak to the Rector who will be glad to give information about instruction.

The Church School will have an Anniversary Session, to which all former members will be invited.

And, of course, there will be a 50th Anniversary Dinner. Plans are now under way to decide on the date and to make arrangements for a suitable celebration.

The Committee has proposed a plan to raise \$1,000.00, which will be added to our Endowment Fund. We have already received a check for \$50.00 and pledges amounting to an additional \$150.00.

We trust that you will be present at these services, to give thanks to God for permitting us to be His witnesses these fifty years and to pray that the Memorial Church of St. Paul may be an unwavering light for years to come to guide people into the way of Christ.

Faithfully yours,

Thomas Parker,
Rector.

Dear Friends:

We are to celebrate this month the fiftieth anniversary of the founding of our parish. We thank God for dedicated men like Mr. George C. Thomas, who saw the possibilities for spreading the Gospel in the southern part of our city. It was he who built the Memorial Church of St. Paul, in memory of his parents Mr. and Mrs. John William Thomas. St. Paul's has stood as a beacon in this community these fifty years, serving the people who have come seeking help and guidance. We believe that it has striven faithfully to fulfill its mission.

The movement toward the suburbs has affected St. Paul's, as it has other downtown churches. With the passing of the years, the neighborhood has changed, but there are good, faithful people who work hard to keep the Church active as a House of Prayer and Worship, where men may come to learn more about and to serve Jesus, the Son of God. We trust that, as the years pass, it may continue to witness for God in a changing neighborhood, training men of God, sending them forth to preach and teach the Gospel of Him who came that we might be saved. This will always be the task of the Church. May we ever do our part to make our community conscious of the Living God!

Faithfully yours,

Thomas Parker,
Rector

Miss Aikens was at one time a teacher in the Church School and was for many years a loyal and faithful member of the choir. She was an enthusiastic member of the General Committee that plans the Christmas Bazaars and June Fetes. She was an ardent and untiring worker in the Memorial Church of St. Paul. We shall miss her very much.

St. Paul's pledges for The Builders For Christ total \$1230.00. We have sent to the Church House \$531.00, as of September 1st, to meet our quota of \$1200.00. Please see that your pledges are paid monthly so that we may not fall behind. It is not too late to give to this Great Adventure of your Church.

CONGRATULATIONS

I wish to congratulate our Rector, on behalf of the Vestry and congregation, on his receiving the Honorary Degree of Doctor of Divinity from the Philadelphia Divinity School. The Divinity School, in honoring Dr. Parker, honored the Memorial Church of St. Paul.

The following citation was read at the Commencement on May 27th, 1954:

"Mr. Parker was born in Philadelphia, educated at Temple High School, Dubuque Academy and the University of Dubuque, from which he received the Bachelor of Arts degree in 1921. He graduated from The Divinity School in Philadelphia in 1924, with the degree of Bachelor of Sacred Theology, and was awarded the Master's Degree in Theology two years later. He was ordained Deacon in 1924, and Priest in 1925 by Bishop Garland. After serving for many years in the great parish of Holy Apostles, he became Rector of the Memorial Church of St. Paul in Philadelphia, where he has served faithfully since 1938. As a member of the Executive Council, Dean of the Convocation of South Philadelphia, Treasurer of the Alumni Association of the Divinity School for many years, and recently as President of the Alumni, he has proved himself a spiritual leader and a loyal Alumnus."

PUTTING GOD AND HIS CHURCH FIRST

By the Rev. Richard G. Preston, L. H. D.
Rector, All Saints' Church,
Worcester, Massachusetts

During my early ministry I was calling at a home where an elderly woman was being supported by an unmarried daughter who had a very humble job. We were building a new chancel at the time and they insisted, over my protests, on giving the Credence Table.

A few weeks later I was asked to make a call and was given an envelope containing the necessary money with the comment, "Of course, this is not God's money." Frankly, I was nonplused by this remark and my face must have shown it for she added, "I mean this is not part of God's tenth. I would not take it out of my regular Church obligation."

That was a very humble experience. Here was a family with the bare necessities and with very few "extras" who put God and His Church first. They practiced tithing gladly, putting aside one-tenth of their income and then planning their budget on the basis of what remained.

The Every Member Canvass will be held soon. Before we try to answer the question "What shall I give?" let us answer first the question "Where do I put God and His Church in my life?"

If we keep Christ central in our thinking, our love for Him and our desire to do His will through His Church, then our pledge will inevitably be a true expression of that concern.

50th Ann. Sermon

FIFTIETH ANNIVERSARY SERMON Memorial Church of St. Paul, Philadelphia October 10th, 1954

By Rev. Edwin S. Carson

"So built we the wall; and all the wall was joined together unto the half thereof: for the people had a mind to work."
Nehemiah 4:6

We are met in God's House today to celebrate the Fiftieth Anniversary of the first service held in St. Paul's Mission on Sunday, October 9th, 1904.

The text of our sermon is the verse from the prophecy of Nehemiah which was used in the early days of the Mission, and it seems doubly appropriate today—"For the people had a mind to work."

Looking back over the years we can thank God for the men and women who had a mind to work and were inspired by His Holy Spirit to start a mission in this Southern district of Philadelphia.

After the dissolution of the corporation of Old St. Paul's Church, on Third Street below Walnut, which became the site of the City Mission, and before the amalgamation of the Southeastern and Southwestern Convocations, the former had taken steps for the establishment of a new mission in the extreme southern portion of the city. Largely through the efforts of Rev. G. Woolsey Hodge, D. D., Dean of the Southwestern Convocation, and Mr. Lewis H. Redner, who will be remembered for his writing of the tune to our Christmas Hymn "O Little Town of Bethlehem," a lot was secured at the North-east corner of 15th and Porter Streets. On this lot stood an old brick building which had seen better days. Originally it had been the home of some prosperous family and had been built solidly with brick foundations some three or four feet in width. Rumor had it that at some previous time the building had been used as a school house and then as a meeting place for a German Singing Society. Shortly before the Episcopal Church bought the property, the building had fallen from grace and had been raised as a "Speak Easy." Like the man in the Scriptures, "the last Estate of the building was worse than the first."

One of our first duties was to remove some four or five hundred empty bottles from the cellar. Strangely enough, the first altar and communion rail in St. Paul's Mission were placed where the bar for the "Speak Easy" was previously located.

Going back to the summer of 1904, and having taken a Curacy as a young deacon in Old St. Peter's Church, 3rd and Pine

Streets, I received a letter from the then Bishop Coadjutor, The Rt. Rev. Alexander Mackay-Smith, D. D., to take charge of this new mission, beginning September 1st, 1904. Dean Hodge suggested that the new mission be named St. Paul's to perpetuate the name and work of Old St. Paul's Church on 3rd Street.

Mr. George C. Thomas, Senior Warden of the Church of the Holy Apostles and Treasurer of the Foreign and Domestic Missionary Society, provided means for the reconstruction of the old mansion so that it could be used for church services and a temporary Parish House.

The first service was held on the 19th Sunday after Trinity, October 9th, 1904.

A celebration of Holy Communion was held at 7:45 A. M. The Rev. William Henry Graff was the first celebrant. Seventeen persons (9 men and 8 women) were present at the 10:30 A. M. service, and the offering amounted to \$1.65. Sunday School was held at 2:30 P. M. with 28 children present. At the evening service 61 persons attended.

During this period the Southwestern and the Southeastern Convocations were united, and the Rev. Herman L. Duhring, D. D., was appointed Dean. To him Mr. George C. Thomas made the proposition that if Convocation would extinguish the mortgage of \$7,500 on the lot, he would erect a church in memory of his parents. This was too good an offer to let go by. Every effort was made to secure funds in the Diocese to meet this requirement. On December 28th, 1905, the mortgage was extinguished, largely through the contributions of former members and friends of Old St. Paul's Church. In this connection it is pleasant to think of the love and devotion which these friends had for the old church and their fervent hope and desire to have the name—St. Paul's Church—continue.

Ground was broken for the new church on Saturday afternoon, May 19th, 1906. Clergymen present were Rev. Herman L. Duhring, Rev. William Henry Graff, Rev. Mr. Bowie, Rev. Charles Hill and the incumbent, Dr. Duhring and Mr. Lewis H. Redner, both at one time were former members of Old St. Paul's and it was they that broke the first ground.

The cornerstone was laid by Dr. Duhring on Saturday afternoon, July 28th, 1906. Photographs of the parents of George C. Thomas were placed in the cornerstone. The Church was consecrated by Rt. Rev. Alexander Mackay-Smith, D. D., on Friday, May 31st, 1907, at 11:00

A. M. The Rev. Nathaniel S. Thomas, then Rector of the Church of the Holy Apostles, preached the sermon on this occasion.

With the new church and the development of the Girard Estate, the parish began to grow in strength and numbers—"For the people had a mind to work."

After a visit to St. Paul's Church shortly before his death, Mr. Thomas spoke to his wife of the need of an adequate Parish House to carry on the work in this then growing neighborhood.

Shortly after his death I had a request from Mrs. Thomas to visit her at her home in Chestnut Hill. It was then that she kindly offered to provide funds for the erection of a Parish House, if the Vestry and members of St. Paul's Church would raise a fund to furnish and equip the building. This again was an offer which could not be put aside indefinitely. This offer of assistance was readily accepted, and every member of the parish, young and old, endeavored to reach a certain goal. "For the people had a mind to work."

Mrs. George C. Thomas and her children built the Parish House and the good people of the parish equipped the building. The cornerstone was laid on Saturday, October 7th, at 3:00 P. M., by the Rev. Wilson R. Stearly, then Rector of the Church of the Holy Apostles.

This, in brief, is the history of the founding of the Memorial Church of St. Paul fifty years ago.

As we are met today to celebrate the Fiftieth Anniversary of this Parish our thoughts naturally turn to the events of the past.

If these walls could speak how many scenes of joy and sorrow they could relate! How often a troubled and perplexed soul has found peace and refreshment in this House of God.

At the Font the regenerating water of Holy Baptism has been poured upon the heads of those who became members of Christ, the Children of God, and inheritors of the Kingdom of Heaven.

In the Sacred Rite of Confirmation hundreds have been strengthened by the Holy Spirit in the renewing and ratifying of their Baptismal vows. Many have been joined together as man and wife in Holy Matrimony, and from the Altar has been given the Sacred Bread without which our spiritual nature cannot hope to survive. How often too, has this Church been the last resting place before burial

in the ground, of those who have served their generation, and are now gathered unto their fathers in the Communion of Saints. Anniversaries compel us to think of the past with all its rich memories and to remember the many friends we have known and loved "long since and lost awhile."

The following men have served St. Paul's during the past fifty years:

The First Rector	1904-1913
Rev. J. A. Peckman	1913-1914
Rev. Joseph H. Earp, D.D.	1914-1918
Rev. Granville Taylor, D.D.	1919-1922
Rev. George S. Gassner, D.D.	1922
Rev. Stanley V. Wilcox, D.D.	1922-1930
Rev. Herbert L. Johnson	1932-1935
Rev. J. Perry Cox	1936-1938
Rev. Thomas Parker, D.D.	1938

The present Rector holds the record in point of years of service in this parish, and our prayers are offered to God that he will have many rich blessings in his ministry.

But so much for the past. What of the future of St. Paul's Church? That question should also be in our minds as we gather to celebrate this Fiftieth Anniversary.

There is progress in life. There is progress in history, because the Lord is building, working and watching with us. Man is learning, slowly learning that the one way of life, the one fountain of blessing, is the training of his self-will to build and work with God. Man, we say, is the architect of his own fortune. It is a poor and feeble limitation. He is the architect of his own character and destiny. By the house of life, we mean those principles and habits of moral judgment and action which are the true house of the soul. Of that house man is the architect and not God. That house man is daily building, and that building will abide and be the home or the prison of his soul throughout Eternity. And what is true of the individual is true of the Church. "Except the Lord build the house their labor is but lost that build it."

We are the architects of a Spiritual house which we call the Church. While we believe the Church is divinely founded and not man-made, it is within the power of men to help or hinder the Church's progress. If we are to build wisely, we must look to the foundations. "For other foundation can no man lay than that is laid, which is Jesus Christ."

Dear Friends:

We look forward always during the Advent Season to celebrating the birthday of our Lord. Christmas comes on Saturday and we will have our Christmas Eve candlelight service on December 24th, beginning at 11.30 o'clock. We will sing Christmas Carols and, at midnight, we will celebrate the Lord's Supper. On Christmas Day we will again have a celebration of Holy Communion, at 10.00 A. M. This will give all an opportunity to have Christmas Communion.

We should be very careful not to let the real meaning of Christmas be lost in the varied celebrations of this great day—the day on which the Savior of the World was born. It should be observed by worshipping Him in His Church and at His Altar. God gave His only Son to the world in order that the world through Him might be saved. It is the greatest gift that God could make. May we, as Christians, share this gift with others and may we all return to Him gratitude and praise for His wonderful goodness to us.

A Happy Christmas to you all.

Faithfully yours,

THOMAS PARKER,
Rector

Dear Friends:

The season of Lent reminds us to stop, look and listen to the voice of God. We are to stop the worldly activities that are separating us from loving Him. We are to look, to take stock of ourselves and to realize how little we have given of ourselves to the cause of Christ. Perhaps we shall be ashamed for doing so little to help the Kingdom of God grow on earth. We are to listen to the still, small voice of God. We have let the noise of business, the sound of machines in the shop, the hum of the motor, the rhythm of the typewriter and the humdrum of ordinary work drown the voice of God. We know we have been neglectful, but knowing it and not doing anything about it will not improve our spiritual state.

This is a period of doing, a time of preparation—preparing our lives as members of the household of faith. We must first love Him before we can share His love with others. Do you not know someone who needs God's love? Surely each one of us must know someone who is eager to learn more about God and His Son Jesus Christ. This is our opportunity to be doers of the Word as faithful workers for the Master.

"Let me keep Lent;
Let me not kneel and pray,
Forego some trifle every day,
Fast . . . and take Sacrament . . . and then
Lend tongue to slander,
hold ancient grudge, deny
The very Lord whom I would glorify.

Let me keep Lent;
Let my heart grow in grace,
Let Thy Light shine till my illumined face
Shall be a testament read by all men
That hate is buried
self crucified—new born
The spirit that shall rise on Easter morn."

With all good wishes, I am

Faithfully yours,

Thomas Parker,
Rector.

VESTRY

We regret to announce the resignation of Mr. Alexander Schnorr who for many

years was a faithful member of the Vestry. Mr. Schnorr resigned because of ill health and because he lives at some distance from the church. We miss him and trust that he will soon be well.

TEACHERS TRAINING

The teachers are meeting every Thursday evening to discuss the material for use in the Church School. We would be very happy to have the parents of the children come and enter into these discussions.

CONGRATULATIONS

We are very happy to announce to the congregation the election of Mr. Harold K. Vang to the Vestry. We congratulate Mr. Vang upon his election and hope for him a happy and useful service on the Vestry of St. Paul's.

CHURCH TELEPHONE

A telephone has been installed in the Parish House, filling a long-felt need. The number of the phone is HO ward 7-4089. If the telephone is not answered promptly when you call, let it ring ten times or more before hanging up.

MR. MONTGOMERY

We were very glad to have Mr. D. C. Montgomery appointed by the Bishop as Lay Reader in our Church. Mr. Montgomery is faithful in the performance of his duties and the Rector appreciates his assistance.

MEN'S OYSTER SUPPER

The men of the Parish will hold their Third Annual Oyster Supper on Saturday, April 16th. Supper will be served from 5.00 to 7.30 P. M. Tickets for adults will be \$1.25 and, for children under twelve years of age, 75 cents.

Our men are enthusiastically planning for this event. They will prepare and serve the supper. They know you will enjoy it, as it will be of the same high standard as the oyster suppers of past years. To complete the evening, there will be games, starting at 7.30 o'clock, thus insuring a pleasant evening for all.

DORCAS SOCIETY

The Dorcas Society takes this opportunity to thank everyone who came to our Sour Krout Supper and for the donations received toward it. This was for our Easter Offering.

We meet every Monday and have enrolled two new members. We would be pleased to have you come and join in our activities.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.

CHURCH SCHOOL..... 9:30 A. M.

MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

It is a pleasure to report that the Lenten and Easter seasons at St. Paul's were beneficial and happy ones for our congregation.

The Wednesday evening discussion groups were very well attended. Mrs. Clark and Miss Ridings gave new insight to the meaning and uses of the Book of Common Prayer. We are grateful indeed to them for their co-operation and leadership.

The Good Friday service was one of the best union services we have held in our Church. We congratulate the ministers and congregations of the Churches of the South Philadelphia Ministerium who made this fine service possible.

The Easter services were well attended and the spirit was excellent. We were well pleased with the generosity of the congregation. The Easter offering amounted to \$1,725.17.

The Church School teachers and pupils worked hard for their Lenten and Easter offerings. Through the sale of Christmas cards and Easter eggs, by giving an oyster supper, and by mite boxes and efforts of individual classes, they were able to present a magnificent offering of \$805.18. We want to congratulate all who worked during these many months in this great effort to help the missionary cause of the Church. It is by consecrated and concentrated effort that we can help to make Christ known throughout the world. If we continue in this way, the seed of the Spirit of Christ will surely grow.

With sincere appreciation and hearty thanks to all for this splendid spirit, I am

Faithfully yours,

Thomas Parker,
Rector.

THERMOMETER OR THERMOSTAT By the Rt. Rev. Thos. N. Carruthers, D.D.

Bishop of South Carolina

I cannot recall who first suggested the thought that people may be divided into two classes—thermometers and thermostats. You see the difference.

A thermometer tells you what the temperature is, but it does nothing to change it. It simply reacts and registers how hot or cold it is. And there it leaves the matter.

A thermostat also tells you what the temperature is. But it does not stop there. It sets forces in motion to change the temperature and make it more to your liking.

Many people are like thermometers. They are quick to tell you how dreadful the situation is, but they do nothing to change it. They mourn loudly about the present degenerate world, with its selfishness, secularism, and materialism. They talk about the prevalence of juvenile delinquency, divorce, crime, international hatred and bickering. They are sure that times are just as bad as they could possibly be. And there they leave it.

Happily there are others who do not leave the matter here. They set in motion forces to improve the situation. Instead of complaining about the poor attendance at church they invite their friends and neighbors to attend with them, and thus build up attendance.

Instead of bewailing the prevalence of religious illiteracy they set about to improve the Sunday School in their own parish so that the young people will know and appreciate the history and meaning of their faith.

Instead of merely lamenting the divorce evil they start in their own community intelligent instruction and counselling to make marriage successful. I like the slogan of the Friends' Service Committee: "It is better to light a candle than to curse the dark."

The conclusion of the whole matter is clear: Do not be a thermometer. Be a thermostat.

PERSONALIZED STATIONERY

It is some years now since we have
taken orders for personalized stationery.
It is likely that many of you are in need
of a supply of it by this time. The paper
comes in different sizes and styles (let-

lent quality. Those who have used it
find it a great convenience to have it on
hand. It also makes acceptable gifts,—
Christmas, birthday, hostess, or "Thank

November 15th is the deadline for order-

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

It is a pleasure to get away for a vacation, to relax and rest from the year's work, but it is just as pleasant to return to one's work, eager to carry out plans for the church year that lies ahead.

We have held several important meetings to plan the work of the coming year. It is gratifying to note the enthusiasm of the Committee and we hope for a year of greater service in God's work.

One of the most important tasks that confront us is the teaching of the new series of lessons in our Church School. We are convinced that all of us will learn more about our Christian way of life, if we will work together in this endeavor. It means that teachers, pupils and parents must co-operate in order to receive the greatest benefits from the material used in our course. We are hopeful that this is going to be a very good year for our Church School.

On Sunday, October 30th, Bishop Armstrong will visit our parish to administer the rite of confirmation. We are forming classes now which will meet on Thursday evenings at 8:00 o'clock for adults, and on Friday afternoons at 4:00 o'clock for children. We would like you to try to bring someone to one of these classes for instruction and have a part in bringing him or her into the fellowship of the Church.

We are looking ahead to our Christmas Bazaar, which will take place on Saturday, December 3rd. Some have already made articles to sell and others are planning to do so. We ask co-operation in making this a happy and profitable event in the life of our parish, by being present yourself and by bringing others to enjoy this opportunity to meet with fellow-parishioners and friends.

With a prayer for a successful year in the work of the Master, I am

Faithfully yours,

Thomas Parker,
Rector.

THE WOMAN'S AUXILIARY

The Woman's Auxiliary of the Memorial Church of St. Paul would like to extend a cordial invitation to all the women of the parish to attend our meetings. They are held on the first Monday of each month, from October to May at 8:15 P. M. We do hope you will join us for all women are members of the Auxiliary. Perhaps we do not realize this, but as Communicants of our Church, the women automatically become a part of the Auxiliary. We hope to have a full membership in attendance this year. Cards are sent to those who attend. If you will give your name and address to Miss Ridings or to Mrs. Clark, a notice will be sent to you monthly.

This year we plan an interesting and informative agenda, with four main topics—The Indian Americans, A Revolutionary World, Read the Bible, and Consider Your Parish.

You will gain a fuller insight into these problems in Our Church and Our World. The Woman's Auxiliary has been most helpful and encouraging in facing these problems and others like them.

We plan activities of a social nature. In November there will be kodachrome slides of an extensive doll collection. This collection contains many rare specimens and is worth more than four thousand dollars.

In December we will have kodachrome slides of our Church in action, namely, Our Rector, The Vestry, and the Church School. A travelogue of the West will be added.

Do exercise your privilege of membership by coming to our meetings and make this year a banner one for the women of the parish.

In closing, we shall quote from a sermon by Dr. Parker, "The noblest end of all life, is to live for the service of God".

Susan B. Clark,
Secretary.

THANK YOU

We wish to extend our thanks to the Rev. Ronald A. Wiley, Ph D., for serving the parish during the month of August. We appreciate the fine way in which he

conducted the services and his visits to the sick.

NEEDLE WORK GUILD OF AMERICA

Mrs. Olive P. Doughty wishes to thank all of you who contributed to the Needle Work Guild. She has received \$31.00 to date. Those who have been intending to contribute toward this worthy cause, but have not yet done so, may still give your donation to Mrs. Doughty.

IN MEMORIAM

The Rector, on Sunday, September 11th, dedicated a pair of gold plated vases to the glory of God and in loving memory of Mrs. Emily Ireland, the gift of her husband, Mr. Leonard C. Ireland.

The Rector and Vestry wish to thank Mr. Ireland for this very beautiful gift.

UNIVERSITY LIFE CONFERENCE

The University Life Conference will be held in the Parish House of the Memorial Church of St. Paul, under the auspices of the South Philadelphia Minsterium. This conference will be held on Sundays October 16 and 23 and November 6th and 13th, from 7:00 to 9:00 P. M. The young people of the churches, from 14 to 24 years of age, are cordially invited to participate in these services. We trust they will come and make these meetings a success.

MEN'S CORPORATE COMMUNION

The Men's Corporate Communion and Breakfast will be held on Sunday, October 16th, at 8:00 A. M. Lt. Col. J. Randall Skillen, D. C., who recently returned from over two years duty abroad, will tell us about some of his experiences and show pictures of his travels.

ALL SAINTS' DAY

There will be a celebration of Holy Communion on All Saints' Day, Tuesday, November 1st, 1955. At this service the names of all the parishioners who have passed on to their reward during the past year will be remembered before the Altar. It has been our custom to remember our friends and relatives who are memorialized at this service. The gifts from this source are added to our All Saints' Day Endowment Fund.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

Because of the ever changing population in our cities, we are concerned about our churches. We are aware of the movement in our community and want to be alert to the opportunity to invite our new neighbors to attend the services of our Church. We are not to be satisfied with just attending services on Sunday ourselves, we should feel concern about others, members of our families and our friends. Where are they on Sunday mornings and what are they doing? Do we sometimes make excuses for them, saying they have had a busy week and need to rest Sunday morning?

We should be positive in our efforts to be living, serving members of God's Kingdom on earth. We should be bold to tell others that we receive strength and energy from God in His House on Sunday to help us during the week. We need the encouragement that comes from association with our fellow Christians. It is this fellowship with Christ that prompts us to offer ourselves to be used in whatever capacity we can be of service. In this way we share our ideas and our talents in a better and more useful life. There is so much to be done because too few have accepted the responsibilities of the Christian life. No task is too great, if we believe the promises of Jesus Christ and are concerned about the welfare of His indifferent children.

May God bless you and may He give you the vision to see what is needed and the strength to rise to the occasion to meet it.

Faithfully yours,

Thomas Parker,
Rector.

The Dorcas Society is happy to report that its President, Mrs. Herbert S. Edkins is recovering very well from her recent operation and that its Treasurer, Mrs. William McGill, is also recovering nicely from her recent illness. The members of the Society pray for their restoration to health and hope to see them at their meetings soon. In the meantime, Mrs. Harold K. Have you joined the Merchandise Club? Come on Monday evenings at 8.00 o'clock and join the group.

CONFIRMATION

We were very happy to welcome the Rt. Rev. J. Gillespie Armstrong, D. D., S. T. D., Suffragan Bishop of Pennsylvania, on Sunday, October 30th, when he administered the Rite of Confirmation to Joanna L. Argentiero, George F. Andrew Beutelspacher, Camile E. Evangelista, Carol A. Evangelista, William J. Mullen, Vincent Raksnis and Allan Richard Tucker.

The congregation of the Memorial Church of St. Paul welcomes this class into the fellowship of Christ's Church and prays that they may enjoy a long life of usefulness in the service of their King, Jesus Christ.

THANKSGIVING DAY

There will be a celebration of Holy Communion on Thanksgiving Day, Thursday, November 24th, at 10.00 A. M. The offering at this service will be for the Episcopal Hospital.

THE 1955 ADVENT CORPORATE COMMUNION

The Memorial Church of St. Paul will participate in the Nationwide Advent Corporate Communion for men and boys of the Episcopal Church, on the first Sunday in Advent, November 27th, at 8.00 A. M. Breakfast will be served after the service, in the Parish House. Mr. Ralph Pitman, Vice President of the Central Penn Bank, will be the speaker. We hope that the men and boys of our parish will attend this service.

WOMAN'S AUXILIARY

The first fall meeting of the Woman's Auxiliary of the Memorial Church of St. Paul was a great success. The large attendance and the enthusiasm for the coming season were most gratifying.

Miss Ridings, our president, gave us a resume of one of the newest books on the American Indian. We learned our church has work among fifteen dioceses and in eighteen different tribes. Since the last two wars large numbers have migrated from reservation to town life, bringing about great difficulty in adjustment. The church is ever ready to extend a helping and sympathetic hand to help solve these problems.

Dr. Parker addressed our meeting. He, too, was pleased with our attendance. He gave us the thought, the Woman's Auxiliary is spiritual in character and we are supposed to take home this information and know what is going on in the church. "Bring another with you, not only to the Woman's Auxiliary but to the Church," were his closing words.

Will you help us to realize this goal?

May we welcome you at our next meeting and if possible, a friend?

Susan B. Clark, Secretary

CHURCH SCHOOL

The Church School is well attended. We trust that your boy or girl is enrolled

in our school. It is in these classes that they are taught the basic principles of Christianity. If you know of any boy or girl who is not receiving such instruction, please bring him or her on Sunday at 9.30 A. M.

The Church School is busy raising money for its missionary offering. You may help the boys and girls by purchasing your Christmas cards from them. The teachers will be glad to show you the cards.

The Officers and Teachers thank you for your assistance with their recent card party.

MR. GEORGE VOSS

We are very happy to have our sexton, Mr. George Voss, back with us again after his stay in the Methodist Hospital, where he underwent an operation. The congregation rejoices with him in his recovery.

ST. ANDREW'S DAY

There will be a celebration of Holy Communion on St. Andrew's Day, Wednesday, November 30th, at 10.00 A. M.

ADVENT FOLDERS

The Advent Folders will be mailed to you very soon. We trust that you will fill the folder and bring it with you at The Mid-night Christmas Service or one of the services on Christmas Day.

A Teaching and Healing Mission will be held in St. Stephen's Church, 10th Street above Chestnut Street, Saturday, November 26th, to Tuesday, November 29th, inclusive. This service will be conducted by the Reverend John Maillard.

The Mission Service will be held each weekday at 12:30 P. M. and 8 P. M. On Sunday, at 11 A. M. and 8 P. M.

CHRISTMAS BAZAAR

As always, we must depend on the donations of parishioners and friends to make the Bazaar a success.

STANDING NOTICES

Every one is welcome at all the services in the Memorial Church of St. Paul. If you are not a regular attendant elsewhere, make your Church Home with us.

The Rector should always be consulted before arrangements are made for baptisms, marriages or funerals at which he is expected to officiate.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

Our thoughts at this time of year naturally turn to Christmas. For many of us it is a joyful season. Hearts are made glad because we are thinking of others and are sharing our happiness with one another. God sent His Son into the world that we might share in His love. So we, as Christians, celebrate the birth of our Lord and sing together the wonderful hymns commemorating the glad tidings of that day.

On Christmas Eve, Saturday, December 24th, we will sing Christmas Carols, beginning at 11:30 o'clock. At midnight we will have a celebration of Holy Communion. On Christmas Day we will celebrate the Lord's Supper at 8:00 A. M. The Church School will have its Christmas service at 9:30 A. M. At 11:00 A. M. there will be Holy Communion and sermon and carols. These services will give all an opportunity to have Christmas Communion.

We pray that this Christmas may be a happy one for all.

THOMAS PARKER,
Rector.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

There are many things for which we, as a congregation, can be thankful. We have a splendid corps of workers who are giving of their time and energy to carry on the work.

We had the best Every Member Canvass during the past year that we have had since I have been Rector at St. Paul's. This spirit of co-operation has given us courage and we are looking forward to doing better things.

The work of the Church School has been most encouraging. Teachers and pupils are working together aiding the boys and girls to receive a fuller and richer understanding of their place in the life of the Parish.

We are gratified with the generous response to the many requests for money. The Christmas offering was the best that we have had thus far. It amounts to \$1,803.68 to date. This is a splendid offering and especially as it has come so soon after our successful Christmas dinner and bazaar, which netted \$1000.00.

What does this signify? It means that we are working together to carry on the work of our Lord in our community.

The year 1956 is before us. Many opportunities will be presented to carry out the teachings of Christ. It is our prayer that we, as a congregation, may have the vision and the faith to seek to bring others to a greater knowledge of Jesus Christ. It is only as we know Him and live as He would have us live that we can hope to have our efforts bear fruit.

May the Holy Spirit direct and rule our hearts that this year may be one of spiritual rebirth in our lives.

Faithfully yours,

THOMAS PARKER,
Rector.

CHRISTMAS SERVICES

We were very happy to have such large attendances at the Christmas services. When we saw so many at the Christmas Eve service, we thought there would be very few at the other services, but we were pleasantly wrong. We appreciated having the Rev. John R. McGrory assist the Rector at these services. The Christmas offering was \$1,803.68.

THEOLOGICAL EDUCATION SUNDAY

January 22nd, 1956

"At last the Church at large is awakening to the vital importance of our Theological Seminaries to the present and future of the Church. The response to the Builders For Christ program proves this. But here is but the beginning. Continued support is essential that our Seminaries may meet the encouraging increase in students with essential faculty and equipment.

The Third Sunday after Epiphany, the Sunday nearest to the Feast of the Conversion of St. Paul, January 22nd, 1956, has been designated as Theological Education Sunday. On that day offerings will be taken for the support of our Theological Seminaries.

I commend this great cause to the generous and intelligent support of all our Church people.

HENRY K. SHERILL,
Presiding Bishop

This is an opportunity for each one of us to help "shape the Church's future" by contributing to the support of the Philadelphia Divinity School. The Church needs more men for its ministry. Let us help to educate these men for the sacred ministry of Christ's Church.

China has countless possibilities. Among eighty-four million souls, only four hundred thousand are Christians.

Japan has five hundred thousand Christians in a population of eighty-three million. Sixty thousand of these are Episcopalians. Japan is a new independent church in the Anglican Communion. She needs our help in the struggle for survival.

We shall mention just a few of the other topics discussed during 1955.

The Friends of the Philadelphia Divinity School.

The Work in India, Mexico, the Philippines, and Liberia.

Operation Women's Touch for the Conference Center.

The Bishop White Library Association.

The Church Periodical Club.

The Elizabeth Price Martin League.

The Message from Hawaii.

The United Thank Offering and its Work.

The Workers' Training Fund.

The Scope of work in the Woman's Auxiliary is world wide. Some of the projects we contributed to were:

1. The five committees of the Church Work—namely the Overseas, Indians' Hope, Christian Social Relations, Diocesan, and Negro.

2. Provincial Project for the Colleges.

3. Maintenance fund for the Woman's Auxiliary Offices.

4. Sweaters for the Diocesan committee.

5. St. John's Settlement House.

6. The Chinese Christian Church.

7. The Community Chest Fund.

8. The Philadelphia Council of Churches.

9. The Elizabeth Price Martin League, including contributions to the City Mission and the Philadelphia General Hospital.

10. Mr. Voss.

11. The General Church Fund.

12. The Church Periodical Club.

13. The United Thank Offering.

14. The Mile of Pennies for the Overseas Committee.

15. The Workers' Training Fund.

Those who know have been pleased with our attendance and work. Mrs. Parum said we had the largest attendance of any auxiliary she visited.

Likewise, Dr. Parker felt with such good attendance and interest, we should have a successful year.

In the words of Miss Ridings, "The good work and interest shown by our members should be known for it deserves commendation."

In our meeting of January 8, the following officers were reelected for another term of three years:—

Miss Grace I. Ridings—President
Mrs. Anna Vang—Vice President
Mrs. Lillian Jones—Treasurer
Mrs. Susan B. Clark—Secretary

Respectfully submitted,

Susan B. Clark, Secretary

MINUTES OF THE ANNUAL PARISH MEETING OF THE MEMORIAL CHURCH OF ST. PAUL

The Annual Meeting of the Memorial Church of St. Paul was held in the Parish House on Wednesday, January 25, 1956, the date being the Feast of the Conversion of St. Paul. At 6.30 P. M. 61 members of the Church assembled for a dinner prepared by the Dorcas Society and served by a group of young women of the Church School.

Following the dinner the meeting was called to order by the Rector, Dr. Thomas Parker. The minutes of the last parish meeting, being the Annual Meeting held on January 25, 1955, were read and approved. The Accounting Warden's report was read by the Rector's Warden in the absence of the Accounting Warden. The report was favorably received and the Rector stated that it would be published in "The Chronicle." The Rector reviewed his work during the year and reported on membership and services.

Outstanding among the events of the year was the response to the Loyalty Sunday service at which 209 persons were present. As a result 140 persons pledged \$9,200 to the support of the Church and its missionary program.

Reports of Parish Organizations were presented as follows:

Choir—Mr. Louis Sweeney
Woman's Auxiliary
Secretary's Report—Mrs. Susan B. Clark
Treasurer's Report—Mrs. Lillian C. Jones
United Thank Offering Report—Mrs. Grace Mellwig
Church School—Mrs. Roy T. Walters

Announcement was made of the receipt of nominations for the election of four vestrymen to serve a term of three years. Nominations received and posted by the Secretary were read. Tellers were appointed as follows:

Mr. Harry F. Zimmerman
Miss Ella M. Aikens
Mrs. Harvey R. Hesington

A recess was declared by the Rector and the ballots distributed by the tellers to the members. Upon the conclusion of voting the ballot box was declared closed, the votes tallied and the tellers reported as follows:

2811 S. 16th Street 45 Votes

J. Randall Skillen,
2542 S. Rosewood Street 38 Votes
D. Cortlandt Montgomery,

John J. Lindsay,
1744 Stocker Street 27 Votes
Charles S. Creighton, Sr.,

The first four above named were declared elected and the tellers discharged with thanks.

A motion was presented that the Rector, Wardens and Vestrymen, together with the Parish organizations, be extended a vote of thanks for progress attained during the year. The motion was unanimously adopted.

The meeting was adjourned at 9.00 P. M. and followed by a showing of photographic slides in color. The subject was St. Paul's Church and its people. The photographs were taken by Mrs. Susan B. Clark.

DORCAS SOCIETY

The Dorcas Society has had a busy and successful year, although we were handicapped by an accident to our treasurer, Mrs. William McGill, and by the hospitalization of our President, Mrs. Herbert Edkins. We were fortunate, however, in having other members able to take over; Mrs. Anna Bernheimer as treasurer pro tem and Mrs. Anna Vang, as President. Under Mrs. Vang's efficient leadership, we were able to carry on our work as usual. During 1955 we gave the Accounting Warden for help in meeting general expenses the sum of \$450.00. We have made donations to many worthy objects. Our members that were ill were cheered by flowers, cards and gifts. We try to be helpful to the bereaved.

The money for this work was raised by engaging in a number of activities including card parties, lingerie demonstration, suppers, blanket club and the sale of candy and Christmas cards; also by rainy day envelopes.

Our receipts from all sources including dues and donations, were \$690.00. We have expended \$641.00, leaving a balance of \$49.00 in treasury to begin our next year's work

Harriet J. Skillen, Secretary

CHURCH CHOIR

Dr. Parker, Gentlemen of the Vestry and fellow Parishioners:

There is little to report at this time on the progress of the choir. I do want to thank and commend the members who so faithfully give their services. There are former members, who if it were possible, would still be in their places in the choir stalls. They are missed, and a fervent hope goes forth that one day they may again be with us.

Suggestions as to how the choir can be increased in numbers are always welcomed. All of you, I am sure, are aware of our need. Dr. Parker has made repeated appeals for help and I am confident that there are a few at least who can respond with a "Yes, I will try."

The music of the church has a dignity and beauty worthy of the best we can give. The hymns, chants and anthems are all written to assure us of God's unfailing love, for us and to increase in us a desire to perform our duty towards Him with a steadfast, willing and loving devotion. Please, if you can, help us to make this part of the worship at St. Paul's worthy of respect.

WOMAN'S AUXILIARY OF THE MEMORIAL CHURCH OF ST. PAUL

Mrs. Parnum, a member of the Bishop's Committee, has given this slogan to the Woman's Auxiliary, "We have work to do and we work and do it together to make a stronger force in the building of a Christian World." The Woman's Auxiliary of the Memorial Church of St. Paul has met this ideal in many ways in the year 1955, with Miss Grace Ridings as our president.

To work together we must be informed, hence the significant problems of our Church have been our main source of interest.

Some of these were the Divinity Schools and our own Philadelphia Divinity School in particular. There are eleven Episcopal Theological Seminaries in our country. In June of 1955, three hundred men were graduated leaving a shortage of seven hundred. When we make this our concern, we help the Church, and in turn, help God's work.

Our Church works among eighteen different Indian tribes in fifteen dioceses, and yet there are seven hundred thousand Indians not touched. Why is the Church's work among these people fading? Are we doing our part?

Good Friday

We extend a hearty welcome to the ministers and congregations of the Churches of the South Philadelphia Ministerium who are uniting with us in our Good Friday Service. An outline of the service follows:

Introductory Service, 12:00 M.

Rev. Theodore R. Ochs, Pastor, Mt. Hermon Methodist Church.

Rev. Robert E. Blade, Pastor, James Evans Memorial Presbyterian Church.

The Fourth Word, 1:35 P. M.

Rev. John K. Lynn, Pastor, Greenwich Presbyterian Church.

The Fifth Word, 2:00 P. M.

Rev. Lawrence L. Felton, Pastor, Messiah Evangelical and Reformed Church.

HOLY COMMUNION..... 8:00 A. M.

MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

We are in the season of Lent, a time when we take account of our spiritual values. We are likely to find that we have failed in our duty as members of the Church of God. We had promised ourselves that we would perform our Christian obligations faithfully and regularly. The spirit was willing but the flesh has been weak. We have drifted into the old routine of indifference and neglect.

But Lent is not even half over. Let us not spend our days regretting our acts of omission, but rather let us make the very most of the remaining days of this penitential season. Let us turn from petty things and make our religion something real, a true and abiding faith that will influence our every thought and deed. If our thoughts have dwelt too much on personal interests and pleasures, let us now turn them, with God's help, to more vital concerns. Let us seek earnestly for spiritual strength that will enable us to be strong in the Lord. Then we shall come to Easter with a song of victory on our lips and in our hearts and will sing with new faith and understanding Christ is Risen Indeed.

May you have a blessed Easter.

Faithfully yours,

THOMAS PARKER,
Rector.

MR. THOMAS S. BOYLE

The members of the Memorial Church of St. Paul were saddened in learning of the death of Mr. Thomas S. Boyle. Mr. Boyle was for many years a beloved Superintendent of our Sunday School. He gave freely of his time, energy and money to help the boys and girls of St. Paul's to know more about Jesus Christ. He also served as a Vestryman and as Rector's Warden for many years. He did much to aid in the work of the Church. Long after he moved to another Parish, he remembered with pleasure his years of service at St. Paul's. May his soul rest in peace!

WOMAN'S AUXILIARY

The Woman's Auxiliary will hold a Lenten Corporate Communion on Sunday, March 18th, at 8.00 A. M. This service will be followed by breakfast in the Parish House. Some of the men of the parish have volunteered to cook and serve the breakfast for the Auxiliary. All women of the parish are invited to attend this service and breakfast.

DORCAS SOCIETY

The Dorcas Society meets every Monday evening at 8.00 o'clock. Mrs. Anna Vang is acting as President. The meetings are well attended. The Society was happily surprised by a visit from its President, Mrs. Herbert S. Edkins, on Monday, February 27th. All were glad to see her and hope that she will soon be well and strong again.

MEN'S OYSTER SUPPER

The men of the parish will hold their Fourth Annual Oyster Supper on Satur-

day, April 28th. Supper will be served from 5:00 to 7:30 o'clock. Tickets for adults will be \$1.25 and for children under twelve years of age, 75 cents.

The men will prepare and serve the supper. They know that you will enjoy it as you are assured of the same fine quality of food and high standard of service as you have enjoyed in the past.

HELPS FOR THE LAYMAN

By Lee H. Bristol, Jr.

1. I will pretend each day is the first of my spiritual program, because I am best at the beginning of a campaign.

2. I will use "flash-prayers" frequently throughout the day, because repeated "through-the-day" contact with God can multiply my effectiveness unmeasurably.

3. I will try to be honest in my prayers, because only then do they mean anything to me and, consequently, anything to God. If my mind is wandering, I'll tell Him so and ask His help.

4. I will pray about specific problems, because such prayers will mean more to me than overly-general prayers.

5. I will make a regular effort to know the Bible better, trying to see the great relevance of Christ's down-to-earth principles of life today.

6. I will try winning others to Christ, not only because it was Christ's command that I do so, but also because faith seems to grow when it is shared.

7. I will try to see the human equation in everything I do, realizing how individuals are effected by every decision I make, every letter I write, and by even the most casual encounter.

8. I will ask myself at the end of the day, as George MacDonald suggests, if I have that day done anything because God said 'Do it' or abstained from doing anything because He said 'Do not do it.'

9. I will try to have a partner in my spiritual program, because "comparing notes" with someone else can give a program "wings" and appreciably help both of us.

10. I will accept opportunities for service, as Albert Schweitzer suggests, with sober enthusiasm, remembering the many others, willing and able, who are not in a position to do the same.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

Easter was a very happy day for all of us and I trust that the joyful spirit of the Resurrection is continuing with us, enabling us to meet with faith and courage whatever problems our days bring forth.

All of the services of Easter were well attended. We thank all who so generously contributed toward the Easter Offering, which amounted to \$1,535.40. The Church School Offering also was a very good one; the largest we have ever had, amounting to \$823.30. The Mite Box Offering was \$210.60. The sum of \$612.70 is the Church School's offering toward Missions. It will be credited on our parish's quota. We are grateful to the teachers, scholars and all who helped to make this fine offering possible. The money was raised largely through the sale of Christmas cards, Easter eggs, cakes, and other salable articles, and by serving an oyster supper.

May we again express our sincere thanks to Mrs. Susan B. Clark and Miss Grace I. Ridings for the assistance given in presenting a course on "The Episcopal Church and Its Work." Their unfailing willingness to cooperate in this effort is very much appreciated.

To all of you who have been giving your services unselfishly in the many tasks that are a necessary part of church work we give our heartfelt thanks.

We are looking forward to our May Fete, which will be held on Saturday, May 26th, from 3:00 to 10:00 P. M. It will be our last big affair before the summer. We want this May Fete to be just as successful as past fetes have been and it is bound to be a success, if all of the members of our parish will co-operate with the General Committee to make it so. As usual, we shall need donations of salable articles and money and the help of many willing workers.

Also, as usual, the Dorcas Society will serve a delicious dinner (roast beef this time) from 5:00 to 7:00 P. M.

Make a note of this coming event on your calendar, now, while you are thinking about it.

Faithfully yours,
Thomas Parker,
Rector.

WOMAN'S AUXILIARY

The Woman's Auxiliary of the Memorial Church of St. Paul will hold its final meeting for the season on Monday evening, May 7th, at 8:15 P. M.

We have been inspired with the attendance, the interest, and the splendid cooperation of our members. There has been a keener awareness of the problems of our Church, the many fields of activities, and the help given by our Woman's Auxiliaries throughout our land.

All baptized women are members. Won't you exercise this right and join us in our meetings? Come to our last gathering and next season plan to make a habit of joining us the first Monday right of each month, beginning with October.

Much splendid work has been possible throughout our land and our foreign missions, as a result of the Woman's Auxiliary, but much remains to be accomplished. We have one of the most active groups in our Convocation. Let us aim for greater attainments and have the feeling of sharing in the women's work throughout our entire Church.

Susan B. Clark,
Secretary.

U. T. O. PRESENTATION

The Spring In-gathering of the United Thank Offering will be held in the Chapel of the Episcopal Academy, City Line and Berwick Road, Overbrook, May 21st, at 10:30 A. M. The Rev. Raymond J. Hammer on furlough from St. Saviour's Church, Tokyo, Japan, will be the speaker.

In order that our United Thank Offering may be presented at that time, we are asking all the women to bring their Thank Offerings on May 13th, and present them at the 11:00 A. M. service.

NURSERY

We would like to have a nursery in the parish house to enable the mothers to come to church. We are asking for volunteers to offer their services once a month until such time as we can work out a regular schedule. It is important for us to know how many mothers would bring their children and how many could volunteer to help in this service. Kindly let the Rector know how you feel about this plan.

Morning Prayer and Sermon the other Sundays at 10:00 A. M.

DORCAS SOCIETY

The Dorcas Society meets every Monday at 8:00 P. M. We are very glad to welcome to our meeting again our President, Mrs. Herbert S. Edkins, and we hope she will continue to grow stronger day by day. SUNDAY SERVICES

HOLY COMMUNION.....	8:00 A. M.
CHURCH SCHOOL.....	9:30 A. M.
MORNING PRAYER AND SERMON.....	11:00 A. M.

Dear Friends:

Vacations for 1956 are over for most of us. Ours was a very enjoyable one and we hope that yours was too. As a rule vacations are beneficial, enabling us to put aside our problems for a while and to relax. We return to our duties with new vigor and enthusiasm.

With church work, as with any business or enterprise of which we hope to make a success, it is necessary to plan ahead. There are many opportunities for us to make our religion a vital and witnessing one. We want to make the most of them.

To begin with, we are planning to make our Church School better than ever. We have young men and young women consecrated to their tasks who are teaching our boys and girls the Christian way of living. We are inviting them to share in the work of the Church. Their parents are urged to co-operate with us by attending a Parents' Class and by worshipping with their children in a Family Service on the second Sunday of each month.

Our hope is to make our Church more of a family church, with families worshipping and praying together. To quote a slogan that has been frequently used in recent months, "a family that prays together stays together." The best way to make home life truly Christian is to have a common interest. What more worthwhile interest could anyone have than a sincere interest in the spreading of Christ's Kingdom on earth? Some of us can teach, others can sing and still others can be leaders of groups. All of us can be faithful soldiers in the ranks, doing what our hands find to do, "doers of the Word and not hearers only."

We want our people to so love God that they will love one another and work together to make Him known to others. This is our plan. It will succeed, if you will do **your** part, putting your heart into it. May God inspire you to be zealous in His work!

Faithfully yours,

THOMAS PARKER,

Rector.

LOYALTY SUNDAY—1956

Last year on November 13th St. Paul's people were out in numbers to take part in Loyalty Sunday. We heard the Rector talk on stewardship. The theme was not new, but for some of us the standard was a challenge. We can call it Christian Giving.

Christian Giving consists of two things: giving sacrificially and giving regularly.

Once each year each one of us must decide how much of his income he intends to give to his Church. Since each person's income and responsibilities are so different, it is impossible to suggest a standard amount of money which each one of us is to give.

Sacrificial giving is essential to a full and complete relationship with God. Our Lord said, "Where your treasure is, there is your heart also." Have you ever stopped to think that probably one of the reasons that religion does not mean anything to many people is simply because it has never cost them anything.

Giving of this nature is something that cannot be done just once in a while. It is something that must be done continually and regularly. In that respect our relationship with God is like a marriage. If a man wants to have a successful and happy marriage relationship, he cannot be nice to his wife just once in a while. He must be thoughtful, considerate and loving all the time. So it is in our relationship with God, it is something we must cultivate all the time. Once that basic spiritual benefit is clearly understood, only the practical problem of the method of giving remains. Most people prefer to treat their giving as part of their Sunday worship.

Now, as the last quarter of 1956 rolls around, some of us have experienced the joy of Christian Giving. All of us will again be urged to take up the challenge on Loyalty Sunday, 1956. The date will be November 18th. The Rector wishes to address himself to every member of St. Paul's Church at the 11 A. M. service.

THE WOMAN'S AUXILIARY

Once again the Woman's Auxiliary begins a new season, new in our enthusiasm for the Church's work among its many far flung fields. We are proud of

our success in the past year but we do not wish to remain satisfied for there are many demands for the help, the interest, and the prayers of all of our women. Using the term "we" refers to every baptized woman of the Church, for all are members of that great body, "The Woman's Auxiliary" whether they attend or not. We hope you'll be increasingly active in our plans for the year ahead.

We meet the first Monday of every month. In that short hour and a half we have prayer, hear reports about the many projects scattered in the four corners of the globe, plan, and execute ways to help our fellow Episcopalians. We actually learn about the Church in action and the splendid part played by our women.

Will you be with us at our meetings and experience the same pleasure on learning about and helping our Church go forward in a troubled world where Christian help is so vitally needed.

And now as to some of our plans. On October 27th, there is a card party. It has always been a huge success. The money is used to help the Church's work in many ways, such as a fund for training Christian workers and the Church Periodical that distributes Bibles, Hymnals and Prayer Books to missions.

During the course of our year we plan to have:

1. In November, Mrs. Clark will show pictures on Scandinavia, Scotland, and England.

2. In December, Dr. Parker will speak on "The Organization and Operation of the Diocese." Dr. Parker has given this address at St. Giles. It is a most informative message about our Diocese. Don't miss the opportunity!

3. Col. Skillen has an extensive collection of his many travels. We hope to enjoy his views.

4. There will be reports on the Mobile Ministries.

5. Growth in Prayer is a vital topic.

6. We shall hear of the U. T. O. or giving its full name, The United Thank Offering in which Mrs. Melwig is so vitally interested.

We shall be so very glad to have you help us in our work for this parish, the diocese, and the Church at large.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

We are inviting you and urging you to be present at the service on Sunday, November 18th at 11:00 A. M. We call it Loyalty Sunday because it is a time when we especially desire all the parishioners who love Christ to be in His Church on His day to hear a report on the State of the Church. We believe the Church has a marked effect on the life of our city; that it has and ever will have a great influence on the lives of the people of our Parish. It is our purpose to have you share with us the joys of service and to take upon yourselves the responsibilities of membership of the Church of God.

You ask what are your responsibilities in the Church? The answers are as many as there are parishioners, and depend much upon your abilities, but there is one that is common to us all: that is, that we shall be in our places in Church every Sunday that we are physically able to be present. The joy we receive from worshipping God in His Holy Church, from partaking of the Blessed Sacrament, from singing the hymns of praise and from hearing His Holy Word makes us better citizens of the Kingdom of Heaven on earth. It makes us a more united Christian family when we think together, pray together and work together to learn how best we can carry on the work of Christ in our daily lives and make Him known to others. With the concerted effort of our entire parish our Church could become a beacon light to the world.

Let us all plan to be present on November 18th to "read, mark, learn" what is given for our guidance in the Holy Scriptures and go forth to do greater things for God.

Faithfully yours,

THOMAS PARKER,
Rector.

The Altar Guild was reorganized as follows:

Director—The Rector

Ass't Director—Mrs. Frank C. McCook

Secretary—Mrs. Herbert S. Edkins

Mrs. Arthur Jones will be in charge of the flowers for the Altar, beginning January 1st, 1957. Please make your arrangements through her.

The members of the Altar Guild are Mrs. Frank C. McCook, Mrs. Edgar B. Coleman, Mrs. Herbert S. Edkins, Mrs. William McGill, Miss Delores Ditty, Mrs. Robert R. Allen, Miss Alberta Brown, Miss Lavinia Beck, Mrs. Arthur Jones and Mrs. Anthony Roman.

WOMAN'S AUXILIARY

Many times we have presented to you the activities of the Woman's Auxiliary that take place in our own Church. This time we would like to extend the field to tell you some of the work within our entire Diocese. We hope to give you some idea of the scope, the aims, and the goals of the Woman's Auxiliary in our Diocese.

Let us consider their meetings for the month of November. The various departments hold their meetings in the Church House, 202 W. Rittenhouse Square.

Friday, Nov. 2nd—The Department of Diocesan Affairs

Wednesday, Nov. 7th—Prayer and Worship Committee

Thursday, Nov. 8th—The United Thank Offering Ingathering

Wednesday, Nov. 14th—Committee on Negro Work

The Evening Committee with the topic, "The Church of India"

Friday, Nov. 16th—Christian Social Relations

Wednesday, Nov. 28th—Indians Hope

November 2nd is also the annual World Community Day, when all of us may have a share in helping suffering mankind by bringing clean, usable clothing to our Church.

The U. T. O. (United Thank Offering) Ingathering is an inspiring service, held at Holy Trinity Church on the evening of November 8th, at 8:00 o'clock. Come and join the women as they offer thanks to God for our many blessings.

The Woman's Auxiliary is the Church's worldwide organization for women. As many women are employed in the business world, provision has been made to hold meetings both day and evening for the planning of their programs. This enables very woman to participate in the work.

Our leaders give their talents, energy, and time to make the work vital. Each year they prepare a little book called "The Prayer Calendar of the Diocese of Pennsylvania." It covers all the many areas of activity and every worker in the field is mentioned by name, regardless of how humble the task. How deep has been the concern of these women and how great the labor for they mention everyone by name serving in missions, hospitals, schools, colleges, Church training centers, our Seminaries, and others too numerous to name.

In this "Calendar of Prayer" we have the privilege of praying for our Rector and his work as Dean of our Convocation and his visiting chaplaincy to three hospitals. It brings us in close touch with all who serve and give their lives in proclaiming the Gospel in our Diocese. What a splendid opportunity to offer our prayer and intercessions for these dedicated ives.

We hope you will come to our meeting on November 5th. Know your Church in action. Then we shall follow this part of

the evening with slides of a European Trip. See the glaciers and fiords of Norway, lovely Sweden, and little Denmark. England and Scotland come in for their share of scenes, all in brilliant colors.

Dear Friends:

All about us there are scenes and sounds that make us aware that a special day is coming. Reminders of Christmas are everywhere—in store windows, in street decorations and in the busy rush of people going in and out of stores. Much of the activity is in preparation for the exchange of gifts on Christmas Day, a custom that gives much pleasure. But let us not be so absorbed in this way of celebrating the birth of the Christ-child that we forget the spiritual significance of His coming. Christmas is one of the five days of obligation, when all who are followers of Christ should worship Him in His Church. What better way can we celebrate His birthday than in kneeling before His Altar and receiving the Sacrament of His Supper? God gave His Son to the world. Let us give ourselves to Him and to His service in gratitude for His Great Gift.

The Christmas Eve Candlelight Service, December 24th, will start at 11:30 o'clock, with the singing of Christmas carols. The Lord's Supper will be celebrated at midnight. On Christmas Day there will again be a celebration of Holy Communion, at 10:00 A. M. This will give us all an opportunity to make our Christmas communion.

A Happy Christmas to you all!

Faithfully yours,

THOMAS PARKER,
Rector.

Dear Friends:

A Happy New Year to you all!
We are glad to be able to report that 1956 was a good year at St. Paul's, as far as finances are concerned, and we are very grateful for the response made to our appeals. Financial aid will, of course, continue to be needed to maintain and support the various activities of the Church. The most important function of our Church, however, is to teach the doctrines of Christ: to give to our people the spiritual food by which we may live day by day. It is in spiritual health that we are striving to grow in the grace of our Lord Jesus Christ.

It is very important, in the year that is before us, that we strive to make Christ known to others by our services and by our deeds. We must, if we are to aid in the spreading of Christ's Kingdom, see to it that everyone has an opportunity to learn about the saving grace of our Lord. But how can people learn, if there are not enough to teach? In an article in the Living Church, the Rev. William H. Baar, a Protestant Chaplain, said that a Roman Catholic Chaplain explained "that Roman Catholic personnel are much more faithful to the Church when they have the example of other Christians constantly before them."

I am sure that our people, too, would be more faithful to their Church, if they had the example of their fellow-Christians constantly before them. So, let us strive to keep our Christian way of life before men that they, too, will want to join the everincreasing number who are finding that they cannot live without the spiritual strength that comes from living close to God.

What can we do to make 1957 more profitable for the Church of God? We can start with ourselves, by attending His Church and participating in its services and activities and by helping others to know the joy that comes from fellowship with Jesus Christ.

With all good wishes, I am

Faithfully yours,

Thomas Parker, Rector.

ANNUAL REPORT OF THE DORCAS SOCIETY FOR THE YEAR OF 1956

The Dorcas Society is a small group of willing workers, always ready to assist and to raise money for the Church. During the early months of 1956 the work was ably carried on by our Vice-president, Mrs. Anna B. Vang. Mrs. Vang is also Chairman of our Miscellaneous Club, which is a tedious job, and we are grateful to her. It is with regret that we accept the resignation of Mrs. Harriett Skillen, who has been Secretary for 32 years. We miss her and hope that she will come to our meetings as soon as her health permits. It is with pleasure that we announce that Mrs. Florence McCann will be our Secretary. The other officers for this year are:

President—L. M. Edkins
Vice-president—Anna B. Vang
Treasurer—Anna R. Bernheimer

A saur kraut supper was held on Shrove Tuesday and dinners for the May Fete and Christmas Bazaar. Sales demonstrations were held in the Parish House and various articles sold. During the summer months we used Rainy Day Envelopes to help our Treasury.

The Dorcas Society was privileged to give the Church \$150 for Easter and \$200 for Christmas. We wish to thank everyone for helping us in our efforts.

Shut-in members were remembered with cards, flowers and gifts.

ANNUAL REPORT OF THE CHURCH SCHOOL FOR THE YEAR OF 1956

We, in the Church School, are most happy to report on our various activities for the year 1956.

At the beginning of the year, we had 100 pupils enrolled with an average attendance of from 75 to 80. We hope that in 1957 we will be able to add to our roll and we ask each one of you to be on the

lookout for boys and girls who do not go to any church school. For perfect attendance we gave out thirty-four awards in 1956, an increase of four over the previous year and we hope that this will be an incentive to other children to work towards perfect attendance.

A new venture for the church school last year was our family worship service held the 2nd Sunday of each month at 9:30 A. M. This is the service to which our parents and friends are invited to share with us our hour of worship. While it has been moderately successful, we feel there is room for improvement and we hope that more parents will come out to family worship service each month. At the December family worship service, the Primary Department put on a pageant, "The Birth of Christ," and the children did a fine job in presenting it. We wish more parents could have seen it.

We were sorry to lose Mr. and Mrs. John Lindsay as teachers in the Church School, and we wish them much happiness in their new home at Bethlehem, Pennsylvania. Both Mr. and Mrs. Lindsay did a fine job as teachers. We were also sorry to lose John, Billy and Dottie Lindsay as pupils. All three had perfect attendance records for many years. As new teachers, we welcome Miss Carol Sweeney in the Primary Department and Miss Hilda Bell in the Upper School.

There is an ever growing need for more teachers in the Church School. At present our classes are larger than they should be but without more teaching help our problem cannot be solved. To those who would like to teach we extend a most cordial invitation.

For our lesson material we continued using the Seabury Series in the Church School. In addition, we are using Christian Nurture series as well as Episcopal Fellowship series.

Social activities for the Church School included a Halloween party and, of course, our annual picnic.

We had many projects for raising money towards our missionary offering. These activities included a card party, an oyster supper and a cake sale; the sale of Christmas cards, Easter eggs, crosses, paper napkins and gift wrappings. From these many projects we raised a total of \$823.30. Our thanks to all who helped us during the year in our many activities for without their help and assistance we would not have been so successful.

We hope that the fine work of the Church School will continue in 1957 and that our Sunday School will continue to grow under Dr. Parker's guidance and with God's help.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

We are now in the Lenten Season. Many of us attend services regularly during this penitential season. We review our activities of the past months and find that we have neglected our spiritual obligations. We try to make amends for our neglect by starting anew on Ash Wednesday and by faithfully attending services during Lent. This is a time to take an active part in the work of the Church.

During these forty days we are reminded of our obligations to other peoples of the world. This year the Mite Box Offering of the Church School will go towards the work in Haiti. The pupils are being taught about the work that is being done there under the direction of the Rt. Rev. Charles A. Voegelé, S. T. D., Missionary Bishop of the District of Haiti. We are serving God when we give to the missionary work of His Church. We are missionaries, in a sense, when we aid in carrying the message of the Kingdom of God to another part of the world. A church that is missionary-minded is alive to its privilege of bringing Christ to people who have not heretofore known Him. It is our hope and prayer that we shall always think of and pray for others that they, too, may have the advantages we have of worshiping God in His Church.

Nor should we overlook the opportunities we have to do missionary work in our own Church, by inviting others to attend services with us. There are some without church ties. We can invite them to come. I am sure that we shall feel happier if we do and the persons we bring will feel benefited by having joined us in the worship of Almighty God.

Faithfully yours,

Thomas Parker,
Rector

CHRISTIAN FORGIVENESS

Every Wednesday evening during Lent we are going to study together the subject of Christian Forgiveness. We trust that you will want to learn what the church teaches about Forgiveness and that you will share with us your experiences. The Rector, with the assistance of Mrs. Susan B. Clark and Miss Grace I. Ridings, will lead and will endeavor to bring out some interesting points for discussion. There will be a coffee hour after each meeting. We look forward to fellowship with one another.

WOMAN'S AUXILIARY

We of the Woman's Auxiliary have just experienced a delightful meeting on Monday, March 4th. At that time we had the privilege of seeing Dr. Skillen's pictures and of hearing some of his most interesting experiences.

Our next meeting will be of an entirely different type. We are now in the period of Lent. At this time in the Christian year, we follow our usual custom of specializing on a Lenten topic. This time we are talking about prayer.

Miss Ridings will give some very pertinent ideas to help us. For prayer is talking to God. As we draw near to the sacrifice on the Cross what can be more timely than to give special thought to our relationship with our Lord and Savior.

Let us keep in mind the truth, "More things are wrought by prayer than man ever dreamed of".

May we add a few facts about prayer. There are many kinds of prayer. Here are a few examples—reflective prayer. This is spiritual exercise. Take a phrase from the Bible, a quotation from another source, a virtue, etc. Meditate, cogitate, think through the selection. It is most important we should give God the chance to know us and let us hear Him speak.

There is Contemplative Prayer—The more we gaze upon God the more we love Him and come to be like Him.

This is Affective Prayer—really loving God. Don't you want to hear more about prayer; for it is man's response to God's outpouring love.

There are just two more meetings for the remainder of our season. Join us for both of these sessions.

Susan B. Clark, Secretary

SUPPLY LINE TO GOD

The effectual fervent prayer of a righteous man availeth much.

We are about to enter Lent. May your Lent be above all a prayerful one. If throughout these forty days you pray as you have never prayed before, you will meet your risen Lord at Easter a stronger and more joyful Christian.

We could talk at great length about how to pray and what to pray. There is no space for that, so let us take one solid and helpful thought from Dom Augustine Morris' book *Straight Course to God*. He asks what would have happened to the allied armies in Normandy in 1944 if the Germans had succeeded in cutting their supply lines across the English Channel.

However bravely those armies had fought; the end would have been inevitable: bereft of aid from the homeland, they would have been annihilated for lack of munitions and supplies. Now, prayer is the supply line which links us to our spiritual homeland, God; it must be maintained at all costs. Sometimes when we see no result to our prayers we grow disheartened and are apt to think them useless. It will be well then to bear in mind that the landing of supplies is not immediately followed by inevitable victory; there is hard fighting to be done. Yet the maintenance of the supply line is the indispensable condition necessary before victory can be won.

Keep your supply line open to God!

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

Our thoughts are sober ones during Lent and they are especially so when we relive the last days of Jesus before His crucifixion. Each day during Holy Week we are reminded of the events which led to the Cross. Because He suffered, we sorrow in remembrance.

How different it is on Easter day! Surrounded by the beautiful flowers of His creation, we sing the age-old hymns of joy and gladness and there comes over us a spirit of exaltation and we know that our Redeemer liveth.

In the budding of trees and the blossoming of early flowers, we see the hand of God. Our faith is made strong and we know that He who is responsible for these miracles of nature is indeed the one true God.

We feel that we should be better witnesses for Him and ought to bring others into this happy estate. Some of us just think about it; others put their thoughts into action and do the work of dedicated servants of God.

It is my prayer that we all strive ever to show forth the teachings of Christ in our lives. Then, indeed, shall we have a Happy Easter.

Faithfully yours,

Thomas Parker,
Rector.

The Rector will be happy to take Easter Communion to the sick or shut-in of the Parish, if you will speak to him about it.

THE WOMAN'S AUXILIARY

The Woman's Auxiliary of our Church invites you to our last meeting on Tuesday, May 7th. If you will keep in mind all baptized women are members, an invitation is not really necessary. However, we do hope those of you who do not exercise your membership privilege will do so on May 7th.

We would like to give you a short history of the Woman's Auxiliary. The first Auxiliary is as old as our faith. It was described by St. Luke. He tells us how Mary Magdalene, Joanna, Susanna, and many others ministered unto Jesus and His disciples for they had given up all gainful work to devote themselves to Christ. These women looked after the food and lodging, did work of charity, and raised money from faithful people which they gave to Judas to hold as their treasurer. They took this way to help preach the Gospel to the world.

Our modern version of the Woman's Auxiliary was organized in 1872 so that every woman would assume her responsibility in the mission of the Church.

Do plan to be with us at our May meeting and feel you are an interested part of our great army of the women of the Church.

On May 12th the women of our parish will worship together at the service of Holy Communion at 8 A. M., followed by breakfast in the parish house. Let us all join in this great privilege for it is a rewarding spiritual experience.

MAY FESTIVAL

The annual May Festival will be held in the Parish House on Saturday, May 18th, from 2:00 to 10:00 P. M. Dinner will be served from 5:00 to 7:15 P. M. Please reserve this date. We enjoy the fellowship with you and need your support.

THE DIOCESAN CONVENTION

The Most Rev. and Rt. Hon. Geoffrey Francis Fisher, D. D. Ll D., Archbishop of Canterbury and Primate of all England, will be the speaker at the opening service of the Diocesan Convention Monday, May 6th, in the Church of the Holy Trinity, 19th and Walnut Streets, at 8:00 P. M. Reserved seats will be honored until 7:40 P. M., after which the public will be admitted.

THANK YOU

We are grateful to the Bernheimer family for their gift to the Church of an automatic coffee maker. It was used for the first time for the Men's Oyster Supper. Thank you all for your thoughtfulness and generosity.

DIOCESAN FUND DRIVE

The Diocesan Fund Drive for new work in our Diocese is coming along very nicely in our Parish. Those of you who are sharing in this Adventure in Faith have given \$348.00. Please bring your envelopes for the drive in regularly. We wish more of our members would share in this undertaking. It is a way in which we can help spread the "Good News" in our own Diocese. The opportunity is ours now; take advantage of it and be a part of the large number of Communicants who want to make Christ known to as many people as possible. Our share is \$1,000.00 a year for three years.

A NEW FENCE

The old wooden fence was torn down and we are having erected a new Cyclone Fence. We think it will be a fine addition to our property. From time to time and little by little we have made the necessary repairs and improvements to our property. The vestry is alert to our needs and are seeing that the needs are taken care of wherever possible.

MEN'S SUPPER

The Men recently served a very delicious oyster supper and are grateful to the many who supported them. They wish to thank all who helped and a special "thanks" to the women who prepared the potato salad for them.

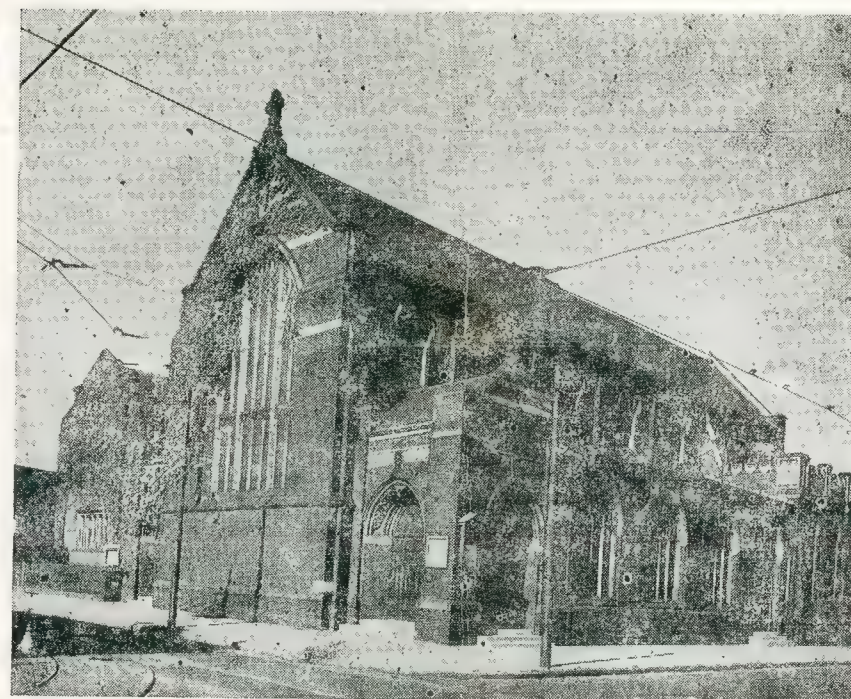

THE CHURCH SCHOOL

The Church School teachers wish to thank you for your assistance in the selling of Easter eggs for the missionary quota of the Church. Some of our members have taken box after box to their places of business to sell for us. We appreciate your interest in our project and we know that you rejoice with us in the profits that come through your efforts. Without your help success would not be possible.

MEMBERSHIP GAINS

"A record for membership gains in the Church was established in 1956, according to the latest edition of the Episcopal Church Annual, published by Morehouse-Gorham. The Annual numbers Episcopalians at 3,114,623, an increase of 3.35 per cent over the 1955 figure. The largest parish in the Church is still St. Philip's in New York City, though the greatest membership growth was in South Florida."

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

We are accustomed to looking back over the past few months to appraise the work that we have done. Our activities have been successful and we are desirous of making them even more so in the months ahead. We had a good start with our discussion group, under the able leadership of Mrs. Susan B. Clark and Miss Grace I. Ridings. Our hope and prayer is that the lessons we learned may be effectually put into practice in our daily living. The measure of success, if we can measure the value of our religion, is noted in the things we do to help our fellowmen. I am gratified to learn from time to time of the thoughtful things you do for one another. It is these things, done without fanfare or thought of receiving praise or credit for them, that help to spread the Gospel of Jesus Christ among men.

We are now looking forward to our May Fete, which will be held on May 18th, from 3:00 to 10:00 P. M. The proceeds from this annual affair, and those of other activities, help to pay for much-needed repairs on church and parish house. We trust that you will co-operate with the General Committee, by donations and patronage, to make the May Fete a great success.

Faithfully yours,

Thomas Parker,
Rector.

THANK YOU

Miss Kathryn Matchett, in carrying out the wish of her aunt, the late Miss Laura Henzler, has given the Memorial Church of St. Paul a gift of \$1000.00 as a memorial. The Rector and Mrs. Parker received a gift from Miss Matchett in like amount, in the name of Miss Henzler. The Vestry and the Rector and his wife are grateful for this thoughtfulness.

Miss Susan Brice willed the Church \$500.00. We are grateful to Miss Brice, too, for her generosity. These gifts will be added to our church's endowment fund.

THE WOMAN'S AUXILIARY

Once again we, the members of the Woman's Auxiliary of the Memorial Church of St. Paul, invite you to our meetings. When we say we, that means you, for you have heard us say before, every baptized woman becomes a member automatically.

It is a happy fellowship the women of the Church enjoy, and have done, since 1872, in the Church at large.

The National Auxiliary has suggested the following topics—Japan; Christian Living; Christ, the Church and Race, and Unity We Seek. We shall not discuss all of these. However, we are aware these significant subjects concern every one of us. Somewhere in our Church, one of these points will be discussed so that all will be covered in the Auxiliary at large. Why don't you come and hear those topics which will be considered in our Auxiliary and hear what the Church's stand is on these matters and our role as Christians.

We gather together at 8:15 P.M. on the first Monday of each month. Our meetings open with prayer. After the usual business is cleared, our President, Miss Ridings, brings before us special information on one of these projects. As we become informed, we realize the vital part our Church and especially we women, play in Our World, and its relationships and responsibilities; we are eager to be interested members of our Auxiliary.

The Church's projects as a whole must be aided and this we do in five ways, by sending our quota to these committees—Diocesan, Christian Social Relations, Indians Hope, Negro, and Overseas.

Let us consider one phase of this work. Will Japan go Communistic?

What is our Church doing to stem the tide? The Japanese Anglican Church is an independent body struggling for survival. Are we helping, or indifferent to Christ's call for one of His children?

Now we do need some help to carry out these plans. You can do so by making our Annual Card Party on November 15 a success. Will you buy tickets, give a prize, or give of your time? In any field you can help us, we'll be so happy to have you.

Make our new season one in which you will make the resolution to be an active member of the Woman's Auxiliary of St. Paul's Church.

SUSAN B. CLARK, Secretary.

SUNDAY SERVICES

HOLY COMMUNION	8:00 A.M.
CHURCH SCHOOL	9:30 A.M.
MORNING PRAYER AND SERMON	11:00 A.M.

Dear Friends:

I wonder what your plans are now that we are together again after vacation months.

Have you thought of something new to do to make the work of our Church more effective? I know that many of you are glad to get back "home" to worship in your own church, to sing the familiar hymns and to see friends again. Some of you like to share your experiences with others and to tell about the beauties of nature that you saw and about the interesting people that you met. Others will tell how good the fishing and bathing were. Whatever your interests and activities were, we hope that they were pleasant ones.

And now that summer is over we trust that you are planning for the Church year. Have you a purpose? Is it to try to bring others into the Christian fellowship? Have you made up your mind to be more useful in the cause of Christianity? I hope that all of you have thought along this line and that some of you have thought to yourselves, I have not been doing my share. I have permitted a few to carry the burden of the work. I am not going to wait to be asked to help in this most important of all work, I am going to offer my services to God and His Church. If we do this, we shall be witnessing for Christ in a vital way.

There are many important events in church life from time to time. The best way to be informed about them is to subscribe to the Church News. Our Diocesan magazine should be read in every home, if we are to be familiar with the activities of the Episcopal Church in the Diocese of Pennsylvania. Let us begin with the October issue and become regular readers of the "News."

Faithfully yours,
THOMAS PARKER

THE CHURCH SCHOOL

The Church School opened for the session 1957-1958 on Sunday, September 22nd. There was a fair attendance. We look forward to a successful year.

Each year, however, we begin with some children missing because they have moved from the neighborhood, or out of the city. We are sorry to have them go. Each year, also, we add new pupils to our classes and we are happy to welcome them in the fellowship of our Church School.

We are sorry that Mrs. Elmer Goebel, Miss Elaine Goebel and Mrs. Harry F. Zimmerman will no longer be with us as teachers. We regret very much to have these faithful teachers resign from our staff. On the other hand, we welcome to our Church School Mrs. Robert Pitts and Miss Katharine H. Jillard as new members of our teaching staff. We trust that they will experience real joy in spreading the Gospel of Christ as they teach the children under their care.

Will you kindly help us to build the Kingdom of God by bringing or sending children to our Church School?

FAMILY SERVICE

On October 13th, at 9:30 A. M., there will be held a family service, at which time the children who have attended the Church School session of 1956-57 and have not missed a Sunday will be awarded their gold pins, bars, etc. You are cordially invited to attend this service.

DR. WILEY

We wish to thank the Rev. Dr. Ronald A. Wiley for his services during August, while the Rector was on his vacation. It is good to know that our Parish is so well taken care of by Dr. Wiley during our absence. Besides the services on Sunday, Dr. Wiley visited the sick and ministered to our people in sorrow. We want him to know of our deep appreciation.

ALL SAINTS' DAY

Friday, November 1st, being All Saints'

Day there will be a celebration of Holy Communion at 10 A.M. At this service the names of those who passed on to their reward during the past year will be read and also the names of those who have been memorialized. Kindly have your All Saints' Day Memorial Envelopes in before November 1st, so that the names may be read on that date and on Sunday, November 3rd.

NEEDLEWORK GUILD

We are very sorry that Mrs. Olive P. Doughty has found it impossible to continue as Parish Chairman of the Needlework Guild. Mrs. Doughty has been chairman for many years and has done splendid service in collecting donations of money and garments for this worthy cause.

We are fortunate in having as Mrs. Doughty's successor Mrs. Susan B. Clark, who is ever willing to give of her time and energy to work for the Church. We trust that under Mrs. Clark's leadership the Needlework Guild will continue to do effective work through our Parish.

MEN'S OYSTER SUPPER

The Men of St. Paul's are having an Oyster Supper on Saturday, October 19th, from 5:00 to 7:30 P.M. The proceeds will be used to refurnish the Vestry Room and, if enough funds are available, to get new electric fixtures for the room. The men are asking for your co-operation in this project. Let us all come and make it a success.

BISHOP HART'S ANNIVERSARY

Bishop and Mrs. Hart will be honored at a Diocesan Tea Sunday, October 20, at 4 P.M. at the Conference Center, Radnor, on the occasion of their Fifteenth Anniversary in the Diocese of Pennsylvania. All the members of the Diocese are invited to be present and to share in this tribute to our Bishop and Mrs. Hart.

CONFIRMATION

The Rt. Rev. J. Gillespie Armstrong, D.D., Suffragan Bishop of the Diocese, will visit us to administer the rite of Confirmation on Sexagesima Sunday, February 9th, 1958, at 11:00 A.M. The Rector is desirous of forming a class for instruction as soon as possible. Those of you who are thinking of being confirmed kindly get in touch with him.

SUNDAY SERVICES

HOLY COMMUNION	8:00 A. M.
CHURCH SCHOOL	9:30 A. M.
MORNING PRAYER AND SERMON	11:00 A. M.

Dear Friends:

We look forward to the Day of Thanksgiving during the month of November, not merely because we are going to have the traditional Thanksgiving dinner of roast turkey with all the trimmings, but also because we, as a nation that was constituted under the guiding spirit of God, are grateful and we give thanks to Almighty God for the many blessings that we have received from Him. We pray, too, that many other nations may thank Him for their blessings. It is a wonderful feeling to know that we can worship God as free men and women in a land that, under good leadership, we can fearlessly proclaim our trust in God. Let us not fail to return thanks for all that we have received from Him in whom we put our trust.

Again, November is a month in which we show our loyalty to the Church of God. It is a time when we put all things aside to attend services and worship as members of the family of God. We come to hear what progress has been made in the Church's work. We learn, too, where we have failed in our responsibility to share the Gospel with our families, friends and neighbors. It is a special time when we search our hearts and consciences to see if we have given our rightful share to help in making our community a God-fearing one; to see how we may do even better than we thought it possible for us to do with our limited talents; to heed the call of Jesus saying, "Follow me" and for us to answer "Here am I, use me."

May this November prove to us all a fitting time to prepare for the joy of celebrating the birth of our Lord on Christmas Day.

Faithfully yours,
THOMAS PARKER.

Those receiving the Second Year Wreath were Richard Beltran, Daniel Bernheimer, Jean Pitts, Robert Pitts, Brian Roman and Earl Wallace. Those receiving the Third Year Bar were Carol Denise, Dennis Lane, William Mitchell, James Wallace, Margaret Wallace and William Wallace. The Fourth Year Bar was awarded to the following, who have not missed a Church School session in four years: George Bernheimer, John Brooks, Martha Keating, Katherine H. Jillard, Kathryn Mitchell, Regina Mitchell, Richard H. Mohn, John T. Scorr, Louise Scorr, Ruth Scorr, Sarah Scorr, Audrey Tucker, Allen Tucker, Charles Tucker, George Tucker, Harold Vang and Harry Vang.

The following were promoted from the Intermediate School to the Main School: Thomas Biddle, Felice Esposito, William Everitts, Martha Keating, Regina Mitchell, James Wallace, Margaret Wallace and Charles Tucker.

THE WOMAN'S AUXILIARY

Since you have last heard from the Woman's Auxiliary, the world has been stirred by the advent of Sputnik. Its consequences may be far reaching. Man is ever seeking the unknown. The following quotation about the satellite seemed most appropriate:

"Twinkle, twinkle, little Star
Have the Russians won so soon?
High above our time and space,
God still rules the human race."

As our Maker has given us increasing knowledge, so we must be alive to the needs in the Church and our part in fulfilling these wants. When we make God the center of our lives, there is peace and joy.

Our Creator intended us to give to others as he has given to us. This we cannot do, until we give of ourselves, our time, and our interest. The women have their own special way of serving through the Woman's Auxiliary. Missionaries in far flung places can be encouraged by your prayers, or they can feel your indifference. Projects at home

need our attention as the new communities without Churches, the Indians suddenly migrating to city life, and countless others. They touch our daily living, for we cannot see a thriving settlement lost to our Church because of our indifference. Will an Indian accustomed to rural life find a true adjustment in our cities or will he prove a social problem because our funds are limited and the Church cannot administer to these people as it wishes to do so?

In our October meeting we learned about our Church's work in Alaska. All during October our prayers were for our brothers in Christ in the far North.

One night each month will help you to be aware of your responsibility as a Christian, an Episcopalian, and a member of our hard working St. Paul's parish.

We are hoping for your help and cooperation for our Card Party on November 21st. With these funds we can make our contributions to the Church's many activities before the Christmas holidays. We need each woman in our parish to do her share that will enable us to be truly Christian in our giving at the great gift of Our Savior's Birth.

DORCAS SOCIETY

The Dorcas Society meets every Monday in the Parish House, at 8 o'clock. On the first Monday we combine with Woman's Auxiliary.

We would be pleased to have more of the women of the church join us. We have two new members since opening this fall.

We are really aides to our Rector, helping him whenever he calls upon us. Our next event will be preparing the Turkey Dinner, which will be served in connection with the bazaar on Saturday, December 7th.

SUNDAY SERVICES

HOLY COMMUNION 8:00 A. M.
CHURCH SCHOOL 9:30 A. M.
MORNING PRAYER AND SERMON 11:00 A. M.

Dear Friends:

We have been given the impression, during recent years, that Christmas is before Thanksgiving. Early in the fall, sometimes even in the summer, stores display Christmas cards and gifts. For some time the streets have been festooned for the holidays and the sound of carols has reached our ears, making us aware of the approaching Christmas-tide.

The glittering tinsel and fancy decorations have a tendency to take away the real meaning of Christmas. It should be a joyous day for Christian people throughout the world because we celebrate the birth of Jesus, the Son of God. "Everywhere, Everywhere, Christmas Tonight" is the title of a hymn that is sung year after year. It is Christmas for Christians because we think of it, not in a wordly way, but in a spiritual way, acknowledging to the world that nearly 2000 years ago unto us a Child was born, unto us a Saviour was given.

The traditional Christmas Eve Candlelight Service, Tuesday, December 24, will start at 11:30 o'clock, with the singing of Christmas carols. The Lord's Supper will be celebrated at midnight. The service on Christmas Day will be a celebration of Holy Communion at 10:00 A. M.

Let us observe the anniversary of the birth of the Christ Child by attending a communion service at this time.

A happy and blessed Christmas to you all!

Faithfully yours,
Rector

CONFIRMATION

The Rector is now holding confirmation classes on Fridays at 4:00 P. M., for children, and at 8:00 P. M. for adults. If you are thinking of confirmation, kindly come to one of these classes. The Rt. Rev. J. Gillespie Armstrong, S.T.D., Suffragan Bishop of the Diocese, will visit us to administer the rite of confirmation on Sexagesima Sunday, February 9th, 1958, at 11:00 A. M.

CHRISTMAS FLOWERS

The Altar Guild will appreciate it if you will send your Christmas plants to the church on Tuesday, December 24th, before 12 noon, so that the altar may be attractively decorated for the Christmas Services. There will be an offertory basin on the table in the rear of the church for your contributions toward the Christmas flowers.

PRIVATE COMMUNION

The Rector desires to take Christmas Communion to the sick and shut-in of the parish. Will you kindly give him the names of those who wish Christmas Communion?

ALL SAINTS' ENDOWMENT FUND

The All Saints' Endowment Fund is growing and on November 1st we added \$565.00 to our general fund, which now totals \$7,987.40.

Again we wish to thank Mr. Harry E. Krauss for his fine work in inscribing the names of those memorialized in our Book of Remembrance.

1958 ENVELOPES

The 1958 Envelopes will be ready for distribution at the Christmas Services. We will appreciate it if you will take your's home with you. If by chance your's is not there, kindly let us know and we will see that you will receive your box of envelopes.

LOYALTY SUNDAY

Loyalty Sunday has become a service of annual rededication for the people of St. Paul's. On November 17th the congregation gathered at the 11 A. M.

service to hear the Rector report on the Church's work. Dr. Parker told of the number of pastoral acts done by him during the year. In this way Christ's Church was carried into homes and hospitals.

The topic of the sermon was responsibilities. In our lives this can be expressed in terms of Christian stewardship. Pledges to supply the needs of the Parish and Missions were received. The pledges show more and more members are aware that a living church must be supported by sacrificial giving.

The committee which called the members together for this service de-

serve your thanks. Their work together with your response made the gathering an inspiring event.

The members of the committee are going to try to solve some problems which face St. Paul's. These situations are common to most city churches in a changing community. We hope to attack some of the problems in the new year. From time to time we will report to you on our work.

SUNDAY SERVICES

HOLY COMMUNION	8:00 A.M.
CHURCH SCHOOL	9:30 A.M.
MORNING PRAYER AND SERMON	11:00 A.M.

Dear Friends:

If I were to ask each one of you what you have planned to do for Christ and His Church the coming year some of you would say, without a moment's hesitation, I am going to pray that our Church may be a greater influence for good in this community. Others might frankly confess that they had not given the matter a thought.

Well, I would like all of you not only to think about and pray for your Church, but to do something for it. When was the last time you took part in the work of the Church? Some will say that I once sang in the choir; others, I taught Sunday School years ago; others, I once served as a vestryman. All this was in the past. The present is here and the future before us. What are you going to do for the Kingdom of God now? If ever there was a time that your services were needed, it is now. Do you not wish to give the boys and girls of today the opportunities to know Christ that you have had? Is it not worth your while to train youth in the way to live? Think this over and you will, if you are conscientious, give an answer in the affirmative.

Let us plan great things for our Church and let each one of us give of the best we have that we may be lights to brighten the lives of others. If we all do this the tasks ahead will be accomplished in the true spirit of those who serve.

May you have a Blessed and Happy New Year.

Faithfully yours,

THOMAS PARKER,
Rector.

1958, our pupils will work harder towards getting their parents out to this service which is held at 9:30 a.m. on the second Sunday of every month. This service is open to all church members.

We want to thank all who worked with us on our many projects during 1957. We are sure we could not have accomplished so much had it not been for the fine cooperation we received from everyone. We hope that we can count on this fine assistance in helping 1958 to be a good year.—

MARGARET L. WALTERS,
Secretary.

REPORT OF THE CHOIR YEAR OF 1957

During this year, the choir has remained much the same as it has been for a few years. Our Sunday rehearsals have made it possible for the choir to get much needed time in on our anthems. I feel that they have benefited the choir greatly. I would like to thank the members for giving of their time. We hope that our Christmas and Easter music this past year was a truly inspirational part of the services and that it was enjoyed as much as we enjoyed giving it.

This year we have had three new members join us. Two are sopranos and one is an alto. On behalf of the choir, I would like to welcome them. I would also like at this time to extend a welcome to anyone else in the congregation who likes to sing to join us in time for the Easter music.

All in all, 1957 has been a good year for the choir and I hope that 1958 will be as rewarding.

LOUIS SWEENEY,
Organist and Choir Master.

WOMAN'S AUXILIARY OF THE MEMORIAL CHURCH OF ST. PAUL REPORT FOR THE YEAR OF 1957

The Woman's Auxiliary wish to express thanks for the many helpers of the past year. We have had an increasing number of interested faithful members who have been with us on the first Monday evenings of each month. Friendly faces join in our sessions of prayer, information concerning our Church at large and our part in this work, plus a coffee hour at the close.

Our President, Miss Ridings, is always alert to bring us the news of the Parish, the Diocese, and the National Church. We look forward to the leadership and inspiration that she gives us and have a feeling of oneness in our St. Paul's Church family.

In the past year, we feel our work

has been a success. As usual we have been able to meet our obligations to the work of the Church as a whole and to many other projects such as gifts at Christmas to the Philadelphia General Hospital and to the Chinese Christian Church. The City Mission received several contributions to its funds.

We are advancing into a New Year. Our program is laid out for us by the Woman's Auxiliary as a whole. We are asked to emphasize the Church in Japan and our missions in our own West.

Do you know that Japan has an independent branch of the Anglican Communion? It is struggling for existence amid many odds. Our Church has a famous school, St. Paul's in Tokio. There are nine thousand students in all of the grades. Four per cent of these young people are Christians when they enter college and about forty per cent are nominal Christians upon graduation. How nominal depends on us. Do we support the missionary effort in a country receptive to new ideas, especially Christianity? The road is not easy. Less than one per cent of the total population of Japan is Christian. What an opportunity!

This then is one problem we face. Can we as members of the Woman's Auxiliary of St. Paul's Church become interested and do our part in meeting the Church's quota for missions? We can't afford not to be informed. If you watched the Church's television program, "Mission in Mid Century," over Channel Three on Sunday mornings from 8:30 to 9:00 a.m., you have a clear picture of the work done in many fields by the Woman's Auxiliary.

There was one film on Japan. It portrayed the struggle between our Church and Communism. The Spirit of Christ prevailed, but this was one small section in a densely populated land.

Our plans for 1958 then are for increased prayer and intercession and to be more informed concerning the Church's program in spreading God's word. You can make these aims ever larger and more effective by your prayers, your attendance and your united effort.

SUSAN B. CLARK,
Secretary.

ALL SAINTS' DAY ENDOWMENT FUND

We are happy to report that the All Saints' Day Endowment Fund is now \$8,800.00. This sum has been accumulated by your memorial gifts on All Saints' Day and a gift of \$1000.00 from the late Miss Laura Henzler.

MINUTES OF THE ANNUAL PARISH MEETING OF THE MEMORIAL CHURCH OF ST. PAUL JANUARY 25, 1953

The Annual Meeting of the Memorial Church of St. Paul was held in the Parish House on Saturday, January 25, 1958, the date being the Feast of the Conversion of St. Paul. At 6:00 p.m. 55 members of the Church assembled for a dinner prepared and served by the Dorcas Society.

Following the dinner the meeting was called to order at 7:00 p.m. by the Rector, Dr. Thomas Parker. The meeting was opened with prayers for the Parish.

The minutes of the last Parish Meeting, being the Annual Meeting held on January 25, 1957, were read and approved.

Dr. Parker stated that four vestrymen would be elected to serve a term of three years. Candidates were declared to be:

Frank C. McCook,
124 Drexel Court, Drexel Hill, Pa.
Edgar B. Coleman,
2839 S. Sydenham Street, Philadelphia, Pa.
William McGill,
2625 S. Carlisle Street, Philadelphia, Pa.
Henry Bernheimer, Jr.,
2811 S. 16th Street, Philadelphia, Pa.

No other nominations were received by any officer of the Church. Mr. Charles Dooley and Miss Kathryn E. Warden were appointed to serve as tellers of the election and the ballot box was declared open.

The Annual Report of the Accounting Warden was read by Mr. Edgar B. Coleman and the Report was received as read with the Rector expressing the thanks of the Meeting for the Warden's work during the year. A Report by the Rector on the All Saints' Day Endowment Fund showed the growth of this fund in 1957. These Reports were directed to be published in "The Chronicle."

Reports of Parish Organizations were presented as follows:

Dorcas Society by Mrs. Florence McCann

Church School:

General Report and Financial Report by Mrs. Roy T. Walters
Choir by Mr. Louis Sweeney

Woman's Auxiliary

General Report by Mrs. Susan B. Clark

Treasurer's Report by Mrs. Arthur Jones

United Thank Offering Report by Mrs. G. S. Melwig

Altar Guild by Rev. Dr. Thomas Parker

Mr. Frank C. McCook, Rector's Warden, spoke of the general satisfaction with the financial condition of the Parish which, he said, was largely due to the very able leadership of the Rector.

Mr. D. C. Montgomery expressed his thanks to the Every Member Canvass Committee for their work in securing a large congregation for Loyalty Sunday. Pledges secured on this day showed a substantial increase. The Rector noted the spirit with which the members were meeting the financial needs of the Church and that reports from Parish organizations were very encouraging. The number of parishioners in good standing was noted as 423. The formation of a Steering Committee, composed of members from each of the Parish organizations, was noted for future organization.

The ballot box was declared closed and tellers reported the results of the election of vestrymen to be in favor of:

Frank C. McCook
Edgar B. Coleman
William McGill
Henry Bernheimer, Jr.

each of whom received 45 votes.

A motion of thanks was extended to the women of the Dorcas Society for their work in preparation of the excellent dinner.

The meeting adjourned at 9:00 p.m.
D. CORTLANDT MONTGOMERY,
Secretary of the Meeting.

ANNUAL REPORT OF THE DORCAS SOCIETY FOR THE YEAR OF 1957

The Dorcas Society had a busy year under the leadership of Mrs. Herbert Edkins, our President. We have 18 active members, all of whom worked hard. Our offering to the church to meet general expenses was \$400.00 and for improvements to the vestry room \$76.35. Additions to the kitchen included 9 open vegetable dishes, 12 dozen spoons, and several rolls of white plastic to be made

into table covers.

The money for the contributions was raised by engaging in a number of activities including the catering of two wedding suppers, card parties, product demonstrations and the sale of cards and candy. Money also was raised through the blanket club. This activity was taken care of by Mrs. Harold Vang, to whom we owe a great deal of thanks.

The Dorcas Society also had several social activities such as a trip to Wildwood, N. J. and our annual Christmas party.

Our meetings are held in the Parish House each Monday evening at 8 o'clock. We are always glad to welcome new members.

Mrs. Bernheimer, our treasurer, reported disbursements for the year 1957 as \$525.04 and a balance on hand December 31, 1957 of \$668.25.

FLORENCE MCCANN,
Secretary.

ANNUAL REPORT OF THE CHURCH SCHOOL FOR THE YEAR OF 1957

Once again, it is time to report on the activities of our Church School. Our Church School totals 94 with an average attendance of 70. We are very proud of the 33 pupils who earned perfect attendance awards.

We were sorry to lose several of our teachers — Mrs. E. Goebel, Miss Bell, Miss Ditty, Mrs. Allen, Miss Beck and assistant teacher, Miss Elaine Goebel. We welcomed to our teaching staff Mrs. Jeanne Pitts and Mrs. D. Kitchner as teachers in the Intermediate grades and Miss Kathy Jillard as an assistant in the Primary Department. We are currently studying the Episcopal Fellowship series lessons. There is, of course, a need for additional teachers and we hope that several of our young women and young men will offer their services. We are sure that they will find it a most rewarding experience.

While our Church School is small, our pupils and teachers worked very hard toward our missionary offering of \$655.05. This money was raised by a card party, selling Christmas cards, an oyster supper, a cake sale and selling Easter eggs. We also sponsored a trip to New York.

We continued our Family Worship Service which is held the second Sunday of each month. We feel that this service has not been attended as well as it could have been. We hope that in

Good Friday

HOLY COMMUNION	8:00 A. M.
CHURCH SCHOOL	9:30 A. M.
MORNING PRAYER AND SERMON	11:00 A. M.

Dear Friends:

We are in the penitential season of Lent and are going to study together a book written by the Archbishop of Quebec entitled 'Our Lord and Saviour.' Mrs. Susan B. Clark and Miss Grace I. Ridings will assist in the presentation of this subject. We trust that you will attend these meetings and enter into the discussions with us. We feel sure that when we study the topics together we will learn much that is interesting and helpful and that Easter will have a deeper meaning for us because we have lived closer to Him during these days.

We shall realize how His disciples loved and followed Him; and how the Pharisees, Sadducees and others opposed His mission and refused to accept Him.

We shall see Jesus step by step and day by day as He went up to Jerusalem to suffer death on the cross for our sins. We shall rejoice with Him on Easter as He rises from the dead and later ascends into Heaven, there to be with His Father and to welcome us to His home prepared by Him for those who love Him.

May we attend services on Easter Day with a faith made stronger through our study of His life and times.

Happy Easter to you all.

Faithfully yours,

THOMAS PARKER,
Rector.

LENT: A TIME OF TRAINING

by the Rt. Rev. Oliver J. Hart, D.D.

This Lent offers you a time to train yourselves to take a better part in corporate worship.

Put aside your plans and interests. Give the time completely to God. Put what you can into every part of the service in which you are privileged to share.

Sing the hymns, make the responses, say the Amens and say them audibly, follow the service with all your heart.

Learn to worship intelligently and God will use your parish to bless mankind.

Where you find vital services of corporate worship, you will find congregations interested in Missions, active in evangelism and possessing a deepening sense of fellowship.

May this be for all a positive Lent.

SUNDAY SERVICES

HOLY COMMUNION	8:00 A.M.
CHURCH SCHOOL	9:30 A.M.
MORNING PRAYER AND SERMON	11:00 A.M.

Dear Friends:

We were pleased with the attendance on Easter Sunday. The rain did not prevent those who wished to worship God on the commemoration of the Resurrection of His Son, Jesus Christ.

We wish to take this opportunity to again thank Mrs. Susan B. Clark and Miss Grace I. Ridings for their splendid leadership in presenting the chapters in Archbishop Carrington's book, "Our Lord and Saviour," on the Wednesday evenings during Lent.

It was very gratifying to have the congregation respond so generously to our appeal for our Easter Offering. So far we have received \$1,364.74. We are truly thankful to all of you who made this possible.

With all good wishes for your continued co-operation, I am

Faithfully yours,

THOMAS PARKER.

20th ANNIVERSARY

On May 15, 1938, a young Rector and his wife came to serve the people of the Memorial Church of St. Paul. Twenty years have gone by since that day when the Rev. Dr. and Mrs. Thomas Parker came into the lives of our Church. In that time we have had a spiritual leader and a friend.

Many changes have taken place, presenting difficult problems for an urban church. Each situation has been met, and today our parish stands as an active, self-supporting Episcopal Church in South Philadelphia, due, and we say this proudly, to the faithful, vigilant service of our Rector.

We have a church whose physical facilities compare favorably with those of some of our more affluent parishes. Our missionary quota is met each year. What a splendid amount, close to two thousand dollars, has been given for the Diocesan Fund!

We have been able to accomplish these goals because we have had the constant guidance and ever present encouragement of our Rector, who has given us living testimony to God's saving word. Not only do we hear our Lord's words, but we have the example set for us of enthusiasm that is interpreted in terms of service.

Twenty years, as we know, is a whole generation. Countless children have been baptized, thereby being made members of Christ, children of God and inheritors of the Kingdom of Heaven. Our membership in God's family has been strengthened through the instructions at Confirmation. There have been times

of joy, as weddings, and times of sadness in illness and in death. All of these have been administered by one man, who, last year, made between nine hundred and one thousand visits to the ill and troubled.

Dr. Parker's leadership has been recognized by his election as Dean of the Convocation of South Philadelphia, which office he has held for the past eleven years, and by the conferring upon him the Degree of Doctor of Divinity by the Philadelphia Divinity School. The varied duties in connection with his rectorship and offices have been performed at the expense of time, energy and personal sacrifice. Running expenses have had to be met, repairs financed, Diocesan quotas reached. Dr. Parker has been a shepherd constantly at watch to keep his flock together in God's holy family.

It is with heartfelt thanks we express our appreciation for these past twenty years of the giving of Dr. Parker's entire self and of Mrs. Parker's gentle and quiet spirit as a helpmate.

May we, the people of St. Paul's Church, hope the coming years will bring health, happiness, and the privilege of the continued services of our spiritual counsellor and friend.

SUSAN B. CLARK,
for the Committee.

Dear Friends:

On May 15th, 1938, we came to St. Paul's and we have worked together for 20 years. We have had a very happy ministry among you. You have supported our programs and you have given generously of your time and money. Ours has been a changing congregation with communicants moving into and out of our neighborhood. We have seen Churches closed, merged and moved to other locations, but we have continued to minister to our community in the best way we know how.

Without your loyal support and prayers, we could not have done as well. We trust that the years ahead will be fruitful and that we may be able to live the Gospel of Jesus Christ among our neighbors so that He may be known unto men.

Mrs. Parker and I are grateful to you all for helping to make our ministry among you a happy one. May God's richest blessing be upon you all.

Faithfully yours,
THOMAS PARKER

NEEDLEWORK GUILD OF AMERICA

The funds collected for the Philadelphia branch of the Needlework Guild of America have been most gratifying. Members of our Parish branch have given generously to this worthy cause. This year our amount was \$57.00. In addition, four new children's garments were donated.

It is a happy thought to know there were so many interested people who gave aid to make those less fortunate more comfortable, and better provided with the necessities of life. On behalf of the Needlework Guild may we say "Thank You" for a task well done.

AN APPRECIATION

This is the first opportunity Mrs. Parker and I have had to express our gratitude to the Committee that had charge of arranging the dinner celebrating our 20th anniversary at St. Paul's. It was an evening that will long be remembered by us. We wish to thank Bishop Armstrong, Dr. Long and Mr. Greenwood for their kind words about our work among you.

Again we thank those who remembered us with gifts. It was one of the happiest days of our lives to have so many join with us on our 20th anniversary. May God give us health and strength to work together in the years ahead. Our prayer has been, and always will be, that we may serve the good people of St. Paul's to the best of our ability.

LET THY BLESSING REST UPON US

Let Thy blessing rest upon this Church,
O Lord.

Out from the by-roads, out of our care-filled days

We come, an earnest throng, to hear Thy word,

To offer Thee our sincere, heartfelt praise.

We come to seek Thy steadfast guiding power,

We come to lay our burdens at Thy feet;
We seek the calming quiet of this hour
Away from the clamoring throng, the crowded street.

Let Thy blessing rest upon this Church,
We pray,

Upon a people in their vital need;
Be Thou our helper, be our guide and stay,

And be our wine, the bread on which we feed.

Lord God, for every Church in every land,

We crave a blessing from Thy Mighty hand.

MORNING PRAYER AND SERMON 11:00 A.M.

Dear Friends:

It gives one a nice warm feeling to have people say "Welcome home again" after a vacation. This is what I want to say to all of you who have been away during the summer, welcome home. I trust that you feel physically, mentally and spiritually renewed for the duties of the year that lies ahead.

We hope that you are ready and eager to become a part of our organization, to work in unison to bring about the results that we have been praying to accomplish. Up to this time you may have been waiting for someone else to lead in the adventure in faith. Do not wait any longer. Use your talent or talents in service for Christ and our work will surely go forward.

Every year, at this time, we look ahead with hope to doing a larger work. But sometimes, when we look back, we find that it has not come up to our expectations.

Why is this so? Perhaps we have failed to do our part. If all of us would assume responsibility for some part of the Church's work, that we are capable of doing, we could have a strong working, praying and witnessing congregation.

You, as a communicant of the Protestant Episcopal Church, have a sacred obligation. You have promised to be faithful in the performance of your duty toward God and your neighbor. This means that you should be a working member of the Church. This entails sacrifice. Sacrifice brings the reward of joy and happiness. The most likely place to receive the Holy Spirit to make you a partner with God in His work is in His House where you can pray and sing His praises and be strengthened by receiving the sacraments of our Lord. Then you can go forth with joy in your heart to win other souls for Him.

Let us not hide our talents, but go forward to let the world know that we are Christ's disciples and that we are trying to bring others to Him. May we determine to be no tonly praying Christians, but working Christians as well, alive to the needs of the times. If we want Christianity to go forward, we must do our part in bringing it about.

Faithfully yours,

THOMAS PARKER,
Rector

WOMAN'S AUXILIARY

The Woman's Auxiliary of the Memorial Church of St. Paul has a very exciting and interesting year ahead. Great events are taking place in our Church and we are hoping to learn more about them.

Perhaps you know the Lambeth Conference was held in London from July 5th to August 10th. This event marks the gathering of Anglican Bishops from all over the world who meet together to discuss the problems of our modern life and the Church's part in these events. It was a thrilling sight to see our own Bishop Hart in the procession in historic St. Paul's Cathedral. As the Bishops knelt in prayer that great church rang with the words of the familiar hymn, "Come Holy Ghost our souls inspire." The conference ended with a televised service in Westminster Abbey where the numbers were so great many were turned away.

Of particular importance to us here in the United States is the 59th General Convention of the Episcopal Church held in Miami, Florida, from October 5 to 17. This year a new Presiding Bishop is to be elected as Bishop Sherrill must retire. We are asked to pray for guidance in this momentous decision.

The Women of the Church have their part to perform. Their meetings are called the Triennial, because they, too, like the General Convention, meet every three years. The sessions of both the men's group and the women open with a service of Holy Communion. The General Convention is the governing body consisting of the House of Bishops and the House of Deputies, while in the Triennial the women have a magnificent service in which they present the United Thank Offering from the entire United States. You have your share when you contribute to the "Blue Boxes or Envelopes." They have adopted as their theme, "One World in Christ."

In our meetings of the Woman's Auxiliary we expect to give you the findings of these events. We hope you will exercise your privilege as baptized members

of the Church and attend our meetings. As we work together and worship together we can bring to a closer realization our Auxiliary's theme, "One World in Christ."

The following quotation from St. John 17-11,21 will be used by the women at the Triennial:

"Holy Father, keep them in thy name which thou hast given me, that they may be one, even as we are one—that the world may believe that thou hast sent me.

May it be your meditation and a part of your life in the Church.

In November the annual Card Party will be held. Watch for the date to be announced later, keep the date in mind, think about sending us a prize, and join us at this social occasion. We need your help to make this event a success and we need the funds to make our contribution to the Woman's Auxiliary as a whole.

The Woman's Auxiliary reports with deep regret the passing of Mrs. Grace S. Mellwig, long a faithful member of this organization who was the Treasurer of the United Thank Offering for many years.

SUSAN B. CLARK,
Secretary

SUNDAY SERVICES

HOLY COMMUNION	8:00 A.M.
CHURCH SCHOOL	9:30 A.M.
MORNING PRAYER AND SERMON	11:00 A.M.

Dear Friends

There are a number of activities in our Church during the Month of November.

The Chairman and the Captains of the Every Member Canvass met on November 6 to plan for Sunday, November 23, when we hope to have all our parishioners in church to hear a sermon on what the Church has accomplished and what it hopes to do. The Captains call their Groups to get in touch with all of you to ask you to make a special effort to be present at the 11:00 o'clock service. After the sermon you are to decide what you think is God's share of your income, then sign a pledge card and take it to the chancel steps and place it in an alms basin. It will be placed on the altar and presented to God as your share toward His work at St. Paul's, in our Diocese and in the National Church. In this way each one of us feels that we have a part in spreading the Gospel of Jesus Christ in the world.

The Women of St. Paul's will have a special service when on Sunday, November 16, they will present their Blue Box offering. The United Thank Offering, which was presented at the Triennium meeting at General Convention in Florida on October 10, amounted to \$3,869,985.38. We trust that your offering will be a real thank offering for the blessings God has bestowed upon you.

There will be a Communion Service at 10:00 A.M. on Thanksgiving Day, the day that our Pilgrim fathers set apart as a day to give thanks to God for the fruits of the earth and for the many other blessings they had received at His hands. We, as Christians, have carried on this tradition by coming to the Lord's table to show our gratitude to Almighty God for His blessings to us during the past year. We show our appreciation, too, by giving to the Episcopal Hospital to help those less fortunate than ourselves to receive medical care.

At the end of the month, November 30, we start the new Church year with Advent. Advent means the coming of the Christ Child. We look forward to the celebration of His birth at Christmas-time.

The Men of St. Paul's have an important date the first Sunday in Advent, November 30, when the men and boys of the Episcopal Church will have a Corporate Communion and breakfast.

During this month, too, we plan for our Christmas Bazaar. We come together to enjoy a delicious dinner, prepared by the Dorcas Society and served by the girls of the Parish. Tickets for adults will be \$1.75 and for children under 12,

\$1.85. This is an opportunity to help your Church by making donations of articles to sell, or of money, and by purchasing gifts for Christmas. Some enjoy the thrill of winning prizes. Please reserve December 6, from 3:00 to 10:00 P.M., for a happy evening with friends.

As I have said, November is a busy month for all of us and we pray that you will make every effort to be in your places every Sunday to worship and to witness for our Lord and Saviour Jesus Christ.

Faithfully yours,
THOMAS PARKER, Rector

SUNDAY SERVICES

HOLY COMMUNION	8:00 A.M.
CHURCH SCHOOL	9:30 A.M.
MORNING PRAYER AND SERMON	11:00 A.M.

Dear Friends:

Christmas should be the most joyous day of the entire year. It is a time when families gather together to celebrate the birthday of our Saviour. It is the custom for Christian families to gather together in God's House to celebrate the birth of our Lord by receiving the Sacrament of our Lord.

We are having our Christmas Carol Service with candlelight at 11:30 o'clock P.M., on Wednesday, December 24th, followed by a celebration of the Holy Communion at midnight. On Christmas Day we will have Christmas Carols and Holy Communion at 10:00 A.M. This will give us all an opportunity to receive Christmas Communion. What a wonderful way to celebrate the birth of the Son of God by receiving the sacrament which He Himself instituted when He said—"Do this in remembrance of me." We will want to greet you after the service with a warm "Merry Christmas."

We pray that this Christmas may bring joy and peace to you and to all mankind.

Faithfully yours,
Rector

We are asking you to please place your donations for Christmas decorations in the alms basin on the table in the rear of the Church.

Will you kindly bring your Advent Folders and your Christmas Offering with you and place them on the Offertory plate at one of the Christmas services.

ALL SAINTS' DAY ENDOWMENT FUND

We are grateful to all of you who remembered loved ones by contributing to the All Saints' Day Endowment Fund. We received the sum of \$623.00 on November 1st, 1958. The total amount in the fund is now \$10,101.00.

CHRISTMAS COMMUNION

The Rector will give Christmas Communion to the sick and shut-in of the Parish, if you will kindly make arrangements with him for the service.

LOYALTY SUNDAY

On Sunday, November 23rd, we had our Annual Dedication Service. It was our opportunity to give to God His share of our income. We are encouraged by the splendid response to the person-to-person call made by our members. The pledge in the Church was good and we trust that those who were unable to be present will send or bring in their pledges. The Church needs your loyal support in every phase of its work to witness for Christ in our Community.

We wish to thank Mr. Montgomery and his army of workers for the splendid work they have performed for St. Paul's.

CHRISTMAS BAZAAR

The Christmas Bazaar was a great success. We had a very delicious turkey dinner, cooked by the Dorcas Society and served by our young ladies. The Committees on decorations, gathering of food and the arranging of the various tables are to be congratulated on the fine work they did. The workers in general helped to make the Bazaar a most friendly and social gathering. Then, too, it was a success in that we cleared about \$850.00. Thank you all for your hard work and your co-operation in making it one of our best Bazaars thus far.

ENDOWMENT FUND

For all the Saints, who from their labours rest,
Who Thee by faith before the world confessed,
Thy name, O Jesus, be forever blessed.

Alleluia!

SUNDAY SERVICES

HOLY COMMUNION	8:00 A.M.
CHURCH SCHOOL	9:30 A.M.
MORNING PRAYER AND SERMON	11:00 A.M.

Dear Friends:

If we were in business, we would take a count of stock at the close of each year, which would show either a profit or a loss.

It is difficult to tell in church work how many people have come closer to God through our ministry. We can only pray that we have brought faith and comfort to those whom we have had the privilege to serve. We can, however, take an inventory of our efforts to ascertain how much responsibility we have assumed in helping to spread the Gospel of Christ; how much interest we have manifested in keeping our church plant in a state of good repair. We can also take into consideration how much we, personally, have done to make our Church a spiritual center. To be a witnessing body, we must be a friendly, sincere and gracious congregation, making our members feel at home in Christ's Church and extending the right hand of Christian fellowship to strangers.

If we have failed in the past to make our Church a truly Christian House of Worship, then let us strive to correct our ways and make 1959 a year in which we shall demonstrate our Christian beliefs by being more Christlike in serving Him as faithfully as we know how.

With all good wishes for the new year upon which we have recently entered, I am

Faithfully yours,
Thomas Parker

REPORT OF THE RECTOR FOR THE YEAR 1958

I am glad to greet you at this Annual Meeting on St. Paul's Day. It is here that you are informed about the activities of the Parish; where you may ask questions and make suggestions for

the welfare of our Parish.

Once again it is my pleasure to tell you of the fine spirit that prevails among the workers. It is to this group we are greatly indebted for the success of our activities, such as the Bazaar, May Fete, the suppers of the Dorcas Society, the Men's Group and the Church School. Our sincere wish is that we might have more of our parishioners take an active part in the work of the Parish.

We need more parishioners to be active not only in the work of the Parish but also to be active in Diocesan affairs and in National Church work. This would evidence the deep concern we should have for the spreading of the Gospel of Christ. It is this part of our Church's life we should strive to improve in the year that lies ahead.

It is with satisfaction that I report that we are giving \$2,000 as our missionary quota. We hope that our giving may increase as we note the progress that our Church is making in this field. If all our communicants would support the Church we would not have any difficulty in meeting our share of the work. We are thankful for the many who give so generously of their time and money toward the support of God's work at St. Paul's.

In making this report to you, I would like to tell you that during the year 1958 I have baptized 23 children and 1 adult; I have presented 13 persons to the Suffragan Bishop for confirmation; I have married 4 couples, and buried 96 persons. Seven persons were transferred to other parishes and 9 persons were received from other parishes; 5 persons were removed, having gone to other churches not in communion with the Protestant Episcopal Church; 12 names were sent to the Diocesan Register because their present addresses are not known. We now have on our list 413 confirmed persons.

We have 10 officers and teachers and 91 pupils in our Church School. We have loyal teachers and we are very proud of the work they are doing instructing the children in the use of the Bible, Prayer Book, and the faith as found in the teachings of Christ.

During the year I have made 861 calls, conducted services at the Naval Base, Chapin Home for the Blind, the Masonic Home and the Home for the Aged.

In closing, may I say how much Mrs. Parker and I appreciated your kindness in celebrating in May my 20 years as your Rector. It was a wonderful celebration and we are grateful to you for your loyalty and support. We trust that you will continue to be loyal to your Church.

THOMAS PARKER,
Rector

SUNDAY SERVICES

HOLY COMMUNION 8:00 A. M.
CHURCH SCHOOL 9:30 A. M.
MORNING PRAYER AND SERMON 11:00 A. M.

Dear Friends:

During the season of Lent we are reminded that it is a time for us to take special thought of our manner of living. Some of us realize that we have failed to live up to our Christian vows. We have been neglecting our prayer life. Some have failed to worship God in His House and have not communed with Him at His altar. We have failed in other Christian duties. How can we expect to become spiritually strong unless we partake of spiritual food? During these days of Lent we should read our Bibles and other religious literature to keep us steadfast in the faith. We should prepare ourselves for Holy Week and for the great Feast of Easter, when we sing with Christians throughout the world, "Christ is Risen Today."

We are using a book entitled "This Church of Ours" for our study together on Wednesday evenings. The book tells us what the Episcopal Church is and what it teaches about living. Mrs. Susan B. Clark and Miss Grace I. Ridings will bring to us important facts about our Church. This is a wonderful opportunity for us to learn more about it. After each session we have a coffee hour.

On Sunday, March 15th, some of the members of the churches in the South Philadelphia Ministerium are going to make a house to house canvass to ascertain the religious affiliations of the people in this area. We feel that those who take part in this survey will be greatly benefited by the experience. We have a number of volunteers and could use more. Kindly see the Rector, who will give you details. Then, on April 12th there will be a final visitation. Let us pray that we will awaken the Christians of our community to their responsibility to God.

Faithfully yours,

THOMAS PARKER,
Rector

THE DAILY CROSS

And he said to them all, If any man come after me, let him deny himself, and take up his cross daily, and follow me.
—St. Luke 9:23

Every morning, receive thine own special cross from the hands of thy heavenly Father.
—Lorenze Scupoli

To take up the cross of Christ is not a great action done once for all; it consists in the continual practice of small duties which are distasteful to us.

—John Henry Newman

Accept your cross, embrace it a thousand times for love of Him who sends it to you. It is a costly present, the gift of Love. Often set the Crucified Saviour before your eyes, measure your sufferings with His, and yours will seem greatly the less.
—Francois de Sales

If thou bear the Cross cheerfully, it will bear thee . . . If thou bear it unwillingly, thou makest for thyself a load and burdenest thyself the more, and yet notwithstanding thou must bear it.

—The Imitation of Christ

Lord Jesus, grant us daily grace for daily need; daily patience for a daily cross; daily, hourly, incessant love of Thee to take up our daily cross and bear it after Thee. We ask this for Thine own Name's sake.—Christina G. Rosetti

SELF-DISCIPLINE

The man who is the creature of impulse, or the slave of his passions, cannot be said to be his own master, or to be really free . . . The free man is he who can control himself.—Oliver Lodge

The man who man would be
Must rule the empire of himself.

—Author unknown

Keep thy soul in exercise, lest her faculties rust for want of motion: to eat, sleep, or sport too long stops the natural course of her natural actions: to dwell too long in the employment of the body, is both the cause and sign of a dull spirit.
—Francis Quarles

Live your life while you have it. Life is a splendid gift. There is nothing small in it. For the greatest things grow by God's Law out of the smallest. But to live your life you must discipline it. You must not fritter it away in "fair purpose, erring act, inconstant will"; but must make your thoughts, your words, your acts, all work to the same end, and that end not self, but God. That is what we call character. —Florence Nightingale

Dear Friends:

We are looking forward to the celebration of the 175th anniversary of the founding of the Diocese of Pennsylvania. A mass meeting will be held at the Academy of Music on Monday evening, May 4th. The Rt. Rev. Arthur C. Lichtenberger, D.D., Presiding Bishop of the Protestant Episcopal Church, will be the speaker. All the Bishops of the State of Pennsylvania are expected to be present on this occasion. We, as members of this Diocese, are proud of the work that has been done in spreading the Gospel throughout Pennsylvania and into all parts of the world through the missionary offerings of our people. We are proud also of the sons of this Diocese who have gone out into the field to carry on the work of the Master.

The Church Schools are going to help celebrate this occasion when they assemble on the grounds of the Cathedral in Roxborough to present their Mite Box Offerings to Bishops Hart, Armstrong and Roberts on Sunday, April 26th at 4:00 P. M.

We will have a service in our church to mark the 175th Anniversary on May 3rd. We will review some of the important events that have taken place since the organization of the Diocese. We will note the splendid record of generous giving of our Diocese to the missionary program of the General Church. There is so much that we can learn about the Church and its activities that we should be eager to attend these meetings. Under the leadership of our Bishop, the Rt. Rev. Oliver J. Hart, D. D., we have become one of the strongest Dioceses in the American Church as well as the second largest.

May we ever be proud of our rich heritage and may we strive to make it a still greater spiritual force so that in the years to come we may become even more missionary-minded.

Let us celebrate this 175th year by pledging ourselves to a more active service in the work of the Master.

Faithfully yours,

THOMAS PARKER,
Rector.

SUNDAY SERVICES

HOLY COMMUNION 8:00 A. M.
CHURCH SCHOOL 9:30 A. M.
MORNING PRAYER AND SERMON 11:00 A. M.

Dear Friends:

The Diocese of Pennsylvania celebrated the 175th anniversary of the founding of the Diocese with a most inspiring service on May 4th in the Academy of Music. Every seat was occupied and many persons stood throughout the service. The presiding Bishop of the Episcopal Church, the Rt. Rev. Arthur Lichtenberger, D.D., was the principal speaker. Music by the Valley Forge Military Band and the choir of Old St. Peter's Church was beautifully rendered. There were present Bishops from the five Dioceses of the State of Pennsylvania. The service will long be remembered by all who were present. Our own church was well represented. We of St. Paul's are interested in all activities of the Diocese and take part in the work of the Church to learn what it is doing to spread the Kingdom of God among the people of our state and of the world.

An anniversary, such as we have just celebrated, makes one proud of our Church, its founders and their successors. It inspires us to carry on to the best of our ability the great work that Jesus commanded His disciples to do—to teach and preach and make known His mission throughout the world. We, too, are missionaries called by God to do His work.

Recently a group of our workers, on two occasions, helped in a door-to-door survey conducted under the auspices of the South Philadelphia Ministerium. We are grateful to these men and women for giving hours of their time to do this work. They are dedicated persons who are interested in what the Church is doing and what it can look forward to doing in the future.

Summer is close at hand and we trust that you will not neglect your God wherever you go on your vacation. We hope that those of you who remain in the city will be in your places in church regularly every Sunday.

The services during July and August will be as follows:

8:00 A. M. Holy Communion
10:00 A. M. Morning Prayer and Sermon

May God bless you all!

Faithfully yours,

THOMAS PARKER
Rector.

We wish to thank the men and women who had charge of the chicken pie dinner and the games which followed. It was from their joint efforts we were able to purchase new electrical fixtures for the Primary Department. These fixtures were installed by four men of the parish. We are looking forward to having a good time. The committee is planning a Roast Beef Dinner and we know you will enjoy this dinner with us. There will be aprons, fancy goods, fruit juice, cakes, candies and other articles for sale. What would a June Fete be without a white elephant table where you can find some useful gadget or a piece of china or something that you have been looking for? The dinner will be \$1.75 for adults and 85 cents for children under 12.

We will be glad to receive donations of fancy goods, cakes, candies and other useful salable articles.

They have devotional services, they work and they play. Come to visit this group of girls when activities begin in the fall. You will find it interesting and helpful.

SURVEY VOLUNTEERS

The Rector wishes to express his deep appreciation to those men and women who spent two Sunday afternoons, going from door to door getting information for the South Philadelphia Ministerium. The facts are revealing and are of importance to the churches of our area. It was a job well done and again I say "Thank You!"

TALK BACK TV PROGRAM

Sunday, May 17, at 9:30 P. M., on channel 6, the second of the 13 week series will be presented. The film story is based on the theme of insecurity. Is it possible to overlook the needs of the other members in a home when one member of the family has a need that demands constant attention? The possible effect of such a situation on one child when another child is in the home who has special needs can be viewed in this telecast.

In this week's story we can stimulate our people to think of a Christian approach to such questions as:

1. What are the usual considerations that help us make our choice when the decision is difficult?
2. For a Christian, what is the basis for determining what is right?
3. How do we know when we are doing God's will?

These questions are the basis for TV Talk Back Program on channel 6 tonight at 9:30 P. M.

The program is a National Council of Churches presentation brought to you by the Philadelphia and New Jersey Councils of Churches, in cooperation with Station WFIL-TV.

ALL SAINTS' DAY

All Saints' Day will be celebrated this year on Sunday, November 1st. At the services, 8:00 A. M. and 11:00 A. M., we will remember our parishioners who have passed away during the past year. At this service we will also remember our friends and loved ones whose names will be inscribed in our Book of Remembrance. All gifts from this source are added to our All Saints' Day Endowment Fund.

CONFIRMATION

The Rt. Rev. J. Gillespie Armstrong, D. D., Suffragan Bishop of the Diocese, will visit us to administer the Rite of Confirmation on Sunday, December 27th, at 11:00 A. M. Confirmation instruction will begin on Friday, October 9th, at 4:00 P. M., for children and at 8:00 P. M., for adults.

MEN'S SUPPER

The men of St. Paul's are going to have a Beef Pie Supper on Saturday, October 24th, from 5:00 to 7:30 P. M. The proceeds will be used to help to defray the expense of repairs on the windows. The women will have charge of a card and game party after the supper. They are asking your full cooperation by coming to the supper and by remaining for games. Donations of prizes will be very much appreciated.

MR. GEORGE H. VOSS

Mr. George H. Voss, after 40 years as Sexton, retired on September 30th. Mr. Voss has been with us through good times and hard times. He has seen children baptized, confirmed and married in the Church. He has been more than a sexton in many ways, helping the Altar Guild, the Dorcas Society and other organizations. He has been our "mail clerk", too, helping to get the letters and notices to you. With this diversity of duties, he has endeared himself to all of us. He has enjoyed good health during his 90 years.

The Vestry will give a party for him on Tuesday, October 6th, at 8:00 P. M., in the Parish House, to which all members of the parish are invited.

CHURCH CHOIR

The Choirmaster, Mr. Louis Sweeney, would welcome those who enjoy singing and can read music to become members of our church choir. This is an important service you can render to your Church and to your God.

CONVOCATION OF SOUTH PHILADELPHIA

The Convocation of South Philadelphia will meet on Wednesday, October 14th at the Chapel of the Holy Communion, 27th and Wharton Streets.

5:15 P. M. Evening Prayer with hymns.

6:00 P. M. Dinner—Reservations are to be sent to Rev. Frederick C. Price, Jr., 2631 Wharton Street, Philadelphia 46, Pa.

Bishop Hart will inform us of Diocesan plans and expectations.

Dr. Donald Roberts, retired Professor of Economics at Beruit College for Women at Lebanon, will be the guest speaker.

Mrs. Donald Roberts will speak at the Women's meeting, which begins at 3:15 P. M.

FAMOUS HYMNS

"Fight the good fight with all thy might"
By the Rev. William Joseph Barnds
Vicar, St. Paul's Church, Ogallala,
Nebraska

The title of this famous hymn comes from the twelfth verse of the sixth chapter of the First Epistle to Timothy. The hymn itself is the hymn for the nineteenth Sunday after Trinity from J. S. B. Monsell's Hymns of Love and Praise for the Church Year, which was published in 1863.

This hymn, often used at the Service of Confirmation, exhorts Christians to fight the good fight with all their might, for Christ is the strength of the Christian and his right. One exhortation says: "Lay hold on life, and it shall be Thy joy and crown eternally."

The second stanza also is hortatory: "Run the straight race through God's good grace, Lift up thine eyes and seek His face; Life with its way before us lies, Christ is the path and Christ the prize." The emphasis here is on doing all for Christ.

The third stanza says, "Cast care aside, lean on thy Guide." That means to trust Our Lord completely, for "His boundless mercy will provide." The exhortation at the end of that verse is: "Trust, and thy trusting soul shall prove Christ is its life and Christ its love."

The fourth stanza says to faint not nor fear, for God's arms are near. God does not change, and all His creatures are dear to Him. The last words of the hymn say "Only believe, and thou shalt see that Christ is all in all to thee."

The dominating thought is that Christ is with a person in all circumstances, which is also the thought in part of the hymn entitled "St. Patrick's Breastplate."

MORNING PRAYER AND SERMON 11:00 A. M.

Dear Friends:

It is time now to plan our winter activities. The more active we are in the work of the Church, the deeper will our interest be in what the Church is trying to accomplish. The underlying motive is to be useful and faithful members of the Church of Christ. It is only as we live in friendship and love with one another that we are able to make strong the fellowship among our Christian brothers.

As you have seen, we are undertaking extensive repairs on our large windows at the front and at the back of our church. The stained glass window, which was dedicated in 1924, has had little or no work done on it since it was installed, but it is imperative now that repairs be made. You will receive a letter soon, telling you of the cost entailed and how we are expecting to meet it.

Hoping that you have had a pleasant summer, in spite of the heat and the humidity, and that you are now ready to return to regular church attendance and active interest in church work, I am

Faithfully yours,

THOMAS PARKER,
Rector.

THE CHURCH SCHOOL

The Church School opened on September 20th for the year 1959-60. The attendance was good. We are looking forward to a successful year, teaching our boys and girls about the Christian religion and the Christian way of life. The Church School is one of the most

important departments of the Church. It is here that the foundations of Christian living are laid. Here they are taught the prayers that they will pray the rest of their lives. It is here where fellowship with one another begins. It is important that every child of our families is brought to Church School. If you know of any child in your neighborhood, who does not go to Church School elsewhere, bring him or her to St. Paul's. A cordial welcome awaits them.

FAMILY SERVICE

On October 11th, at 9:30 A. M., there will be resumed in the church a service for the families of our parish. Awards will be presented to the boys and girls who have had records of perfect attendance during the year 1958-59. This is an opportunity for entire families to worship together.

DR. WILEY

Once again we say "Thank You" to the Rev. Dr. Ronald A. Wiley for conducting services for us during the month of August, while the Rector was on vacation. It is always gratifying to have with us one who is so well liked by the people of St. Paul's.

DORCAS SOCIETY

The Dorcas Society has resumed its weekly meetings. Our first meeting was very well attended. Plans were made to sell Christmas cards, start a merchandise club and hold a Dutch Maid lingerie demonstration on Oct. 26th at 8:30 P. M. If you are interested in any of these projects, contact one of our members.

We would be very happy to welcome any newcomer to our society on Monday evening at 8 o'clock.

ANNA VANG,
Vice President

THE WOMEN OF ST. PAUL'S

All of us have been aware of the magnitude of events in the secular world that have been taking place these past twelve days. We have been informed by press, radio and television. Not one of us has missed some information about our Country and that of Russia. But there is a greater, wider world, silently working, that of the Kingdom of God. For do we not say, "How silently the wondrous gift is given?"

Let us consider Japan. When the Emperor was no longer considered a diety, the people turned to a new concept of God. Christianity faced a golden

opportunity to spread the World of Christ. Our Episcopal Church was active long years before the war and now has prospered to become an independent group in our Anglican Communion. How much of a struggle this is continuing to be, the helping hands needed, and the prayers to foster this great work in a nation that is only five per cent Christian is a challenge to all of us who remember Christ's words when He told us to go out in the world and preach the Kingdom of God.

This is just one small problem.

What do we have in our missionary districts? Take the Canal Zone with its 17,217 souls, 32 missions, and 20 clergy. Right in our own country there is a missionary district in Texas of 9,249 baptized persons, 28 parishes, and 24 clergy. The list is endless. There are missions in Nevada, Nebraska, North Dakota, the Philippines, Porto Rico, Mexico, etc. There are outposts in these parts struggling to strengthen the Christian way of life.

Have you listened to the radio and television broadcasts of our Church? For many weeks, Bishop Bayne has been on the radio at 9:15 A. M., for fifteen minutes each Sunday in a program called the "Art of Living"?

Mission at Mid-Century has been a television program for thirteen weeks.

These are just a few of the many activities of our Church.

Much of this information of the march of the Kingdom of God in our Church comes to us when we attend the regular monthly meetings of St. Paul's Episcopal Church Women. Just one evening, the first Monday of each month, Miss Ridings, our president, welcomes all women to our gatherings. Then we learn about these many activities and our part as the women of the Church. All baptized women are members of St. Paul's Episcopal Church Women.

Miss Ridings and all of our members extend a hearty welcome to join us the first Monday evening of each month, beginning with October 5th. Let us make this year one in which we can say, I came, I know, I believe, and I pray for the extension of God's Kingdom in our Episcopal Church.

SUNDAY SERVICES

HOLY COMMUNION 8:00 A. M.
CHURCH SCHOOL 9:30 A. M.
MORNING PRAYER AND SERMON 11:00 A. M.

Dear Friends:

For many years we have been observing a Sunday during November as Loyalty Sunday. This year it will be on the Sunday next to Advent, November 22nd. Mr. D. Cortlandt Montgomery, his captains and a corps of workers will be contacting you, asking you to be sure to be in Church on that Sunday, at the 11:00 o'clock service. We have found this service to be of great spiritual value to us. We have learned at first hand what we, as a church, have been doing. Our first concern is to serve our communicants and the community in which we live. Our second responsibility, which is as important as the first, is to help in the great undertakings of our Church in the Diocese of Pennsylvania and in the general Church throughout the world. It is of deep interest to us to know how our Church is progressing in the world under the leadership of our Presiding Bishop. It is for the purpose of educating the rank and file of Episcopalians to know at first hand what the Church is doing in your name that we call you to be loyal to your Church and to be present with your family on Loyalty Sunday, November 22nd at 11:00 A. M.

May this day mean much to all of us that we may go forth filled with the Holy Spirit and determined to do our share for the Glory of God and for the extension of His Kingdom.

May God bless you all!

Faithfully yours,

THOMAS PARKER,
Rector.

CHRISTMAS BAZAAR

The Committee is working to make
this year's Christmas Bazaar the best
one in years. It will be held on Saturday,
December 5th, from 3:00 to 10:00 P. M.
To make it the "best ever" we need
your help. We ask you to contribute
to the Candy and Cake table, the Fancy
Goods, White Elephant, the Novelty
Table, prizes for Bingo. The Dorcas
Society will prepare the traditional Tur-
key Dinner with all its trimmings and
the young people will serve. Come and
do your Christmas shopping at St. Paul's.

WOMEN OF ST. PAUL'S

This is a message to all the baptized
women of our parish. In baptism you will
recall these familiar words, "We are
made a member of Christ, a child of
God, and an inheritor of the Kingdom
of Heaven." As part of this great army
of Christians, the women have their own
organization. To be an active working
member of God's children, all women
automatically become members of the
"Women of St. Paul's" in our own par-
ish and are known as "the Episcopal
Women" in the Church at large.

Our work can be effective only in the
measure you make it. We are looking
forward to the time when all of our
women will exercise their membership
and attend our meetings. We meet for
prayer, for knowledge of our Church's
activities in many phases, and the part
our women take in helping with the
extension of God's Kingdom. Won't you

be an active, working member of our
group?

We have made a new rule, no cards
will be sent to notify you, but we meet
the first Monday of every month at
8:30 P. M., to gather together in the
Lord's name.

As part of our program, we plan a
yearly card party. This year, the date
will be Thursday, November 19th, at
8:00 o'clock. The proceeds are used
for the Women of St. Paul's share in
the many activities of our whole Church,
for remembering the unfortunate ones
in the Philadelphia General Hospital
and Byberry at Christmas, the work for
the blind, membership in the Greater
Philadelphia Council of Churches, and
many others. Thus, as the greatest gift
of God's Son was given to us, so we try
in our small way to give to others.

We hope you'll attend our Card Party
on November 19th and have a happy
time.

SUSAN B. CLARK,
Secretary

PRAYER AND WORSHIP GROUP

Our Prayer and Worship Group met
for the first time on October 19th. Per-
haps you might call us a little School of
Prayer since we are trying to learn
more about the meaning of Prayer.
What is Prayer? "Man's response to
God's outpouring love" is just one defi-
nition.

No really good works can be done
without it; true prayer leads to some
kind of good results. We began our
meeting by asking God to guide our
thoughts into the way of true prayer,
for we cannot learn to pray without
praying. We spoke of the five parts of
Prayer:

Adoration—Praise, Worship
Confession and Forgiveness
Thankfulness
Petition
Intercession

We asked for help for those who are
in "trouble, sorrow, need, sickness, or
any other adversity," help for those
both here and anywhere, help for loved
ones and for strangers. A group can
reach a level of worship far beyond
that which one could reach alone.

Will you come, men and women, to
our next meeting on Monday evening
November 16th, at 8:30 o'clock. Will
you bring names and add them to our
prayer list? This small group is only
the beginning. Come to worship with
us, to pray for ourselves, and to pray
for others. Please do.

SUNDAY SERVICES

HOLY COMMUNION 8:00 A. M.
CHURCH SCHOOL 9:30 A. M.
MORNING PRAYER AND SERMON 11:00 A. M.

Dear Friends:

We come to Christmastime with joyful hearts to celebrate the birth of our Lord Jesus Christ. All Christians everywhere rejoice at the Good News that was heralded centuries ago the night the Angels sang Glory to God in the Highest.

We are thankful to have our beautiful stained glass window cleaned, repaired and restored to its place again. We are grateful that our Church was not destroyed by the fire that started in our furnace on November 29th. However, the fire did destroy our boiler and, during the past week, men worked around the clock to insure our having a heated Parish House for our Christmas Bazaar.

We will hold our Christmas Carol Service with candle light at 11:00 P. M. on Thursday, December 24th, followed by a celebration of Holy Communion. On Christmas Day we will have Carols and Holy Communion at 10:00 A. M. This will give us all an opportunity to receive communion. This is a season when we are truly joyful and there is no better place to express our joy than at the altar, where we receive the Sacrament which He instituted and told His followers to "Do this in remembrance of me."

May this Christmas be a Happy one for all who know Jesus as their Saviour.

Faithfully yours,

THOMAS PARKER,
Rector

SUNDAY SERVICES

HOLY COMMUNION 8:00 A. M.
CHURCH SCHOOL 9:30 A. M.
MORNING PRAYER AND SERMON 11:00 A. M.

Dear Friends:

The year 1961 is before us and we trust that plans for the New Year will include a greater determination on our part to serve God and His Church with all the ability that we possess. Surely we all believe that the world, in its turbulent state, needs the Saviour and Prince of Peace.

With hope in our hearts and petitions on our lips we pray that He may lead the nations of the world to everlasting peace; that Christians everywhere may strive to manifest the teachings of Jesus; that those who still reject Him may see the light as it shines in our lives and, because of it, may join with us in worshipping Him as Lord of all.

We can best serve Him by regularly coming to His table to be strengthened by receiving His body and blood in the sacrament of the Lord's Supper. It is as we receive Him that we receive the power to dare to do His will.

It is time to awaken from our lethargy and become active members of the body of Christ, striving to bring our families, friends and neighbors into closer relationship with Christ.

May our faith be strong in order that we may be true soldiers of the army of Christ and may we enlist others in His cause.

With best wishes for a fruitful year of service for the Master, I am

Faithfully yours,

THOMAS PARKER

DORCAS SOCIETY

We regret to announce the death of our long-standing and faithful member, Mrs. Alice Gibson. May she grow in grace in the Heavenly Kingdom.

Our regular meetings resumed on January 9th, after the long holiday season. All women of the Parish are cordially invited to attend on Monday evenings at 8:00 o'clock.

ANNA VANG,
Acting President

PRAYER GROUP

Prayer takes us out of our everyday surroundings into partnership with men and women everywhere, for it spreads from ourselves and from those dearest to us to the entire world.

The earliest form of Christian worship is found in Acts 2:42, where there is this statement, "and they continued steadfastly in the Apostles' doctrine and fel-

lowship, and in breaking of bread, and in prayer."

Our Prayer Group meets in the Chapel on the third Tuesday of every month, from October to May. Since prayer is the first duty of the Christian, we try to talk with God and to listen to Him. Will you come to share in our fellowship and worship?

GRACE I. RIDINGS

CONFIRMATION

The Rt. Rev. Oliver J. Hart, S. T. D., will visit our Parish on the Fourth Sunday in Lent, March 12th, to administer the Rite of Confirmation and preach. The service will be at 4:00 P. M. The confirmation class meets with the Rector on Fridays at 4:00 P. M. If you are desirous of being confirmed, kindly speak to the Rector.

WILLIAM G. JILLARD

On Sunday, December 11th, 1960, Mr. William G. Jillard was suddenly called to his heavenly reward. Mr. Jillard was a faithful and loyal member of St. Paul's and had been singing in the choir for many years. He was deeply interested in the wellbeing of the choir and only recently was instrumental in securing three new members. He had a friendly and pleasing personality and will be greatly missed. We are grateful for his years of self-sacrificing service to God in our Church.

ANNUAL PARISH MEETING

The Annual Parish Meeting will be held on St. Paul's Day, January 25th. There will be a celebration of Holy Communion at 6:30 P. M., followed by supper and business meeting. We would appreciate it if you would let us know if you intend to be present. An election of vestrymen will take place between 8:00 and 9:00 P. M. The following have been nominated for re-election: Frank C. McCook, William McGill, Henry Bernheimer, and Harry F. Zimmerman. Charles B. Dooley for the Class of 1961. Nominations must be in the hands of the Secretary of the Vestry.

The Annual Reports of the various organizations will be read at this meeting.

THEOLOGICAL EDUCATION SUNDAY

The Presiding Bishop has designated Sunday, January 22nd, as Theological Education Sunday. This is our opportunity to help educate future Priests of our

THE CHRONICLE

Dear Parishioners:

It is a privilege for me to present my report at our Annual Congregational Meeting. This year our meeting was preceded by the celebration of Holy Communion and we were strengthened thereby for our duties and fellowship.

Each year, at our annual meeting, you hear the reports of officers and heads of organizations. These are printed in The Chronicle.

I report to you briefly my official acts. The attendance at services has been quite good, considering the ever-changing picture of our neighborhood. The Church School is not as large as in former years, but what it lacks in numbers it makes up in dedicated service. We have a fine corps of teachers and deeply appreciate their willingness to teach our children about our Lord Jesus Christ. The boys and girls of our school are very faithful. This is attested by the number who have not missed a session for many years.

We have a group of faithful men and women who are constantly looking after the physical condition of our church. We appreciate their unselfish service.

The various organizations, namely the Dorcas Society, the Women of St. Paul's, the Altar Guild, the Prayer Group and the Men's Group are always working for the benefit of our parish. Their reports show the wide range of their interests and activities.

The years ahead will be a challenge to all of us. We want our Church to serve the Lord by being alert to the opportunities that present themselves and which we seek. We must bring the message of salvation to those who want to hear it and to the indifferent ones in an effort to turn their hearts to the Master.

During the past year, I have made 963 calls and have made regular visits to the Methodist and Naval Hospitals as a volunteer Chaplain appointed by the Bishop. I have celebrated Holy Communion once a month in the U. S. Naval Chapel. I have baptized 17 children and 1 adult, presented 12 persons for confirmation, read the burial service for 89, had 2 weddings and 61 private communions. Our present number of communicants is 385.

We have lost by death several of our faithful members, among them Mr. George H. Voss, our Sexton, and Mr. Edgar B. Coleman, Accounting Warden, and Mr. William G. Jillard, baritone soloist. We miss them very much and

pray that they may grow in grace in the Heavenly Kingdom.

During the years of my ministry among you, we have spent well over \$45,000.00 for repairs. This was possible only because of your co-operation and generosity.

Recently Mr. Harry F. Zimmerman and Mr. Charles B. Dooley were elected Vestrymen and Mr. Harold K. Vang, Accounting Warden.

I have written briefly about what has been accomplished. It is now for us to envision what we may do in the future. We are interested in spreading the Gospel of Jesus Christ. Our mission is to bring souls to the knowledge and love of God. It is only as we receive Him that we are enabled to impart His blessings to others. To serve God in our every day life is to widen God's Kingdom on earth, for which we constantly pray when we repeat the Lord's Prayer.

May we always have a will to do His work.

THOMAS PARKER
Rector.

ANNUAL REPORT OF THE CHURCH SCHOOL FOR THE YEAR 1960

Once again it is time to report on the activities of Our Church School. Our Church School totals 81, with an average attendance between 60 and 65. We are very proud of the 36 pupils who earned Perfect Attendance Awards, 13 receiving their 7th year bar.

We were sorry to lose Mrs. Jean Pitts and Miss Alberta Brown from our teaching staff, but welcome Miss Carole Denise. We are currently studying the Episcopal Fellowship Series. We continued our Family Worship Service, which is held the second Sunday of each month. We feel that this Service is a rewarding one and would like to see more parents attend.

During the past year, our teachers and pupils worked very hard on various projects to raise \$500.00 to give to the Church toward its Missionary quota.

We would like to take this opportunity to thank all those who worked with us on our many projects, for without their

help and cooperation, we could not have achieved our goal.

We hope the fine work of the Church School will continue in 1961, under the guidance of Dr. Parker and with God's help.

ANNUAL REPORT OF THE DORCAS SOCIETY YEAR — 1960

The Dorcas Society meets every Monday evening. This group tries to serve the Church by raising funds for any special need. Our group raised money by giving a Sour Krout supper on Shrove Tuesday; running a merchandise club; giving card parties; selling dish cloths, shoe laces, cards and candy; and also gave a lingerie demonstration. The women filled dime cards over the summer, and also quarter cards to turn in on Shrove Tuesday.

The women give in service when called on to run a dinner for the parish. Flowers are sent to the sick and we also remember the departed.

The Dorcas Society also has informal evenings of sociability. New members are always welcome to our group.

Respectfully submitted,

ANNA B. FARLEY,
Secretary

REPORT OF THE CHOIR—YEAR 1960

The choir has nothing to add to the Church's financial report. It's contribution to the Parish is of another kind and virtually a labor of love. It has been a pleasure to welcome the new members. They are a great help, and we hope others will follow their example.

A deep sadness came to the choir and to St. Paul's just before Christmas, when Mr. William Jillard passed away so suddenly. Mrs. Jillard's courage in singing in the choir Christmas Eve and continued help and support will long be remembered. Surely, there can be no more fitting memorial to her husband.

A dinner and cake sale was sponsored by the choir on January 14th, 1961 and the proceeds are to be used for new choir vestments. Mrs. Zimmerman reports that these profits amounted to \$148.88.

REPORT FOR 1960 OF THE WOMEN OF THE MEMORIAL CHURCH OF ST. PAUL

Once again, we, the Women of St. Paul's, have completed another year. We shall endeavor to tell you what we have done with the time that has been given to us. In many notices in the Chronicle you have learned of our meetings held the first Monday of each month from October to May. Then, we step out of our own concerns and view our Church in action in every field.

What we are doing to help the awakening peoples of the world in our missionary efforts may seem far away, but touches us directly. Either the Church brings souls to Christ or they are lost in the godless maze of communism. Many and varied are the social problems facing the Episcopal Community Services right here in Philadelphia. How have we extended the Christian hand of fellowship to migrants with low standards of living? Are we helping the Urban Church? In this instance, St. Paul's has a primary interest. Do we allow people in new communities to go elsewhere, nowhere, or do we welcome them into our fold?

These are just a few of the poignant problems. They cannot be met successfully unless each one of us is working toward their solution in prayer, in knowledge, and in giving. Such is our program.

Each year we send more than two hundred dollars to these causes and the money is raised by our faithful members who believe strongly in this work. They feel that life is given to us by God's grace and they have the desire to share this blessing with others.

It is a question of "what shall I do with what has been given me? What shall I do with it today, or tomorrow, or the years ahead—if they are given?" The answers to these questions can be found in our daily living. Have we done our share to make our immediate community, our diocese, our country, our world, one for Christ?

As you attend our meetings you will have the joy of knowing you are a part of these activities and are using your daily living as Our Lord has commanded us. Our quiet, ever constant and loyal group under the leadership of our president, Miss Grace I. Ridings, and our helpers who attend meetings at the Church House for us to keep us further informed, make the first Monday of the month truly one of Women at Work in our Episcopal Church, and, more directly, the Women of St. Paul's Church.

SUSAN B. CLARK, Secretary

HOLY COMMUNION 8:00 A. M.
CHURCH SCHOOL 9:30 A. M.
MORNING PRAYER AND SERMON 11:00 A. M.

Dear Friends:

The season of Lent is a period of preparation for the resurrection of Jesus Christ on Easter Day. Most of us endeavor, during this season, to draw closer to God, through Jesus Christ. It is a time when we earnestly try to "take stock" of our spiritual lives. We find that we can do much better than we are doing. Jesus wants us to be working Christians, serving Him whenever and wherever opportunities present themselves. If we are to carry out his command to go, teach and preach His Gospel, it means that we are to be actively engaged in seeking to bring others to Christ. Many of us are satisfied with merely attending Church services. This is good as far as it goes, but it is not enough. We are to be His disciples and to teach by precept and example those who are not yet within the fold of His Church.

At Easter we rejoice with Christians throughout the world that Jesus was victorious over death and that because He lives, we too may live with Him in His Father's House. We want others to have this privilege, but how can they have it unless they are taught? We pray that we may be imbued with a zeal to teach them about His great love for all mankind.

May you have a blessed Easter,

Faithfully yours,

THOMAS PARKER

THE CHRONICLE

Dear Friends:

In spite of the rainy weather, we had good attendances at the Lenten services. The Good Friday devotional service was an inspiration to all who attended and we congratulate the South Philadelphia Ministerium on its success and on having their congregations co-operate in this union service.

The congregations were large on Easter Day also and the choir rendered the Easter music beautifully. It was a happy service and we rejoice in the knowledge that Christ is risen indeed.

We appreciate the loyalty of our people who came to worship and who gave generously toward the support of our church. At this time our Easter offering amounts to \$1,677.87 and the Church School mite box offering comes to \$175.00. From the sale of eggs and cards, and dinners, etc., the Church School made \$500.00, which it will present to the Church to be applied toward its missionary quota. We are proud of the work of our Church School, teachers and pupils.

We pray that the loyal spirit of St. Paul's Church and Church School will always prevail for the building of God's Kingdom among us.

Faithfully yours,

THOMAS PARKER,
Rector.

SUNDAY SERVICES

HOLY COMMUNION 8:00 A. M.
CHURCH SCHOOL 9:30 A. M.
MORNING PRAYER AND SERMON 11:00 A. M.

Dear Friends:

Bishop Armstrong, in an address as Bishop Coadjutor in charge of City Convocations, stressed the necessity of ministering to the needs of the people of our city churches. We have been reminded from time to time about the changing conditions surrounding city parishes.

We have been loyal to our Church, supporting it in various ways—by attendance at services and by systematically giving through budget envelopes, by responding to special appeals and by our work in organizations.

But, is this enough? Are we satisfied with what we are accomplishing? Let us consider what we are doing as members of the Church of Christ. Are we giving others the benefit of our religious training? The tendency is to say "let those who are better trained to do so take over this responsibility." We are as accountable for taking over this work as any other member of the Christian Church. The Church-at-large fails because we, as individuals, are lukewarm to the challenge before us. The great need in our parish, as elsewhere, is to have a working body of dedicated souls to bring the message of the Gospel to our families, our friends and our neighbors. Jesus commanded his disciples to go tell the story and bring others to Christ. Have we tried to contact people for confirmation? Paul said he was not ashamed to confess Christ. We may not be a St. Paul or a great teacher, but each of us can, in our way, be a light in our community by being known as one who lives close to God.

May we strive to be more active in the work of extending the Kingdom of God among men.

Faithfully yours,

THOMAS PARKER.

OUR REPAIR FUND

From time to time I am asked how we are coming along with the money in the Repair Fund Envelopes. It is a pleasure for me to report that those who are participating in it are generous. As you know, we had to borrow \$13,000 for repairs on our windows and approximately \$3,000 for our doors. We have paid off \$2,500 on our loan. In order to do so, we had to borrow some of the money from the All Saints' Endowment Fund, which our congregation has been building up during the past 15 years. When our boiler exploded in November 1959 Bishop Hart sent us \$2,000. This was a real help and we are grateful to him for the aid. The Repair Fund was used in part to pay for the new boiler and for other necessary repairs. The Church School and the Dorcas Society gave us \$500 and \$300 respectively toward these expenses.

We hope to continue to reduce our indebtedness from time to time by your generous offerings in the special envelopes in your budget set. Some have given to this fund in thanksgiving for the many blessings God has bestowed upon them. We would be most happy to have all our parishioners share in reducing this indebtedness.

YOUTH CONFERENCES.

The Diocese has arranged for Youth Conferences to be held at the Conference Center. There are to be five Conferences for students in the eighth grade through the twelfth grade. All conferences start on Sunday afternoon and end on Saturday morning.

June 25—July 1 11th & 12 grades
July 2—8 10th & 11th grades

July 9—15 9th grade
July 16—22 8th grade

Several of our young people have attended the High School Conference and, from all reports, found them very instructive and helpful in their work.

We trust more of our young people will attend these conferences. If you are interested, talk with the Rector.

EPISCOPAL HOSPITAL

GENERAL CONVENTION

The General Convention of the Protestant Episcopal Church in the U. S. A. will meet in Detroit, Michigan, for one week beginning September 17th, 1961.

When General Convention meets for the sixtieth time this September, it will include two legislative bodies.

The groups are the House of Deputies, composed of priests and laymen in equal numbers, which met for the first time in 1785; and the House of Bishops, composed of all bishops, which first met in 1789.

Also, held in Detroit during the period of General Convention, will be the Triennial Meeting of the Women of the Church. The outstanding event of the Women's triennial meeting will be the United Thank Offering presentation service to be held early on the morning of Friday, September 22nd.

At this Convention plans and programs for the next three years will be made. Here you see the Church looking ahead to bring into being the mission of the Master.

CONFIRMATION

The Rt. Rev. J. Gillespie Armstrong, D.D., S.T.D., Bishop Coadjutor of the Diocese, will visit our parish on Sunday, March 4th, 1962, at 4:00 P. M., to administer the rite of confirmation. This will be the first official visit of Bishop Armstrong since his election as Bishop Coadjutor. We trust that vestry and members will assist the rector in forming a class of confirmees and will be present to welcome the Bishop to St. Paul's.

ALL SAINTS' DAY

On All Saints' Day there will be a celebration of Holy Communion at 7:00 A. M. and at 10:00 A. M.

At these services we will read the names of our Communicants who have gone to their reward since last All Saints' Day.

On Sunday, November 5th, we will read the names of our departed members and also the names of those memorialized, together with the names of the donors.

It has been our custom for many years to ask you to give through the All Saints' Day Memorial envelopes a thank-offering or a memorial offering in memory of a friend or a loved one. We trust that when you receive your envelopes you will return them before November 1st.

OLD CHRISTMAS CARDS HELP THE CHURCH IN JAPAN

Don't throw out those old Christmas cards! Otaru Episcopal Church in the Diocese of Hokkaido, Japan, can use them. For the past two years, this church has operated an unusual program, combining evangelism and fund-raising for a new church.

The Woman's Auxiliary at Otaru, with sixteen members, last year made 45,000 new cards from old religious Christmas cards. Some were used for exhibitions, shown during the Christmas season in four parishes in the diocese as well as in the largest art gallery in the city. Many people came to look, most of them not Christians (only six hundred thousand of the ninety million people of Japan are Christian, fifty thousand of them members of the Nippon Sei Ko Kai or Japanese Episcopal Church). Viewers have a rare chance to learn more about Christianity, and especially of the true meaning of Christmas.

Last year, about two-thirds of the remade cards were sold through Episcopal Churches. Additional cards, of a religious nature, are needed and may be sent to: The Rev. Augustin H. Amagi, Otaru Episcopal Church, 27 Shinonome-machi, Otaru, Hokkaido, Japan.

REV. ALFRED VAIL

The Rev. Alfred Vail, rector of St. James Episcopal Church, Downingtown, has been named to a newly created post of administrative assistant to the bishops of the Diocese of Pennsylvania. Bishop Hart announced the appointment. Mr. Vail will assume some of the duties performed by Dr. Long, who will retire.

STANDING NOTICE

HOLY COMMUNION 8:00 A. M.
CHURCH SCHOOL 9:30 A. M.
MORNING PRAYER AND SERMON 11:00 A. M.

Dear Friends:

We hope that you are looking forward with anticipation to sharing in the work of the Church, to doing your part in making Christianity a potent influence in the home, school, office and community. The way we can accomplish this is by being active members of Christ's church.

The program of the Church has been, is and will always be that of missions. Christ sent his disciples into the world to preach the gospel and to baptize converts in his name. The Church is pressing on with renewed vigor to bring the unchurched, the indifferent and lukewarm into the fellowship of Christ. How can it accomplish this great task? We know that people cannot know about Jesus unless they hear his word. Men must be called to carry on the Gospel. We must share in this undertaking. Because of lack of interest and gifts, the work has been curtailed.

We are going to have our annual Every Member Canvass in the near future. We shall ask all of you to give serious consideration to pledging what you think is God's share of your income to the spreading of his kingdom on earth. We want you to pray earnestly over the matter and give what your conscience dictates.

There are repairs to our plant that have had to be put off because of lack of funds. Because of heavy rains, we have undertaken some repairs on our buildings during the past summer. We have gone to considerable expense to repair the drains so that our basement and boiler-room would not be flooded. We have borrowed from the Sunday School and the Dorcas Society to meet some of this indebtedness. I am mentioning these things in order to point out special needs in the hope that you will fill in your pledge cards with these expenses in mind.

Most of you have been generous and we are grateful. I am appealing to **ALL** to give God his share of your income.

Looking forward to a year of dedicated work with you to accomplish much in the name of our Lord, I am

Faithfully yours,

THOMAS PARKER,
Rector

DORCAS SOCIETY

The Dorcas Society has resumed its regular Monday evening meetings.

Many money-raising plans are afoot. The Merchandise Club will start on October 2nd. There will be a Dutch Maid demonstration of lingerie on October 9th at 8:30 P. M. Paring knives may be purchased for 65 cents each. Christmas cards will be for sale.

New members to help us in our fall program will be welcome. Come, join us on Monday evening at 8:00 o'clock.

ANNA B. VANG,
President

WOMEN OF ST. PAUL'S

The Women of St. Paul's begin their regular meetings on Monday, October 2nd, at 8:15 P. M. We use the word regular in a two-fold meaning, first, our faithful members who come regularly and secondly, we learn regularly of our Church's part in this troubled world.

No one, certainly not our homemakers, the women, can afford to be indifferent to the witness of our Church at home, in our diocese, in our nation and in our world.

We shall learn, in the year 1961-1962, what the Church is doing to combat juvenile delinquency, and to aid the underprivileged and aged and the troubled people of the world.

Have you the knowledge of how our Episcopal Community Services bring help and save unfortunate souls here in our own city?

Just one night a month is a small amount of time to learn and be a part of God's saving work to mankind.

In reading a pamphlet about the laity and what work we can do, I found this quotation, "The Church is only as strong as its laity". And this applies to our women's groups. We deplore the youthful crime wave, poverty, and the threat of war. Learn about our Church's constant efforts to make a better world for all of us.

Miss Ridings, our president, and some of our women keep us informed about these projects by reading, bringing in reports, and giving back to God a portion of his gifts to us in this our land of plenty.

Make a resolution to attend the monthly meetings of the Women of St. Paul's the first Monday each month and be able to say I know and I care.

SUSAN B. CLARK,
Secretary

MEN'S DINNER

The Men of St. Paul's will have another of Fischer's Famous Beef Pie Dinners on Saturday evening, October 14th, 1961, from 5 to 7:30 o'clock. Adults \$1.50 and Children 85 cents. Please make your reservations through Mr. William McGill, HO 2-5572.

THE ANNUAL CHRISTMAS BAZAAR

We are announcing the date of our Christmas Bazaar now in order that we may prepare for this Annual event. It will be held on Saturday, December 2nd, from 2 P. M. to 10:30 P. M. We are asking you to make this one of the outstanding events of the year. We will need your help in donations of articles to sell, of money and new ideas. The Dorcas Society will prepare the Turkey Dinner and we know that it will be a delicious one. So plan ahead for this coming event.

THE CHURCH SCHOOL

The Church School is one of the most important departments of our church work. It is here that our boys and girls are taught the fundamentals of Christian living. We have a group of dedicated teachers who, Sunday after Sunday, train the children in their duty toward God and their neighbors.

We are in need of more men and women who can lead boys and girls into a better knowledge of God. We should give them the most thorough training that we can. Surely an hour and a half each Sunday morning is not too much to give to making them better Christians and better citizens.

Our Church School is interested, as it always has been, in the missionary work of the Church at home and abroad. We give toward the missionary projects of our diocese and toward general missions. We try to teach the children that all children are His children whether they reside in Philadelphia or the uttermost parts of the earth.

Will you help to make our Church School a school of real spiritual power? Come and help us to do a more effective work.

SUNDAY SERVICES

HOLY COMMUNION 8:00 A. M.
CHURCH SCHOOL 9:30 A. M.
MORNING PRAYER AND SERMON 11:00 A. M.

Dear Friends:

We have observed Loyalty Sunday during the month of November during the past several years and it has been a success in our Parish.

Loyalty Sunday is a day when we, as loyal members of the Christian Church, pledge anew before our altar the vows we made at our confirmation, to worship God in his Church and to give of our substance to carry out his command. Giving is a manifestation of love: "God so loved the world that He gave his only begotten Son, to the end that all that believe in Him should not perish, but have everlasting life." Ever since then Christians have given in love to the poor and needy and the outcast through missions to untold numbers who know not Jesus as the Son of God.

We are asking you, under the leadership of Mr. D. Cortlandt Montgomery, to set aside the Sunday next before Advent, November 26, to be in church, unless prevented by sickness, to give your share, willingly and with love, to help the Gospel to reach the hearts of men.

The theme this year is "Growing is Giving." Let us grow more and more in the likeness of our Master by giving ourselves to the task of spreading the Gospel of His most Holy Church.

Remember—Sunday next before Advent, November 26th—Loyalty and Stir Up Sunday—time 11:00 A. M. Let us stir up new enthusiasm for the principles of our Christian faith.

Faithfully yours,

THOMAS PARKER,
Rector

The Diocesan College Students Conference will be held on November 17th-18th at the Conference Center. The Conference Leader will be the Rev. A. T. Mollegen, one of the Church's most outstanding theologians with years of experience in conferences of this kind. The theme will be "The Life of the Church in the Life of the World." Students in College or Graduate School who wish to attend should contact their Rector, their College Chaplain, or call the Reverend Edwin G. Bennett at the Church House, LOcust 3-3248.

WOMEN OF ST. PAUL'S

Attention please, we the Women of St. Paul's would like to share with you the memories of our November meeting. It was a happy time for many reasons. Most of us could not attend our General Convention that is held every three years. This time it was in Detroit.

Miss Ridings, our president, gave us a picture of these activities, the vast gathering in Cobo Hall who received Holy Communion, the impressive service for the Triennial, when the women of the Church present their offering to which so many of you contributed. Thus you are really a part of this great service of our Women of the Episcopal Church.

Money is always a problem, but this story has a happy ending. With the help of our faithful members, we will be in a position to meet our financial commitments in December. We can remember the unfortunates in the Philadelphia General, our Episcopal Community Services, our five committees, the Episcopal Hospital, and others with Christmas cheer.

There was a report on Prayer, "the window through which God enters our daily lives".

Dr. Parker was happy to report a very satisfactory contribution for the Memorial Fund. He expressed faith in our continued efforts to meet the added drain upon our funds that have been made necessary due to repairs to furnace, roof, fence, windows and countless others.

Thus we had the pleasure of knowing we were on our way toward a happy and successful year.

On December 4th, we meet again. May we have the pleasure of your company.

SUNDAY SERVICES

HOLY COMMUNION 8:00 A. M.
 CHURCH SCHOOL 9:30 A. M.
 MORNING PRAYER AND SERMON 11:00 A. M.

Dear Friends:

Christmas is a joyful season of the Church year. It is joyful because we commemorate the birthday of our Lord. The Son of God was a gift from the One True God to a world that needed to be redeemed by Him. We are thankful for the birth of Christ our Saviour. It is fitting that we should show our appreciation of what He means to us and to all mankind. We come, as did the wise men of old, bearing gifts to carry on in his name the Gospel which He taught. We come, too, to worship Him as did the kings of old: not in a manger, but in his house which is called a House of Prayer. We come to His altar to receive Him in the sacrament of the Lord's supper, to make us spiritually minded, strong and worthy to be called his followers.

We will hold our Christmas Carol Service, with candle light, at 11:00 P. M., on Sunday, December 24th, followed by a celebration of Holy Communion. On Christmas Day there will be a service of Carols and Holy Communion at 10:00 A. M.

May this Christmas season be a blessed one for all of us.

Faithfully yours,
THOMAS PARKER,
Rector

SUNDAY SERVICES

HOLY COMMUNION	8:00 A. M.
CHURCH SCHOOL	9:30 A. M.
MORNING PRAYER AND SERMON	11:00 A. M.

Dear Friends:

1961 was a successful year in that we have been able to pay most of our current bills and have reduced our indebtedness over the years from \$13,000 to \$8,500. This has been accomplished by sacrificial giving on the part of our congregation. We are grateful to many of our members for this generosity.

The year 1962 has begun and we are planning to meet our challenge in a world that is confused with wars and threatened wars. Certainly it is an unsettled time in the lives of our young men who face the future with a tour of duty in the armed forces. We must bring them the spiritual help that is needed to make strong their faith. The Church and the Church School are the power houses for this faith. We pray that the Holy Spirit will direct and rule our lives. We want by our prayers and devotion, to help spread the gospel. Let us try during this year 1962, to make every effort to bring others to Church with us.

May this new year bring blessings and peace to us all and to all peoples.

Faithfully yours,

THOMAS PARKER,
Rector

CHURCH SCHOOL

The New Year is a time for resolutions. Our Church School would like you to keep it in mind. We have seven dedicated teachers who spend much time in preparing the instruction covering all grades from kindergarten to senior high. We are using a series of books called "The Episcopal Fellowship" which is prescribed by the Church. To these faithful helpers you are intrusting your most precious possessions, your children, for the most vital learning in their lives, their knowledge, relationship and love of God. The Christian fellowship and guidance they receive now will influence their thought and actions now and all through life.

We teachers and Dr. Parker would like you to begin the New Year with the resolution to meet us and learn more of your child's progress. When he or she knows you are interested, there

is happiness for the child and you will have the pleasure of knowing there is guidance in the right thinking and preparation spiritually to take his or her place as an adult in the strenuous life that surrounds our world.

Every Sunday is welcome day and the Family Service is held on the second Sunday of the month, at 9:30 A. M. Make a resolution to be present.

The Church School Teachers.

VOLUNTEER SERVICE

We are very happy to have Mrs. Susan B. Clark as our Volunteer Visitor. She already has visited most of the homes of our Church School boys and girls, inviting the parents to come to Church and to attend the various Parish organizations. Mrs. Clark is a great help to us and we are indeed grateful to her for volunteering for this worthwhile service.

MINUTES OF THE ANNUAL
PARISH MEETING OF THE
MEMORIAL CHURCH OF ST. PAUL

January 25, 1962

The Annual Parish Meeting of the Memorial Church of St. Paul was held in the Parish House on Thursday, January 25, 1962. Following the celebration of Holy Communion at 6:30 p. m., 32 members of the Church assembled for a dinner prepared by the Dorcas Society.

A short recess was taken after the dinner, and the Parish Meeting was called to order at 8:15 p. m. by the Rector, the Reverend Thomas Parker. The Meeting was opened with prayers for the Parish.

The reading of the Minutes of the last Parish Meeting, being the Annual Meeting held on January 25, 1961, was dispensed with by motion.

Dr. Parker stated that four vestrymen would be elected to serve a term of three years. Candidates nominated according to the By-Laws were declared to be:

Henry C. Bernheimer,
2811 S. 16th St., Phila. 45, Pa.
Charles B. Dooley,
1331 Shunk St., Philadelphia 48, Pa.
D. Cortlandt Montgomery,
4820 N. Carlisle St., Phila. 41, Pa.
J. Randall Skillen,
Virginia Drive, Presidential Lakes,
Browns Mills, N. J.

Mr. George Bernheimer and Mr. John Muller were appointed to serve as tellers of the election.

Dr. Parker read the Rector's Report for the year 1961. Mr. Harold K. Vang presented the Accounting Warden's Report, which was received with thanks and appreciation was expressed for his performance of the duties of the Accounting Warden in the past year.

Reports of Parish organizations were presented as follows:

Dorcas Society: General Report by Mrs. Anna B. Farley, Secretary. Financial Report by Mrs. Anna C. Bernheimer, Treasurer.

Women of the Memorial Church of St. Paul: General Report by Mrs. Susan B. Clark, Secretary. Financial Report by Mrs. Lillian C. Jones, Treasurer.

United Thank Offering Report by Miss Grace I. Ridings for Miss Ella M. Aikens, Parish Custodian.

Choir by Mr. Louis Sweeney, Organist and Choirmaster.

Church School: General Report by Miss Mildred K. Scouler, Secretary. Financial Report by Mrs. Margaret H. Walters, Treasurer.

Altar Guild by Dr. Thomas Parker, Director.

Prayer Group by Miss Grace I. Ridings, Group Leader.

Mr. D. C. Montgomery reported as Chairman of the Every Member Canvass. Dr. Parker stated that the results of the In-Church were gratifying and that this type of canvass would be continued.

The Rector expressed the appreciation of the Meeting to the Dorcas Society for preparing the fine dinner.

The balloting for vestrymen proceeded and upon its completion the ballot box was declared closed. The tellers reported

sent a short play on Christmas Eve at the 9:30 service and did a fine job.

A special word of thanks to Mr. Hesington who brightened up the Primary Room by painting the chairs and tables.

We were sorry to lose the services of Miss Carol Denise who left to attend college and we wish her the very best. There is always a need for teachers and we extend an invitation to anyone interested in teaching to get in touch with Dr. Parker.

REPORT OF THE PRAYER GROUP
FOR THE YEAR 1961

St. Paul says, in the first chapter of his Epistle to the Ephesians, "I cease not to give thanks for you, making mention of you in my prayers".

"So we pray, knowing that God invites us and that we could not be seeking Him if He had not already found us."

Our meetings are held in the Chapel on the third Tuesday of every month from October to May. The person who chooses to be leader has an entire month to prepare for his or her time.

We do not want you to forget the Prayer List which is on the outside of the Bulletin Board in the Church vestibule. On it you may place names of people from anywhere, for prayers reach from the nearest point to far in outer space.

We choose our prayers from many sources; they come from the Bible, from the Book of Common Prayer, from the booklets Prayers New and Old and Prayers For Every Occasion, from the Hymnal, and from any other source that gives to us suitable and favorite prayers.

There must be for us daily Rules of Prayer because we owe them to God and because we need the help of prayer. A life of prayer gives us the power "to run and not be weary, to walk and not faint."

We hope that you will join us frequently in 1962. Please do.

Grace I. Ridings

Prayer Group Leader

REPORT OF THE ALTAR GUILD
YEAR 1961

The members of the Altar Guild continue to perform their labor of love in a very acceptable manner. These women take care of the Altar and see that we have spotless linen every Sunday. They are in charge of the altar flowers and, through memorial gifts for flowers, have spent \$540.00 the past year.

There is a need of new linens. If someone would like to give some linens in memory of a loved one, kindly speak to any member of the Altar Guild or to the Rector.

The Treasurer reports that we have \$262.06 in the Philadelphia Saving Fund Society. The Rector is the Director, Mrs. Frank C. McCook is Co-Director, Mrs. Lillian Jones is Secretary. Mrs. Ella Coleman and Mrs. Sarah Roman are the other members of the Guild.

ANNUAL REPORT OF THE CHURCH SCHOOL—YEAR 1961

Once more the time has come to report on the status of the Church School. Last year, for the first time in many years, our enrollment decreased and we now have 68 pupils on roll. We are concerned about this and hope that everyone will do their part in helping us gain new members. We are sure that Mrs. Clark's visits to the families of our church school pupils will prove beneficial.

The attendance performance by our members last year was excellent and we gave out 36 awards for perfect attendance, 11 of which were for eight years of perfect attendance. This indeed, is a splendid record and accounts for over half of the total enrollment.

Last year, we reorganized our classes to correspond with the pupil's school status. The entire Sunday School is now using the Church Fellowship Lesson Series and we feel these have been most successful. We continued with our Family Worship Service which we feel could be more successful. We would like to see more of our pupils' parents attend this service which is always held the second Sunday of every month at 9:30 a. m.

As shown in the financial report, the Sunday School was most successful in all their endeavors to raise money. We are especially proud that we were able to present to Dr. Parker the sum of \$1,500; \$500 toward the missionary quota and \$1,000 toward the Church repairs. We also presented \$25.00 toward the Choir's vestments. Our sincere thanks to everyone who heeded our many requests to help us on our various sales of Christmas cards, Easter eggs, novelties, cakes, and our seafood supper. We appreciate the spirit of togetherness.

Our Primary Department pupils pre-

the results of the election of vestrymen to be in favor of:

Henry C. Bernheimer
Charles B. Dooley
D. Cortlandt Montgomery
J. Randall Skillen

The report was accepted and the candidates were declared elected.

The meeting adjourned at 9:30 p. m. with prayer by the Rector.

D. Cortlandt Montgomery
Secretary of the Meeting

ANNUAL REPORT OF THE RECTOR 1961

It is always a pleasure to welcome you to our Annual Meetings at which time the reports of the past year's business and activities are read.

We have had a successful year, in so far as our bills for current expenses have been paid. This was largely due to the generous giving of many of our congregation. We could have done better, to be sure, if all members had felt the same interest in and responsibility toward our Church. The "In-the-Church" Every Member Canvass was gratifying. Some have increased their giving and this has helped to keep us in the black.

I have made the usual calls on the sick and shut-ins of our Parish and as Bishop-appointed Volunteer Chaplain to the Episcopalians in the Methodist and Naval Hospitals. It is a joy to visit those who are unable to be present at the regular church services because of illness or infirmity. The visits to these Hospitals have brought me in contact with people from various parts of our country and, occasionally, from other countries. I have received full co-operation from both of these institutions. I have given 75 private communions and have held communion services at the Naval Base Chapel at 7:00 A. M. on the second Sunday of each month.

Each year we lose a few of our faithful members. Some have been called home by our Lord; others have moved from our neighborhood. Our present membership numbers 378. We have presented 7 persons to the Bishop for Confirmation. We have received some members by transfer from other parishes. We show a small loss in membership.

Our weakness lies in our Church School. We are hoping to add to our numbers. We are very happy to announce that Mrs. Susan B. Clark is our Volunteer Visitor. She already has visited most of the homes of our Church School boys and girls, inviting the par-

ents to come to church and to attend the various parish organizations. Mrs. Clark is a great help to us and we are indeed grateful to her for volunteering for this worthwhile service. Our teachers are faithful in attendance and in the preparation of lessons for their classes. The Church School contributes generously toward our missionary quota and gives the Mite Box Offering to Missions.

I could report the good work of the Dorcas Society, the Women of St. Paul's, the Altar Guild, the Prayer Group, and the Men of St. Paul's, but these organizations will give their own reports.

We look forward to the year 1962 with the hope that we may accomplish more for Christ during this year than we have in past years. The Christian Church can go forward only if its members will practice their Christian religion day by day.

May God bless you all and make your lives count for His Kingdom on Earth.

Thomas Parker,
Rector

ANNUAL REPORT OF THE DORCAS SOCIETY—YEAR 1961

The Dorcas Society meets every Monday night. The prime objective of the Society is to assist our parish in its work. We do the best we can with our small group. If we could increase our number perhaps we could do a bigger and better job. We ask the women to join us.

Our group raises money by giving a Sauerkraut supper on Shrove Tuesday, by having a lingerie demonstration and a Tupperware demonstration, and by filling quarter cards to turn in on Shrove Tuesday. Over the summer months we also fill dime cards. We have a merchandise club, sell cards for all occasions, and at Christmas time sell cards, candy and wrappings. We receive a few donations.

The women give in service when called upon to prepare dinners for the parish. Flowers are sent to the sick, and the departed are also remembered. Informal evenings of sociability are held at frequent intervals. New members are always welcome to our group.

REPORT OF THE CHOIR YEAR 1961

There is little that can be said in the nature of a formal report on the activities of the Choir. I am sure that all of you know that the work of the Choir is different from the other organizations of the Church.

Since every year an appeal for additional members has been made, I dislike having to do it again. But our need for your help is great, so please, won't some of you consider joining the Choir? Your voices can be heard singing in the congregation—so I know that there are potential members. Even if you are like Ulysses S. Grant who said, "I only know two tunes. One is Yankee Doodle and the other isn't." You are still needed and wanted.

Louis Sweeney,
Choirmaster and Organist

REPORT FOR 1961 OF THE WOMEN OF THE MEMORIAL CHURCH OF ST. PAUL

This is the occasion when we assess the things we have done and those not finished. Unfinished projects are those we cannot not until our last meeting in May. We would like you to know our accomplishments. Each month we meet in prayer, in learning about our Church, and in fellowship. Prayer is always a time when we remember the special liturgical seasons of the year; our fellow

members, especially those who are absent or who are experiencing life's difficulties; and our Church and its many and varied projects both at home and abroad.

We never leave a meeting without becoming aware of some of the recent phases of Church work. Some of our topics this year have been about Bishop Bayne, our own American Bishop, who is now the executive secretary of the entire Anglican Communion; a new national twelve-story Church Center to be constructed in New York; map studies and talks about the Anglican Church in Central America and throughout the world; articles in Time, Look, and the Evening Bulletin on the Center City Church, a matter of vital importance to us; and a report on our Church in Mexico.

We were especially interested in hearing about our General Convention. Bishop Bayne was the most prominent figure. The Philippine Church, now concordant with us, is adding more than two and a half million souls and is the largest non-Roman Church in Asia. The theme of this great gathering was Christian Unity, to win all to Christ's Church without fear or favor, one Holy Catholic Church.

Miss Ridings, our President, comes prepared with a large portfolio of information. You will hear comments from our members, such as, "I had no idea we were so active in Southern Brazil," and, "It is encouraging to know we have added a new missionary district in Latin America."

When Dr. Parker speaks to us we are left with many pertinent thoughts. I quote some of his remarks: "If we please God, we are coming close to the way He wants us to live," "We should attend Church to stimulate interest for others," "More study of the Bible at home brings greater understanding of the services of the Prayer Book and the meaning of the Catechism."

To cover so much territory in one short session each month means tremendous effort on the part of our President and those who bring reports from the Church House. Every member who comes contributes, and leaves with a feeling of having known and helped in the many problems of our Church.

We hope every woman will have the desire to be informed and will be a part of us on the first Monday of each month.

Susan B. Clark
Secretary

WHEN YOU PRAY

1. Give the first few minutes of your day to God. Begin by saying, "O God, who art present in every place, help me to realize Thy presence here and now."

2. If you can be alone before breakfast, take at least five minutes more, if necessary, for prayer. Let yourself go, simply and naturally, sharing with God what is on your mind.

3. Practice speaking to God as you travel to your business: on the bus, train or subway. Speak to Him while you are at work. Tell Him of the important things of the day. Thank Him for the opportunities, and tell Him of the concerns which are yours.

4. Include the needs and welfare of others in your prayers. Pray for family, friends, neighbors, for the leaders of your community, your nation, your world. Pray that peace and brotherhood may come in your time.

5. Do not be afraid of silence in your prayers. Listening is quite as important as speaking. The writer of the Psalms discovered it was important, and he wrote: "Be still and know God."

6. Stop for a few minutes of prayer whenever possible in the quiet, worshipful atmosphere of an Open Church.

7. Have confidence that God is with you and helping you. He is more ready to give than you are to receive.

8. Express thanks for the gifts God has given you—friends, food, the creative works of others. Thanks is a beautiful word. It enriches prayer and all of life.

STANDING NOTICES

Those who wish to become members of St. Paul's are asked to send their names and addresses to the Rector.

Communicants coming into the Parish or leaving it, should comply with the following Canon:

"A communicant removing from one parish to another shall procure from the Rector, if any, of the parish of his last residence, or if there be no Rector, from one of the Wardens, a certificate stating that he or she is a communicant in good standing."

Parishioners are asked to send prompt notice of change of residence.

The Rector should always be consulted before arrangements are made for baptisms, marriages or funerals at which he is expected to officiate.

Attention is called to Rubric before the Office for the Visitation of the sick, which reads:—"When any person is sick, notice shall be given thereof to the minister of the parish."

On due notice being given, the Rector is always ready and desirous to visit those who are in trouble, sorrow, need, sickness or any other adversity, and to administer the Holy Communion to such as, by reason of sickness or other infirmity, are prevented from coming to Church.

DIOCESAN CORPORATE COMMUNION

The Feast of the Annunciation Corporate Communion and Breakfast for all the women of the Diocese will be held on Monday, March 26, at Old Christ Church, Second St. above Market at 8:00 A.M.

Bishop Hart will be the celebrant. Bishop Stark of the Diocese of Newark will be the breakfast speaker.

Purchase your breakfast tickets before March 21 through the women's office at the Church House.

THE PURPOSE OF PRAYER

If GOD knows what we want and will to us give what is best for us, what is the use of praying at all?

The very asking of this question shows a fundamental failure to understand the purpose of prayer.

The object of prayer is not to inform GOD or correct His plans, to drag His wisdom down to our intelligence, but to educate us into more intimate personal relations with GOD.

SUNDAY SERVICES

HOLY COMMUNION	8:00 A. M.
CHURCH SCHOOL	9:30 A. M.
MORNING PRAYER AND SERMON	11:00 A. M.

Dear Friends:

We are now observing Lent, a penitential season in preparation for Easter. It is a time for us to evaluate our spiritual lives. We will find that we have committed sins of omission and commission. We will find, too, that we have been remiss in our attendance at the House of Prayer. It is here that we receive the power of the Holy Spirit to enable us to live better lives. It is a time when we seek to return to daily communication with God; a time when we recall the lessons about Jesus that we were taught as children in the Church School; how He called men to be His disciples to carry on in His name acts of charity and good will; to love one another and so fulfill the laws of Christ.

It makes us realize how much we have fallen short of His command to go preach the Gospel.

During this period of the Church year, we recall again how eager we were to gather pennies for our mite boxes to present to God for the extension of His Kingdom. We were happy to hear the missionary Bishops of our Church tell how our money was used to build churches and schools, to help to pay salaries of dedicated men and women in missionary fields.

The Lenten offerings of our Church School are still used for the same purposes. How many of us have continued to be a part of that band of soldiers carrying the banner of Christ?

We can keep this Lent by renewing our confirmation vows. We can do so by worshipping God in His House and receiving His body and blood in the Sacrament of the Lord's Supper, and by learning "to give and not to count the cost" to serve our Lord and Saviour. Then, as we come to Easter, we can sing with the angelic choir "Jesus Christ is Risen Today."

May we observe Lent by preparing our hearts for the Day of Resurrection.

A blessed Easter to you all!

Faithfully yours,

Thomas Parker

SUNDAY SERVICES

HOLY COMMUNION	8:00 A. M.
CHURCH SCHOOL	9:30 A. M.
MORNING PRAYER AND SERMON	11:00 A. M.

Dear Friends:

Easter Day is a joyous occasion for all Christians as we recall that Jesus Christ arose from the dead and, in rising he gave to us the promise of everlasting life with him in his house of many mansions.

During Lent we have been preparing for a better understanding of the meaning of Easter Day.

With our devotional reading we have studied the words of Jesus, as he uttered them to his audiences, and to reinterpret his sayings in the light of our studies.

We relive our Saviour's last days on earth. We rejoice with the crowds that hail him as King and are saddened when we recall how his followers deserted him in his hour of greatest need. We think of the many Christians who today are numbered with those who rejected him.

We rejoice when we read the words of our Lord as he forgives those of his company and reinstates them to positions of honor in his kingdom. We know, too, that Jesus is the loving, forgiving Father who is ever ready to receive us and pardon us when we confess our sins.

As I began this letter I will close it by repeating that Easter is a joyous occasion for all Christians who believe in the Resurrection of our Lord.

May you have a Happy and Blessed Easter.

Faithfully yours,

THOMAS PARKER,
Rector

SUNDAY SERVICES

HOLY COMMUNION	8:00 A. M.
CHURCH SCHOOL	9:30 A. M.
MORNING PRAYER AND SERMON	11:00 A. M.

Dear Friends:

Many of us look forward after Easter to vacationtime and a period of rest and relaxation, after which we plan and prepare for the work of the coming fall and winter.

Church services are never discontinued but, please note, through July, August and September 9th, they will be at 8:00 and 10:00 A. M. We trust that, if you are in town, you will make every effort to be present at one of these services.

Once again we wish to thank all of our members and friends for the generous Easter offering of \$1,600.84.

Our Church School, through its Mite Box Offering, will present \$161.51 for the children's missionary offering. This is a sacrificial offering and we are proud of what our teachers and children are doing to help in the missionary cause of the Church.

Our prayers are that God will send forth leaders from our Church to help spread the Gospel of his Son Jesus Christ.

May we always remember the work of our Bishops and Diocese in our prayers.

Faithfully yours,

THOMAS PARKER,
Rector

You all are invited to be present when the children of the Diocese present their mite box offering.

THE WOMEN OF ST. PAUL'S

The South Philadelphia Convocation was held at Gloria Dei on Tuesday, April

24th, 1952. In the Women's Meeting, held at 3:30 P. M., Mrs. Drury Hinton was a delightful speaker on the Episcopal Community Services. Mrs. Hinton illustrated her talk with slides. Do you know there are six divisions to this work? Namely—All Saints' Hospital for the treatment of Chronic Diseases, Church Work Among the Blind, Episcopal Children's Service, Family Counseling Service, and the James C. Smith Memorial Home.

This was followed by Evening Prayer and then dinner in the parish building.

In the evening meeting the problems of the Convocation are discussed and how they are met. This was a time of special significance to us at the Memorial Church of St. Paul. Bishop Armstrong made particular mention of Dr. Parker's constant and untiring ministry to the Episcopal patients at the Naval and Methodist Hospitals. Each week our Rector spends many hours at the bedsides of the suffering, giving them comfort and hope in facing their pains and anxieties. It is a silent and little realized task that has been so well done. We were happy to know the whole Convocation gave Dr. Parker a rising vote of thanks.

PRAYERS

FOR THE WHOLE CHURCH

The Presiding Bishop has asked the prayers of the Episcopal Church during the forthcoming Vatican Council of the Roman Catholic Communion. He has suggested the following prayers for regular use, beginning October 11, 1962:

Almighty and Everlasting God, who by the Holy Spirit didst preside in the Council of the blessed Apostles, and hast promised, through thy son Jesus Christ, to be with thy Church to the end of the world; We beseech thee to be with the Council of thy Church now assembled in thy Name and Presence. Save them from all error, ignorance, pride, and prejudice; and of thy great mercy vouchsafe, we beseech thee, so to direct, sanctify, and govern them in their work, by the mighty power of the Holy Ghost, that the comfortable Gospel of Christ may be truly preached, truly received, and truly followed, in all places, to the breaking down the kingdom of sin, Satan, and death; till at length the whole of thy dispersed sheep, being gathered into one fold, shall become partakers of everlasting life; through the merits and death of Jesus Christ our Saviour. Amen.

* * * * *

O Gracious Father, we humbly beseech thee for thy holy Catholic Church; that thou wouldest be pleased to fill it with all truth, in all peace. Where it is corrupt, purify it; where it is in error, direct it; where in any thing it is amiss, reform it. Where it is right, establish it; where it is in want, provide for it; where it is divided, reunite it; for the sake of him who died and rose again, and ever liveth to make intercession for us, Jesus Christ, thy Son, our Lord. Amen.

* * * * *

O God, the Father of our Lord Jesus Christ, our only Saviour, the Prince of Peace; Give us grace seriously to lay to heart the great dangers we are in by our unhappy divisions. Take away all hatred and prejudice, and whatsoever else may hinder us from godly union and concord: that as there is but one Body and one Spirit, and one hope of our calling, one Lord, one Faith, one Baptism, one God and Father of us all, so we may be all of one heart and of one soul, united in one holy bond of truth and peace, of faith and charity, and may with one mind and one mouth glorify thee; through Jesus Christ our Lord. Amen.

Dear Friends:

It is always good to greet you after a summer of rest and relaxation. We are eager now to plan activities for the coming church year. But more than the pleasure of coming together again and the urge to get started is the realization that we are meeting to worship God in his House of Prayer. We hope to make our spiritual lives an example to those in our community. Our church means something to us. It is here that we learn about God and his son Jesus Christ. The more we learn the more we desire to put into practice the principles which he taught. We are to learn to love one another and to live in peace with each other. We have been set apart by confessing that Jesus Christ is our Master and we have promised to follow him and to spread the Kingdom of God among men.

May we dedicate our lives to Him.

Faithfully yours,

THOMAS PARKER,
Rector

REPAIRS

During the summer, as seems to be necessary each year, it was necessary to make some repairs on our church property. For some time now we have been having leaks in the roof of our Parish House. The Vestry ordered them repaired. We had to have new spouting. As far as we know now, our buildings are in good condition. Our oil tank had to be cleaned, as we use No. 5 heavy oil. The expense entailed for this work will be over \$1600. This report is made in order that you may know what your "Expense Envelope" can do. We hope that you will remember to bring it in when it is due.

BOHLEN LECTURES OF 1962

These lectures will be given in Holy Trinity Church, by Professor John Knox of Union Theological Seminary, New York.
Sunday, October 14—8 P. M.

Lecture No. 1: "The Church and The Resurrection"
Monday, October 15—3 P. M.

Lecture No. 2: "The Church and The Incarnation"
Monday, October 15—8 P. M.

Lecture No. 3: "The Church and The Atonement"

Members of the congregation are invited to attend these lectures. Dr. Knox is a member of Phi Beta Kappa, the Society of Biblical Literature and Exegesis and a Fellow of the National Council on Religion in Higher Education.

The 20th Anniversary of the Consecration of Bishop Hart.

On Tuesday, October 16th, the 20th Anniversary of Bishop Hart's Consecration will be observed.

There will be a celebration of Holy Communion at 10:30 A. M. Bishop Hart will be the Celebrant and the Rt. Rev. Noble C. Powell will preach at Holy Trinity Church, Rittenhouse Square.

A reception at 6:30 that evening will precede the Anniversary Dinner at 7:00 o'clock at the Sheraton Hotel.

We trust many of our members will be present at this anniversary honoring our Bishop.

WOMEN OF ST. PAUL

We, the Women of St. Paul's, greet you and extend an invitation to come to our meetings, the first Monday night of each month. All women are members whether they attend or not. We do hope you will exercise this privilege and spend this one night a month with us.

We informed how we are helping in the effort to spread Christ's mission, learn about such topics as our Episcopal Community Services in our own city, our Church's rural work with its center in Kansas, Fort Defiance in Arizona, and Bishop Gordon in Alaska.

This year we are considering the Run of East Asia. Will Christianity survive here in these awakening lands? Japan is but one half of one per cent Christian and Taiwan with the largest number is ten per cent.

Come and learn how we are meeting this challenge with Miss Grace I. Ridings, our president.

DORCAS SOCIETY

Once again we have resumed regular meetings of the Dorcas Society. We were happy to welcome a new member, Mrs. John Scorr. We trust more of our women will want to join with us to help our Church.

Plans were made to sell birthday cards, get well cards and Christmas cards. The new merchandise club was started on Oct. 1st. You may join this club by speaking to any member of the Dorcas.

The meetings are held every Monday evening at 8:00 o'clock. We will be happy to welcome you.

ANNA B. VANG,
President

MEN'S SUPPER

On Saturday, October 27, the men are going to serve a Fischer's Famous Bee Pie Supper. We hope you will reserve this date and come to enjoy the fellowship, as well as the Beef Pie.

DEDICATION SUNDAY

On Sunday, October 28, we will have our Annual Loyalty Sunday, when we again dedicate our life to the Church of Christ. You are asked to be present at the 11:00 o'clock service. We trust that you will make every effort to be present with your family. It is important for all of us to learn what the Church is doing in the Community, in the Diocese and in other parts of the world.

SUNDAY SERVICES

HOLY COMMUNION	8:00 A. M.
CHURCH SCHOOL	9:30 A. M.
MORNING PRAYER AND SERMON	11:00 A. M.

Dear Friends:

We have many things for which we may give thanks to Almighty God. We can worship him as our training and spiritual life may dictate. We are not forced to worship. We are not restricted in our religious beliefs. We give thanks to God for the freedom of religion in our country.

We gather together on a special day set apart by our President to thank God for the fruits of the ground and for other blessings we have received during the year.

Bishop Hart has asked us to share our blessings with the Episcopal Hospital, to support the services of the Chaplain with our Thanksgiving Offering. The Chaplain means so much to the patients and to the staff when he brings the gospel to them. He also helps with the tests for men who are thinking of entering God's service.

We are looking forward to the services at Christmas time. We try to be of assistance to those who need our ministry. We have a responsibility to the Lord who has given us health and who has provided us with a beautiful temple in which to pray for the peace of the world. We are mindful, too, of wasted opportunities and pray for forgiveness. We want to be soldiers of the army of God. Too many of us have been lukewarm in our duties toward God. It is time for us to awaken. Advent will soon be with us when we start our new Church year. Let us begin the Advent Season with a determination to be more useful Christians. We all need the church of God and God wants us.

Think of and pray for each other that we may be instruments for the building of God's Kingdom on earth.

Faithfully yours,

THOMAS PARKER

CONFIRMATION

The Rt. Rev. Andrew Yu Yue Tsu, for the Bishop of Pennsylvania, will visit our Parish on Sunday, March 10th, 1963, to administer the rite of Confirmation. The classes for instruction will meet on Friday, January 4th, at 4:00 P.M. Those thinking of being Confirmed kindly speak to the Rector.

CHURCH SCHOOL

On the Second Sunday in October, at the Family Service, awards were given to those who had been regular in attendance during the past year. In our October Chronicle the following names were omitted: Regina Mitchell, Charles Tucker, Martha Keating, Katherine Mitchell, Ruth Scorr, Louise Scorr, Sally Scorr, George W. Bernheimer, Jr. and Harry Vang. We congratulate these members of our Church School who have been regular in attendance for nine years.

We are happy to welcome to our teaching staff the Misses Katherine Mitchell and Sally Scorr.

IN MEMORIAM

On Sunday, October 14th, the Rector blessed the beautiful Bible for the Lectern, given to the Glory of God and in loving memory of our late vestryman and Accounting Warden, Edgar Bristol Coleman, by his wife, Mrs. Edgar Bristol Coleman. Flowers were placed on the Altar in his memory by his daughter Mrs. Russell Reiner.

MRS. THOMAS S. BOYLE

Mrs. Thomas S. Boyle, the wife of one of our former vestrymen, who died on October 9th, remembered St. Paul's in her will, bequeathing the sum of one thousand dollars. For many years Mrs. Boyle was a member of the choir and active in the many organizations of St. Paul's. We are truly grateful to her for remembering her former parish in her will.

ADVENT FOLDERS

The Advent Folders will be mailed to you. We are asking you to return them at one of our Christmas services, together with your Christmas Offering.

MEN'S CORPORATE COMMUNION

The Men's Corporate Communion will be held on the Sunday next before Advent, November 25th, at 8:00 A.M. Following this service breakfast will be served in the Parish House. The men and boys of our Parish are invited to this service.

DORCAS SOCIETY

The Dorcas Society meets every Monday evening at 8 o'clock in the parish building. We have many timely and interesting projects on hand. The women have had a very successful season so far.

We would gladly welcome any new members. Won't you come out and join us?

ANNA B. VANG, President

THANK YOU

We are grateful for an anonymous gift of two hundred dollars. The donor requested that this gift be used toward the expense of repairs on the roof.

WOMEN OF ST. PAUL'S

We are looking forward to our December meeting with as much pleasure as we experienced in November. Then we learned something of the beauty and the role of our National Cathedral plays in the life of our nation.

Christmas is a time of giving. From our treasurer's report we had a comfortable feeling of knowing we can distribute Christmas cheer to some of our less fortunate brethren.

We hope you will join us and know a few of our activities, as remembering the work of our Chaplains in the Philadelphia General Hospital and at Byberry, the many demands of our Episcopal Community Service and St. John's Settlement House.

We gather for worship, inspiration, and the giving of ourselves, to the cause of our needy fellow men. There is a friendly coffee hour at the close. We leave with a feeling that we, the Women of St. Paul's, are sharing with all the women of our faith in activities to spread Christ's Mission in the world.

Monday, December third, is our meeting night. Be with us in worship, learning and fellowship.

SUSAN B. CLARK,
Secretary

PARISH COUNCIL

A Parish Council has been organized to help in the planning of activities for the Church. The following are members: Mrs. Helen H. Jillard, Mr. D. C. Montgomery, Mrs. Frank C. McCook, Mr. and Mrs. Harold K. Vang, Mr. and Mrs. Roy T. Walters, Miss Ella Aikens, Miss Grace I. Ridings and Mrs. Susan B. Clark.

STANDING NOTICES

Those who wish to become members of St. Paul's are asked to send their names and addresses to the Rector.

Communicants coming into the Parish or leaving it, should comply with the following Canon:

"A communicant removing from one parish to another shall procure from the Rector, if any, of the parish of his last residence, or if there be no Rector, from one of the Wardens, a certificate stating that he or she is a communicant in good standing."

Parishioners are asked to send prompt notice of change of residence.

The Rector should always be consulted before arrangements are made for baptisms, marriages or funerals at which he is expected to officiate.

Attention is called to Rubric before the Office for the Visitation of the sick, which read:- "When any person is sick, notice shall be given thereof to the minister of the parish."

On due notice being given, the Rector is always ready and desirous to visit those who are in trouble, sorrow, need, sickness or any other adversity, and to administer the Holy Communion to such as, by reason of sickness or other infirmity, are prevented from coming to Church.

SUNDAY SERVICES

HOLY COMMUNION	8:00 A. M.
CHURCH SCHOOL	9:30 A. M.
MORNING PRAYER AND SERMON	11:00 A. M.

Dear Friends:

At the beginning of the new year we might ask ourselves "What does the Church of God mean to us?" It is well to ponder this question, to enable us to answer it as truthfully as we can. We profess to be Christians but we let other things take priority over our religion. We turn to the Church only when we feel incapable of solving our problems ourselves. We think of the Church as a sort of powerhouse to which we may turn for help. He has always been ready to help when we called upon Him and will continue to be until our life's end.

Have we given our lives completely to Him so that we may enjoy the blessings that come to those who call upon Him? The Church will have a much deeper meaning for us, if we will surrender our lives to the Son of God who came to be our Redeemer so that we may live with Him eternally.

May we be faithful to our Lord and may He give us health and the will to serve Him joyfully the remaining days of our lives.

Faithfully yours,

THOMAS PARKER

We are happy to welcome to our teaching staff Miss Sally Scorr and Miss Kathy Mitchell. We are currently studying the Episcopal Fellowship Series. We continued our Family Worship Service, which is held the second Sunday of each month, and as we feel that this Service is a rewarding one we would like to see more parents attend.

Our social activities included our Hallowe'en Party, and our annual picnic which was held at Lenape Park.

During the year our teachers and pupils worked very hard on various projects to raise \$500.00 to give to the Church toward

its Missionary Quota.

We would like to take this opportunity to thank all those who worked with us on our many projects, for without their help and cooperation we could not have achieved our goal. A special thank-you to Mrs. Susan Clark for visiting our boys and girls and their parents and inviting them to attend our Family Worship Service.

We hope the fine work of the Church School will continue in 1963, with God's help.

REPORT OF THE PRAYER GROUP FOR THE YEAR 1962

"What one activity sets the parish church apart from the countless other organizations in your community? The answer, of course, is Prayer."

Prayer is our response to God's outpouring love; it is not a luxury but a duty which we owe to God. Our human duties are quiet prayer and creative work; our human knowledge is that we are already with God and that He is within us.

It is difficult to give a report of a Prayer Group; we have no measurements for success or for failure; we have no treasurer's report. But we do have the knowledge that a group can reach a level of worship far beyond that which one could reach alone.

We meet in the Chapel on the third Tuesday of every month from September to May. Come to pray with us. Please do.

GRACE I. RIDINGS
Prayer Group Leader

SUNDAY SERVICES

HOLY COMMUNION	8:00 A. M.
CHURCH SCHOOL	9:30 A. M.
MORNING PRAYER AND SERMON	11:00 A. M.

Dear Friends:

The Wardens and Vestry gratefully acknowledge the many contributions to the Memorial Church of St. Paul given in loving memory of the Rev. Thomas Parker. The fund to date amounts to \$1,400.

We have been fortunate in obtaining the Rev. J. Daniel Stover to take charge of our services until it is possible for us to call a rector. The Vestry is actively pursuing the matter. To reach a decision will take several months. It is hoped that we will have a rector in residence during the summer. The Church's program will be under the supervision of the Rector's Warden, Mr. Frank C. McCook, during the interval.

We have had a fine attendance at all of our services. We appreciate the way in which our group leaders are continuing their programs in their societies and services of worship.

The Lenten and Easter services will be as follows:

Wednesdays in Lent — the prayer and discussion group meets at 8:00 P. M. This is a service for all parishioners.

Maudy Thursday — Service of Holy Communion, 8:00 P. M.
Good Friday — Union Service, Noon to 3:00 P. M.

Easter Even (Saturday before Easter)—Holy baptism, 3:30 P. M.

Easter Sunday — Holy Communion, 6:00 A. M.
Church School Easter Service, 9:30 A. M.

Holy Communion and Sermon, 11:00 A. M.

This year we are not able to hold a service at 10:00 A. M. on the Wednesdays of Lent nor on the morning of Good Friday.

We hope you will make this Lenten Season one in which you find a closeness with Christ's teachings of love and stewardship. Lent should be a time of change in which we substitute new and fresh Christian ideas and actions for old and faded worldly thoughts and expressions.

A LETTER FROM MRS. THOMAS PARKER

Dear Friends:

May I express my gratitude to the Vestry and parishioners of St. Paul's for the many helpful ways in which they manifested their love and concern for Dr. Parker and me during Dr. Parker's illness and after his passing. So many cards, notes, flowers and other remembrances were received that I find it impossible to acknowledge them all personally, although I would like very much to do so.

Sincerely,
LOUISE S. PARKER

CHURCH SCHOOL SUPPER

A Church School supper will be held on March 30th from 5:30 P. M. to 7:30 P. M. You may have a choice of fried oysters, fillet of flounder, or chicken croquettes. The charge is \$1.50 for adults and 75c for children. Reservations should be made in advance through Mrs. Charles A. Kitchner, Jr., 1124 West Moyamensing Avenue (48), Telephone HO 2-5894. All reservations should be made by March 27th.

GOOD FRIDAY UNION SERVICE

The South Philadelphia Ministerium will hold a Union Service on Good Friday, April 12, 1963, in the Memorial Church of St. Paul between the hours of Noon and 3:00 P. M. It is hoped that the members of St. Paul's will attend a portion or all of this service and avail themselves of the opportunity to hear the pastors of adjacent churches of other faiths. Each pastor will be heard for a portion of the service. The Rev. J. Daniel Stover will be the host pastor to the Ministerium.

PRIVATE COMMUNIONS

The Rev. J. Daniel Stover will visit any of our parishioners who are ill or aged if it is their desire to receive Holy Communion. If you have knowledge of any parishioner to whom Mr. Stover could be of service, would you please let him know. It is his desire to visit all of the shut-ins in order that they may receive their Easter Communion.

EASTER PLANTS

The Altar Guild would be glad to receive cash donations for the decoration of the Chancel with flowering plants on Easter Sunday. However, if you plan to help by sending a plant, it is desired that they be delivered before Noon of the Saturday preceding Easter.

REPORT OF THE CHOIR—YEAR 1962

The members of the Choir have made their contribution to St. Paul's by faithful attendance at the services. This is truly a service of stewardship.

The demise of our dear friend and Rector, Doctor Parker, has brought us deepest sorrow. The Choir will make a contribution to the Endowment Fund in his memory. Because we know that Doctor Parker's wish for St. Paul's would be to continue serving each Sunday, we ask that others will join us in the Choir; there could be no better memorial to Doctor Parker and to the members of the Choir

and congregation who have joined the Church Triumphant.

REPORT FOR 1962 OF THE WOMEN
OF THE MEMORIAL CHURCH OF ST. PAUL

Our message is to all the women of our parish. As you know, every woman is a member by right of baptism. Not all of us avail ourselves of this privilege, but we, who do attend our meetings, would like to give an account of a very successful year. We feel proud to be a part of the great work of the women of our Church at large, for our monthly sessions are devoted to these interests.

After our opening devotions, a regular program is followed consisting of reports from the various committees, excerpts from current publications of the Episcopal Church, and plans for giving assistance to worthy projects.

Doctor Parker closed our sessions with a talk and his benediction. His last speech was one of encouragement about our work and the hope more would attend. We deeply regret his loss and the privilege of his presence that will never be ours again.

Our evening is closed with a social hour

and friendly greetings over the coffee cups.

Our special interest this year has been the rim of East Asia. These lands, Taiwan (Formosa), Japan, Hong Kong, and Okinawa, have a teeming population, great poverty, much unemployment, and political unrest. They are searching for a new way of life, and very, very few are Christians. We have a challenge to bring to these souls a better way of life in the fellowship of the Church.

Our own Diocese has its community services that are seeking to preserve and strengthen family life. Their extensive program demands our active interest.

We do hope you will feel a greater interest and will join our President, Miss Ridings, and our faithful active members on the first Monday of each month at 8:15 P. M.

ANNUAL REPORT OF THE DORCAS SOCIETY — YEAR 1962

The Dorcas Society meets every Monday night. At these meetings we discuss how to raise money for the parish. We have raised money by having a hat sale, a lingerie demonstration, and a merchandise club. On Shrove Tuesday we have a sauerkraut supper, and quarter cards are turned in that night. Over the summer months dime cards are filled. The Society sells cards for all occasions during the year, and at Christmas time candy, cards and wrappings are sold. Donations are also

received. Mrs. Doughty has donated art needlework to help in raising funds.

The women give their services when called upon to prepare dinners for the parish. Flowers are sent to the sick and the departed are remembered. Informal evenings of sociability are held at frequent intervals. New members are always welcome to our group.

Respectfully submitted,

ANNA B. FARLEY
Secretary

SUNDAY SERVICES

HOLY COMMUNION	8:00 A. M.
CHURCH SCHOOL	9:30 A. M.
MORNING PRAYER AND SERMON	11:00 A. M.

Dear Friends:

We wish on your behalf to express our appreciation of the fine discussion of the six Key Words for Lent by Mrs. Susan Clark and Miss Grace Ridings on the Wednesdays during Lent. Doctor Parker had planned these services and his absence was felt deeply by those who attended.

As we go through this period in our Church's life without the guidance and ministrations of a rector, it was gratifying to us to worship with the large number of parishioners who attended the Easter services.

The Lenten and Easter offerings show a generous giving by the people of St. Paul's amounting to some \$1,400.

The Wardens and Vestry were overwhelmed by the large number of contributions received as memorials to Doctor Parker. More than 150 persons contributed in an amount in excess of \$1,500. This issue of the Chronicle contains a list of the donors. May we express our thankful acknowledgment.

As we enter the post-Easter season we request your continued prayers that after careful consideration the Vestry may be successful in calling a rector. We are very pleased that the members so fully appreciate the services of the Rev. J. Daniel Stover in the interim. So many of you have expressed your gratification. Mr. Stover has agreed to stay with us for a while longer.

The cooperative spirit with which you have responded to our requests indicates that you are ever ready to share in furthering the work of St. Paul's Church.

MEMORIAL SERVICE FOR MRS. SCHUYLER VOLKMAR

A memorial service will be held on Sunday, April 21st, at 4:00 P.M. in the Chapel of the Holy Communion, 27th and Wharton Streets, for Mrs. Scuyler Volkmar. The Right Reverend William Remington, retired Suffragan bishop of the Diocese, who now resides in California, will journey here to conduct the service for Mrs. Volkmar. Bishop Hart will attend as will the Rev. John H. A. Bomberger, Rector of Holy Apostles and The Mediator, which is the mother church of the Chapel.

Mrs. Volkmar was the former Sophie Thomas, daughter of the late George C. and Ada Moorhead Thomas. Her father helped found many churches in the Diocese. Mr. Thomas was the donor of the church edifice of St. Paul's and his children gave the parish house in his memory.

SUPPER BY THE MEN'S GROUP

The Men's Group will serve one of their delightful chicken pie dinners on Saturday, April 27th, from 5:00 to 7:00 P.M. The cost of the dinner is \$1.50 for adults and 85c for children. You have enjoyed these delicious dinners in the past, so come and bring the family to this one.

Reservations should be made through Mr. Henry Bernheimer, 2811 South 16th Street. Telephone FU 9-0924.

CONVENTION OF THE DIOCESE OF PENNSYLVANIA

The 179th Annual Convention of the Protestant Episcopal Church of the Diocese of Pennsylvania will hold its opening service on Monday, May 6th, at the Church of the Holy Trinity on Rittenhouse Square in Philadelphia. A special service to which all members of St. Paul's Church are invited will be held in the Church of the Holy Trinity at 8:00 P.M. on this date. The Right Reverend Oliver J. Hart will deliver the address.

THE UNITED THANK OFFERING

The United Thank Offering will be collected on Sunday, April 28th. This is a special thank offering to God by the women of the Church for their many blessings. It is given by women from all parts of our country and united into one big fund to be distributed to needy causes, beginning in our own diocese and extending to far flung places such as Alaska and Okinawa. We hope many women will join in this call to service so that we may continue extending the hand of friendship where it is most needed.

Susan B. Clark,
Secretary, Women of St. Paul's

THE PRAYER GROUP

The Prayer Group met in the Chapel on February 19th. Because of our Wednesday Lenten-Study Group, there was no meeting on March 19th, but we resumed our meetings on Tuesday, April 16th. The final meeting of the season will be held on Tuesday, May 21st at 8:00 P.M.

THE WOMEN OF THE MEMORIAL CHURCH OF ST. PAUL

The Women of the Memorial Church of St. Paul are spending a happy year in the worship, fellowship, and knowledge of our Church's activities. It has been our purpose to become acquainted with some of the ways our Church is reaching mankind, both at home and aboard. St. John's Settlement House and the Seamen's Institute are two organizations ministering to our people right here in our own city. In far off Saigon, the people, though gentle and courteous in manner, can on occasion be extremely cruel. We have established a center for work at Mekong but the many different cultural lines make the Church's mission a difficult one, for the people do not trust each other. Bishop Mosley of Delaware has done work there and is aware of the savage fighting in nearby Laos. Then, there are many problems that offer a challenge to meet the needs of these people and bring God's saving word to them.

Our last meeting of the season will be May sixth. We would welcome your attendance for we would like to close with a large group of our members responsive and interested in the work of the Women of our Church at large.

Susan B. Clark,
Secretary

MORNING PRAYER AND SERMON	11:00 A. M.

Dear Friends:

As we continue to worship under the Rev. J. Daniel Stover, we find ourselves absorbing some of the geniality of our minister-in-charge, and appreciate his helpful guidance. The congregation has also benefited from the illustrative text of his sermons.

Our prayer should be for the guidance of the Holy Ghost that under His direction the parish may be led to a spiritual leader who will satisfy God's purpose for St. Paul's.

ANNUAL CONVENTION OF THE DIOCESE OF PENNSYLVANIA

The 179th Annual Convention of the Diocese of Pennsylvania was held at the Church of the Holy Trinity on West Rittenhouse Square on Monday and Tuesday, May 6th and 7th. The Bishop of the Diocese, the Right Reverend Oliver J. Hart, announced his retirement on his completion of 20 years as the Diocesan, effective on July 18th.

The Convention voted to replace two obsolete buildings at the century-old church-sponsored All Saints Hospital, Chestnut Hill, at an estimated cost of \$1,250,000. These buildings would be replaced by a new structure for the accommodation of 80 aged persons in need of hospital care, without reference to creed. A Diocesan capital funds drive will be initiated to raise a portion of the funds needed.

May we always remember the work of our Bishops and Diocese in our prayers.

ROGATION DAYS AND ASCENSION DAY

Rogation Days are May 20, 21 and 22. Ascension Day is May 23. The Parish being without a rector, no services will be held in St. Paul's Church on these days. Your prayers and intercessions are invited on these special days of the Church.

CHURCH SCHOOL MISSIONARY OFFERING

What has become one of the largest and most colorful events of the Diocese — the mite box offering — will be held on the grounds of the Cathedral Church of Christ, 8630 Ridge Avenue, at 4:00 p.m. on Sunday, May 19th. The Rev. Charles H. Long, Jr., will be the speaker at the event. From 1100 to 1200 young people will participate in the service. You are all invited.

IN APPRECIATION OF FAITHFUL SERVICE

Mr. Harvey R. Hesington has advised the Vestry he will be unable to continue in his duties as sexton, and the Vestry has accepted his proffered resignation with much regret. Mr. Hesington's energy in performing the sexton's tasks about the parish house and Church have been appreciated. Much general cleanup was accomplished and we were able to obtain the Fire Department's approval of our housekeeping. We ask your prayers for Mr. Hesington while he is incapacitated.

APPOINTMENT OF SEXTON

The Vestry has appointed Mr. Henry Bernheimer, Jr. as Sexton. When access is needed to the Parish House at times other than when the Sexton is in attendance, Mr. Bernheimer may be reached at his home, 2811 South 16th Street. His telephone number is FULTON 9-0924.

Dear Friends:

As we enter the summer season we hope that each of you will have the opportunity to enjoy a vacation. Vacations renew the spirit and offer a change so necessary for us to widen our perspective.

We are unable at this date to inform you of the calling of a Rector. Be assured,

however, that we are continuing our efforts.

At the beginning of this year it was suggested to us that new floor covering be laid on the first floor of the Parish House. Two of our people were willing to pledge several hundred dollars each if the project would be accomplished. Individuals and groups have indicated their interest in making a contribution to this major project. The Vestry has contracted to have the floor covered with Linotile this summer at a cost of \$3,069. This is a large undertaking for us and we hope that many of you will share in the cost by contributing through the monthly Church Repairs envelope.

Secretary of the Vestry

SERVICES DURING AUGUST

You will be glad to hear that the Rev. Ronald A. Wiley, D.D. will again be in charge of our services during the month of August. Doctor Wiley has conducted these August services for a few years now and we know you will welcome him as an old friend.

REQUEST OF THE MEN OF ST. PAUL'S

A group of our men has been participating in the Pepsi-Plus Fund Raising Program for the Church. This Program provides for a cash payment for bottle caps turned in by the men to the Pepsi-Cola Metropolitan Bottling Company. They ask you to save your Pepsi-Cola bottle caps and turn them in at the Parish House before the end of July. The Program is being discontinued on August 17th. Your help in accumulating these bottle caps is greatly appreciated.

A RECTOR IS CALLED

We are glad to say that our search of many months for a Rector has ended in our calling of the Rev. James C. Blackburn from the Missionary District of Western Kansas where he was serving as an Archdeacon. Mr. Blackburn is no stranger to Philadelphia, having grown up in the area and having served for two years as curate at St. Paul's, Chestnut Hill. He went to Amherst College, Massachusetts, from which he graduated magna cum laude, receiving the degree of Bachelor of Arts. Mr. Blackburn subsequently attended Virginia Theological Seminary from which he graduated in 1959 with the degree of Bachelor of Divinity. He was ordained a priest by Bishop Hart in the same year and began his service as one of the clergy at St. Paul's, Chestnut Hill.

Reverend and Mrs. Blackburn will establish residence in suburban Philadel-

phia until the Rectory can be made ready for their occupancy.

Our new Rector will take charge of the Parish on Monday, September 16th, and will officiate as a celebrant of the 8:00 a.m. service of Holy Communion on Sunday, September 22nd, and, with the assistance of the Rev. J. Daniel Stover, will conduct the service of morning prayer at 11:00 a.m. on that date. Following the 11:00 a.m. service, the people of St. Paul's will have an opportunity to welcome the Rector and his wife in the Parish House.

Mr. Blackburn is anxious to get started on the year's program. The ministry of the laity has a meaning for all of us. The Rector will look to each of us to actively support him in extending the work of St. Paul's Church.

D. Cortlandt Montgomery
Secretary of the Vestry

**IN APPRECIATION
OF THE SERVICE OF THE
REV. J. DANIEL STOVER**

Since January of this year we have placed our Church services in the hands of the Rev. J. Daniel Stover, with the exception of the month of August. During this time we have requested the services of Mr. Stover to minister to the sick at home and in hospitals, and he has made himself available for any other pastoral work as it has arisen.

We of St. Paul's have appreciated Mr. Stover's willingness to honor all of these pastoral requests and take this opportunity to thank him for the many hours he has spent with our parishioners.

FALL IS HERE

September the fifteenth marked the beginning of our fall activities with the resumption of our Church School. Other organizations are setting up their fall programs. The Rector no doubt will have some helpful advice to offer to our Church School and Parish societies. He will also be extremely interested in the performance of the choir.

PRAYER GROUP

The Prayer Group has resumed its services, and the next meeting of the Group will be held on October 15th at 8:00 p.m.

THE WOMEN OF ST. PAUL'S

The first meeting of the Women of St. Paul's will be held on Monday, October 7th. Three main subjects will be taken up at the meetings:

1. The changing city challenges the Church.
2. The Christian mission in Southern Asia (India, Pakistan, Ceylon, Nepal).
3. The Gospel of St. Luke.

There will be a showing of pictures by Mrs. Susan B. Clark at the meeting to be held on Monday, November 4th, as follows: The Cliff Dwellers (about the changing city); New Day in Nepal (about Southern Asia); and Today in Pakistan.

THE DORCAS SOCIETY

The women of the Dorcas Society cordially invite you to join them in their activities on Monday evenings at 8:00 p.m. in the Parish building.

On September 30th the Betsy Ross Merchandise Club will begin. If you are interested, see any member of the Dorcas Society.

Monday, October 14th, at 8:30 p.m. the annual demonstration of Dutch Maid products will be held.

Come to the Dorcas meetings and help make this season a rewarding one.

**SUPPER BY THE MEN'S GROUP
OF ST. PAUL'S**

The Men's Group will serve Fisher's famous beef pies at a dinner to be given by them on Saturday, October 12th, from 5:00 p.m. to 7:30 p.m. The cost of the dinner is \$1.50 for adults and \$0.85 for children. By reservation only — which can be made through Mr. William McGill, HO 2-5572, or Mr. Henry Bernheimer, FU 9-0924. Two tickets are enclosed with the hope that you are coming.

Dear Friends:

On All Saints' Day, Friday, November 1st, we remember members of the Parish and other friends and relatives who have died and are now in God's keeping.

It has been our custom for many years to memorialize these persons in a "Book of Remembrance". We also take this opportunity, by the use of the Endowment Envelopes, to present gifts in their memory. The names of the persons so memorialized and the names of the donors will be inscribed in the Book of Remembrance and will be read on All Saints' Day and on the Sunday in the Octave.

RECTOR'S MESSAGE

Today is an exciting time to be a Christian. Much is happening in our world, and in our community which cries out for the healing power of Christ's Gospel. As we work together — and there will be work for everyone — please remember that we all need each other. I am not some sort of magical "answer man", but need each of you to help me if I am to do the job before me. There is one request I make of the parish: our relationship is a "two way street", so please don't expect all of the initiative to come from me. I want to hear from anyone at any time. If there are questions or troubles, call me either at the Church or at home and I will be available.

Faithfully,

JAMES C. BLACKBURN,
Rector

EXCERPTS FROM A LETTER

FROM J. RANDALL SKILLEN

"To the members of the vestry and to my many friends of St. Paul's, it is with a deep feeling of regret and a heavy heart that I ask you to accept my resignation from the Vestry. . . .

"It has become increasingly difficult for me to attend the meetings at St. Paul's, since . . . I reside in New Jersey . . .

"Of course, this does not mean that I am leaving St. Paul's, for to me every person, every effort, yes, every brick and every picture has been a part of me and the Skillen family for nearly sixty years. . . .

"May I wish each one of you and your new Rector, the strength and devotion which will give St. Paul's a new life of service. . . .

Yours sincerely,

J. Randall Skillen."

FALL CONVOCATION MEETING

WHEN: Tuesday, October 22, 1963
Women's Meeting - 3:00 p.m.
Evening Prayer - 5:15 p.m.
Dinner - 6:00 p.m.
Men's Meeting - following dinner.

WHERE: St. Elisabeth's Church, 16th & Mifflin Sts.

FOR WHOM: For **everyone**. Our participation in the Convocation of South Philadelphia is important, since it is a measure of how much concern we really have outside of the walls of our own Church building.

IMPORTANT: Please send dinner reservations to The Rev. Edward C. McCoy, 1604 Mifflin St., Phila., Pa., 19145, by October 21st. The cost will be \$1.25 each.

ALL SAINTS' DAY

There will be two celebrations of the Holy Communion, at 7:00 A.M. and at 10:00 A.M. At these services the names of persons memorialized, and names of donors will be read.

RECTOR AWAY

The Rector will be away from the Parish from October 24th through November 2nd. He has been asked to be on the staff of a first phase Leadership Training Institute, run by the National Council of the Episcopal Church, to be held in Richmond, Virginia. During his absence services will be conducted by The Rev. J. Daniel Stover. Should any emergencies arise, please contact The Rev. Edward C. McCoy, 1604 Mifflin St. (DE 4-1905). While it is difficult to be away from the Parish over a Sunday, Mr. Blackburn feels that this is part of his responsibility to the National Church.

EVERY MEMBER CANVASS

November 10th will be Loyalty Sunday. Mr. D. Cortlandt Montgomery is the canvass chairman, and we ask each of you to give him your full support. Christian stewardship requires not that we give God a part of our substance, but that we give back to Him **all** of what He has given us. The question, then, is to decide responsibly what portion shall go specifically to the work of the institution of the Church. For the Christian, **all** of his time, talents, and treasure go to the work of the Church — in other words, to his family, to his community, to many worthwhile causes — as well as to that part of the work of the Church which is the institution of the Church. **You** must decide before God which priorities come at the top of the list.

FROM MRS. PARKER

Mrs. Thomas Parker has moved from the Rectory at 2511 So. Lambert St., to the Rittenhouse Savoy, 1810 So. Rittenhouse Square, Apartment 1901, Phila., Pa., 19103. Her telephone is KI 5-3298. She will be happy to receive visits and telephone calls from her friends at St. Paul's.

RECTOR'S MESSAGE

The world accuses Christians of closing their eyes to the ugly facts of the world in which we live. At Christmas time, especially, we seem to outsiders to "escape" into our churches—and forget about the world outside. As we celebrate the birth of our Savior may we never forget that He was willing to be born into our world for the sake of all people—not just for the "nice" people, not just for the "respectable" people and especially not just for Church members.

Only as we realize that it is our responsibility to bring the love and power of Christ to everyone—to our friends, to our neighbors, and to our community—can we with integrity sing the great words of Christmas: "Good Christian men, rejoice, with heart, and soul, and voice: Give ye heed to what we say: Jesus Christ is born to-day!"

THE RECTOR'S MESSAGE

About a month ago I preached a sermon at the 11:00 service which dealt with openness for change. I thought then, and still do now, that there would be strong reactions, positively or negatively, from many of you. As a matter of fact, I heard no reactions. Let me, therefore, take this opportunity to spell out some of the things which will constitute our main program for 1964.

There is no excuse for the decisions in our parish being made by me alone, and I will not work that way. Rather, I need the help of everyone in digging out the facts. All of us will be investigating existing parish institutions and customs, and will hold them up to the stern demands of the Gospel as seen in our family life, in our work, in our leisure time, and in our community. We will also be taking into account the directions in which the Convocation, the Diocese, the National Church, and the entire Anglican Communion are going.

Out of our investigations—which will take many months—we will either confirm our present ways of working or will embark on programs of radical change. I hope that “no stone will remain unturned”—that nothing escapes our attention.

For the present, I will be asking some of you to serve on a “fact finding committee”, to be organized for the following purposes:

- 1) To outline present organizational structures in the parish.
- 2) To gather information from the whole parish and the surrounding community as to the effectiveness of our present set-up.
- 3) To compile the above information, and to examine it in the light of the demands of the Christian Gospel.
- 4) To prepare a report for the vestry, in which changes, where needed, will be recommended.
- 5) To be involved in such changes and to evaluate the results, both immediately and over the long range.

If this sounds like hard work, both for the committee and the parish as a whole, let me assure you that it will be. The job will require a large measure of commitment, a lot of putting other things aside, and a great deal of patience. But now that I know the parish somewhat, I am convinced that together we can do the job.

Faithfully,

James C. Blackburn

THE RECTOR'S MESSAGE

I want to let you know how you can help me do my job better. Officially, I work for the vestry, who acted on behalf of the entire congregation in bringing me to St. Paul's. So what I am about to say is a request from one who works for you, rather than an order from your superior.

One of my ordination promises is "to search for the sick, poor, and impotent people of the Parish" (Book of Common Prayer, p. 533). This I try to do by regular calling on parishioners, but especially by visits in the hospitals. As I have told several of you, if you are going to be a patient at Methodist Hospital, I will find you because I visit there nearly every day. However, if you are to be a patient anywhere else, I will not know about it unless you let me know. And, if you think that I am "too busy" to see you in the hospital, let me put one thing straight—I am never too busy to see you when you are sick, unless I am busy doing the wrong things. Even if your stay in a hospital will be a short one—but how often short stays turn into long ones!—please call me ahead of time so that I may come to see you. I believe that this is one of my primary responsibilities, and I need

your help.

If I may summarize: I want to be available whenever you want me, whether it be an illness which takes you to the hospital, or difficulty of some other kind while you are at home. But, aside from the slight chance that I might drop in while on my rounds, I need to hear from you. Our life together is a two-way street, and I am simply asking you to keep both lanes open, too.

Faithfully,
 James C. Blackburn

SOUTH PHILADELPHIA
CONVOCATION

TUESDAY, APRIL 28th—Here:

This spring we are the hosts to the Convocation of South Philadelphia. I would hope that a large number of us could be on hand to help the visitors feel at home.

Women's Meeting: 3:00 P. M. Speaker will be Mrs. Elbert K. St. Claire.

Evening Prayer: 5:15 P. M. Followed by dinner. (cost: \$1.25)

Men's Meeting: 7:00 P. M. Speaker will be Mr. William O. Gilbert, Headworker of St. John's Settlement House.

It is important that the women know how many to expect for dinner, so please—if you will be coming for dinner—telephone ahead of time or sign the list on the table in the back of the Church.

THE DORCAS SOCIETY

It is with sadness that the Dorcas Society notes the passing of one of its members, Mrs. Harriet Skillen. She served long and faithfully as Secretary of the Society until her health failed. "O God, grant her an entrance into the land of light and joy, in the fellowship of thy saints; through Jesus Christ our Lord. Amen."

WOMEN OF ST. PAUL'S - OUR UNITED THANK OFFERING

The first thank offering by the Episcopal Churchwomen was presented in 1889. It is an offering of thousands of individual women, given in thankfulness for the everyday blessings of life and used to provide blessings to others.

The idea was suggested by two women; Mrs. Soule and Miss Emery. The first offering was \$2,188; and in 1961 it was over \$4,500,000, with \$130.05 from the Women of St. Paul's.

The original money sent a missionary, Lisa Lovell, to Japan where St. Margaret's School was established, which is the largest of its kind; and also built Christ Church in Alaska.

Today it is helping to send women workers to home and overseas fields; to build hundreds of buildings, as churches, schools, hospitals and dormitories, in our country and in foreign lands, such as the Philippines, Hawaiian Islands, Porto Rico and Liberia.

We were deeply gratified by the response from the Women of St. Paul's.

CHURCH SCHOOL:

Last Session of Summer. June 14
Picnic. Saturday, June 20
First Session in Fall September 20

The Rector's Message:

In this age of space travel and technology, we find that new words are creeping into our vocabulary. One such word is feedback. As the word is used in rocketry, it means keeping in constant touch with a craft in flight, and being able to change the "orders" given to it if it seems necessary. The uses of feedback can be seen clearly. If, for example, a space craft leaves its assigned orbit, feedback signals are sent back to earth and corrections are made. You will remember a notable failure - caused by lack of adequate feedback: the moon shot which was to have taken TV pictures before crashing on the moon. Feedback provides information on literally thousands of functions. The general rule is always: feedback is needed for satisfactory performance.

I would maintain that the same kind of rule operates in our life together as a Church family at St. Paul's. It would be very easy for the Vestry, or the rector, or any other person or group to go off into the wrong "orbit" if feedback is not provided. Speaking personally, I assure you that I need this. Since I have been working for the parish, I would estimate that about 90% of whatever frustration I have felt has come from lack of adequate feedback. Some people evidently feel that it isn't "right" to speak openly and frankly with the Rector. For those who feel this way, I beseech you to try the approach I am suggesting. For those who have been giving me feedback (and you are few in number), bless you!!

Of course, feedback can be of two kinds. One - the more usual - is agreement with the way things are. We can call this "positive feedback", and it certainly has its importance. After all, without agreement and support no plan or program would get off the ground. The other - and more rare - is disagreement or criticism. This we can call "negative feedback". While this kind is more difficult to accept, it is much more involved with change and creativity. And negative feedback helps me much more than does positive.

What does this mean in practical terms? It means that I am asking each of you to express your concerns about the parish to the Vestry and to me. It means that I welcome telephone calls. It means that I welcome questions. Yes, it even means that I welcome criticism. I believe that our life together will be enriched if we can see the value in the creative use of feedback.

Faithfully,

James C. Blackburn

CHURCH SCHOOL PICNIC

The annual picnic of the Church School will go to Lenape Park, Pa., near West Chester, on Saturday, June 20th. Transportation will be provided by a bus leaving the Parish House at 9:00 a.m., returning at 7:00 p.m. Parents of the Church School children and members of the Church are welcome to take part. If you have not attended one of our picnics, won't you join us this year? Bring your picnic baskets. The round trip bus fare is \$1.00 for parents and members. See Mrs. Roy T. Walters for reservations.

The last session of the Church School for the summer will be on June 14th. Classes will resume in the fall on September 20th.

CHANGE IN TIME OF SERVICES

We hope you have noted in the Calendar of Services that beginning on June 21st the 11:00 a.m. service has been shifted to 9:30 a.m. This change in time will continue through July and August and on September 6 and 13. The 11:00 a.m. service will be resumed on September 20th, as will the Family Service and Church School at 9:30 a.m.

COMMUNICATIONS

The custom of the rector taking one month's vacation in August will be changed this year. Mr. Blackburn's vacation plans are indefinite and there will be times during the summer when you may not get an answer when you call the Parish House or the Rectory. Should this happen you may secure the services of the Church by calling the Rector's Warden, Henry Bernheimer, Jr., 2811 South 16th Street, whose telephone number is FULTON 9-0924. The services of the Diocese are always available to us when we need them, and the Episcopal Community Services is always ready to help.

CHURCH SCHOOL: Sessions begin in Fall, September 20, 9:30 a.m.

The Rector's Message:

Two seemingly different subjects are in my mind - the Every Member Canvass and the National political conventions. The Canvass committee is already beginning its work for the fall. One political convention has finished its work in San Francisco and another is preparing to meet at the end of this month in Atlantic City. What possible connection could there be between national politics and Church money raising? What is there in common between platforms and candidates, on the one hand, and the efficient running of the Church, on the other? The one word that applies to each is the important word STEWARDSHIP.

Let us begin with the Church. Stewardship, for the Christian, involves more than his money - it means that he will give a responsible share of what God has given to him in money, in his concerned interest, and in his available time. This notion of total stewardship has been expressed in the capsule statement: "Time, talents, treasure".

In like manner, stewardship can be exercised in responsible political action. Simply to vote in November - important as that is - is not enough. Voting alone is comparable to putting money on the plate alone. Such a narrow vision of stewardship is simply not enough. Rather, it would seem to me, stewardship in politics would involve making sure that one is aware of the issues and candidates before November and contributing some measure of money and time on behalf of the party and candidates of his choice. There are literally thousands of ways in which one can help. Christian stewardship in politics might involve one in door-to-door canvassing. It might mean sending out political literature. It might mean holding "koffee klatches" for his neighbors. If one has exercised his stewardship in the hard work of political action, then his vote in November becomes an expression of the whole person, not just a sideline.

It probably surprises some of you that I advocate that Christians be involved in "politicking". But, if you understand what I am saying, it is nothing surprising at all. I am simply urging you to be responsible stewards. One such area, as you know, is the Church and its work. Another such area, and one of great importance, is the political arena. St. James has put it clearly and briefly: "Be ye doers of the word, and not hearers only".

Faithfully, *James C. Blackburn*

LET US PREPARE FOR LOYALTY SUNDAY

November 8th is Loyalty Sunday in St. Paul's Church. It is not too early for us to consider how each of us will show a responsive effort on that Sunday. Many of us will be engaged in the training and planning for the service at 11:00 a.m. These same people will have some work to do following Loyalty Sunday in talking to those who for some reason were not present at the service.

Loyalty Sunday is a day when we acknowledge our stewardship of earthly goods. Let us consider what Jesus actually taught about stewardship. In the first place we need to recover a sense of what Jesus meant when He used the word "steward". The person the Lord had in mind when He told stories about stewards was well known to any audience of New Testament times. He was a functionary in every large household - a sort of servant-in-charge, or major-domo. The steward's job was primarily to manage the household affairs, direct the other servants, keep the accounts, and generally see after the owner's interests. Obviously, the owner put considerable trust in the steward; in return, he expected absolute loyalty, efficient operation, and - above all - a building up of the family fortunes.

Those who heard the steward parables from the lips of the Lord had no difficulty with the point He was making. In the household of God (the Church) the managerial function is of prime importance. God expects good management, trustworthy representation, and a building up of those affairs which He entrusts to His servants. Such affairs include not only money pledged, but parishioners who pledge as good stewards and not mere money-givers. This is, of course, the essence of personal stewardship. But even more, it is a primary function in God's basic household unit - the parish church.

Let us assess, in the light of what stewardship is supposed to be, the positive value of the Every Member Canvass in the parish:

The Canvass makes it clear that the parish means business in its concern for God's business.

The Canvass unites the parish as a family, more realistically than any other parish function other than worship.

The Canvass calls for an annual review of what the parish does and why it is doing it. No enterprise can survive for long without regular reassessment of its goals, its pur-

poses, and its progress. Certain responsibilities are uniquely ours; we call them "worship", "evangelism", "mission", "ministry", and so on. In the fulfillment of these, God expects His stewards to show some growth for Him out of what they are given to work with. The Canvass, therefore, is an essential step in each year's program.

The Canvass is a teaching tool. Sermons, literature, letters, and the like are all good and useful. But they simply cannot compare in value with the effect of a good, honest conversation between a canvasser and a fellow parishioner.

A great deal more could be said in favor of the Every Member Canvass. It releases throughout a parish the grace we need to manage our lives so that they prosper for God.

MEMORIAL TO BISHOP ARMSTRONG

All of us were shocked and disturbed by the sudden death of our revered Bishop on April 23rd. The Diocesan News has let us know how strongly Bishop Armstrong's loss was felt in the Diocese. Our new Bishop, the Right Reverend Robert L. DeWitt, expressed how he came quickly to understand and to share in the affection felt for Bishop Armstrong by so many.

With this issue of the Chronicle we are sending you a letter from Bishop DeWitt asking you to participate in a memorial to Bishop Armstrong. This memorial will be in the form of an undesignated fund placed at the disposal of the Trustees of the Philadelphia Divinity School. Should you desire to contribute, an envelope is also enclosed in order that you may make your contribution directly to the Philadelphia Divinity School.

PARISH SELF-STUDY PROJECT

We have had underway in our Parish for the last several months a Self-Study Project as a part of the Diocesan Survey being made by the National Council's General Division of Research and Field Study. We have been trying to complete the census of the members of the Parish by mailing a census form to those who did not have the opportunity to supply us with their family data. If you have received one of these forms and have not completed and returned it to the Rector, we urge you to do so. This will reduce the number of calls to be made by our Self-Study canvassers.

DIRECTORS OF THE GREATER PHILADELPHIA COUNCIL OF CHURCHES VIEW CIVIL RIGHTS

At the May meeting of the Board of Directors of the Greater Philadelphia Council of Churches, the Board gave serious consideration to the need for our member churches to consider positions which they may wish to take in the matter of civil rights demonstrations. For this reason the Board submits to those member congregations consideration of the following statement adopted at the meeting referred to:

"The practice of racial discrimination is a disease which threatens to destroy the moral fiber of our nation, and to undermine the foundation upon which this country is established. The burning issue in our society today is the denial of equal rights to Negroes in many areas of the continental U.S.A. Discrimination of this type is a blatant denial of the rights and privileges guaranteed to every citizen by the Constitution, and is, therefore, contrary to the ideals which we hold in high esteem. Furthermore, racism is contrary to a basic Christian premise that all men are created in the image of God and which affirms that every human personality is of infinite worth.

"For the most part, responsible governmental officials on the local, state, and federal levels are striving to rectify the injustices experienced by minority groups within our country. In some cases, however, constructive efforts break down at the local level with the outcome being that no progress is made to abolish inequities, and the minority group is left with no redress for grievances. The abdication of responsibility on the part of the power structures at local levels has resulted in an increasing number of demonstrations by Negro citizens to call attention to their plight.

"The Board of Directors of the Greater Philadelphia Council of Churches supports Christian participation in non-violent demonstrations to overcome social injustices. The right of citizens to assemble peaceably to petition for a redress of grievances is guaranteed by the First Amendment and Section 1 of the Fourteenth Amendment of the Constitution, and has a treasured position in the American tradition. We commend the statement of the Quadrennial General Conference of the Methodist Church approved in Pittsburgh, May 4, 1964, which said in part that restrained by the recognition

of just law and decent order, orderly and responsible demonstrations can serve to bring a better order into being. The statement also said:

'When resort to orderly, responsible, non-violent public demonstration by those engaged in the struggle for racial justice provokes violent retaliation on the part of police or onlookers, the blame for the violence should be placed on the violent and not on the peaceable demonstrators.'

"It is indeed tragic that in some sections of our nation there are attempts through the channels of government to restrict non-violent demonstrations. In such instances, the Christian must recognize a conscience that transcends man-made law. When such demonstrations are contrary to laws tailored specifically to encroach on this fundamental right of American citizens, Christians can in good conscience participate in demonstrations sponsored to correct social injustices.

"We urge member churches to impress upon their congregations the gravity of the present situation with regard to racism. The Christian gospel recognizes no racial distinctions. Historically speaking, the Christian Church has been interracial from its inception. Despite this fact, the Church has tolerated racism thereby imperiling its life and effective witness."

FORWARD DAY BY DAY PAMPHLETS

For a number of years we have made available the pamphlet "Forward Day by Day" to our members. This publication has been regularly placed on a table in the rear of the church for you to take home and read one page daily, together with the Bible reading for the particular day of the year. It is published several times during the year by Forward Movement Publications, and the Church suggests the nominal amount of ten cents be left on the table for each copy taken.

We have observed that lately there has been a dropping off in the purchase of these booklets by our people. We would like to offer you a little reminder that this pamphlet, which is circulated throughout the Episcopal Church, is well prepared, and we hope that more of you will make use of it.

The Rector's Message:

I would like to share a matter of some importance with all of you. Recently, I was contacted by a couple who are not members of this parish, and they asked me if I could baptize their third child. The other two children had been baptized here at St. Paul's, and they wanted the same for the third child. On other occasions I have simply gone ahead with such a Baptism, but this time I had some misgivings. First, the parents are not members of any Church. Secondly, the other children have no Church connection, either. And, finally, the family lives some distance from Fifteenth and Porter. When I shared these concerns with the family, and suggested that they think about joining a Church in their neighborhood and have the child baptized there, they decided not to have the baptism at all.

While there were undoubtedly some bruised feelings on the part of the family, I feel that responsibility required me to act as I did. Let me spell out some of the important factors as they affect this congregation.

1. Baptism is of vital importance to the Church. It is a Sacrament, and we have been given our orders by Christ Himself to baptize our children.

2. Baptism is the entrance into the Church. One becomes a Christian (not an Episcopalian) through Baptism. Therefore, it is of critical importance that the family of the child being baptized be Christians and have an active connection with a local congregation. If the parents do not have such a connection, it is likely that the child will never have the chance to grow up in the Christian faith and his Baptism, therefore, will never be confirmed.

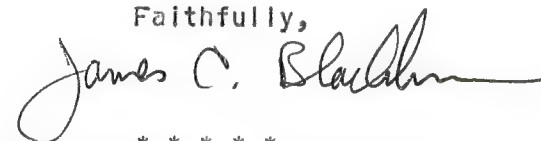

3. For many people today, Baptism is simply a social custom. Unless the parents are active Christians, their concern for their children's Baptism can only be based on the belief that "it is the thing to do". Such a reason is, in my mind, a paganized form of Christianity, and akin to superstition and magic.

4. For Baptism really to take effect all of us, parents, godparents, and members of the congregation, must understand and accept the promises found on pages 276 and 277 in the Book of Common Prayer. These promises say, in effect, that we are all believing Christians and intend to act on our belief in an active and thoroughgoing way.

The Rector's Message (continued)

In summary: Baptism is of such importance in the Church that we dare not take it lightly or casually. Our orders are clear: we are to baptize children. But the responsibilities are also clear: baptized children are to be brought up in Christian homes and under the guidance of Christian people.

Faithfully,

A COMMUNITY LOOKS AT ITSELF

On September 29, 1964, WCAU-TV will air a special program on South Philadelphia keyed into meetings of various community groups in our area and forming a basis for further discussion. The program will be on the air from 7:30 p.m. until 8:00 p.m., and is a part of the "TV 10 REPORTS" series.

The entire Parish is asked to meet in the Parish House at 7:15 that evening for introductory remarks. We will have several television sets available for viewing the program, and discussion will follow which will end promptly at nine o'clock. Since we anticipate that a great deal of benefit can come to our community through the involvement of as many as possible, we urge you to be present. Coffee and buns will be served after the program.

JOHN MÜLLER, JR.

Through the contributions of many of the members of the Church, the Vestry has been able to send \$100 to Virginia Theological Seminary in Alexandria, Virginia, toward the educational expenses of John Müller, Jr., who will begin his studies for the ministry this September. We hope to be able to contribute an additional \$100 in January toward the expenses of John's second semester.

WHAT YOUR PLEDGE MEANS TO ST. PAUL'S CHURCH

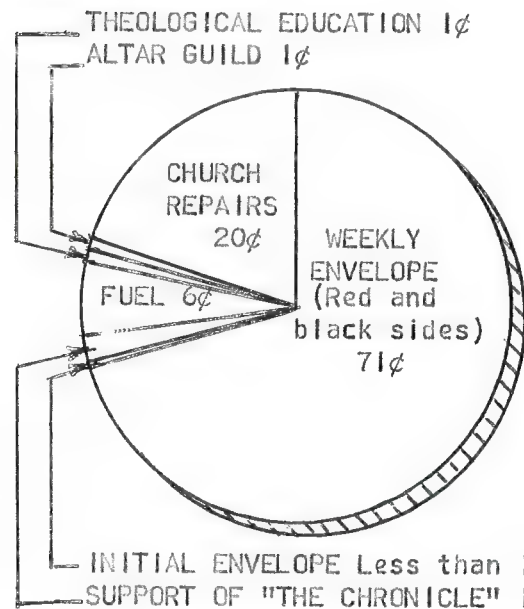

At present and for some years past you have generously pledged an amount each week. This pledge was made by you after careful consideration and was the amount to be set aside for the support of your Church's work. However, the packet of offering envelopes that you received contained many other envelopes suggesting additional offerings.

A yearly summary of a typical offering of a member using all of the envelopes might be as follows:

Under the present system:

Initial Offering	\$ 0.25
Chronicle	1.50
Fuel	6.75
Theological Education	1.50
Altar Guild	1.00
Repairs	24.00
	<u>35.00</u>

Offering through the weekly envelopes, (pledge)	<u>85.00</u>
Total	\$120.00

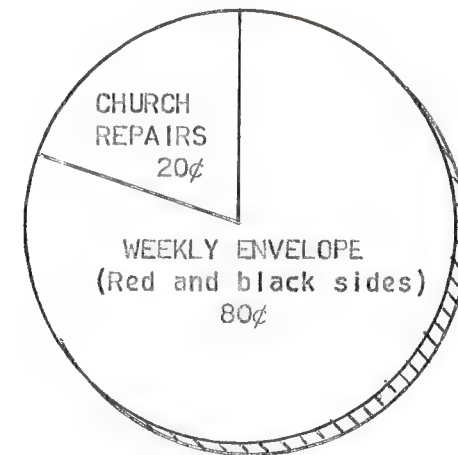

HOW EACH DOLLAR IS NOW CONTRIBUTED

The Vestry has decided to eliminate the following envelopes in 1965: Initial Offering, Chronicle, Fuel, Theological Education, and Altar Guild. These expenses will be met through the general fund. This will leave in the packet of envelopes you receive for 1965 only two kinds of envelopes: the weekly pledge envelope and the repair envelope. Let us look at the amount which would be required, again using the typical figures, to meet the same level of giving:

Envelope packet with 5 of 6 special offerings eliminated:

Pledge (about \$1.85 per week)	\$ 96.00
Special monthly envelope for repairs (\$2.00 each month)	<u>24.00</u>
Total	\$120.00

What this means is simply this: If we are going to hold our own, and if we are going to be able to make up for the envelopes we are eliminating, it will mean that we will require an increase of about nine percent per weekly pledge from everyone.

COMPARE THIS DOLLAR FOR 1965 WITH THE DOLLAR ON THE OPPOSITE PAGE

And, if we are to move ahead, it would take an increase of twenty percent, one-fifth more than last year. This is a reasonable goal, and one which we can achieve.

Below is a listing of just what such a 20% increase would be:

<u>Past Pledge (per week)</u>	<u>New Pledge (per week)</u>
\$ 1.00	\$ 1.20
1.25	1.50
1.50	1.80
1.75	2.10
2.00	2.40
2.50	3.00
3.00	3.60
4.00	4.80
5.00	6.00
6.00	7.20
7.00	8.40
8.00	9.60
9.00	10.80
10.00	12.00

Christian stewardship in part means careful working out of how much of one's resources a person can give back to God through His Church. The foregoing figures and diagrams are intended to help you in working out a responsible pledge for the coming year.

October 27 Meeting of the Convocation of South Philadelphia
at St. Philip's Church.

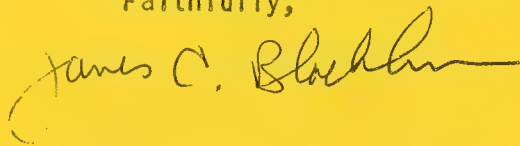

The Rector's Message:

The United Fund Campaign is now starting, and with the Every Member Canvass just a month off, I have some more thoughts about stewardship. The word in the New Testament refers to the management of possessions in a household. The steward does not own these goods; rather he works for the lord of the house, and is obliged to report to the lord how he has distributed the household goods. For a job description of a steward - in this case, a hard-hearted one - read St. Luke 16:1-13. We Christians are stewards of God's goods and possessions.

The Greek word for steward is also closely related to the English word economy. This suggests to me a method for working out our stewardship. First, one can look at the entire year ahead and decide how much of his resources he will be able to give back to God's work. This will involve making a list of recipients. Include not only the Church, but also such agencies as the United Fund, hospitals and schools. Any "charity" which is dedicated to the meeting of human need is thereby involved in God's work. The Church is one such agency. After making a list, divide your resources as you see fit. (Many Christian people have found it quite possible to reach a level of giving which amounts to 10% of their annual resources.) In order to work out your weekly church pledge, simply take the total figure which you have allocated for the year and divide by 52. One further consideration then remains; working out how much each week will go for the work of this parish (the black side) and how much for the mission of the Church (the red side).

This method is suggested to you so that you may work out economically - as a steward - how much you can give back to God's work of what He has given you.

Faithfully,

THE WOMEN OF ST. PAUL'S

Who are the Women of St. Paul's? "They are the women of the Church bound together by their common love for God, by their common concern for the welfare of mankind, and by their common zeal for the spread of the Gospel. They are a vital fellowship that is international and interracial."

Our program is one of Worship, Study, Service, Fellowship. The first meeting of the 1964-65 season will be on Monday, October 5, at 8:15 p.m. One of our topics will be the General Convention which will convene in St. Louis in October.

We shall welcome you, so please come to show your interest in our Church and its work.

Grace I. Ridings, President

THE PRAYER GROUP

"O thou by whom we come to God
The Life, the Truth, the Way,
The path of Prayer thyself hast trod
Lord, teach us how to pray."

(James Montgomery - 1818)

We meet in the Chapel on the third Tuesday evening of each month from October to May, and there we read aloud our Prayer list on which are the names of people who are in "trouble, sorrow, need, sickness, or any other adversity". We pray for those who are close to us and absent from us. Prayer is a partnership. We need it and we owe it to God.

If you care to come, we shall be glad of your help in our corporate meditation - October 20th at 8:00 p.m.

The Rector's Message:

Last week some of you attended a meeting here at St. Paul's Church which dealt with some questions I have had about the Sunday worship. It was my suggestion that we combine the present 9:30 and 11:00 services into one, and meet at a compromise hour of 10:00. The reasoning in back of my suggestion has to do with the nature of the Church - that is, we are one Church, a fellowship, and a family. And it seems to me that, as we are now set up, we have, in effect, two churches. The first church is centered around the Church School in the Parish House and the second church is centered around the service in the nave.

Those at the meeting were almost unanimously opposed to my suggestion. This put me in a somewhat awkward position of still wanting to combine the services but not wanting to go counter to the wishes of the congregation. It would be possible for me to go ahead and make the change - in fact Canon 45 of the Church states: "...the control of the worship and spiritual jurisdiction of the Parish, are vested in the Rector, subject to the Rubrics of the Book of Common Prayer, the Canons of the Church, and the godly counsel of the Bishop."

However, there is an important pastoral principle involved here, also. The parish - rector and laity - must move forward together and in substantial agreement. Otherwise we would be involved in a kind of "cold war". Even if one side or the other is "right", unless we are together, all of us will end up being "wrong".

My present suggestion, then, is that we keep the 9:30 and 11:00 services as they are, with the exception of the first Sunday of each month, when there will be no Church School and everyone will be a part of the 11:00 o'clock service of Holy Communion. This means, therefore, that on the other Sundays, there will be a short 9:30 service and Church School. If there are any questions or suggestions - and, yes, disagreements! - please keep the channels of communication open and let me and the vestry know.

Faithfully,

WHAT DO WE CALL IT?

You will notice that a new word for the Holy Communion appears in this Chronicle. The word, Eucharist, is a Greek word which means simply "thanksgiving". Therefore, it is appropriate for us to use the word when talking about "this our sacrifice of praise and thanksgiving" - Book of Common Prayer, page 81.

Other words for this service are:

Holy Communion, which emphasizes our communing with Christ as we receive the Bread and Wine.

Liturgy, another Greek word, meaning "the work of the people".

EVERY MEMBER CANVASS

You have been receiving materials explaining the nature of stewardship and how the canvass can be a real expression of our devotion to God and His world. There remain only the elements in our final "countdown to canvass". These are: 1) The three training sessions being held on three successive Wednesday evenings starting on October 21st, 2) The dedication of the canvassers on Sunday, October 25th, and, 3) Stewardship Sunday, November 8th. Please remember the work of the canvass committee, the canvassers, and each parishioner in your prayers.

ALL SAINTS' DAY

It has been our custom here at St. Paul's to remember, in a special way, our relatives and friends who have died and are now in God's care. The occasion for this remembrance is All Saints' Day, which this year falls on Sunday, November 1st.

Through the wisdom of The Rev. Thomas Parker the present manner of remembrance was established. We memorialize those who have died by entering their names in a Book of Remembrance. We also take this opportunity, by the use of the Endowment Fund Envelopes, to present gifts in their memory. The names of the persons so memorialized will be inscribed in the Book of Remembrance and will be read on All Saints' Day.

Rector Away:

The Rector will be absent from the parish from November 12th through November 21st. He will be a staff member of a National Council training program being given for the Third Province to be held at "Roslyn", the center for the Diocese of Virginia in Richmond. During his absence, you may obtain the ministrations of a priest by calling The Rev. Henry E. Wright (DE 4-2896) or by calling the Rector's Warden, Mr. Henry Bernheimer (FU 9-0924).

RESERVE THE DATE!

Christmas Bazaar and Turkey Dinner - Saturday, December 5th.

THE WOMEN OF ST. PAUL'S

On November second at our regular monthly meeting, the Women of St. Paul's will hear about the events at our General Convention in session in St. Louis from October 13th to October 23rd. Among the many topics there is one of great importance; "Mutual Responsibility and Interdependence in the Body of Christ". It will affect the lives of all of us. Bishop Bayne has said, "Such a program will mean the death of much that is familiar about our churches now - what we are really asking is the rebirth of the Anglican Communion". He also quotes St. Paul, "None of us liveth to himself and no man dieth to himself."

Each year there is a planned program sponsored by the Council of Churches. This time we will consider these subjects:

The Church's Mission Among New Nations
Understanding the Sacraments
Employed Women in the Church

We do hope all the women of St. Paul's will feel a mutual responsibility to learn now about these points of discussion and feel an interdependence to share them with all of us.

Susan B. Clark, Secretary

THE DORCAS SOCIETY

The Rector's Message

Many of you have heard me, in sermons and individually, refer again and again to the document from the Anglican Congress known as Mutual Responsibility and Interdependence in the Body of Christ. Just the other day a layman from another parish confronted me with the question, "What is the platform of your parish on MRI?" I was surprised, not only by the fact that he used the shorthand notation of the initials for Mutual Responsibility and Interdependence, but also by his question about a "platform". I told him that, at present, we have no such platform. Let me take this chance, then, to suggest some of the items that might be included in our platform. Any official action, however, must come through the Vestry and not from me.

1. We can develop patterns of interdependence within South Philadelphia. These might include exchange of clergy, or lay readers, combined study programs for adults, and combined training for Church School teachers. You might think of some other possibility.

2. We can be more interdependent within the Diocese. Why couldn't we develop some ties with, for example, a parish in the suburbs? You might think at first that they would be doing all the giving and we all the receiving. But I think we could teach such a parish a great deal about the work which our lay people do.

3. Finally, I strongly urge that we think seriously - and immediately - about finding a "sister parish" in another diocese in the Anglican Communion, outside of the American Church. There could be a regular program of interchange of ideas - yes, even of problems - and a tangible way of caring for each other. I can imagine, for example, that our Church School could write to the children in such a parish and have them write back.

All of these suggestions - and many more I could give - are for the purpose of helping us to begin to live for others and not just for ourselves. The warning, given by the Archbishop of Canterbury, is clear: "The Church that lives to itself will die by itself."

Faithfully,

James C. Blackburn

The Rector's Message

Several persons recently have spoken to me about the work of the Second Vatican Council. The Impression I have gotten from these remarks is roughly: "It's about time that the Roman Catholic Church is catching up with the rest of us!" I remember especially one such comment about the newly authorized English translation of the Roman Mass. My thoughts in response would center around the question: Do we have the right to be this proud? And my answer would be a clear and definite: No!

If things were in order in our own house, we would have the right to be smug about the work of the Vatican Council. But there is much that is very wrong within our own Church. We are still divided, in most parishes, because we belong to different races, or classes, or cultures. We are still almost exclusively concerned with maintaining and improving our own church buildings, and little concerned about serving the world for which Christ lived and died. We are still largely unconcerned about learning more about our Church so that we can be more responsible members of both the Church and the world.

In short, we have much reason to confess and admit our own shortcomings as a Church. And this is a much healthier starting point from which to look at the Vatican Council than a stance of pride. If we start with humility, we can say:

"Thank God the Roman Catholic Church is moving again! Would God that we would too."

Faithfully, your Rector,
James C. Blackburn

A STUDY OF THE EPISCOPAL CHURCH IN THE DIOCESE OF PENNSYLVANIA

DISCUSSION AND RECOMMENDATIONS FOR THE MEMORIAL CHURCH OF ST. PAUL, PHILADELPHIA, PENNSYLVANIA

Located in South Philadelphia, the Memorial Church of St. Paul ministers to an area that has been undergoing ethnic changes for a number of years. In essence, the changes have been characterized by the influx of Roman Catholic families, predominantly of Italian descent, and an outflow of Protestant families to other areas in the city and to the suburbs. The slow but steady departure of Protestants has had an adverse affect on the congregation of St. Paul's.

In the decade between 1950 and 1960, baptized membership in this congregation decreased by 21.9%. Communicant strength suffered a decrease of 18.6%. Church school enrollment, likewise, decreased by 4.1% during the same decade. The decrease in these three areas continued to project itself into the three-year period between 1961 and 1963. Despite these losses, the congregation has not been disheartened, and has taken on new hope concerning the existence of the church for the future. The Church Self-Study Form notes that slight increases have occurred in the three categories in 1964, mainly as a result of the efforts of the incumbent rector.

At the time of the visitation meeting, much concern was voiced over the current state of affairs in the church, and the members present indicated a willingness to undertake a common effort aimed at restoring the church to its former effectiveness. In view of the fact that there exists a definite need for the ministry of the church in this area, the General Division of Research and Field Study makes the following recommendations:

The leadership of the congregation of the Memorial Church of St. Paul is urged to participate actively in the deliberations aimed at establishing greater cooperation among Episcopal churches in this area.

The local congregation might wish to establish committees to work in the areas of the church school, adult education, lay evangelism and recruitment, stewardship, youth activities, and public relations. A special committee on church buildings might also be organized.

The committee on the church school might have the responsibility for increasing the enrollment, recruiting teachers, and providing for adequate training and supervision of teaching personnel. An effective committee will certainly relieve the rector of the responsibility for recruitment and training. Quite possibly, a coordinated teacher-training program could result from the joint efforts of the Episcopal churches. As a matter of fact, this joint cooperation might lead to the centralizing of all intensive leadership training courses, thus developing the type of lay leadership which is a necessity in the execution of any program initiated by a local congregation. Qualified lay leadership will certainly assist the clergy in their efforts to develop and extend the level of personal involvement and commitment within congregations.

In view of the present financial situation in this congregation, a year-round program of stewardship education should be undertaken. From statistics compiled for this Study, it is noted that pledges by the congregation of St. Paul's Church amount to approximately 41.0% of the income. An additional 35.8% is received as a result of special subscriptions and gifts. In view of the cost involved in maintaining the present plant, which is certainly much larger than current needs demand, the level of giving should be increased, thus minimizing the reliance on fund-raising projects and special appeals. The concept of stewardship as an act of worship and sacrifice should be emphasized at all times.

The committee on lay evangelism and recruitment might wish to consider the division of the parish area into zones or units in order to execute its program. At the time of the visitation meeting, the rector appeared to be inclined towards the establishment of these areas in an attempt to rebuild the strength of the congregation.

The General Division of Research and Field Study commends the leadership of this congregation for its efforts in securing the data submitted for this Study. These individuals, as well as the congregation-at-large, are encouraged to cooperate with their rector in the execution of any program designed to increase the effectiveness of the ministry of the Church in this area.

The Rector's Message

In the annual report of the Rector (which you received in the last issue of the Chronicle), I spoke of the importance of our becoming better stewards, both within and without the organization of the Church. There are some very specific ways in which this can be done.

During Lent there will be several kinds of opportunities for exercising our stewardship within the Church. One such is by attending, if your schedule permits, the mid-week services of Holy Communion. Last year several of the parishioners told me of the value of these special services. If we are to know our Lord better, this is one of the main ways - "he was known to them in the breaking of bread" (Luke 24:35).

Another opportunity will be the Thursday evening discussion groups entitled "I Believe". These sessions will provide some information for you, but the focus will be upon discussion. So you will have much to get, but each participant will also have much to give. I hope that many St. Paul's people, along with many from The Prince of Peace, will take advantage of this opportunity for growth.

Finally, you will notice that special emphasis is being given to Holy Week. Probably more than at any other time of the year "we may enter with joy upon the meditation of those mighty acts, whereby thou hast given unto us life and immortality" (Collect for Wednesday before Easter, Prayer Book, p. 147).

Faithfully,

The Rector's Message

My dear friends:

As I am writing this, my thoughts are filled with the experiences of the past two days, when I travelled to Montgomery, Alabama, to join with more than 40,000 other persons to protest to Governor George Wallace his immoral and unequal treatment of the Negro citizens of his state. It is impossible for me to describe for you the conditions in Alabama. The looks of cold hatred on the faces of many of the white people, the expressions of joyful expectancy on the faces of many of the black people, the stubborn refusal of the officials of the state government to look at changes which are taking place, the quiet determination of tens of thousands of both blacks and whites as the march neared the top of the hill at the State House - these are some of the unforgettable impressions of the events in which I was able to take part.

It is all too easy for us in the North to cry out against the injustices of Alabama - and to say it is far worse there than it is here. If we are to be honest, we must admit that the cause of human rights is far from accomplished right here. We still have minimal educational resources, unfair job practices, and ghetto patterns in housing. And, even closer to home, we still are an exclusively white congregation in an area in which Negroes do live. My conscience is troubled by these things.

Meanwhile, I can tell you of the relief I felt to be back in a state which flies the Stars and Stripes from the Capitol, and not the Stars and Bars of a bygone age.

The Rector's Message

The Spring meeting of the South Philadelphia Convocation was held at the end of last month, and I was both disappointed and encouraged by what went on. My disappointment was partly due to our relative lack of participation - but "thanks" are in order to the four St. Paul's people who did go - and partly due to the overwhelming parochialism expressed by members of many churches. It seems that for many of us, preoccupation with local concerns make it impossible for us to see the "larger picture" of the Convocation, the Diocese, or the National Church. Questions were raised about some of the Diocesan policies, and the appropriate answer was given, "After all, we are an Episcopal Church".

My encouragement resulted from some of the action taken that evening to help us become Episcopalians in more effective and specific ways. Dr. Pratt, of Holy Trinity, suggested that next Lent a number of churches might join together in one program that would have some real impact. Also, the Convocation seemed receptive to the suggestion from your Rector that teacher training be conducted in the Fall on a Convocation-wide basis. Finally, planning was made for the Convocation Thanksgiving Eve Service to be held in the Fall at St. Elisabeth's. You will be hearing more in the near future about combined programs in which we will take an active part.

It seems foolish, in the light of our economic, political, and social interdependence, for the Church to continue to foster a kind of "ghetto" existence in its own life. Such religious isolation also seems blasphemous in the light of the New Testament, in which we are told that "we, though many, are one body in Christ, and individually members one of another" (Romans 12:5), and in which we are told to "bear one another's burdens, and so fulfil the law of Christ" (Galatians 6:2).

Faithfully,

James C. Blackburn

The Women of St. Paul's

The closing meeting for the season of the Women of St. Paul's will be held on May 10th at 8:00 p.m. in the Parish House.

June Fete and Dinner

Many of our members are in the midst of preparing for this year's June Fete and dinner, which will be held on Saturday, June 5th, from 2:00 to 9:00 p.m. Is there some article which you can contribute for sale at the Fete? Maybe you are an expert with needle and thread or at cooking and baking. At any rate, won't you help us stock the bazaar tables with salable goods? Among the items needed are fancy goods, aprons, novelties, "white elephants", home-made cakes and candies.

Of course the usual roast beef dinner will be held from 5:00 to 7:15 p.m. at a cost to adults of \$1.75, and children under twelve, 85¢. (Note: NO increase in price for the dinner!) There is also a chance that you may be fortunate enough to take home a 5-pound box of candy, a beautiful doll, an embroidered tablecloth, or a basket of fruit. Take this opportunity to meet your friends at St. Paul's on June 5th, and enjoy a delicious dinner prepared by the Dorcas Society.

Church School Picnic

The annual picnic of the Church School will go to Lenape Park, near West Chester, Pa., on Saturday, June 19. Transportation will be provided by a bus leaving the Parish House at 9:00 a.m., returning at 7:00 p.m. Parents of the Church School children and members of the Church are welcome to take part. If you have not attended one of our picnics, won't you join us this year? Bring your picnic baskets. The round trip bus fare is \$1.00 for parents and members. See Mrs. Roy T. Walters for reservations.

The last session of the Church School for the summer will be on June 13th. Classes will resume in the fall on September 19th.

Vacation Church School

This summer, from July 5th to July 16th, St. Paul's will be working co-operatively with Calvary Presbyterian Church, Broad and Moyamensing, on a program of Vacation Church School. There will be a combination of recreation and some intensive study for children from pre-school age through 8th grade. I recommend this program for all of us connected with St. Paul's and also for any other children in our community who are interested.

There is also an opportunity for at least six persons from St. Paul's to serve as volunteers - as teachers, and as helpers with refreshments, recreation, supplies and secretarial work. For the volunteers there will be some orientation during the two weeks before the program itself, and also some follow-up from July 19th through July 23rd. You can see that it will be an intensive program, and we need help. Please let me hear from you! Or, you can call Mrs. Robert Size at HO 7-7744.

Diocesan Convention

On May 4th the Diocesan Convention of the Diocese of Pennsylvania approved a resolution establishing increased minimum salaries for the clergy in this Diocese. The effect of this resolution on St. Paul's is that we must take steps to increase our Rector's salary to the minimum authorized by this Convention. The present salary of the Rector is \$5,200 a year. His minimum salary, considering Mr. Blackburn's years as a priest of the Church, will be \$5,600 in 1966. Also, payment for his automobile expense will be increased by a provision that a minimum of ten cents per mile be allowed to the Rector for mileage used in the performance of his professional work.

The missionary budget for next year was approved with a major increase for Diocesan work. This in turn will have the effect of an increase in the Diocesan share of the budget of the National Church.

All of which means that St. Paul's budget for 1966 should be enlarged to take care of these increases.

D. Cortlandt Montgomery
Delegate to the Diocesan Convention

The Rector's Message:

The most significant change in the life of the Church in our century can be seen in the Ecumenical Movement. We occasionally read about talks concerning unity among the national leaders of our churches. But we are now in the midst of some local, "grass roots", ecumenical thinking. Within the past few weeks, your Rector has been in conversation with many clergy of other denominations, including two who are pastors of neighboring churches to our own. One result of these conversations is the Vacation Church School, which you may read about elsewhere in The Chronicle.

There are almost unlimited possibilities for creative and important work which we can do together, if only we can begin to break down some of our inherited separateness. For example, we might develop a co-operative Church School program, held in one of our buildings. Or we could join together in a significant program of adult education. You might have other suggestions.

As many of our local congregations feel the pressure of diminishing size and limited financial resources, we are being forced to find new ways to do the work of the Church. It reminds me a good deal of the early Church: "And all who believed were together and had all things in common" (Acts 2:44). Perhaps we are in the process of rediscovering our common mission - to preach Christ and him crucified - and not simply to preach the Episcopal Church.

Faithfully,

(The Rev.) James C. Blackburn

As part of his vacation, the Rector will be away from the parish from the 7th until the 25th of June. During this time any emergencies may be referred to The Rev. Henry E. Wright at DE 4-2896. Mr. Vail's work will be aimed at the community, with particular emphasis on some of the near-by housing projects. Some of you may also see him in your homes. He will not, however, be involved in the Sunday services. I do hope that many of you get to know him and will offer your help in his experimental work. Mr. Vail will be living for part of his time at the Rectory. We welcome him to South Philadelphia!

Vacation Church School

Calvary United Presbyterian Church, Broad Street and Moyamensing Avenue, and St. Paul's have entered into a joint program to hold a Vacation Church School from July 5th to July 16th. The sessions will be held at St. Paul's from 1:00 to 3:00 p.m. on Mondays to Fridays inclusive.

A program director and five supervisors will be in charge of the program. Volunteers from the two churches will help in each of the departments. Classes will be held for four age groups; kindergarten, primary, junior, and junior high. A program of religious instruction and recreation will make this an interesting two weeks for the children of our neighborhood.

During the Church School year St. Paul's gives about twenty-one hours of church school instruction. This is an opportunity for the parents whose children attend our Church School to add to the children's religious education.

Enclosed are several circulars about the school sessions, which have a registration form attached. Your neighbors may be interested in sending their children to this summer activity. Would you ask them? The registration form should be mailed to Mrs. Robert Sizemore, care of Memorial Church of St. Paul, 15th and Porter Streets, (19145).

Joint Service with Calvary United Presbyterian Church

On Sunday, July 11th, at 11:00 A.M., Calvary United Presbyterian Church will worship together with St. Paul's in a joint service, at the Memorial Church of St. Paul, Fifteenth and Porter Streets.

In this day when there is so much conversation about the ecumenical movement, Calvary and St. Paul's are taking a practical step in ecumenicity. It is very exciting that this summer our two churches will work together in having a Vacation Church School.

Note that for this one Sunday, the time of the second service goes back to 11:00 A.M.

A New Radio Dramatic Series, THE WITNESS

The Executive Council of the Episcopal Church has produced a new dramatic series for radio broadcasting. Locally the program will be carried by WBCB AM (1490) on Sundays at 7:45 P.M. The series is now in progress and features Robert Young as continuing host. Exciting 15-minute stories dealing with ethical and other religious problems as faced by man in the modern world will be broadcast every Sunday evening for the next 24 weeks.

The Rector's Message

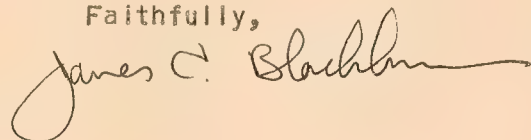

It is always a little unnerving to try to do something that has never been done before. This was my feeling as we prepared for and began our Vacation Church School. Judged simply by numbers, our experiment was a success. We had a total enrollment of 180 children, with an average attendance of 100 each day. We have yet to see if we were successful in other ways. As I reflect upon the two weeks of hard work, I am trying to think ahead to what the results of our venture will be.

First, the children immediately around the Church no longer think of the structure at 15th & Porter Streets as "that building that is open only on Sunday". They, and their parents, know that we have some concern for our neighborhood. They know that, in some sense, this is "their" Church. They will probably not even dream of becoming members here, because they are already members of St. Monica's Roman Catholic Church. But we have caused quite a change in our immediate neighborhood. For all of these things thanks are in order to Lowell Simms and his capable staff from Calvary Presbyterian Church and to our own volunteers.

On the other hand, we have created some problems for ourselves. If we now go back to being a "closed" Church, we will lose the ground we have gained and probably lose more ground. I cannot allow this and maintain my own sense of personal integrity. In fact, I would say that my ministry here depends as much on these children I have come to know as any other single factor. With this in mind, I am now making arrangements for us to have a student from the Philadelphia Divinity School who will work with us starting in September. -He will help me to continue our dialog with the community. Also, his expenses will be met from a source outside the parish. For this I have cause to be extremely grateful.

"And Jesus, taking a child in his arms, said, 'Whoever receives one such child in my name receives me'" (St. Mark 9:36-37)

Faithfully,

Form 3547 Requested

The Rector's Message:

There is probably no one in the Parish, including the Rector, who knows everyone else in the Parish. In an extremely large parish, this would be more understandable than it is in our smaller Parish. In reflecting upon this fact, I have come to the conclusion that we need to begin to know each other. Sunday morning does not really offer this possibility, and the Parish organizations offer it for only a few.

The usual method for social contact within a congregation is the pastoral calling of the Rector. However, this gives no opportunity for the parishioners to come to know each other.

Starting in September I will not be making "door to door" calls on parishioners. Of course, I will continue to see sick persons in the hospitals, make calls prior to Baptisms, in grief situations, and for any other special purpose. Also, I will be available to see anyone who makes a request for a visit. But in place of the door to door calling, we will be meeting in small groups in the homes of parishioners. These meetings will be called "cells", and will involve study, worship, or simply trying to encourage the art of "visiting".

St. Paul describes the Church as the Body of Christ and says that we are members one of another. Within the larger Body, however, it is possible to form cells, much as our physical bodies are made up of cells. With the Church, as with our bodies, the health of the entire organism is dependent upon healthy, functioning, cells.

Our student from the Philadelphia Divinity School and I will be organizing these St. Paul's Cells, and will be getting them started. Any of you who are interested in providing your homes as locations for these cells can show your interest by calling me and letting me know. I look forward to this new program in which we will be able to know each other better and, in turn, will come to know our common Lord better.

Faithfully,

James C. Blackburn

October 26th (Tuesday) - Meeting of the Convocation of
South Philadelphia at St. John the Evangelist, Third
and Reed Streets.

EVERY MEMBER CANVASS TIME IS UPON US. Canvassing gives us the opportunity to tell the parishioners of our needs and they in turn have the opportunity to show a sense of stewardship by responding wholeheartedly to the need. Each year we seem able to show improvement in our canvassing and in our giving, but we should also be aware that our pledges are only part of the story of stewardship. At this time, however, let us consider only the matter of pledging.

There is enclosed a copy of the 1966 budget adopted by the Vestry. This budget shows a need for an increase of 17% in the overall giving to church current expenses and a needed increase of 29% to meet our missionary expectation. The amount of \$19,000 for current expenses of the parish meets only our minimum necessities and does not provide for a large number of needed repairs. Those repairs beyond the \$2,000 allotted in the budget are being deferred.

The missionary share of the budget for purposes outside the parish has been increased to meet the program needs of the Diocese and general church. The missionary budget of the Diocese has been increased from \$491,000 in 1965 to \$635,000 in 1966, and an increase of approximately the same amount will be budgeted by the Diocese to the general church.

Figures like these always seem cold, but they represent our opportunity to help others in many ways and to take the gospel and work of Christ to others abroad and at home. Wherever the need is, there should be the Church. Only sacrificial giving from a large number of communicants can move the work of the Church forward towards universal brotherhood in Christ. Once each year we must sum up our parish needs, the needs of the Diocese, and our general church. I ask you to prayerfully consider what your share is in this work.

Stewardship Sunday is October 31st, and at 10:00 A.M. on that date your pledges to the parish and to missions will be received. Prior to Stewardship Sunday a member of St. Paul's will call you to remind you of our needs and to ask you to be present on October 31st to hear our Rector speak on stewardship. We should be witnessing for Christ and His church not only by our giving but by our presence in His house. Let us make Stewardship Sunday in truth "every member" Sunday by worshipping at St. Paul's.

D. C. Montgomery
Chairman, Every Member Canvass Committee

We are pleased to report the Rector is now recuperating after his stay in the hospital. During his absence we were fortunate in having Canon Alfred Vall and the Ven. John McCarty with us to take charge of our Sunday services. It is expected that Mr. Blackburn will have recovered in several weeks' time and will then assume his full schedule.

Convocation Meeting

The fall meeting of the Convocation of South Philadelphia will be held at the Church of St. John the Evangelist, Third and Reed Streets, on Tuesday, October 26th. The Women's group meets at 3:00 p.m.; service of Evening Prayer at 5:15 p.m.; supper at 6:00 p.m.; and delegates' meeting at 7:00.

All parishioners are invited to attend.

Calvary's Fall Dinner

The Annual Fall Dinner of Calvary United Presbyterian Church will be held at St. Paul's on Thursday, October 28th, at 6:30 p.m. It will be a sauerkraut dinner, with one sitting only. Entertainment and songfest to follow. Calvary has invited the people of St. Paul's to join with them in having a pleasant and entertaining evening. The dinner charge for adults will be \$1.50 and for children, 75¢. Reservations may be made through Mrs. Elsie Donehower, LEhigh 2-4143, or Calvary Church, HO 7-7744.

"Your presence at the organ will be greatly missed by your friends at St. Paul's."

Report on Mr. Blackburn

Mr. Blackburn has had to reenter Pennsylvania Hospital where he is undergoing further treatment. The Rector hopes to be out of the hospital shortly and to assume his pastoral duties gradually.

Stewardship Sunday

Our Every Member Canvass Committee is canvassing our parishioners to urge their attendance on Stewardship Sunday, October 31st, at the 10:00 a.m. service. The Rev. Henry S. Paynter will preach the sermon and Mrs. Susan B. Clark will talk on stewardship at this service. Following the talk, all of our parishioners will be asked to make their pledge to the Church for 1966 as stewards of God's gifts and in gratitude for all His blessings.

In 1964 the Vestry decided to eliminate most of the envelopes asking funds for certain Church expenses and requested that such extra funds be included with the weekly offering for the work of St. Paul's or to missions. We are gratified with the way you responded to the change in the envelope system for 1965.

The increase in the minimum salaries for clergy and for pension payments, together with general increased costs, require substantial increases in the budget. The budget enclosed in the October 1965 Chronicle showed in some detail the increase necessary to meet the program needs of St. Paul's, the Diocese, and general Church. Therefore, a substantial increase in weekly giving, both to St. Paul's and to missions, is necessary if we are to maintain our present program. We hope you will give prayerful consideration to the amount you will pledge for 1966 to St. Paul's and to missions.

D.C. Montgomery, Chairman

Every Member Canvass Committee

All Saints Day Memorial Fund

Contributions to the All Saints Day Memorial Fund are now being received. The names of those to be remembered will be read as a part of the prayers on Sunday, November 7th, at the 10:00 a.m. service, and will be inscribed in the Book of Remembrance. If there is someone you wish to memorialize, it is requested that you return your All Saints Day Offering by November 1st.

Women of St. Paul's - United Thank Offering

The presentation of the Fall Ingathering of the United Thank Offering will be at Christ Church, Second St. above Market St., on Wednesday, November 17th, at 8:00 p.m. The speaker will be the Rt. Rev. Stephen S. Bayne, S.T.D., Director of the Overseas Department of the Executive Council. At 6:30 p.m., prior to the service, a dinner will be served at Christ Church Neighborhood House, 20 North American St. Tickets for the dinner are \$2.00 each.

Convocation Thanksgiving Service

The Churches of the Convocation of South Philadelphia will hold a United Thanksgiving Service at St. Elisabeth's Church, Sixteenth and Mifflin Streets, on Wednesday, November 24th, at 8:00 p.m. It is the desire of the Churches comprising the Convocation to hold this service on the eve of Thanksgiving and thus offset the effects of secular activities on Church services held on Thanksgiving Day.

With the cooperation of parishioners from all of the Churches in the Convocation it is possible to make this an inspiring service of thanksgiving.

NOTE: Holy Communion will be celebrated at St. Paul's at 8:00 a.m. on Thanksgiving Day, November 25th, instead of a service at 10:00 a.m. as in the past.

Episcopal Hospital Offering

Thanksgiving is the occasion of a special offering for the chaplaincy service of the Episcopal Hospital. Envelopes will be available for your use in supporting our church's chaplaincy work, as our Diocese still maintains a complete ministry there to patients, members of the medical and nursing staffs, other employees and visitors.

Advent Offering

For a number of years we have augmented our weekly offering by a special Advent Offering. We are enclosing a dime-a-day folder to accumulate this offering, and hope that you will be able to fill the folder and present it on Sunday, January 2nd.

Christmas Bazaar and Supper

Preparations are in progress for a Christmas Bazaar and turkey dinner to be held on December 4th. The booths at the bazaar need articles for sale. Your donations will be appreciated.
